Item 8.01. Other Events.

On January 20, 2015, HealthSouth Corporation (“HealthSouth” or the “Company”) and certain of its subsidiaries, as guarantors, entered into an underwriting agreement (the “Underwriting Agreement”) with Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., Citigroup Global Markets Inc., Goldman, Sachs & Co., J.P. Morgan Securities LLC, Morgan Stanley & Co. LLC, RBC Capital Markets, LLC, Regions Securities LLC, SunTrust Robinson Humphrey, Inc., and Wells Fargo Securities, LLC, as representatives of the several underwriters named therein (the “Underwriters”). Pursuant to the Underwriting Agreement, the Company has agreed to issue and sell to the Underwriters, and the Underwriters have agreed to purchase for resale to the public an additional \$400 million in aggregate principal amount of the Company’s 5.75% Senior Notes due November 1, 2024 (the “Additional 2024 Notes”) at a public offering price of 102% of the principal amount. A copy of the Underwriting Agreement is attached hereto as Exhibit 1.1 and is incorporated by reference herein. The sale of the Additional 2024 Notes is registered pursuant to a Registration Statement (No. 333-183740) on Form S-3 filed by the Company with the Securities and Exchange Commission. This Current Report on Form 8-K is being filed to incorporate the Underwriting Agreement by reference into that Registration Statement.

On January 29, 2015, HealthSouth expects to complete its registered public offering of the Additional 2024 Notes, the terms of which will be governed by the previously executed Indenture, dated as of December 1, 2009 (the “Base Indenture”), between the Company and Wells Fargo Bank, National Association, as successor to The Bank of Nova Scotia Trust Company of New York, as trustee (the “Trustee”), and the Fourth Supplemental Indenture, dated September 11, 2012 (the “2024 Supplemental Indenture”), among the Company, the subsidiary guarantors named therein, and the Trustee. Upon completion of the offering, the Additional 2024 Notes will:

- mature on November 1, 2024 and bear interest at 5.75% per annum, payable semiannually in arrears on May 1 and November 1, beginning on May 1, 2015;
- be jointly and severally guaranteed on a senior, unsecured basis by all of the Company’s existing and future subsidiaries that guarantee borrowings under its credit agreement and other capital markets debt;
- rank, along with the related guarantees, equal in right of payment to the Company’s current and future senior debt and senior in right of payment to any future subordinated debt; and
- be effectively subordinated to the Company’s current and future secured debt, to the extent of the value of the assets securing such debt, and any liabilities of the Company’s nonguarantor subsidiaries.

The indenture relating to the Additional 2024 Notes contains restrictive covenants that, among other things, limit the Company’s ability and the ability of certain of its subsidiaries to, among other things, incur or guarantee additional indebtedness; pay dividends on, or redeem or repurchase, its capital stock; make investments; and merge, consolidate, or transfer all or substantially all of its assets.

The descriptions of the provisions of the Base Indenture and the 2024 Supplemental Indenture are summary in nature and are qualified in their entirety by reference to the provisions of the definitive agreements. The Base Indenture was filed as an exhibit to the Company’s Annual Report on Form 10 K for the year ended December 31, 2009, and is incorporated herein by reference. The 2024 Supplemental Indenture, which includes the form of Additional 2024 Notes, was filed on September 11, 2012 as Exhibit 4.2 to Company’s Current Report on Form 8-K and is incorporated herein by reference.
