REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors of the Group Profit Sharing, Incentive and Employer Contribution Plan (France):

We have audited the accompanying statements of net assets available for plan benefits of the Group Profit Sharing, Incentive and Employer Contribution Plan (France) (the "Plan") as of June 30, 2014 and 2013, and the related statements of changes in net assets available for plan benefits for each of the three years in the period ended June 30, 2014. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States of America). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for plan benefits of the Plan as of June 30, 2014 and 2013 and the changes in net assets available for plan benefits for each of the three years in the period ended June 30, 2014, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS  
AS OF JUNE 30, 2014 AND 2013 AND FOR THE YEARS ENDED JUNE 30, 2014, 2013 AND 2012

1. DESCRIPTION OF THE PLAN

The following brief description of Procter & Gamble Holding France S.A.S. Group Profit Sharing, Incentive and Employer Contribution Plan (the "Plan") is provided for general information only. Participants should refer to the Plan Document and their country's Plan supplement for more complete information.

General—The Plan is an employee savings plan established on December 17, 1990 by agreement between Procter & Gamble S.A. (Procter & Gamble S.A. changed its name to Procter & Gamble Services France and then to Procter & Gamble Services Neuilly before its current name Procter & Gamble Holding France S.A.S.) together with its directly or indirectly wholly-owned subsidiaries, and those subsidiaries' respective Comités d'Entreprise ("Employee Committees"), in order to provide a means for eligible employees to save and invest their income, group profit sharing, and incentive remuneration. The most recent Plan agreement took effect on July 1, 2011 and is signed by Procter & Gamble Holding France S.A.S., Procter & Gamble France S.A.S., Procter & Gamble Pharmaceuticals France S.A.S., Procter & Gamble Amiens S.A.S., Procter & Gamble Blois S.A.S., Parfums Rochas S.A.S and Wella France S.A.S. (together, "P&G France"), and their related Employee Committees.

In addition to the Plan, a collective Pension Savings plan ("PERCO") has been established for Procter & Gamble Holding France S.A.S and the following subsidiaries: Procter & Gamble France S.A.S., Procter & Gamble Pharmaceuticals France S.A.S, Procter & Gamble Blois S.A.S. and Parfums Rochas S.A.S. In place since January 1<sup>st</sup> 2013 for the aforementioned entities, the PERCO was established one year later (January 1<sup>st</sup> 2014) for Wella France S.A.S.

Procter & Gamble Holding France S.A.S. is directly or indirectly a wholly-owned subsidiary of The Procter & Gamble Company (the "Parent"). The Plan and the PERCO are subject to the laws and regulations of France. The assets of the Plan and of the PERCO are invested in five "Fonds Commun de Placement d'Entreprise" ("FCPE") which are registered investment funds reserved to employees of P&G France subject to the laws and regulations of France.

Administration—Administration of the Plan and of the PERCO are jointly executed by Procter & Gamble Holding France S.A.S. and Natixis Asset Management, the fund manager. The five FCPE are under the supervision of the Conseils de Surveillance ("Monitoring Committees") which are composed of both employee and employer representatives of P&G France.

Participants Accounts and Investments Options—An account is maintained for each employee, and reflects employee and employer contributions as well as employee withdrawals. There is no provision for the allocation of income since the FCPE's do not pay dividends. Participants are permitted to invest certain contributions into any of the five FCPE's; however, certain other contributions from employees and from P&G France are mandatorily invested in FCPE Groupe Procter & Gamble (Option D). Amounts may be transferred from one FCPE to another FCPE except that "blocked" amounts may not be transferred out of FCPE Groupe Procter & Gamble (Option D).

Participants may allocate their account balances to one or all of the following investment options offered by the Plan:

FCPE Groupe Procter & Gamble Actions (Option A) – The prospectus indicates that this fund is primarily invested in securities or in mutual funds which invest with a minimum of 60% in Eurozone securities and with a maximum of 10% in interest rate products.

FCPE Groupe Procter & Gamble Obligations (Option B) – The prospectus indicates that this fund is primarily invested in Eurozone monetary products or in mutual funds which invest primarily in Eurozone monetary products.

FCPE Groupe Procter & Gamble 5000 (Option C) – The prospectus indicates that this fund is primarily invested in securities or in mutual funds invested at least at 60% in securities (Europe, United States, Asia and emerging countries) and with a maximum of 10% invested in Eurozone monetary products.

FCPE Groupe Procter & Gamble (Option D) – The prospectus indicates that this fund is invested at least at 90% in The Procter & Gamble Company common stock and with a maximum of 10% invested in US/Euro zone monetary products.

