CURRENT INFORMATION REGARDING THE COMPANY

The following is a description of the current operations of the Company.

ABOUT THE COMPANY

SearchHound.com, Inc. is the result of the June 1, 2000 merger of Pan International Gaming, Inc. ("Pan International") and Searchhound.com 2000 Ltd. This transaction was treated as a "reverse merger" for financial accounting and reporting purposes. Specifically, SearchHound.com 2000, Ltd. was treated as the acquirer of Pan International due to the fact that the Stockholders of Searchhound.com 2000, Ltd. Received 70.3% of the total shares outstanding upon consummation of the merger. Prior to the reverse merger, the Company (PAN International Gaming) spent considerable effort and specifically during the period between January 1, 2000 through May 31, 2000 pursuing a reverse merger transaction with Searchhound.com 2000 Ltd., and the acquisition of SoloSearch.com, Inc. The "reverse merger" with Searchhound.com 2000 Ltd. was consummated on June 1, 2000. In fiscal 2000 and prior to June 1, 2000, Pan International was not engaged in operating activities and there were no revenues or business operations. Immediately following the reverse merger with PAN International Gaming the Company changed its name to SearchHound.com, Inc. effective June 6, 2000.

SearchHound.com 2000, Ltd. was formed on April 11, 2000 to affect the purchase of the intellectual property and website assets representing the Searchhound.com backbone architecture. The Stockholders of Searchhound.com 2000, Ltd. completed the purchase of these intangible assets on June 1, 2000 for total cash consideration of \$3,000,000 and simultaneously contributed the assets to SearchHound.com 2000, Ltd. in exchange for 70.3% of Searchhound.com 2000, Ltd., common stock.

The new management team devoted significant resources to building the management team, integrating the two businesses, and developing revenue streams during the periods of July 2000 through September 2000. Operating revenues began in September 2000. SearchHound.com, Inc. (the "Company" or "SearchHound") operated an online technology based enterprise business that is a destination for Webmasters and small business owners who want to make their Website more accessible to Internet users. SearchHound has its principal offices located in Overland Park, Kansas and serves as a holding company for various internet-based businesses.

During 2002, the Company's Board of Directors changed its strategy due to poor operating conditions and operating results in its primary businesses coupled with difficulties in raising capital through debt and equity sources. The Board of Directors adopted the new strategy during 2002, which committed to the disposal of all of its current assets/businesses and to seek a merger/acquisition transaction with a Company having better financial resources. As of March 31, 2003, the Company has disposed of all of its operating assets/businesses and ceased all operating activities. The financial statements reflect the businesses sold as discontinued operations.

On July 10, 2003, the Company's sole officer and director, Dave L. Mullikin, resigned his positions as President, Secretary, Treasurer and sole Director and appointed Francis O'Donnell as the sole director. Francis O'Donnell, as the sole member of the Board of Directors of the Company, has approved the change of the address of the corporate office of the Company from Overland Park, Kansas to Coral Springs, Florida. Specifically, the address of the Company's principal executive office changed from 12817 Woodson, Overland

Park, Kansas 66209 to 9600 W. Sample Road, Suite 505, Coral Springs, Florida 33065.

OUTSTANDING VOTING SECURITIES AND VOTING RIGHTS

The Board of Directors has set the close of business on August 4, 2003 as the record date (the "Record Date") for determining Stockholders of the Company entitled to receive notice of and to vote at the Annual Meeting. As of the Record Date there were 1,088,159 shares of Common Stock, \$.001 par value (the "Common Stock") issued and outstanding, all of which are entitled to be voted at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter submitted to Stockholders for approval at the Annual Meeting.

The presence, in person or by proxy, of at least a majority of the total number of shares of Common Stock outstanding on the Record Date will constitute a quorum for purposes of the Annual Meeting. If less than a majority of the outstanding shares of Common Stock are represented at the Annual Meeting, a majority of the shares so represented may adjourn the Annual Meeting from time to time without further notice. A plurality of the votes cast by holders of the Common Stock will be required for the election of directors. The appointment of Jewitt, Swartz and Associates as the Company's independent certified public accountants for the fiscal year ending December 31, 2003, will be approved if the number of shares of Common Stock voted in favor of ratification exceeds the number of shares voted against it, the approval of a 1-for-4 reverse stock split (pro-rata reduction of outstanding shares) will be approved if the number of shares of Common Stock voted in favor of reverse stock split exceeds the number of shares voted against it and the approval of the amendment to our Articles of Incorporation to change our name to Coach Industries Group, Inc. (or other such name as may be available) will be approved if the number of shares of Common Stock voted in favor of amendment exceeds the number of shares voted against it. Abstentions and broker non-votes will be counted as shares present at the Annual Meeting for purposes of determining a quorum. With respect to the outcome of any matter brought before the Annual Meeting (i) abstentions will be considered as shares present and entitled to vote at the Annual Meeting, but will not be counted as votes cast for or against any given matter and (ii) broker non-votes will not be considered shares present and entitled to vote. Because directors will be elected by a plurality of the votes cast at the Annual Meeting and the other matters to be acted upon at the Annual Meeting will be approved if the number of votes cast in favor of the matter exceeds the number of votes cast against it, abstentions and broker non-votes will have no effect on the outcome of the proposals to be voted upon at the Annual Meeting.

