PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

QUESTIONS AND ANSWERS ABOUT THE MEETING AND THE PROPOSALS

Q: *When and where is the annual meeting?*

A: Safeguard's annual meeting is being held on Wednesday, May 24, 2006 at 10:00 a.m. at the Crowne Plaza Valley Forge, 260 Mall Boulevard, King of Prussia, PA 19406.

Q: *Do I need a ticket or proof of Safeguard ownership to attend the annual meeting?*

A: You will not need a ticket to attend the annual meeting. **However, only persons with evidence of stock ownership, or who are guests of Safeguard, may attend and be admitted to the annual meeting.** Photo identification, such as a valid driver's license or passport, will be required. If you are not a shareholder of record but hold shares through a broker, trust, bank or other nominee, you will need to provide proof of beneficial ownership on the record date, such as a legal proxy from your broker, trust, bank or other nominee, your most recent brokerage account statement prior to March 31, 2006, a copy of the voting instruction form provided by your broker, trustee or nominee, or other similar evidence of ownership. **If you do not have photo identification and proof that you own Safeguard shares, you will not be admitted to the meeting.**

Q: *Why am I receiving these materials?*

A: You are receiving Safeguard's annual report, notice of annual meeting, proxy statement and a proxy card or voting instruction form because you owned shares of Safeguard stock on March 31, 2006, the record date for determining the shareholders entitled to vote at the annual meeting. This proxy statement contains detailed information relating to the proposals on which we would like you, as a shareholder, to vote. The proxy card or voting instruction form is used for voting.

Q: *How many shares must be present to hold the meeting?*

A: To hold the meeting, a quorum must be present. A quorum is a majority of the outstanding shares, which may be represented at the meeting either in person or by proxy. Proxies received but marked as abstentions or containing broker non-votes on a particular matter will be included in the calculation of the number of shares entitled to vote for the purpose of determining the presence of a quorum.

Q: *What am I voting on?*

A: You are being asked to vote on:

1. the election of eight directors who have been nominated to serve on Safeguard's Board of Directors (Board); and
2. the ratification of the appointment of KPMG LLP as Safeguard's independent registered public accounting firm for the 2006 fiscal year.

We also will consider other business that properly comes before the annual meeting.

Table of Contents

Q: *How does Safeguard s Board of Directors recommend I vote?*

A: Safeguard s Board recommends a vote **FOR** each Board nominee and **FOR** ratification of the appointment of KPMG LLP as Safeguard s independent registered public accounting firm. Our Board also requests discretionary authority to cumulate votes and to vote on any other matter that may properly arise at the meeting.

Q: *How many votes do I have?*

A: Each share of Safeguard common stock outstanding on the record date is entitled to vote on all items being voted upon at the annual meeting. On the record date, we had 120,140,136 shares issued and outstanding.

Every shareholder may cast one vote for each share owned on the record date, including shares held directly in your name as the **shareholder of record** and shares held for you as the **beneficial owner** through a broker, trustee, or other nominee, such as a bank. In the election of directors, shareholders may elect to cumulate their votes as described below under ***What does cumulative voting mean?***

Q: *What does cumulative voting mean?*

A: Cumulative voting applies only in the election of directors. It means that you may cast a number of votes equal to the number of Safeguard shares you own multiplied by the number of directors to be elected. For example, since eight directors are standing for election at the annual meeting, if you hold 100 shares of Safeguard stock, you may cast 800 votes (eight times 100) in the election of directors. You may distribute those votes among as few or as many of the eight nominees as you wish. In other words, in the example provided, you may cast all 800 votes **FOR** one nominee or allocate your 800 votes among two or more nominees, as long as the total equals 800 votes.

If you received a proxy card and wish to vote cumulatively, you must:

write the words *cumulate for* in the space provided under item 1 of the proxy card; and

write the name of each nominee and the number of votes to be cast for each nominee in that space.

If you vote cumulatively, please check to be sure that the votes you cast add up to the number of shares you own multiplied by eight. If the number of votes does not add up correctly, your votes will not be counted until a properly completed proxy card has been received.

The cumulative voting feature for the election of directors also is available by voting in person at the annual meeting; however, it is not available by telephone or the Internet. If you are the **beneficial owner** of shares held in street name and wish to vote cumulatively, you will need to contact your broker, bank or other nominee holder of your shares.

