General Information

Proxy Statement Purpose

The Board of Directors of Meritage Homes Corporation ("Meritage" or the "Company") is furnishing this Proxy Statement to solicit your proxy for our 2017 Annual Meeting of Stockholders. This Proxy Statement contains information to help you decide how you want your shares to be voted. To understand the proposals fully, you should carefully read this entire proxy statement and the other proxy materials identified in the Notice of Internet Availability of Proxy Materials ("the Notice"). This proxy statement will be available on the Internet, and the Notice will be mailed to stockholders beginning on or about April 3, 2017.

Date, Time and Place of Meeting

The annual meeting will be held on Friday, May 19, 2017, at 8:30 a.m. local time at our corporate office at 8800 East Raintree Drive, Suite 300, Scottsdale, Arizona, 85260. If you require directions to the annual meeting, please call (480) 515-8100.

Who Can Vote

Stockholders who hold shares of our common stock at the close of business on March 23, 2017, the record date, will be entitled to one vote for each share held regarding each of the matters proposed in this proxy statement. Only holders of record of common stock at the close of business on the record date will be permitted to vote at the meeting, either in person or by valid proxy. On the record date, there were 40,313,842 shares of Meritage common stock outstanding. The common stock is our only outstanding class of voting securities.

Voting Information

You can vote in person at the annual meeting or submit a proxy to have your shares represented without attending the annual meeting. The shares represented by a properly executed proxy will be voted as you direct. To submit a proxy, you must follow the instructions provided in this proxy statement and in the Notice. You may submit your proxy via the Internet, regular mail, or by calling the telephone number provided in the Notice, and you will be asked to enter your 11- or 12-digit control number. If you request a printed copy of these materials, you may also fill out and sign the proxy or voting instruction card enclosed therein and return it by mail in the envelope provided.

If you submit a signed proxy but do not indicate any voting instructions, your shares will be voted FOR the election as directors of the nominees named in this proxy statement, FOR the ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm for fiscal 2017, FOR the advisory vote to approve the compensation of our named executive officers, and FOR the advisory vote on the frequency of future advisory votes on Say on Pay to be held every year.

You can revoke your proxy any time before it is voted by written notice delivered to the Company's Secretary, by timely delivery of a later signed proxy (including via the Internet, regular mail, or telephone), or by voting in person at the annual meeting. Attendance at the meeting alone is not sufficient to revoke your proxy. You must also vote your shares to revoke your proxy.

PROXY SUMMARY

Holders of Record

If your shares are registered directly in your name with our transfer agent, you are considered the “holder of record” of those shares. If your shares are held in a brokerage account or by another nominee, you are considered the “beneficial owner” of shares held in “street name,” and the Notice is being forwarded to you by your broker or nominee (the “record holder”) along with a voting instruction card. As the beneficial owner, you have the right to direct your record holder regarding how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions.

Record Holders and Beneficial Owners

As the holder of record or beneficial owner of shares, you are invited to attend the annual meeting. Please note, however, that if you are a beneficial owner, you may not vote your shares in person at the meeting unless you obtain a “legal proxy” from the record holder that holds your shares. Rules of the New York Stock Exchange (the “NYSE”) determine whether proposals presented at stockholder meetings are “routine” or “non-routine.” If a proposal is routine, a broker or other entity holding shares for a beneficial owner in street name may vote on the proposal if you do not provide voting instructions. If a proposal is non-routine, the broker or other entity may vote on the proposal only if the beneficial owner has provided voting instructions. A “broker non-vote” occurs when the broker or other entity is unable to vote on a proposal because the proposal is non-routine and the beneficial owner does not provide instructions. If you are a beneficial owner and do not give instructions to your record holder prior to the meeting, the record holder will be entitled to vote your shares in its discretion only on Proposal 2 (Ratification of Independent Registered Public Accounting Firm) and will not be able to vote your shares on Proposal 1 (Election of Directors), Proposal 3 (Advisory Vote to Approve Compensation of our Named Executive Officers), or Proposal 4 (Advisory Vote on the Frequency of Future Advisory Votes on Say on Pay) and your shares will be treated as a “broker non-vote” on those proposals.

Quorum

The presence in person or by proxy of stockholders representing a majority of the votes entitled to be cast at the meeting is necessary to constitute a quorum at the meeting. Abstentions and broker non-votes are counted as present for purposes of determining whether a quorum exists.

The following four proposals will be considered at the Annual Meeting:

Stockholders will be given the opportunity to vote on an advisory resolution to approve the compensation of our Named Executive Officers ("NEOs") (commonly referred to as "Say on Pay").

Our executive compensation program is designed to drive and reward superior corporate performance, both annually and over the long-term. The Board believes the Company's compensation policies and practices are effective in achieving the Company's goals of paying for performance and aligning the NEOs long-term interests with those of our stockholders. Compensation elements for our NEOs include:

PROXY SUMMARY

Other

Matters

The management and Board of Directors of the Company know of no other matters to be brought before the meeting. If other matters are properly presented to the stockholders for action at the meeting or any adjournments or postponements thereof, it is the intention of the proxy holders named in this proxy to vote in their discretion on all matters on which the shares of common stock represented by such proxy are entitled to vote. The entire cost of this solicitation of proxies will be borne by the Company, including expenses incurred in connection with preparing, assembling and mailing the Notice. The Company may reimburse brokers or persons holding stock in their names or in the names of their nominees for their expenses in sending the proxy materials to beneficial owners who request paper copies. Certain officers, directors and regular employees of the Company, who will receive no extra compensation for their services, may solicit proxies by mail, telephone, facsimile, email or personally.

Corporate

Governance

Meritage operates within a comprehensive plan of corporate governance for the purpose of defining responsibilities and setting high standards for ethical conduct. Our Board of Directors has established the following governance committees:

~~Audit Committee~~

~~Executive Compensation Committee~~

~~Nominating/Governance Committee~~

~~Land Committee~~

The charter of each of these committees is available on our website, along with our Code of Ethics, Corporate Governance Principles and Practices and Securities Trading Policy. These items are also available in print, free of charge, to any stockholder who requests them by calling us or by writing to us at our principal executive offices at the address listed previously in this proxy statement, Attention: Secretary.

PROPOSAL 1: ELECTION OF DIRECTORS

Election of Directors

(Proposal No. 1)

Our Board of Directors currently has nine members. The directors are divided into two classes serving staggered two-year terms. This year, our Class II directors are up for election. The Board, upon the recommendation of the Nominating/Governance Committee, has nominated for re-election Peter L. Ax, Robert G. Sarver, Gerald Haddock and Michael R. Odell, all of whom are presently serving as Class II directors.

Biographical information for each of our director nominees is set forth beginning on page 15.

All nominees have consented to serve as directors. The Board of Directors has no reason to believe that any of the nominees will be unable to act as a director. However, should a nominee become unable to serve or should a vacancy on the Board occur before the annual meeting, the Board may either reduce its size or designate a substitute nominee. If a substitute nominee is named, your shares will be voted for the election of the substitute nominee designated by the Board. In the vote on the election of the director nominees, stockholders may vote FOR, AGAINST, or ABSTAIN for each director.

Unless you elect to vote differently by so indicating on your signed proxy, your shares will be voted FOR the Board's nominees. To be elected a director, a director nominee must receive the affirmative vote of the majority of the votes cast, meaning, that the number of votes cast "for" a director nominee must exceed the number of votes "against" that director nominee. Any nominee for director who is an incumbent director but who is not elected by a majority of the votes cast, and with respect to whom no successor has been elected, will promptly tender his or her offer to resign to the Board of Directors for its consideration. The Nominating/Governance Committee of the Board of Directors will recommend to the Board of Directors whether to accept or reject the resignation offer, or whether other action should be taken. Broker non-votes and abstentions will not count as either votes for or against the nominee.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE ABOVE-NAMED NOMINEES AS DIRECTORS.

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Ratification of Independent Registered Public Accounting Firm

(Proposal No. 2)

The Board of Directors seeks an indication from stockholders of their approval or disapproval of the Audit Committee's appointment of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal 2017.

Deloitte & Touche LLP was appointed our auditor in 2005 and no relationship exists other than the usual relationship between auditors and clients.

An affirmative vote of the majority of the votes cast at the annual meeting, at which a quorum is present, is required to ratify the selection of Deloitte & Touche LLP as the Company's independent auditor. Abstentions will not be counted either for or against this proposal. If the appointment of Deloitte & Touche LLP as auditors for 2017 is not approved by stockholders, the adverse vote will be considered a direction to the Audit Committee to consider other auditors for next year. However, because of the difficulty in making any substitution of auditors after the beginning of the current year, the appointment in 2017 will stand, unless the Audit Committee determines there is a reason for making a change. In addition, even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of the Company and our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSAL NO. 2.

PROPOSAL 3: ADVISORY VOTE TO APPROVE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Advisory Vote to Approve Compensation of our Named Executive Officers
(Proposal No. 3)

Stockholders will be given the opportunity to vote on the following advisory resolution (commonly referred to as “Say on Pay”):

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed herein pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.

Background
on Proposal

In accordance with the Dodd-Frank Act and related SEC rules, stockholders are being given the opportunity to vote at the annual meeting on this advisory resolution regarding the compensation of our NEOs.

At our 2016 Annual Meeting of Stockholders, the Company’s stockholders approved the compensation of our NEOs (on an advisory basis) by 93% of total votes cast. We believe this high approval rating indicated that our stockholders were in agreement with the direction of our Executive Compensation Committee of setting competitive compensation arrangements based on criterion believed to be both in line with the goals of our stockholders and at levels that are realizable in relation to the Company’s performance and size. In addition, at our 2011 Annual Meeting of Stockholders, the Company's stockholders indicated, on an advisory vote basis, that they preferred that we hold Say on Pay votes on an annual basis (a say on frequency vote is required to be held at least once every six years). This Proposal No. 3 represents this year’s Say on Pay vote.

