SECTION 8 OTHER EVENTS

ITEM 8.01. Other Events.

Oppenheimer Holdings Inc. (the Company) today announced that it has reached an agreement in principle with Canadian Imperial Bank of Commerce (CIBC) to buy back, in full, the First and Second Variable Rate Exchangeable Debentures (the Debentures) issued to CIBC as part of the consideration with respect to the acquisition from CIBC of the U.S. Private Client and Asset Management Divisions of CIBC World Markets Corp. in 2003. The Company will pay the par value of the Debentures (\$160,822,400) in cash plus accrued interest.

The Company has obtained a commitment from Morgan Stanley Senior Funding, Inc. to provide senior secured credit facilities in the amount of \$125 million at a variable interest rate based on the London Interbank Offering Rate (LIBOR) with a seven-year term.

The repurchase transaction as well as the senior facility funding is subject to the completion of due diligence, applicable regulatory approvals, delivery of definitive documentation and other customary closing conditions and is scheduled to close on or around July 31, 2006.

The Company also announced today that on June 5, 2006, Oppenheimer & Co. Inc. (Oppenheimer), the Company's primary operating subsidiary, received an invitation from the New York Stock Exchange (the NYSE) to make a Wells Submission (a formal response to a request from a regulator that describes why an action should not be brought) with respect to its activities as a broker/dealer and as a clearing firm in connection with allegedly improper market timing of mutual funds by several former employees. Oppenheimer is in the process of preparing a response.