Q: *What is the difference between holding shares as a shareholder of record and as a beneficial owner ?*

A: Most of Safeguard s shareholders hold their shares through a broker, bank or other nominee rather than directly in their own name. There are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with Safeguard s transfer agent, Mellon Investor Services LLC, you are considered the **shareholder of record** with respect to those shares, and these proxy materials are being sent to you directly by Safeguard. As a **shareholder of record**, you have the right to grant your voting proxy directly to Safeguard or to vote in person at the meeting. If you are a **shareholder of record**, Safeguard has enclosed a proxy card for your use in voting your shares.

Beneficial Owner

If your shares are held in street name (such as in a brokerage account or by another nominee, such as a bank or trust company), you are considered the **beneficial owner** of the shares, and these proxy materials, together with a voting instruction form, are being forwarded to you by your broker or other nominee. As the **beneficial owner**, you have the right to direct your broker or other nominee how to vote your shares. You also are invited

Table of Contents

to attend the annual meeting. To vote your shares at the meeting, you will need a legal proxy from your broker or other nominee authorizing you to vote at the meeting.

Q: *How do I vote my shares?*

A: If you are a **shareholder of record**, there are three ways for you to vote by proxy:

1. Log on to the Internet at www.proxyvoting.com/sfe and follow the instructions at that site;
2. Call 1.866.540.5760 and follow the instructions; or
3. Sign and date each proxy card you receive, mark the boxes indicating how you wish to vote, and return the proxy card in the prepaid envelope provided.

Telephone and Internet voting will close at 11:59 p.m. Eastern time the day prior to the annual meeting date.

If you sign your proxy card but do not mark any boxes showing how you wish to vote, Christopher J. Davis and Steven J. Feder, as the proxies designated by our Board to act on behalf of shareholders, will vote your shares and cumulate your votes as recommended by our Board and, in their discretion, will vote on any other matters which may properly arise at the meeting.

If you are the **beneficial owner** of shares held in street name, you will receive a voting instruction form directly from your broker, bank or other nominee describing how to vote your shares. This form will, in most cases, offer you three ways to vote:

1. via the Internet;
2. by telephone; or
3. by completing, signing and returning the voting instruction form in the accompanying prepaid envelope.

Whether you are a shareholder of record or the beneficial owner of the shares, you will need to have your proxy card or voting instruction form in hand when you call or log on to the Internet. Remember, if you vote by telephone or via the Internet, do not return your proxy card or voting instruction form.

Q: *What do I do if I change my mind after I vote my shares?*

A: If you are a **shareholder of record**, you may change your vote at any time prior to the vote at the annual meeting by:

1. re-voting by telephone or via the Internet (only your latest vote will be counted);
2. submitting another proxy card with a later date (again, only your latest vote will be counted);
3. sending written notice to our Secretary (which must be received at our corporate headquarters on or before the business day prior to the annual meeting) stating that you would like to revoke (that is, cancel) your proxy; or
4. voting in person at the annual meeting.

If you are the **beneficial owner** of shares held in street name, you may submit new voting instructions by following the instructions provided by your broker, bank or other nominee. You also may vote in person at the annual meeting if you obtain a legal proxy from your broker or other nominee authorizing you to vote at the meeting.

Attendance at the annual meeting will not cause your previously granted proxy to be revoked unless you specifically request so. If you are a **shareholder of record** and wish to vote at the meeting, you may do so by

3

Table of Contents

presenting your completed proxy card or ballot to the judge of election. If you are a **beneficial owner** of shares held in street name and wish to vote at the meeting, you must present a legal proxy from your broker or other nominee to the judge of election along with your ballot.

Q: *What is the required vote for a proposal to pass?*

A: In the election of directors, the eight nominees who receive the highest number of **FOR** votes at the annual meeting will be elected as directors. A properly executed proxy that withholds authority to vote with respect to the election of one or more directors will not be voted with respect to the director or directors indicated and will not be taken into account in determining the outcome of the election; however, it will be counted for purposes of determining whether there is a quorum.

The proposal to ratify the appointment of our independent registered public accounting firm requires the affirmative **FOR** vote of a majority of the shares present in person or represented by proxy and entitled to vote on the proposal.

Broker non-votes (which are explained in the next question) and abstentions are not counted in the tally of votes **FOR** or **AGAINST** a proposal and, therefore, have no effect on the proposal, assuming a quorum is present.