For a comprehensive description of our executive compensation program, philosophy and objectives, including the specific elements of executive compensation that comprised the program in 2016, please refer to the Compensation Discussion and Analysis section of this proxy statement. The Summary Compensation Table and other executive compensation tables (and accompanying narrative disclosures) that follow it, beginning on page 39, provide additional information about the compensation that we paid to our NEOs in 2016. As described in the Compensation Discussion and Analysis, our executive compensation program is designed to drive and reward superior performance both annually and over the long term while simultaneously striving to be externally competitive. During 2016, through the combined efforts of our NEOs, Meritage was successful in generating year-over-year increases in many of our key operating metrics (dollars in thousands):

	2016	2015	% Change
Home Closing Units	7,355	6,522	12.8%
Home Closing Revenue	\$3,003,426	\$2,531,556	18.6%
Home Order Units	7,290	7,100	2.7%
Home Order Value	\$3,001,503	\$2,822,785	6.3%
Backlog Units	2,627	2,692	(2.4)%
Backlog Value	\$1,135,758	\$1,137,681	(0.2)%
Pre-Tax Income	\$218,060	\$189,464	15.1%
Diluted Earnings per Share	\$3.55	\$3.09	14.9%

The Executive Compensation Committee continually evaluates the compensation packages for our NEOs and adjusts them as conditions warrant, including setting performance targets for both cash and equity awards, some of which have been forfeited in cases where targets were not met. In 2013, the Executive Compensation Committee engaged a compensation consultant and revised some of the compensation arrangements beginning in 2014. The Company over the last several years (inclusive of the most recent updates) has implemented prudent and responsible compensation policies in the stockholders’ interest, some of which include:

- ▲ a substantial portion of compensation is incentive based and is "at-risk", as discussed beginning on page 28.
- ▲ incentive compensation is balanced between cash and equity awards, as discussed beginning on page 28.

The employment agreements for our CEO and our NEOs include a provision for the clawback (or offset) of incentive bonuses to the extent any financial results are misstated as the result of the NEO's willful misconduct or gross negligence.

NEOs must comply with security ownership requirements, as discussed on page 29.

PROPOSAL 3: ADVISORY VOTE TO APPROVE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

• Perquisites are limited to auto allowances and reimbursement of certain life and disability or long-term care insurance premiums, and limited other benefits as discussed on page 29.

Effects of
Advisory
Vote

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to our NEOs and will not be binding on the Board of Directors or the Executive Compensation Committee. However, the Executive Compensation Committee will consider the outcome of the vote when making future executive compensation decisions.

An affirmative vote of a majority of the votes cast at the annual meeting, at which a quorum is present, is required to approve this advisory vote. Broker non-votes and abstentions have no effect on the result of the vote.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” APPROVAL OF THE RESOLUTION SET FORTH ABOVE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

PROPOSAL 4: ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON SAY ON PAY

Advisory Vote on the Frequency of Future Advisory Votes on Say on Pay
(Proposal No. 4)

Stockholders will be given the opportunity to vote on the following advisory resolution:

RESOLVED, that the stockholders shall be given the opportunity to vote on an advisory resolution regarding the compensation of the Company's named executive officers (vote for one alternative only):

- every year
- every two (2) years; or
- every three (3) years.

Background
on Proposal

In accordance with the Dodd-Frank Act and related SEC rules, stockholders are being given the opportunity to vote at the annual meeting on an advisory resolution regarding the compensation of our NEOs. See Proposal 3 beginning at page 8. The Dodd-Frank Act and applicable SEC rules also require that, at least once every six years, stockholders be given the opportunity to vote on the advisory resolution set forth above regarding the frequency of future stockholder advisory votes on the compensation of our NEOs. Our last vote on the frequency of future stockholder advisory votes on the compensation of the Company's NEOs was held at the Company's 2011 Annual Meeting of Stockholders and, accordingly, we are asking stockholders at this year's Annual Meeting of Stockholders to vote on an advisory resolution regarding the frequency of future stockholder votes on the compensation of our NEOs.

Stockholders may vote to recommend that future stockholder advisory votes on the compensation of our NEOs be held every year, every two years or every three years. After careful consideration of this Proposal No. 4, our Board of Directors has determined that an advisory vote on executive compensation that occurs every year is the most appropriate alternative for us, and therefore our Board of Directors recommends that you vote for an annual advisory vote on executive compensation. In formulating its recommendation, our Board of Directors considered that an annual advisory vote on the compensation of our named executive officers will provide our stockholders with direct and timely input on our executive compensation.

The frequency option (i.e. every year, every two years or every three years) that receives a plurality of the votes cast on this proposal will be deemed the recommended option of stockholders. Broker non-votes and abstentions will have no effect on the result of the vote.

Effects of
Advisory
Vote

Because the vote on this proposal is advisory in nature, it will not be binding on the Board of Directors. However, the Board of Directors will consider the outcome of the vote along with other factors when making its decision about the frequency of future stockholder advisory votes on the compensation of our NEOs.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF HOLDING FUTURE STOCKHOLDER ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS EVERY YEAR.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Corporate Governance and Board Matters

Role of the Board of Directors

The Board of Directors (“the Board”) is elected by the stockholders to oversee the stockholders’ interests in the operation and overall success of our business. The Board serves as our ultimate decision-making body, except for those matters that require a vote of our stockholders. The Board selects and oversees the members of senior management who are charged by the Board with conducting our business. We have established and operate in accordance with a comprehensive plan of corporate governance that defines and sets ethical standards for the conduct of our directors, officers and employees. This plan provides an important framework within which the Board can pursue our strategic objectives and ensure long-term stockholder value.

Corporate Governance Principles and Practices

We have adopted Corporate Governance Principles and Practices that define the key elements of our corporate governance framework and philosophy, including:

- director qualifications,
- independence criteria,
- director responsibilities,
- committee responsibilities and structure,
- officer and director stock ownership requirements,
- director resignation policy,
- director access to officers and employees,
- our philosophy with respect to director compensation,
- Board evaluation process,
- confidentiality requirements,
- director orientation and continuing education, and
- our plans with respect to management succession.

Our Corporate Governance Principles and Practices are available on our website at investors.meritagehomes.com and we will provide a printed copy to any stockholder upon request. These principles are reviewed regularly by the Nominating/Governance Committee and changes are made as the Committee deems appropriate.

Director Qualifications and Diversity

Our Board of Directors is comprised of a group of individuals whose previous experience, financial and business acumen, personal ethics and dedication and commitment to our Company allow the Board to complete its key task as the over-see and governing body of Meritage Homes Corporation. The specific experience and qualifications of each of our Board members are set forth below. The Board is committed to a policy of inclusiveness and diversity. The Board believes members should be comprised of persons with diverse skills, expertise, backgrounds and experiences including, without limitation, the following areas:

- management or board experience in a wide variety of enterprises and organizations,
- banking and capital markets and finance,
- accounting,
- legal and regulatory,

real estate, including homebuilding, commercial and land development,
sales and marketing, and
operations.

In 2014, the Board of Directors amended and restated our bylaws to adopt a customary majority voting standard for the election of directors. In addition, we updated our Corporate Governance Principles and Practices to require that any nominee for director who is an incumbent director but who is not elected by the vote required in the bylaws, and with respect to whom

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

no successor has been elected, promptly tender his or her offer to resign to the Board of Directors for its consideration. The Nominating/Governance Committee of the Board of Directors will recommend to the Board of Directors whether to accept or reject the resignation offer, or whether other action should be taken. In determining whether to recommend that the Board of Directors accept any resignation offer, the Nominating/Governance Committee will be entitled to consider all factors believed relevant by the Nominating/Governance Committee's members. The Board of Directors will act on the Nominating/Governance Committee's recommendation within 90 days following certification of the election results and will announce its determination and rationale in a Form 8-K. In deciding whether to accept the resignation offer, the Board of Directors will consider the factors considered by the Nominating/Governance Committee and any additional information and factors that the Board of Directors believes to be relevant. If the Board of Directors accepts a director's resignation offer pursuant to its process, the Nominating/Governance Committee will recommend to the Board of Directors and the Board of Directors will thereafter determine what action, if any, will be taken with respect to any vacancy created by a resignation. Any director who tenders his or her resignation pursuant to this policy will not participate in the proceedings of either the Nominating/Governance Committee or the Board of Directors with respect to his or her own resignation.

In case of a Board vacancy or if the Board elects to increase its size, determinations regarding the eligibility of director candidates are made by the Nominating/Governance Committee, which considers the candidate's qualifications as to skills and experience in the context of the needs of the Board of Directors and our stockholders. When seeking new Board candidates, the Nominating/Governance Committee is committed to a policy of inclusiveness and will take reasonable steps to ensure that women and minority candidates are considered for the pool of candidates from which the Board nominees are chosen and will endeavor to include candidates from non-traditional venues.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Director Independence

The Nominating/Governance Committee evaluates and reports to the Board of Directors regarding the independence of each candidate. Consistent with the rules and regulations of the NYSE, at least a majority of the Board of Directors must be independent. No director will be deemed to be independent unless the Board affirmatively determines that the director has no material relationship with the Company, either directly or as an officer, shareowner, member, partner or trustee of an organization that has a relationship with the Company. The Board observes all criteria established by the NYSE and other governing laws and regulations. In its review of director independence, the Board considers all commercial, banking, consulting, legal, accounting, charitable and other business relationships the director may have with the Company.

As a result of its review, the Board of Directors has determined that a majority of Meritage's Board members are independent. Our independent directors are Peter L. Ax, Raymond Oppel, Richard T. Burke, Sr., Gerald Haddock, Dana C. Bradford, Michael R. Odell and Deb Henretta.

In making this determination, the Board of Directors evaluated whether any relationships exist between these individuals and Meritage and determined that no relationship exists between Meritage and any independent director. Steven J. Hilton is not considered independent because he is employed by the Company.

