Lattice Semiconductor Corporation 2013 Incentive Plan

On May 1, 2013, the stockholders of Lattice Semiconductor Corporation (the "Company") approved the Lattice Semiconductor Corporation 2013 Incentive Plan (the "2013 Plan") at the annual meeting of stockholders (the "Annual Meeting"). The 2013 Plan was previously approved by the Board, upon recommendation by the Compensation Committee (the "Committee"), subject to stockholder approval at the Annual Meeting.

The 2013 Plan authorizes the issuance of up to 3,640,000 shares of the Company's common stock. In addition, up to approximately 2,927,647 shares that were previously available for issuance under the 1996 Stock Incentive Plan (the "Prior Plan") will cease to be available for issuance under the Prior Plan and will instead become available for issuance under the 2013 Plan. Shares subject to awards outstanding under the Prior Plan may also become available for issuance under the 2013 Plan in the future to the extent that those shares cease to be subject to awards (such as by expiration, cancellation or forfeiture of the awards) on or after May 1, 2013. The maximum number of shares that may be issued under the 2013 Plan is 12,339,550 shares, including shares that may become available from the Prior Plan. Unless sooner terminated by the Board or the Committee, the 2013 Plan will terminate on May 1, 2023.

The Committee will administer the 2013 Plan. Under the terms of the 2013 Plan, the Committee has the authority to, among other things, select eligible individuals to whom awards are granted, determine the types of awards to be granted and the number of shares of the Company's common stock subject to each award, determine the terms, conditions and provisions of such awards, interpret and administer the 2013 Plan and any instrument evidencing an award, notice or agreement executed or entered into under the 2013 Plan, and make any other determination and take any other action that the Committee deems necessary or desirable for administration of the 2013 Plan.

Awards may be granted under the 2013 Plan to employees, officers and directors, as well as advisors, independent contractors and other service providers of the Company and its affiliates as selected by the Committee. Under the 2013 Plan, the Committee may grant incentive and nonqualified stock options, stock appreciation rights, stock awards, restricted stock award, restricted stock units, performance shares, performance units and other stock or cash-based awards.

A detailed summary of the 2013 Plan can be found on pages 13-18 of the Company's definitive Proxy Statement on Schedule 14A filed on March 18, 2013, which description is incorporated herein by reference. The summary does not purport to be complete and is qualified in its entirety by reference to the full text of the 2013 Plan, which was attached as Appendix B to such definitive Proxy Statement and is incorporated herein by reference.