Prior to the Annual Meeting, the Company will select one or more inspectors of election for the Annual Meeting. Such inspector(s) shall determine the number of shares of Common Stock represented at the Annual Meeting, the existence of a quorum, and the validity and effect of proxies, and shall receive, count, and tabulate ballots and votes, and determine the results thereof.

A list of Stockholders entitled to vote at the Annual Meeting will be available for examination by any shareholder at the Company's principal

Edgar Filing: SEARCHHOUND COM INC - Form PRE 14A

executive office in the United States for a period of 10 days prior to the Annual Meeting, and at the Annual Meeting itself.

BOARD OF DIRECTORS

Directors are elected at the Company's annual meeting of Stockholders and serve for one year until the next annual Stockholders' meeting or until their successors are elected and qualified. Officers are elected by the Board of Directors and their terms of office are, except to the extent governed by employment contract, at the discretion of the Board. The Company reimburses all Directors for their expenses in connection with their activities as directors of the Company. Directors of the Company who are also employees of the Company will not receive additional compensation for their services as directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE NOMINEE AS DIRECTOR TO SERVE UNTIL THE COMPANY'S 2003 ANNUAL MEETING OF STOCKHOLDERS AND UNTIL THEIR SUCCESSORS HAVE BEEN ELECTED AND QUALIFIED.

9

PROPOSAL 2 - RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors has appointed Jewitt, Swartz and Associates, as the Company's independent certified public accountants for the fiscal year ending December 31, 2003. Jewitt, Swartz and Associates replaces Clevenger and Haywood CPA, P.C. as the independent public auditor of the Company. A representative of Jewitt, Swartz and Associates, is expected to be present at the Annual Meeting, will have an opportunity to make a statement if such representative desires to do so and is expected to be available to respond to appropriate questions. The affirmative vote of a majority of the votes cast is necessary to appoint Jewitt, Swartz and Associates.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF JEWITT, SWARTZ AND ASSOCIATES AS THE COMPANY'S INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2003.

PROPOSAL 3 - TO DECREASE THE NUMBER OF ISSUED AND OUTSTANDING SHARES OF OUR COMMON STOCK

GENERAL

The Board approved resolutions to affect a one-for-four reverse stock split. Under this reverse stock split each four shares of our Common Stock will be converted automatically into one share of Common Stock. To avoid the issuance of fractional shares of Common Stock, an additional share shall be issued to all holders of a fractional share .50 or greater and no additional shares shall be issued to a holder of a fractional share less than .50. The effective date of the reverse stock split will be August 18, 2003.

PLEASE NOTE THAT THE REVERSE STOCK SPLIT WILL NOT CHANGE YOUR PROPORTIONATE EQUITY INTERESTS IN THE COMPANY, EXCEPT AS MAY RESULT FROM THE CANCELLATION OR ISSUANCE OF SHARES BASED ON FRACTIONAL SHARES.

PURPOSE AND MATERIAL EFFECTS OF THE REVERSE STOCK SPLIT

The Board of Directors believes that, among other reasons, the number of outstanding shares of our Common Stock have contributed to a lack of investor

Edgar Filing: SEARCHHOUND COM INC - Form PRE 14A

interest in the Company and has made it difficult to attract new investors and potential business candidates. The Board of Directors had proposed the Reverse Stock Split as one method to attract business opportunities in the Company.

When a company engages in a reverse stock split, it substitutes one share of stock for a predetermined amount of shares of stock. It does not increase the market capitalization of the company. An example of a reverse split is the following. For example, a company has 1,000,000 shares of common stock outstanding. Assume the market price is \$.01 per share. Assume that that company declares a 1 for 4 reverse stock split. After the reverse split, that company will have 1/4 as many shares outstanding or 250,000 shares outstanding. The stock will have a market price of \$0.04. If an individual investor owned 10,000 shares of that company before the split at \$.01 per share, he will own 2,500 share at \$.04 after the split. In either case, his stock will be worth \$100. He's no better off before or after. Except that such company hopes that the higher stock price will make that company look better and thus the company will be a more attractive merger target for potential business. There is no assurance that that company's stock will rise in price after a reverse split or that a suitable merger candidate will emerge.

We believe that the Reverse Stock Split may improve the price level of our Common Stock and that the higher share price could help generate interest in the Company among investors and other business opportunities.

10

However, the effect of the reverse split upon the market price for our Common Stock cannot be predicted, and the history of similar stock split combinations for companies in like circumstances is varied. There can be no assurance that the market price per share of our Common Stock after the reverse split will rise in proportion to the reduction in the number of shares of Common Stock outstanding resulting from the reverse split. The market price of our Common Stock may also be based on our performance and other factors, some of which may be unrelated to the number of shares outstanding.