Prior to 2004, Robert G. Sarver was deemed an independent director. The Nominating/Governance Committee has continually monitored certain relationships between Mr. Sarver and Meritage along with relationships between Mr. Sarver and Mr. Hilton. Mr. Sarver and Mr. Hilton have certain business relationships unrelated to Meritage, including Mr. Sarver serving as trustee of certain of Mr. Hilton's family trusts. The Nominating/Governance Committee evaluated these relationships and determined that they did not impair Mr. Sarver's independence because they do not involve Meritage and are insignificant in relation to Mr. Sarver's net worth. During 2004, Mr. Sarver became the controlling owner of the Phoenix Suns basketball team, in which Mr. Hilton purchased a minority ownership interest. This relationship was closely evaluated by the Nominating/Governance Committee because of its significance to Messrs. Sarver and Hilton. The Nominating/Governance Committee and the Board of Directors believe Mr. Sarver is a valuable member of the Board and that the Company benefits from his extensive business experience. Although Mr. Sarver does not have any material relationship with the Company which under the applicable rules and regulations would deem him not independent, the Nominating/Governance Committee has nevertheless concluded it is at this time in the best interest of Meritage's stockholders that Mr. Sarver not be deemed an independent director. The Board has also determined that all committees of the Board, with the exception of Land Committee, should be comprised entirely of independent directors and therefore neither Mr. Hilton nor Mr. Sarver serve on any Board committees.

Board Leadership Structure

Steven J. Hilton, our co-founder and CEO, also serves as a director and the Chairman of the Board. We believe Mr. Hilton's unique industry experience and continuing involvement in the day-to-day operations of the Company make him highly qualified to serve as our Board's Chairman. Mr. Hilton co-founded Meritage Homes and is thus intimately familiar with its history, culture and operations. Mr. Hilton possesses in-depth knowledge and expertise in the homebuilding industry as a whole and Meritage Homes in particular and is the Company's largest non-institutional stockholder. The Board of Directors has concluded that this puts Mr. Hilton in a unique position and makes it compelling for him to serve both as Chairman of the Board and CEO to effectively represent the stockholders' interest. Mr. Ax, our Audit Committee Chair, serves as the Board's lead independent director. Mr. Ax has extensive knowledge of capital markets and corporate finance and has previously served as CEO of a publicly traded corporation. We believe that Mr. Ax's role as our lead independent director serves as a counterbalance to and complements Mr. Hilton's

position as Board Chairman and provides the appropriate level of independent director oversight. Additionally, our lead independent director presides over all independent director meetings and can call special meetings of the independent directors as he deems necessary to address any matters the lead independent director feels should be addressed by the majority of our directors at any time.

CEO and
Management
Succession

Under the charter of the Nominating/Governance Committee, it is the role of the Nominating/Governance Committee to review and recommend to the Board of Directors changes as needed to the Company's Corporate Governance Principles and Practices, including items such as management succession, policies and principles for CEO selection and performance review, and policies regarding succession in the event of an emergency or departure of the CEO. Our Corporate Governance Principles and Practices provide, among other things, that our Executive Compensation Committee is to conduct an annual review of the performance of the CEO.

17 MERITAGE HOMES | 2017 Proxy Statement

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

The Board of Directors considers management evaluation and CEO succession planning an important responsibility of the Board. Under our Corporate Governance Principles and Practices, the Board of Directors is responsible for approving a succession plan for our CEO and other senior officers. Issues relating to CEO succession planning are addressed regularly (at least annually) by the Board.

Risk

Oversight

Our Board of Directors has overall responsibility for the oversight of risk management. As part of this oversight, on a regular basis, our Board of Directors receives reports from various members of management and is actively involved in monitoring and approving key decisions relating to our operations and strategy. Additionally, the management teams at our divisions must obtain approvals from our corporate executive team prior to engaging in certain activities or committing prescribed amounts of the Company's financial and operational resources. As a result, senior management, who report directly to executive management, cannot authorize transactions that exceed prescribed thresholds that, while they may result in short-term benefits for their divisions, may expose the Company to unwarranted risks. Similarly, our executive management (including our NEOs) cannot engage in certain transactions without approval from our Board of Directors. For example, management must obtain approval from the Board of Directors, acting through the Land Committee, before proceeding with any land acquisition above a pre-established threshold. In addition, our General Counsel regularly reports to the Board of Directors information concerning ongoing litigation and possible legal, regulatory and other risks that might expose the Company to liability or loss. The Board also annually reviews the Company's insurance programs.

Management operates the business within parameters established by an annual budget that is reviewed and approved by the Board of Directors. At each regular Board meeting, management provides the Board of Directors a status report with respect to the budget and addresses any material variances. We believe our budgeting process provides a useful mechanism for identifying risks and the related rewards and provides a quantitative method for evaluating those risks and rewards. The Board of Directors also provides oversight of risk through its standing committees. For example: Our Audit Committee is responsible for reviewing and analyzing significant financial and operational risks and how management is managing and mitigating such risks through its internal controls and risk management processes. Our VP of Internal Audit reports directly to the Audit Committee and provides routine updates on the progress and findings of the department's on-going internal audit reviews. Our external auditors also have at least quarterly discussions with our Audit Committee, and meet both with and without Company management present, to highlight what they perceive as our key financial risks. Our Audit Committee plays an important role in approving our internal controls monitoring and is regularly engaged in discussions with management regarding business risks, operational risks, transactional risks and financial risks.

Our Executive Compensation Committee oversees risks relating to the compensation and incentives provided to our senior executive officers. The Executive Compensation Committee negotiates and approves all of the employment agreements of our NEOs and the Committee approves all grants of equity awards to all of our eligible employees. Only Independent Directors sit on our governance Committees to provide greater Director participation in key policy decisions. Although it is not a requirement that members of our Land Committee are independent, currently all members are independent directors.

The Board

and Board

Committees

We currently have nine incumbent directors and the following committees:

• Audit Committee

• Executive Compensation Committee

• Nominating/Governance Committee

• Land Committee

Our Board of Directors typically meets on a quarterly basis, with additional meetings held as required. During 2016, the Board of Directors held five meetings. Throughout 2016, each director attended at least 75% of the aggregate of the Board and committee meetings of which they were a member. Our Land Committee does not have regularly scheduled meetings but rather meets when significant land transactions require the Land Committee's consideration. Directors are expected to attend our annual meetings of stockholders. All directors with the exception of Mr. Sarver attended our 2016 annual meeting held on May 19, 2016.

Audit Committee

The Board of Directors has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (Exchange Act), and the rules and regulations of the NYSE. The Audit Committee assists the Board of Directors in:

- fulfilling its oversight of the integrity of our financial statements,
- overseeing our compliance with legal and regulatory requirements,
- determining our independent registered public accounting firm’s qualifications and independence,
- evaluating the performance of our internal audit function and independent registered public accounting firm, and
- reviewing and approving any related party transaction between the Company and senior executive officers and directors.

The Audit Committee has the sole authority to appoint and replace our independent registered public accounting firm and approves all audit engagement fees and terms of all significant non-audit engagements with the independent registered public accounting firm in accordance with the pre-approval policies set forth in our Audit Committee charter. The Audit Committee has the authority to obtain advice and assistance from, and receives appropriate funding from us for, outside legal, accounting and other advisors as it deems necessary to carry out its duties.

The Audit Committee operates under a written charter established by the Board. The charter is available on our website at investors.meritagehomes.com and we will provide a printed copy to any stockholder upon request. Each member of the Audit Committee meets the independence requirements of the NYSE and the Exchange Act, and is financially literate, knowledgeable and qualified to review our financial statements. In addition, each member of the Audit Committee has accounting or related financial management expertise. The Board of Directors has determined that Peter Ax, the Chair of our Audit Committee and each of our other two directors who serve as audit committee members are independent directors as defined by the NYSE’s listing standards, and each is an “audit committee financial expert.” Information about Mr. Ax’s past business and educational experience is included in his biography in this proxy statement under the caption “—Director Qualifications and Diversity —Class II Directors”.

The report of the Audit Committee is included in this proxy statement under the caption “Report of the Audit Committee.”

Executive Compensation Committee

The Board of Directors has established an Executive Compensation Committee (the “Compensation Committee”) in accordance with the NYSE’s rules and regulations. The Compensation Committee regularly reports to the Board of Directors and its responsibilities include:

- reviewing and approving goals and objectives relative to the compensation of our NEOs, evaluating our NEOs’ performance in light of these goals and approving the compensation of our NEOs,
- reviewing and incorporating stockholder preferences with respect to compensation agreements with our NEOs,

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

- overseeing all equity-based award grants,
- making recommendations to the Board of Directors with regard to non-NEO compensation and equity-based awards, and
- producing a report on executive compensation to be included in our annual proxy statement.

The Compensation Committee is currently comprised of three members of the Board, each of whom is independent under the independence standards of the NYSE, a “non-employee director” under Section 16 of the Exchange Act, and an “outside director” for purposes of Section 162(m) of the Internal Revenue Code (the “Code”). Generally the Compensation Committee Chair is in charge of setting the schedule for the Compensation Committee’s meetings, as well as the agenda of each meeting.

The Compensation Committee operates under a written charter, which is available on our website at investors.meritagehomes.com. We will provide a printed copy of the charter to any stockholder upon request.

The Compensation Committee has the sole authority to hire outside compensation advisors and consultants and to determine the terms, scope, fees and costs of such engagements. Since 2013, the Compensation Committee has engaged The POE Group (“POE Group”) annually, to provide an update on current compensation trends and to provide recommendations on the compensation packages of our NEOs.

The Compensation Committee determines executive compensation with respect to our NEOs independent of management. The Compensation Committee approves all grants of equity-based awards. For the NEOs, the number and type of equity award grants in most cases are determined or based on an employment agreement between the Company and the NEO, which are negotiated and approved by the Compensation Committee; however, they may be adjusted based on the Compensation Committee’s review of the NEO’s performance and competitive market factors. For non-NEOs, management is responsible for recommending to the Compensation Committee the persons to receive grants and the nature and size of the proposed award. Because management is responsible for the day-to-day operation of the Company, the Compensation Committee believes that management is in the best position to make this recommendation.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is, or has been, an employee of Meritage or any of its subsidiaries. There are no interlocking relationships between Meritage and other entities that might affect the determination of the compensation of Meritage’s executive officers.