FCPE Groupe Procter & Gamble Solidaire (Option E) – The prospectus indicates that this fund is invested at least at 15% and with a maximum of 35% in "socially responsible investment" securities selected according to NATIXIS Bank criteria or in mutual funds which invest in "socially responsible investment", and at least at 55% and with a maximum of 80% in Euro bonds or in mutual funds which invest in Euro bonds.

FCPE Groupe Procter & Gamble (Option F) – The prospectus indicates that this fund is invested at 80% in International bonds or in mutual funds which invest in International bonds, at 20% in "socially responsible investment" Euro bonds or in mutual funds which invest in "socially responsible" Euro bonds.

To note, the formerly existing FCPE Groupe Procter & Gamble (Option E) has been merged in April 2014 into FCPE Groupe Procter & Gamble (Option F). All assets held in that fund were transferred to the newly created FCPE Option F.

For the PERCO, investments in Option D are not possible. The other Options are accessible at the discretion of the employee.

**Contribution and Vesting**—Employees are eligible for Plan participation three months after their start date with P&G France. Contributions are made by Plan participants as well as by P&G France as follows:

Employees' Contributions:

- Voluntary, periodic contributions – These are usually contributed on a monthly basis. They are eligible for matching contributions from P&G France. These contributions are automatically invested in Option D.
- Voluntary, complementary contributions – Employees may make complementary contributions whenever they wish although these amounts receive no matching contributions. These contributions are invested at the discretion of the employee in one of the five FCPE's.

Employers' Contributions:

- Employer matching contributions –P&G France makes a matching contribution between 50 and 100 percent, based on employees' voluntary periodic contributions, with a maximum threshold of € 121.72. These matching contributions are automatically invested in Option D.
- Profit Sharing –P&G France calculates and distributes profit sharing contributions according to French law as well as a supplementary profit-sharing agreement. These amounts are invested at the discretion of the employee in one of the five FCPE's. If no investment direction has been given by an employee, amounts are automatically invested as per the last investment choice or, by default, in Option B.
- Incentive compensation –P&G France contributes incentive amounts to employees according to an incentive compensation agreement. Employees have the option to receive these amounts immediately, or to contribute these amounts to the Plan. Amounts contributed to the Plan are invested at the discretion of the employee in one of the five FCPE's, or automatically invested as per the last investment choice.

All contributions are immediately 100 percent vested.

Contributions to the PERCO can be made by the employees through i) voluntary periodic contributions, ii) investment of the profit sharing contribution and iii) valorisation of remaining vacation days (up to 5 per fiscal year).

**Withdrawals**—All contributions to the Plan are "blocked" for a period of five years beginning on October 1<sup>st</sup> of the calendar year in which the contribution was made. After this period, amounts are available for withdrawal without restriction. Under certain circumstances, as defined by law, a participant may withdraw "blocked" contributions. All amounts become immediately available for withdrawal upon the termination of employment.

**Plan Termination** – The Plan agreement must be renewed every three years by written agreement between P&G France and their related Employee Committees. Although the Plan is expected to be renewed by all parties, any party has the right to decline to the renewal. The present Plan has to be reviewed after the year-end June 30, 2014.

In the event of Plan termination, the FCPE's will either remain active or will be merged with other FCPE's. Thus, Plan participants will have the option to withdraw "unblocked" amounts or to remain invested. Future employee and

employer contributions to the Plan would then be suspended.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting**—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Employer and participants contributions reflect the estimated total investments in the Plan, based on prior year behavior.

**Risks and Uncertainties**—The Plan utilizes various investment instruments as described in Note 1. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

**Plan Investments** – The Plan's investments are presented at fair-value based upon the net asset value of the units of each FCPE held by the Plan at year end. The net asset values of the FCPE's are determined by the fund manager, Natixis Asset Management, based upon the fair value of the FCPE's underlying investments, less any liabilities.

Purchases and sales of investments are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. The cost of investments sold is determined using average cost.

**Fair value measurements**—ASC 820, Fair Value Measurements and Disclosures, established a single authoritative definition of fair value, set as a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2 which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following table sets forth by level within the hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at June 30, 2014.

Asset Group	2014			2013		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Procter & Gamble Company common stock	€ 72 211 751			€ 75 763 144		
Other investments	€ 52 113 388			€ 49 050 228		

**Expenses of the Plan** – Investment management, record keeping expenses, and other administrative expenses are paid by P&G Holding France S.A.S. Brokerage commissions are paid by the participants, and other costs related to the purchase or sale of shares are reflected in the price of the shares and borne by the participants.

**Contributions Receivable** – Contributions that are pending transfer to the Trustee as of June 30, 2014 and 2013 are recorded as contributions receivable to the Plan in the accompanying financial statements.

**Payment of Benefits**—Benefit payments to participants are recorded upon distribution. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not been yet paid at June 30, 2014 and 2013.
