Cautionary Statement Regarding Forward-Looking Statements

This Form 8-K and the exhibits include forward-looking statements, within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, and such statements are subject to the safe harbors created thereby. A forward-looking statement is neither a prediction nor a guarantee of future events.

We try, whenever possible, to identify these forward-looking statements by using words such as "anticipate," "assume," "believe," "estimate," "expect," "intend," "plan," "project" "may," "will," "would," "could," and similar expressions. Such forward-looking statements involve risks and uncertainties that may cause actual events, results or performance to differ materially from those indicated by such statements. These risks are identified and discussed in the Company's Form 10-K for the year ended September 30, 2012 filed with the Securities and Exchange Commission. These risk factors will be important to consider in determining future results and should be reviewed in their entirety. These forward-looking statements are expressed in good faith and we believe there is a reasonable basis for them. However, there can be no assurance that the events, results or trends identified in these forward-looking statements will occur or be achieved. Forward-looking statements speak only as of the date they are made, and we do not undertake to update any forward-looking statement, except as required by law. Readers should carefully review the statements set forth in the reports, which the Company has filed or will file from time to time with the Securities and Exchange Commission.