Nominating/Governance Committee

The Board of Directors has established a Nominating/Governance Committee, which directly reports to the Board of Directors and is responsible for:

- developing director qualifications and determining whether newly elected directors or prospective director candidates meet those qualifications,
- identifying individuals qualified to become Board members and recommending director nominees for the next annual meeting of stockholders,
- considering recommendations for director nominations received from stockholders,
- reviewing and recommending changes as needed to the Company’s Corporate Governance Principles and Practices, addressing such items as management succession, including policies and principles for our CEO selection and performance review and succession in the event of an emergency or departure of the CEO,
- reviewing the charters of the Compensation Committee, Audit Committee and Nominating/Governance Committee and any other committees,
- assessing and monitoring, with Board involvement, the Board’s performance,
- recommending nominees for the Compensation Committee, Audit Committee, Nominating/Governance Committee, and Land Committee, and
- promoting adherence to a high standard of corporate governance and Company values.

The Nominating/Governance Committee has the sole authority to retain and terminate any search firm used to identify director candidates, including sole authority to approve the search firm’s fees and other retention terms. The

Nominating/Governance Committee operates under a written charter, which is available on our website at investors.meritagehomes.com. We will provide a printed copy of the charter to any stockholder upon request. Each member of the Nominating/Governance Committee meets the independence requirements of the NYSE.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Director Nomination Process

Director Qualifications. The Nominating/Governance Committee will evaluate prospective nominees using the standards and qualifications set forth in our Corporate Governance Principles and Practices and in our criteria for new directors. Prospective nominees must meet these qualification requirements and should have the highest professional and personal ethics and values, as well as broad experience at the policy-making level in business, government, education or public interest. Prospective nominees should be committed to enhancing stockholder value and should have sufficient time to devote to carrying out their duties and to provide insight based upon experience, talent, skill and expertise appropriate for the Board. Each prospective nominee must be willing and able to represent the interests of our stockholders.

Identifying and Evaluating Nominees for Directors. The Nominating/Governance Committee utilizes a variety of methods for identifying and evaluating nominees to serve as directors. The Nominating/Governance Committee assesses the current composition of the Board of Directors, the balance of management and independent directors and the need for Audit Committee and other expertise in its evaluation of prospective nominees. In the event that vacancies are anticipated, or otherwise arise, the Nominating/Governance Committee may seek recommendations from current Board members, professional search firms, outside legal, accounting and other advisors, or stockholders in order to locate qualified nominees. The Nominating/Governance Committee also evaluates each candidate in the context of maintaining and creating a diverse Board, as previously discussed. After completing its evaluation, the Nominating/Governance Committee will make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors, and the Board will determine the nominees after considering such recommendations.

Stockholder Recommendations. The policy of the Nominating/Governance Committee is to consider properly-submitted stockholder recommendations for candidates for membership on the Board of Directors as described below. In evaluating such proposals, the Nominating/Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership qualifications and criteria described below. Any stockholder recommendations proposed for consideration by the Nominating/Governance Committee must include the nominee's name and qualifications for Board membership and should be submitted to:

Meritage Homes Corporation
8800 East Raintree Drive
Suite 300
Scottsdale, Arizona 85260
Attn: Secretary

The Secretary will forward all recommendations to the Nominating/Governance Committee.

Stockholder Nominations. Our bylaws also permit stockholders to nominate directors for election at an annual stockholder meeting. For a description of the process for submitting such nominations for consideration at next year's annual meeting, please see "Stockholder Proposals, Director Nominations and Other Items of Business" on page 54 of this proxy statement.

Proxy Access. In February 2017, we amended our bylaws to permit an eligible shareholder, or a group of up to 20 shareholders, that has continuously owned at least three percent of the Company's outstanding shares of common stock for three years to include in the Company's proxy materials director nominations of up to 20% (rounded to the nearest whole number) of the number of Directors constituting the class up for election at any annual meeting. For a description of the process and deadlines for submitting such nominations for consideration at next year's annual meeting, please see "Stockholder Proposals, Director Nominations and Other Items of Business" on page 54 of this proxy statement.

Director Orientation and Continuing Education

It is the policy of the Board that all new directors should participate in an orientation program sponsored by the Company. This orientation will be designed to familiarize new directors with the Company's strategic plans, its significant financial, accounting and risk management issues, its compliance programs, its Code of Ethics, its principal

officers, its internal audit function, and its independent auditors. In addition, the Board encourages each director to attend prominent continuing education programs. The Company will pay for the director's tuition and reasonable and customary travel expenses to attend continuing education programs.

Executive Sessions of Independent Directors

Our Corporate Governance Principles and Practices dictate that the non-management members of the Board of Directors will meet in executive session at least quarterly outside the presence of directors that are employees or officers of the Company. The non-management directors met in executive session four times during 2016. Peter Ax is our Lead Independent Director and presides over these executive session meetings.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Land Committee

The Board of Directors has established a Land Committee, which directly reports to the Board of Directors. The Land Committee is responsible for reviewing and approving/denying land acquisition transactions recommended by management in excess of a predetermined monetary threshold. The Committee is intended to function as an additional approval mechanism for executive management's land acquisition approval policies and procedures.

As of the date of this filing, the Land Committee was comprised of Messrs. Ax, Oppel, Haddock and Bradford. The Land Committee is transactional in nature; accordingly, the frequency of meetings is not pre-determined, and rather meetings only occur when significant land transactions arise that require Land Committee consideration. Currently, no compensation is paid to any director for service on the Land Committee, and there is not a Land Committee chair.

Code

of

Ethics

We are committed to conducting business consistent with the highest ethical and legal standards. The Board of Directors has adopted a Code of Ethics, which is applicable to all employees, including our senior and executive management and our directors. The Code is available on our website at investors.meritagehomes.com and we will provide a print copy to any stockholder upon request.

Meritage Stock Pledging Policy

In February 2013, the Nominating/Governance Committee approved a modification to the Company's securities trading policy prohibiting all future pledging of the Company's equity securities by our employees, NEOs and directors. In connection with this policy, the Company adopted a grandfather provision relating to existing pledges. As of the date our modified policy was adopted, only Messrs. Hilton and Sarver had outstanding pledges. Our grandfather provision exempts existing pledges and continuation or replacements thereto; provided, however, that with respect to these existing pledges (or continuations or replacements thereof) the number of shares pledged may not exceed the greater of (i) two-thirds of the total number of Meritage shares beneficially owned by Mr. Hilton or Sarver, as the case may be, or (ii) 200,000 shares. In establishing these grandfather provisions, the Board considered the particular circumstances of Mr. Hilton and Mr. Sarver, the founder of the Company and an original board member, respectively, both of whom have a significant ownership in the Company's equity securities.

Anti-Hedging Policy

We have a securities trading policy that sets forth guidelines and restrictions on transactions involving our stock, which are applicable to all employees, including our NEOs and directors. Among other things, our policy prohibits all types of hedging transactions, including, but not limited to, purchases of stock on margin, short sales, buying or selling puts or calls and similar transactions involving any derivative securities. If allowed, these types of transactions could enable employees to own Company stock without the full risks and rewards of ownership. When that occurs, employees may no longer have the same objectives as the Company's other stockholders and therefore such transactions involving Meritage stock are prohibited.

Communications

with the Board

of Directors

Interested persons may communicate with the Board of Directors by writing to our Lead Independent Director at the address set forth on page 2. The Lead Independent Director will disseminate the information to the rest of the Board at his discretion.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Discussion and Analysis

The following discussion and analysis should be read in conjunction with the “Summary Compensation Table” and related tables that are presented immediately following this discussion.

The purpose of this compensation discussion and analysis (“CD&A”) is to provide information about each material element of compensation that we pay or award to, or that is earned by, our NEOs. For our 2016 fiscal year, our NEOs were:

Steven J. Hilton, Chairman and Chief Executive Officer

Hilla Sferruzza, Executive Vice President, Chief Financial Officer *

C. Timothy White, Executive Vice President, General Counsel and Secretary

Phillippe Lord, Executive Vice President, Chief Operating Officer

Javier Feliciano, Executive Vice President, Chief Human Resources Officer

Larry W. Seay, former Executive Vice President, Chief Financial Officer *

* Mr. Seay retired on March 31, 2016, and Ms. Sferruzza was appointed Executive Vice President, Chief Financial Officer on April 1, 2016.

This CD&A addresses and explains the numerical and related information contained in the summary compensation tables and includes actions regarding executive compensation that occurred during 2016, including the award of bonuses related to 2016 performance, and the adoption of any new, or the modification of any existing, compensation programs, if applicable.

2016

Environment

The 2016 housing market generally experienced a steady level of growth, thanks in part to the continued low cost of home ownership and improving consumer confidence, contributing to a favorable demand environment, particularly in the first-time buyer segment. Despite the modest rise in interest rates in the last quarter of the year, rates are still historically low, and the impact of the increases has not yet been observed in the homebuilding industry.

We remain committed to our plan of strategically positioning ourselves in many of the top housing markets in the country and continue to actively source land for well-located communities within those locations. Currently, we are actively pursuing land opportunities, opening new communities and developing product that appeal to and target the growing first-time home buyer segment. Our investments in well-located new communities and innovative product offerings have created a strategic differentiation for Meritage Homes. We believe this differentiation has benefited us throughout the last several years and will continue to provide us with opportunities for growth and profitability in the future.

The growth and profitability of Meritage is dependent on executive management’s vision and actions to implement and support these strategic goals and we feel we have taken, and continue to take, appropriate steps for Meritage to be well-positioned for success.

