Item 2.02 Results of Operations and Financial Condition

Today, November 15, 2018, the Registrant ("Company") is issuing a press release (furnished as Exhibit 99.1 to this report) announcing its financial and operating results for the fourth quarter and fiscal year ended September 30, 2018. See Item 7.01, Regulation FD Disclosure, below.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On November 14, 2018, the Human Resources and Compensation Committee (the "Committee") of the Company's Board of Directors approved the following fiscal 2019 base salaries and target cash incentive compensation opportunities for its executive officers. The Committee determined that for each of the executive officers a 4.0% increase in total cash compensation was warranted, and (as it had done for 2018) provided the executive officers with the discretion to allocate the increase prospectively between their base salaries and their cash incentive targets. Mr. Richey elected to allocate all of his increase to his cash incentive target, and Mr. Muenster and Ms. Barclay elected to allocate their increases between their base salaries and their cash incentive targets, as follows:

Officer	Fiscal 2019 Base Salary	% Increase from Fiscal 2018	Fiscal 2019 Target Cash Incentive Compensation	% Increase from Fiscal 2018	
Victor L. Richey	\$824,500	None	\$ 852,500	8.2	%
Gary E. Muenster	\$576,000	4.7	% \$ 460,600	3.1	%
Alyson S. Barclay	\$350,600	3.9	% \$ 217,800	4.2	%

For fiscal 2019 the Committee determined to allocate 100% of the executive officers' cash incentive compensation opportunity to the Company's Performance Compensation Plan ("PCP"). The Committee also approved the fiscal 2019 performance criteria for determining the percentage of such target incentive compensation opportunity that will actually be earned by the executive officers, depending on actual fiscal 2019 results compared to the criteria. The Committee established two performance criteria for fiscal 2019:

Earnings per share adjusted for certain defined non-recurring gains and charges ("Adjusted EPS"), weighted at 70% of the total target opportunity; and

Cash generated from operations at the subsidiary level, including corporate cash activity related to debt and interest payments, tax payments, pension contributions and corporate general administrative expenses, and excluding corporate cash activity related to acquisitions, dividends and share repurchases ("Cash Flow"), weighted at 30% of the total target opportunity.

The actual cash incentive compensation payable under the PCP for fiscal 2019 will range from 0.2 to 2.0 times the target opportunity for both Adjusted EPS and Cash Flow, depending on actual 2019 performance, based on a separate matrix for each of the measures.