The reverse split will affect all of our stockholders uniformly and will not affect any stockholder's percentage ownership interests in the Company or proportionate voting power, except to the extent that the reverse split results in any of our stockholders owning a fractional share. To avoid the issuance of fractional shares of Common Stock, an additional share shall be issued to all holders of a fractional share .50 or greater and no additional shares shall be issued to a holder of a fractional share less than .50. Any outstanding options shall automatically have the number of shares to be received from the exercise of those options revised to reflect the Reverse Stock Split.

The principal effect of the reverse split will be that the number of shares of Common Stock issued and outstanding will be reduced from 1,088,159 shares as of August 18, 2003 to approximately 272,039 shares (depending on the number of shares that are issued or cancelled based on the fractional shares). The number of authorized shares of Common Stock will not be affected.

The reverse split will not affect the par value of our Common Stock. As a result, on the effective date of the reverse split, the stated capital on our balance sheet attributable to our Common Stock will be reduced to up to one-fourth of its present amount, and the additional paid-in capital account shall be credited with the amount by which the stated capital is reduced. The per share net income or loss and net book value of our Common Stock will be increased because there will be fewer shares of our Common Stock outstanding.

Edgar Filing: SEARCHHOUND COM INC - Form PRE 14A

The reverse split will not change the proportionate equity interests of our stockholders, nor will the respective voting rights and other rights of stockholders be altered, except for possible immaterial changes due to the cancellation of fractional shares. The Common Stock issued pursuant to the reverse split will remain fully paid and non-assessable. The reverse split is not intended as, and will not have the effect of, a "going private transaction covered by Rule 13e-3 under the Securities Exchange Act of 1934. We will continue to be subject to the periodic reporting requirements of the Securities Exchange Act of 1934.

Stockholders should recognize that they will own a fewer number of shares than they presently own (a number equal to the number of shares owned immediately prior to the filing of the certificate of amendment divided by four). While we expect that the reverse split will result in an increase in the potential market price of our Common Stock, there can be no assurance that the reverse split will increase the potential market price of our Common Stock by a multiple equal to the exchange number or result in the permanent increase in any potential market price (which is dependent upon many factors, including our performance and prospects). Also, should the market price of our Common Stock decline, the percentage decline as an absolute number and as a percentage of our overall market capitalization may be greater than would pertain in the absence of a reverse split. Furthermore, the possibility exists that potential liquidity in the market price of our Common Stock could be adversely affected by the reduced number of shares that would be outstanding after the reverse split. In addition, the reverse split will increase the number of stockholders of the Company who own odd lots (less than 100 shares). Stockholders who hold odd lots typically will experience an increase in the cost of selling their shares, as well as possible greater difficulty in effecting such sales. Consequently, there can be no assurance that the reverse split will achieve the desired results that have been outlined above.

11

PROCEDURE FOR EXCHANGE OF STOCK CERTIFICATES

The reverse split will become effective on August 18, 2003, which we will refer to as the "effective date." Beginning on the effective date, each certificate representing pre-reverse split shares will be deemed for all corporate purposes to evidence ownership of post-reverse split shares.

Our transfer agent, Madison Stock Transfer, Inc., will act as exchange agent for purposes of implementing the exchange of stock certificates and payment of fractional share interests. We refer to such person as the "exchange agent." Holders of pre-reverse split shares are asked to surrender to the exchange agent certificates representing pre-reverse split shares in exchange for certificates representing post-reverse split shares in accordance with the procedures set forth in the letter of transmittal to be sent our the Stockholders. No new certificates will be issued to a stockholder until that stockholder has surrendered the stockholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal.

Our stockholders are not entitled to appraisal rights under the Nevada Revised Statutes in connection with the reverse stock split.

FRACTIONAL SHARES

We will not issue fractional certificates for post-reverse split shares in connection with the reverse split. Instead, an additional share shall be issued to all holders of a fractional share .50 or greater and no additional shares shall be issued to a holder of a fractional share less than .50.

PROPOSAL 4 AMEND THE ARTICLES OF INCORPORATION TO CHANGE OF NAME OF THE COMPANY

We operated as a holding company for internet-based assets/businesses, primarily through the acquisitions of operating assets/businesses through the issuance of common stock. Recognizing that our business on a going forward basis would be unprofitable and not enhance the value for our shareholders, as of March 31, 2003, we disposed of all of our operating assets/businesses and ceased all operating activities. Our operations since that time have consisted of exploring various business opportunities. Management believes that our present name might negatively influence any transaction partner. In addition, the management believes that giving the Board the authority and discretion to change our name to Coach Industries Group, Inc. (or such other name as may be available) might make us a more attractive to a potential acquisition target.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION TO CHANGE OF NAME OF THE COMPANY.