Executive

Summary

Meritage Homes is committed to building long-term stockholder value. Accordingly, our NEO compensation program is designed to be largely performance driven. At our 2016 Annual Meeting of Stockholders, the Company’s stockholders approved the compensation of our NEOs (on an advisory basis) by 93% of total votes cast, indicating that our stockholders were in agreement with our Compensation Committee and its direction of setting compensation arrangements based on performance metrics that are in line with the goals of our stockholders. A summary of our compensation packages is discussed further in this proxy in the section titled “Compensation Program.”

2016 Business Highlights

2016 was another year of growth and progress on many strategic fronts for Meritage Homes. Below is a summary of some of the significant accomplishments achieved in 2016:

• Grew total home closing revenue to \$3.0 billion in 2016, up 19% over 2015.

• Generated 15% year-over-year diluted EPS growth with full year 2016 diluted EPS of \$3.55.

• Successfully opened our first LiVE.NOW. communities targeted to the growing number of first-time buyers looking for affordable home ownership that offers a product beyond the typical entry-level home.

• Surpassed a historic milestone with the closing of our 100,000th home.

• Increased our lots under control by 7% to 29,815 lots at December 31, 2016 from prior year.

COMPENSATION DISCUSSION AND ANALYSIS

Maintained our net debt-to-capital ratio within our target of the low-to-mid 40% range, reporting 41.2% at December 31, 2016.

As mentioned, our executive compensation program is designed to be driven with a focus on pay-for-performance. In 2016, more than half of the compensation program for our CEO and certain other NEOs was based on various performance metrics that are tied to Meritage's operational goals. The following graph illustrates CEO compensation as it relates to the performance of the Company over the last three years.

*Before deduction of CEO total compensation (as reflected in the Summary Compensation Table).

In addition to our financial and operating successes, Meritage Homes is committed to building every home to meet or exceed ENERGY STAR® standards, the Environmental Protection Agency has recognized Meritage Homes as an ENERGY STAR Partner of the Year every year since 2010. For the fourth consecutive year, Meritage received the ENERGY STAR® prestigious Partner of the Year for Sustained Excellence Award in recognition of our ongoing industry leadership in advancing energy-efficient building standards.

We have also enjoyed successes in establishing ourself as a company that gives back and has been recognized for such efforts. Since 2013, Meritage has partnered with Operation Homefront to provide newly-built mortgage-free homes to military families through its Homes on the Homefront program. In addition, Meritage employees donated thousands of man-hours and significant financial support to Ronald McDonald House, Habitat for Humanity, numerous local food banks and many other local and national charitable organizations, which we plan to continue to support through the Meritage Cares Foundation.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation
Philosophy
and
Objectives

Our executive compensation program is designed to drive and reward superior corporate performance both annually and over the long term while simultaneously striving to be externally competitive. We continually review our executive compensation program to ensure it reflects good governance practices and is in the best interests of stockholders. Since 2013 the Compensation Committee has engaged POE Group as its independent compensation consultant to evaluate and make recommendations regarding the terms of our NEO compensation programs as they relate to creating stockholder value as well as remaining competitive in the marketplace with the changing trends in NEO compensation, while meeting the below core objectives:

Pay for Performance

A substantial portion of the total potential compensation for Mr. Hilton, Ms. Sferruzza and Messrs. White and Lord is intended to be variable on a pay-for-performance basis. The terms of the performance-based compensation contemplated in each respective NEOs employment agreement was based upon an assessment performed by POE Group of external market data to ensure that the compensation formula is competitive relative to the compensation paid by companies with which we compete for executive talent. This compensation is derived based on (i) the performance of the Company as a whole, as measured against our peer group and (ii) the NEOs role in the attainment of the Company’s performance goals.

Stock Ownership

We are committed to utilizing our compensation program to increase executive stock ownership over time. We believe that equity ownership directly aligns the interests of our executives with those of our stockholders and helps to focus our executives on long-term stockholder value creation. We award restricted stock, restricted stock units and performance share awards to our NEOs, as we believe such awards provide our NEOs with an incentive to continue to increase long-term stockholder value, even during periods of declining stock prices. We believe the granting of equity awards is an important retention tool and is widely used in our industry.

Recruiting and Retention

Due to the competitive nature of our industry, we are committed to providing total compensation opportunities that are competitive with, though not identical to, the practices of other large public homebuilders. We intend for our compensation program to be sufficiently aligned with industry practices so that we can continue to attract and retain outstanding executives who are motivated to help us achieve our mission.

Compensation Peer Group

As a member of the homebuilding industry, we predominantly compete for executive talent and have historically compared ourselves to other companies in our industry. There are a limited number of homebuilders that have revenue and market capitalization similar to ours. Therefore, the Compensation Committee, with the assistance of POE Group, has established a peer group of comparably sized companies selected from the homebuilding industry as well as the building products industry. The majority of the peer group companies fall within the following parameters:

- 0.4 times to 2.5 times our revenues, and
- 0.25 times to 4.0 times our market capitalization.

The peer group companies that were used in 2016 for executive compensation benchmarking and performance benchmarking are set forth below. We believe that this peer group provides an appropriate benchmark comparison for our Company.

1 Fortune Brands	1 TRI Pointe
1 Hovnanian Enterprises	1 Toll Brothers
1 KB Home	1 USG

25 MERITAGE HOMES | 2017 Proxy Statement

COMPENSATION DISCUSSION AND ANALYSIS

In addition to the peer group listed above for executive compensation benchmarking, the Compensation Committee established a peer group for the total shareholder return ("TSR") portion of performance based long-term incentive awards that includes only homebuilders based on the recommendations of POE Group. The revised TSR peer group for 2016 is set forth below:

1 Beazer Homes USA	1 M.D.C. Holdings
1 CalAtlantic Group	1 Taylor Morrison Home
1 Hovnanian Enterprises	1 Toll Brothers
1 KB Home	1 TRI Pointe

While market data is an important factor utilized by the Compensation Committee when setting compensation, it is only one of multiple factors considered, and the amount paid to each executive may be more or less than the composite market predicted value based on the performance of the Company and the executive, the roles, experience and responsibilities of the executive, experience level of the individual, internal equity and other factors that the Compensation Committee deems important.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation

Best Practices

The best practices evidenced by our compensation programs and processes include:

WE DO

a Pay for performance by requiring a significant portion of the total compensation of our NEOs be determined based on performance tied to strategic objectives.

a Have executive Stock Ownership Requirements in place set at a multiplier of base salary.

a Have a clawback policy for our NEOs requiring the recoupment of incentive bonuses in the event of a restatement of financial results resulting from willful misconduct or gross negligence of the applicable NEO.

a Engage a compensation consultant to provide an update on current compensation trends and to provide recommendations on our NEOs' current compensation packages.

a Double trigger cash severance based upon a change-in-control of the Company.

Our executive compensation policies and practices are designed to align our NEOs' long-term interests with those of our stockholders via a pay-for-performance model. The charts below depict the 2016 percentage of compensation for our CEO and other NEOs that is fixed versus performance-based (from the summary compensation table on page 39):

WE DO NOT

r Provide perquisites for our NEOs other than those limited to auto allowance, reimbursement of certain insurance premiums and other limited benefits.

r Reprice or replace stock options and other equity awards.

r Allow hedging.

r Allow pledging, subject to certain limited grandfather provisions.

r Provide tax gross-ups applicable to change-in-control and severance payments.

*Represents average for current NEOs other than the CEO.

** Includes fair value of performance share awards (at target level) and actual non-equity incentive plan compensation.

COMPENSATION DISCUSSION AND ANALYSIS

Independent Compensation Consultant

In accordance with its charter, the Compensation Committee has the sole authority to obtain advice and assistance from consultants, legal counsel, accounting and other advisers as appropriate. The Compensation Committee has the sole authority to retain and terminate any compensation consultant, counsel or adviser and to determine and approve the terms, costs and fees for such engagements. Since 2013, the Compensation Committee has engaged POE Group as its independent compensation consultant taking into consideration (i) the independence of and similar factors pertaining to POE Group as required by the New York Stock Exchange (NYSE), the Securities and Exchange Commission (SEC) and other applicable rules and regulations. Upon consideration of these factors, the Compensation Committee concluded that engaging POE Group did not present any conflicts of interest.

POE Group provided information and advice regarding compensation philosophy and strategy; recommended peer group selection criteria as well as recommended potential peer companies; and consulted with the Compensation Committee on both long-term and short-term incentive compensation.

Compensation Program

The key components of our executive compensation program are base salary, annual incentive cash compensation and long-term equity incentive compensation. In addition, our NEOs have the opportunity to participate in our company-wide 401(k) plan, a non-qualified deferred compensation plan, and to receive limited certain personal benefits, as described below. The employment agreements of our CEO and other NEOs are further described in this proxy under the section “—Employment Agreements in Effect for 2016.”

In 2016, the Compensation Committee undertook a holistic review of the executive compensation program with the assistance of our independent compensation consultant POE Group. The executive compensation program was designed based on the following strategic principles:

- Alignment with key outcomes of our business strategies;
- Appropriate balance of short- and long-term incentive award opportunity;
- Provision of market-competitive total compensation opportunity within our industry and peer group;
- Appropriate alignment with our stockholders by delivering a significant percentage of total compensation opportunity through equity;
- Setting total compensation package where a significant percentage of total compensation is at risk;
- Transparency in the communication of plan design and performance goals to enhance understanding; and
- Adherence to sound governance practices, including the prudent management of compensation risk.

Based on the results of the analysis, the components of our NEO compensation program are as outlined below.

Base Salary

The purpose of the base salary is to provide a fixed amount of cash compensation that is not variable and is generally competitive with market practices. Consistent with industry practice and our pay-for-performance objective, the base salary for each of our NEOs is designed to account for only a portion of their overall target compensation. As compared to our compensation peer group, we target our NEO salaries to be commensurate with other public homebuilders. We believe the NEO base salaries are appropriate based on the officers' roles, responsibilities, experience and contributions to the Company, as well as market data.

Annual Cash Incentive Compensation ("Non-Equity Incentive Plan")

For 2016, Mr. Hilton, Ms. Sferruzza and Messrs. White and Lord were eligible for annual cash incentive compensation. We believe our Non-Equity Incentive Plan focuses our NEOs on the most important short-term measures of our business, establishes a clear connection between performance and earned compensation, and provides greater transparency to our stockholders as to the operation of our Non-Equity Incentive Plan. Each goal represents a fixed percentage of total potential compensation with each goal assessed separately from the others. The annual

incentive compensation is designed to generally comply with the requirements of Section 162(m) of the Code to allow for the tax deductibility of incentive compensation paid to our NEOs.

The specific details of each NEO's 2016 incentive compensation are further described under the section “—Employment Agreements in Effect for 2016”.

COMPENSATION DISCUSSION AND ANALYSIS

Discretionary Bonuses

For 2016, for Mr. Hilton, Ms. Sferruzza and Messrs. White and Lord, discretionary bonuses could be awarded based on specific achievements of each individual beyond those of the performance measurements included in the annual incentive compensation calculations, subject to approval by Executive Compensation Committee. For 2016, Mr. Feliciano was eligible to receive an annual discretionary bonus of up to 50% of his base salary. During 2014, 2015 and 2016, the number and amount of discretionary bonuses was limited.

Long-Term Equity Incentive Awards

Long-term incentives are intended to provide compensation opportunities based on the creation of stockholder value and an increase in our stock price. We award restricted stock units to our NEOs as part of our total equity compensation structure. In 2016, we also granted performance share awards to Mr. Hilton, Ms. Sferruzza and Messrs. White and Lord, as further discussed below. The restricted stock unit and performance share awards generally have a three-year cliff vesting schedule.

In connection with our equity awards, we have also adopted stock ownership requirements as further discussed below in the section “—Security Ownership Requirements.”

The Compensation Committee believes that equity awards provide a strong long-term incentive for our NEOs (and other officers and employees) that, along with their stock ownership, helps to align the interests of management with our stockholders. The Compensation Committee believes that these equity-based awards provide the opportunity for our executives to benefit from strong equity performance and, particularly in the case of the restricted stock and restricted stock unit awards, the NEOs focus on balancing stability and preservation of stock value against being incentivized to potentially take on an imprudent level of additional risk to drive stock appreciation with more contingent equity awards such as stock options. The Company and the Compensation Committee also believe that an appropriate mix of cash compensation and non-cash compensation in the form of equity awards is necessary and appropriate because, among other reasons, equity-based awards do not require the use of our working capital. The Compensation Committee is mindful of the fact that equity awards represent an expense under generally accepted accounting principles and a cost to the Company and its stockholders in the form of dilution. Accordingly, we seek to achieve an appropriate balance between cash and non-cash compensation such that management is appropriately incentivized, our working capital and financial results are minimally affected and our stockholders do not experience undue dilution.

Other Compensation

The Compensation Committee does not believe in the extensive use of perquisites as a component of executive compensation. The Compensation Committee believes that the perquisites provided to our NEOs (above those received by all employees or officers in general) are limited, but help maintain the competitiveness of our compensation package as compared to our peer companies. The types of perquisites we provide to our NEOs generally consist of car allowances, and enhanced life and disability or long-term care insurance.

Tax Considerations

Section 162(m) of the Code limits the deductibility of executive compensation paid by publicly held corporations to \$1 million for each NEO. The \$1 million limitation generally does not apply to compensation that is paid pursuant to a performance-based plan approved by stockholders. Our intention is to comply with the requirements of Section 162(m) and generally maintain deductibility for executive compensation, although we reserve the right, as do most public companies, to make non-deductible payments where we determine it is in the best interests of Meritage and its stockholders.

Security

Ownership

Requirements

We maintain security ownership requirements for our directors and certain executive officers. The Board of Directors believes that these guidelines align the interests of our directors and executive officers with those of stockholders. Our directors and executive officers are required to comply with ownership guidelines. The guidelines for our directors

and NEOs are outlined below:

• Directors, three times annual director fees (exclusive of committee or lead director fees),

• CEO, ten times base salary, and

• COO, CFO, CHRO and General Counsel, two times base salary.

In the case of the appointment of a new executive officer or director, they shall not be required to purchase stock in the open market in order to become compliant. For directors and executive officers, until such compliance is achieved they may not sell or otherwise transfer any stock or stock equivalents related to equity awarded by the Company; provided, however, until such compliance is achieved, they may sell stock as necessary to pay any required income tax withholdings in connection with the vesting of any equity grants. Once their income tax withholdings are fulfilled, they may

COMPENSATION DISCUSSION AND ANALYSIS

not sell more than 50% of the remaining equity grants or awards that vest in a fiscal year and must hold the balance of their shares until their ownership requirements are met. In order to enable our directors and officers to prudently manage their personal financial affairs, our policy provides that once compliance is obtained, subsequent changes in stock price will not affect their compliance with the guidelines provided the officer or director continues to hold at least the number of shares that were necessary to comply with the Stock Ownership Guidelines but for a decrease in stock price.

For purposes of the stock ownership guidelines, stock is deemed “owned” for both directors and officers in the case of (a) shares owned outright, (b) beneficially-owned shares, and (c) phantom shares allocated to an officer in the Company’s Non-Qualified Deferred Compensation Plan. As of December 31, 2016, all officers and directors were in compliance with their respective security ownership requirements.

Equity-Based Awards

Meritage has traditionally granted equity-based awards to directors, senior executive officers and other employees to provide a means for incentive compensation and to align the interests of management with the interest of Meritage’s stockholders. Since 2009, all equity awards to employees and directors have been comprised of restricted stock and for NEOs have been comprised of a combination of restricted stock or restricted stock units and performance share awards as a means of providing sufficient incentive compensation, bringing it more in line with industry trends. We have comprehensive policies relating to the granting of stock options and other equity-based awards. Following is a summary of key aspects of our policies:

• All equity-based awards must be approved by the Compensation Committee.

• All equity-based grants will be approved at formal meetings (including telephonic) of the Compensation Committee.

• The grant date of such awards will be the date of the meeting (or a specified date shortly after the meeting).

The customary annual equity-based grant shall be approved at a regularly scheduled meeting of the Compensation Committee during the first part of the year, but generally after the annual earnings release. We believe that coordinating the main annual award grant after our annual earnings release will generally result in this grant being made at a time when the public is in possession of all material information about us.

• The customary annual grant (including performance-based grants) to executive officers and directors shall generally occur approximately at the same time as the customary annual grant to other employees.

The Company shall not intentionally grant equity-based awards before the anticipated announcement of materially favorable news or delay the grant of equity-based awards until after the announcement of materially unfavorable news.

• The Compensation Committee will approve equity-based grants only for persons specifically identified at the meeting by management.

Employment Agreements in Effect for 2016

In March 2014, we entered into amended employment agreements with Messrs. Hilton, Seay and White. These employment agreements were scheduled to expire on December 31, 2016 with automatic one-year extension renewal provisions. These renewal provisions extend the terms of the arrangements for one year unless on or before August 31 of any renewal term, the executive or the Company notifies the other that it wishes to terminate the agreement. The Compensation Committee negotiated and approved the terms of each of these agreements. Ms. Sferruzza and Messrs. Lord and Feliciano entered into agreements on the date of their appointment as an executive officer in April 2016, March 2015 and November 2015, respectively. Mr. Lord's agreement was amended in early 2016. We entered into revised employment agreements with Mr. Hilton, Ms. Sferruzza and Messrs. White, Lord and Feliciano in February 2017 as further described in the 2017 Developments section beginning on page 36. Following is a description of the

COMPENSATION DISCUSSION AND ANALYSIS

Annual Cash Incentive Bonus

Mr. Hilton, Ms. Sferruzza and Messrs. White, Lord and Seay were each entitled to an annual cash incentive bonus based upon the achievement of certain performance goals established by the Compensation Committee. The amount of the target bonus and payout ranges for each officer is set forth below. The amount of the bonus to be paid is contingent upon the achievement of the performance criteria established by the Compensation Committee. Where the actual performance falls below the threshold level, no incentive bonus will be paid with respect to that performance goal.

The non-equity incentive plan has three performance measures, weighted 60%, 30% and 10%, respectively:

1. EBITDA as adjusted for specific and pre-determined items (adjusted EBITDA);
2. Number of home closings; and
3. Customer satisfaction rating as determined by our third party rating agency.

We believe these metrics focus Mr. Hilton, Ms. Sferruzza and Messrs. White and Lord on the most important short-term measures of our business, establish a clear connection between performance and earned compensation, and provide greater transparency to our stockholders as to the operation of our non-equity incentive plan. Each goal represents a fixed percentage of total potential compensation with each goal assessed separately from the others.

For each of the three performance measures noted above, our Compensation Committee has specified:

▲ a threshold level of achievement below which no incentives will be paid;

▲ a target range level of achievement (e.g. between the threshold and maximum) associated with a market-competitive incentive award; and

▲ a maximum level of achievement above which incentives will not increase (payout ceiling).

The relationship between the level of performance and associated payout with each level is reflected below. Where actual results fall between the performance levels set forth above, payments will be calculated based on linear interpolation.

	Below Threshold	Threshold	Intermediate (Goal)	Target (1)	Maximum
Adjusted EBITDA and Number of Home Closings Performance (as % of Goal)	<90%	90 %	100 %	110 %	115 %
Payout as % of Target	— %	25 %	50 %	100 %	200 % (2) (3)
	Below Threshold	Threshold	Intermediate (Goal)	Target (1)	Maximum
Customer Satisfaction Rating Performance (as % of Goal)	<88%	88 %	94 %	100 %	113 %
Payout as % of Target	— %	25 %	50 %	100 %	200 % (2) (3)

(1) Target payouts for Messrs. Hilton, White and Lord are \$2,500,000, \$600,000 and \$1,000,000, respectively. The target payout for Ms. Sferruzza was \$318,750 which reflects a prorated 75% of her target payout of \$425,000 based on her April 1, 2016 start date.

(2) Maximum 2016 payout for Mr. Lord is equal to 165% of his target annual bonus.

(3) The target 2016 payout for Mr. Seay was 25% of his target annual bonus of \$600,000 reflecting a prorated portion based on his March 31, 2016 retirement date.

For purposes of determining the executives' formula bonuses, "Adjusted EBITDA" means earnings before interest expense and interest amortized to cost of sales, income taxes, depreciation and amortization ("EBITDA") adjusted to exclude non-routine charges that the Compensation Committee determines in its sole discretion at the time the incentive bonus plan is established is appropriate to exclude.

Annual Discretionary Bonus

Based on specific achievements of each individual beyond those of the performance measurements included in the annual incentive compensation calculations, our NEOs may be awarded discretionary cash bonuses subject to approval by the Compensation Committee. For 2016, Ms. Sferruzza received a discretionary cash bonus of \$74,375 which represented 25% of the cash bonus as calculated under her previous bonus program relating to her position as Chief Accounting Officer. For 2016, Mr. Feliciano was entitled to an annual discretionary cash bonus with a target bonus equal to 50% of his base salary and accordingly was awarded a discretionary bonus of \$160,000.

COMPENSATION DISCUSSION AND ANALYSIS

Long-Term Incentive Awards

In 2016, Mr. Hilton, Ms. Sferruzza and Messrs. White and Lord were entitled to long-term incentive awards which consist of two equity delivery vehicles: where 50% of the long-term award opportunity will be provided through a performance-based award and 50% through a service-based award conditioned upon the continued employment for the NEO, subject to acceleration in certain events. In 2016, Mr. Feliciano was entitled to equity with service-based award conditions only.

Performance Share Awards. In 2016, Mr. Hilton, Ms. Sferruzza and Messrs. White and Lord were entitled to performance-based awards as part of their overall compensation. The performance-based portion of the long-term incentive awards had three metrics, which in 2016 were weighted 40%, 30% and 30%, respectively:

1. Achievement of a targeted earnings per share (“EPS”) goal;
2. Three-year total shareholder return (“TSR”) relative to our TSR peer group (as defined under the caption “—Compensation Philosophies and Objectives — Compensation Peer Group ”); and
3. Achievement of a targeted return on asset (“ROA”) goal.

The Compensation Committee selected these three measures for our long-term incentive awards as they believe they best align with our current stockholder interests of strong returns, increased profitability per share, and increased efficiency in generating profits from assets. Additionally, the three metrics are assessed from both relative and absolute measurement approaches providing internal and external performance perspective.

For each of the three performance-based plan measures, our Compensation Committee has specified:

- ▲ threshold level of achievement below which no incentives will be paid;
- ▲ target range level of achievement (e.g. between the threshold and maximum) associated with a market-competitive incentive award; and
- ▲ maximum level of achievement above which incentives will not increase (payout ceiling).

Each metric is assessed separately from the others, and each may be adjusted for specific and pre-determined items established by the Compensation Committee. Both the EPS and ROA goals were adjusted starting in 2016 to be measured annually and on a standalone basis, although the vesting of the shares will occur at the end of a three-year performance period. The TSR goal remained a cumulative three-year metric. The relationship between the level of performance and the shares awarded with each level is reflected in the table below. Where actual results fall between the performance levels set forth below, payments will be calculated based on linear interpolation.

	Below Threshold	Threshold	Target (1) (Goal)	High Target	Maximum
EPS (40%)					
Performance as % of Goal	<90%	90 %	100 %	110 %	115% or Greater
Shares Awarded as % of Target	—	50 %	100 %	125 %	150%
ROA (30%)					
Performance as % of Goal	<90%	90 %	100 %	110 %	115% or Greater

Peer Group Percentile	<40%	40 %	50 %	65 %	80% or Greater
Shares Awarded as % of Target	—	50 %	100 %	125 %	150%

(1) Total award value at target level is equal to approximately \$1,000,000, \$318,750, \$425,000 and \$550,000 for Mr. Hilton, Ms. Sferruzza and Messrs. White and Lord, respectively.

represent the grant-date fair value assuming all three performance measures are achieved at the target level of performance. Grant date fair value for the TSR portion of awards is based on a Monte-Carlo model to assess fair value as of the date of grant. Grant date fair value for the EPS and ROA awards is calculated as of the closing stock price on the date of grant.

COMPENSATION OF OFFICERS AND DIRECTORS

Nonqualified
Deferred
Compensation
Plans

In 2013, we began to offer a non-qualified deferred compensation plan (“deferred compensation plan”) to our NEOs as well as other highly compensated employees in order to allow them additional pre-tax income deferrals above and beyond the limited caps that qualified plans, such as 401(k) plans, impose on highly compensated employees. The deferred compensation plan allows eligible participants to defer up to 75% of their base salary and up to 100% of their qualifying bonus and performance-based compensation. The deferred compensation plan also allows for discretionary employer contributions, although to date all contributions to the plan have been funded by the employees and we do not currently offer a contribution match. Employee deferrals are deemed 100% vested upon contribution. Distributions from the Plan will be made upon retirement, either in a lump sum or annual installments for up to ten years commencing upon normal retirement (upon reaching age 55 and completing ten years of service). Distributions may also be made upon death, separation of service or upon the occurrence of an unforeseeable emergency.

Participants in the deferred compensation plan are entitled to select from a wide variety of investments available under the plan and will be allocated gains or losses based upon the performance of the investments selected by the participant. All gains or losses are allocated fully to plan participants and the Company does not guarantee a rate of return on deferred balances. In 2015, we amended the deferred compensation plan to allow officers that are subject to our security ownership guidelines to allocate their annual incentive compensation bonuses to a Meritage Homes Corporation phantom stock investment vehicle. The below table reflects activity for our NEOs in the deferred compensation plan during 2016.

Executive Officer	Executive Contributions in Last Fiscal Year (\$) (1)	Registrant Contributions Last Fiscal Year (\$) (2)	Aggregate Earnings in Last Fiscal Year (\$) (3)	Aggregate Withdrawals/ Distributions (\$) (4)	Aggregate Balance at Last Fiscal Year End (\$) (5)

Phillippe Lord, EVP and COO (4)	\$ —	\$ —	—\$ —	\$ 205,126	\$ 205,126

These amounts reflect compensation the NEOs earned in our 2015 and 2016 fiscal years that they have voluntarily deferred. For each identified NEO, all amounts reported as contributions in the last fiscal year are included as (1) compensation earned in the Summary Compensation Table for 2015 and 2016. In addition, all of the amounts, exclusive of cumulative earnings/losses, reported in the aggregate balance at fiscal year were reported as compensation to the NEO in our Summary Compensation Table in 2016 and prior years.

(2) Meritage does not provide matching contributions.

(3) These amounts do not include any above-market or preferential earnings. Accordingly, these amounts are not reported in the Summary Compensation Table.

Mr. Lord is not a participant in the non-qualified deferred compensation plan. Amounts reflected in the table for (4) Mr. Lord reflect deferred incentive compensation from an incentive bonus earned by Mr. Lord in his role as Region President in 2014, prior to being promoted to Executive Vice President and Chief Operating Officer. The balance at December 31, 2016 was paid out in full to Mr. Lord in February 2017.

Control
Summary

During 2014, we entered into amended employment agreements and change of control agreements with Messrs. Hilton and White. In March 2015, we entered into an employment agreement with Mr. Lord that was subsequently amended in February 2016. In April 2016, we entered into an employment agreement with Ms. Sferruzza. Under their respective terms, Mr. Hilton, Ms. Sferruzza and Messrs. White and Lord are entitled to severance payments and other benefits in the event of certain types of terminations. These benefits can include cash payments, continuation of insurance benefits and the acceleration of outstanding stock options, restricted shares and restricted stock units. Following is a summary of the severance and change of control provisions that were in effect on December 31, 2016. As discussed above under “Compensation Discussion and Analysis- 2017 Developments”, in February 2017 the Company entered into new employment agreements with Ms. Sferruzza, Mr. Lord and Mr. Feliciano. Each of these agreements provides that the respective officer is covered by the Company’s recently adopted Severance Plan that provides for certain payments upon termination of employment, including voluntary resignation by the officer for good reason, termination by the Company, with and without cause, change-in-control, death and disability, and retirement, in each case in accordance with the Severance Plan. The details of the Severance Plan and related benefits in the various circumstances of employment termination were reported by the Company on Form 8-K filed on February 16, 2017. These severance benefits relating to the new employment agreements and Severance Plan are not reflected below because these agreements were not in effect as of December 31, 2016. In addition, the Company was party to an employment agreement with Larry W. Seay, the Company’s former EVP and CFO. Mr. Seay retired effective March 31, 2016. Accordingly, the following discussion does not include the potential payments related to Mr. Seay’s employment

agreement as he was no longer employed by the Company on December 31, 2016. The payments and benefits received by Mr. Seay in connection with his retirement and pursuant to the terms of his previous employment agreement are set forth below under “-Other Matters Regarding the Employment Agreements and Change of Control Agreements.”

Other
Matters
Regarding
the
Employment
Agreements
and Change
of Control
Agreements

The terms “Good Reason”, “Cause” and “Change of Control” are defined in the employment and change of control agreements.

All severance payments under the employment agreements and change of control agreements are conditioned upon the delivery and non-revocation of a customary release by the executive in favor of the Company.

Each executive’s employment agreement and change of control agreement is structured so that the executive is entitled to the greater benefit under the two agreements, but is not entitled to duplicative benefits.

Each of the employment agreements and change of control agreements include customary provisions concerning the timing, limitation and alteration of payments to comply with Section 409A of the Internal Revenue Code.

Consistent with the SEC’s rules and regulations concerning executive compensation disclosure, the potential value of each executive’s benefits assumes that the termination occurred on December 31, 2016, and with a closing stock price of \$34.80 on the last business day of 2016. The benefit derived from the acceleration of stock vestings was computed based on the closing price of our stock on the last day of 2016 for each equity award affected. Total termination benefits represent payments for severance, non-compete and non-disclosure covenants. This summary reflects the terms of the NEOs’ employment and change of control agreements that were in effect on December 31, 2016.

(1) Mr. Feliciano's employment arrangement in effect for 2016 does not provide for severance or change-in-control benefits.

The actual expense that would be recognized by the Company in the event of a severance event may differ materially from the numbers presented in the table above as a result of the required computation in accordance with generally accepted accounting principles for stock compensation expense.

The amounts presented include cash bonuses earned for fiscal 2016, but not paid as of December 31, 2016. In addition to the table above, the amount of bonuses earned and not paid are presented separately as 2016 compensation in the Summary Compensation table on page 39.

Mr. Seay retired effective March 31, 2016. Pursuant to Mr. Seay's employment agreement, he was eligible to receive the following payments and benefits in connection with his retirement: (i) pro-rata annual cash incentive bonus for 2016 earned through the date of termination and paid in February 2017, (ii) accelerated vesting of time-based restricted stock units (iii) continued vesting, subject to the achievement of defined performance targets, of outstanding performance share awards and (iv) the payment of any accrued paid time off balance. The amount shown above reflects \$864,220 of actual benefits paid on his retirement date associated with accelerated vesting of 21,045 shares of time-based restricted stock units valued as of the closing price of the Company's common stock on March 31, 2016 and the payment of his accrued paid time off balance. The amount also includes \$917,301 of future performance-based payments comprised of 1) \$150,000 related to his pro-rated annual cash incentive bonus for 2016 (at target level) and the estimated vesting of 21,045 shares of outstanding performance share awards (at target level) valued at the closing price of the Company's common stock on March 31, 2016. Of the 21,045 shares, 3,858 shares vested on 2/12/17 and 6,010 shares were forfeited as a result of the Company not achieving certain performance targets. The remaining 11,177 shares reflect the target number of shares that are scheduled to vest in February 2018, subject to the achievement of defined performance targets. The actual pro-rata annual cash incentive bonus paid to Mr. Seay is included in the Summary Compensation Table for Mr. Seay in the column titled "Non-Equity Incentive Plan Compensation" and the payment of his paid time off balance is included in the column titled "Other Compensation." The restricted stock units and performance share awards were reported as compensation to Mr. Seay in the Summary Compensation Table in prior periods.

Director Compensation

In 2016, our non-employee directors received an annual retainer of \$50,000, committee chairmen received an additional annual payment of \$20,000, and other committee members received an additional payment of \$10,000, with the exception of Land Committee, as there is currently no compensation paid for service on this transaction-based committee, which meets at irregular intervals. The lead director received an additional \$40,000 annually. In addition, during 2016, each of our directors (other than Mr. Hilton and Ms. Henretta who joined the board in March 2016) received a grant of 5,000 shares of restricted stock, which cliff vest on February 16, 2019.

The 2016 director compensation is set forth below:

Name	Total (\$)

(1) Committee and chair fees are paid to directors on a quarterly basis.

(2) See Note 10 “Stock Based and Deferred Compensation” of our Consolidated Financial Statements included in our 2016 Annual Report on Form 10-K for discussion of the assumptions used for computing the fair value of awards granted. As required, the calculation is equal to the fair value of the award multiplied by the total number of awards granted in 2016, not the proportionate share of all existing unvested awards that vested in the current year.

COMPENSATION OF OFFICERS AND DIRECTORS

Ms. Henretta was appointed to the Board of Directors on March 7, 2016 and accordingly received a prorated (3) amount of \$45,000 in retainer and committee fees during 2016. Ms. Henretta also received a prorated stock award valued at \$141,678 in 2016, which vested on March 10, 2017.

We reimburse directors for out-of-pocket expenses incurred in attending Board and committee meetings and we (4) also reimburse certain directors for charter aircraft service or other travel and lodging-related expenses. During 2016, we made reimbursements of approximately \$6,000, \$4,000, \$4,000, \$3,000, \$2,000 and \$1,000 to Messrs. Oppel, Bradford, Ms. Henretta, Messrs. Odell, Ax and Haddock, respectively.

The following represents the total number of unvested shares of restricted stock at December 31, 2016 for each (5) non-employee director: 15,000 for Messrs. Sarver, Oppel, Ax, Burke, Haddock, Bradford and Odell and 4,167 for Ms. Henretta.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

Equity compensation plans not approved by stockholders	—	N/A	—
Total	1,147,271	N/A	1,752,775

(1) Balance includes 962,303 time-based restricted stock awards and units, and 184,968 performance share awards (at target level).

(2) The outstanding equity awards are time based restricted stock awards and units and performance share awards which don't have an exercise price.

The number of securities remaining available for issuance is comprised of shares under our Plan as defined in our annual report on Form 10-K. In addition to stock options, stock appreciation rights and performance share awards, (3) the Plan allows for the grant of restricted stock shares and restricted stock units. Under the Plan, awards other than stock options and stock appreciation rights are counted against the shares available for grant as 1.38 shares for every one share issued in connection with such awards.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) Beneficial Ownership Reporting Compliance

Executive officers, directors and “beneficial owners” of more than ten percent of our common stock must file initial reports of ownership and changes in ownership with the SEC under Section 16(a) of the Exchange Act. SEC regulations require these reporting persons to furnish us with copies of all Forms 3, 4 and 5, and amendments thereto, that they file with the SEC. Mr. Feliciano failed to timely file one Form 4 in 2016, reporting one transaction for the sale of shares to cover taxes in accordance with his 10b5-1 plan election. Other than the above mentioned filing, based solely on our review of the copies of such forms furnished to us, or representations that no forms were required, we believe that during 2016 all of our officers, directors and greater than ten percent beneficial owners complied with all filing requirements of Section 16(a) of the Exchange Act.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Certain Relationships and Related Transactions

Meritage maintains a written policy concerning conflict of interest transactions that generally applies, among other things, to transactions between the Company and related persons, including employees, officers and directors and applies to direct and indirect relationships and transactions. Because of the nature of our business, which involves the ownership, development, construction and sale of real estate and single family homes, our policy was carefully constructed to capture transactions and relationships between the Company or its competitors, and related persons and relationships between employees, directors, suppliers, vendors, subcontractors (“trades”) and others. At the same time, we were mindful to not inadvertently create the potential for conflicts relating to transactions that are primarily of a personal nature and do not involve the Company, or conflict with its business (for example, the construction of a vacation home or the purchase of a home from the Company pursuant to our home purchase policy that is available to most employees).

For transactions not exempted from the policy, Meritage’s policy requires that designated members of senior management must review and approve any transaction between a covered person (e.g., employees, officers and directors) and the Company, or between a covered person and a trade contractor. The policy provides that the Company’s legal and internal audit departments are to be involved in the review and approval process. For transactions involving directors or senior executive officers (including the officers named in this proxy statement), the proposed transaction must be approved in advance by the Audit Committee of the Board of Directors. Real estate transactions between the Company and related persons are subject to strict scrutiny.

Each of the transactions listed below was approved by the Audit Committee of the Board of Directors pursuant to the policy.

We have in prior years chartered aircraft services from companies in which Steven Hilton has a significant ownership interest, as allowed by his employment agreement. We currently charter aircraft services from companies in which Mr. Hilton does not have an ownership interest, although these companies use Mr. Hilton's private plane. In addition, in 2016 we chartered aircraft services from a company that uses the private plane of Robert Sarver. Payments made to these companies were as follows (in thousands):

In 2012, we entered into an FDIC insured bank deposit account agreement with Alliance Bank of Arizona ("Alliance Bank") through the Insured Cash Sweep Service (“ICS”). ICS is an accepted and recognized service through which participating banks may accept and provide FDIC insurance coverage for large deposits that would otherwise exceed FDIC insurance limits (currently \$250,000) by placing, as custodian for the deposit customer (Meritage), that portion of the deposit exceeding FDIC insurance limits with other ICS banks participating in the program such that for FDIC insurance purposes, the deposit is divided into insured amounts and deposited with other network banks to allow for full FDIC coverage. Alliance Bank has divided these amounts into FDIC insured amounts deposited with other ICS participating FDIC insured institutions. We do not pay any separate fees to Alliance Bank for these programs. Rather, Alliance Bank receives a small fee from the other ICS institutions for certain funds placed. Mr. Sarver is a director and the chief executive officer of Western Alliance Bancorporation ("Western Alliance"), the parent company of Alliance Bank. In addition, Mr. Hilton is also a director of Western Alliance. We placed cash deposits through Alliance Bank as the ICS custodian or relationship bank and earned market-rate interest on deposits pursuant to the ICS programs as follows (in thousands):

	As of	
	December 31,	
	2015	2014
ICS	\$100,100	\$ 1

	Year Ended December 31,		
	2016	2015	2014
Interest Earned	\$ 48	\$ 137	\$ 430

The Audit Committee also has established procedures to pre-approve all non-audit services provided by the principal independent registered public accounting firm. All 2016 and 2015 non-audit services listed above were pre-approved.

REPORT OF THE AUDIT COMMITTEE

Report of the Audit Committee

We have reviewed Meritage's audited consolidated financial statements and met with both management and Deloitte & Touche LLP, the Company's independent registered public accounting firm, to discuss those consolidated financial statements. Management has represented to us that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have also reviewed, and discussed with management and Deloitte & Touche LLP, management's report and Deloitte & Touche LLP's report and attestation on internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act. We have received from, and discussed with, Deloitte & Touche LLP the written disclosure and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding independence. These items related to that firm's independence from Meritage. We also discussed with Deloitte & Touche LLP those matters required to be discussed by Statement on Auditing Standards No. 114, as amended, "The Auditor's Communication with those charged with Governance" and Rule 2-07 of Regulation S-X "Communications with Audit Committees." Based on these reviews and discussions, we recommended to the Board that Meritage's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2016.