Q: *Will my shares be voted if I do not sign and return my proxy card or voting instruction form?*

A: They could be. If you are a **shareholder of record** and do not provide a proxy, your shares will not be voted unless you attend the meeting and vote your shares. If you are a **beneficial owner** of shares held in street name and do not provide your broker with voting instructions, your broker or other nominee may either use its discretion to vote your shares on routine matters (such as the election of directors or the ratification of our independent registered public accounting firm) or leave your shares unvoted. However, for matters deemed non-routine by the New York Stock Exchange, your broker or other nominee would not be able to vote without your instructions, in which case your shares would be considered broker non-votes on that particular matter.

Q: *Who will count the votes?*

A: A representative of Mellon Investor Services LLC, our registrar and transfer agent, will count the votes and act as the judge of election.

Q: *What does it mean if I get more than one proxy card or voting instruction form?*

A: It may mean that you have multiple accounts at the transfer agent or hold your shares in more than one brokerage account. **Please provide voting instructions for all proxy cards and voting instruction forms that you receive.** If you are a **shareholder of record**, we encourage you to contact our transfer agent to obtain information about how to combine your accounts. Q: *What is householding and how does it affect me?*

A: If you and other residents at your mailing address are the **beneficial owner** of shares held in street name, your broker, bank or other nominee may have notified you that your household will receive only one annual report and proxy statement for each company in which you hold stock through that broker, bank or other nominee. This practice is commonly referred to as householding and potentially provides extra convenience for shareholders and cost savings for companies. Unless you responded that you did not want to participate in householding, you were deemed to have consented to the process. Therefore, your broker or other nominee will send only one copy of our annual report and proxy statement to your address; however, each shareholder in your household will continue to receive a separate voting instruction form.

If you are the **beneficial owner** of shares held in street name and you would like to receive your own set of our annual report and proxy statement in the future, or if you share an address with another Safeguard shareholder and together both of you would like to receive only a single set of Safeguard annual documents, please contact ADP Investor Communication Services by telephone at 1.800.542.1061. Be sure to provide ADP Investor Communication Services with your name, the name of your brokerage firm, bank or other nominee, and your account number. These changes should be effective 30 days following receipt of your instructions.

If you did not receive an individual copy of this year's annual report or proxy statement, we will send a copy to you if you send a written request to Safeguard Scientifics, Inc., Attention: Investor Relations, 435 Devon Park Drive, Building 800, Wayne, PA 19087-1945 or call 1.888.733.1200.

Q: *Can a shareholder nominate someone to be a director of Safeguard?*

A: The Nominating & Corporate Governance Committee considers properly submitted shareholder nominations for candidates for membership on the Board in substantially the same manner as it considers other Board candidates it identifies. In considering candidates, the Nominating & Corporate Governance Committee is guided by the following attributes:

has a strong record of personal integrity and ethical conduct;

is a leader in the companies or institutions with which he or she is affiliated;

possesses competence, skills and experiences that are complementary to the background and experience represented on Safeguard's Board and that meet the needs of Safeguard's strategy and business;

has the willingness and ability to devote sufficient time to fulfill his or her responsibilities to Safeguard and our shareholders;

will represent the long-term interests of our shareholders; and

can provide relevant advice and counsel to management and best perpetuate the success of Safeguard's business.

Table of Contents

Any shareholder nomination must include the following: the nominee's name and the information about the nominee that would be required in a proxy statement under the SEC's rules; information about the relationship between the nominee and the nominating shareholder; proof of the number of shares of Safeguard common stock that the nominating shareholder owns and the length of time the shares of Safeguard common stock have been owned; and a letter from the nominee certifying his or her willingness to serve, if elected, as a director. Recommendations, which must be received not later than 120 days prior to the first anniversary of the date on which notice of the prior year's annual meeting was first mailed to shareholders, should be directed to:

Chair, Nominating & Corporate Governance Committee
c/o Secretary
Safeguard Scientifics, Inc.
435 Devon Park Drive, Building 800
Wayne, PA 19087-1945

Q: *How may I communicate with Safeguard's Board or with non-management directors on Safeguard's Board?*

A: Safeguard's Audit Committee has established procedures for confidential, anonymous submission of complaints by employees and for receipt, retention and treatment of complaints, from whatever source, received by Safeguard, regarding accounting, internal accounting controls or auditing matters. Any person who desires to contact the Audit Committee may do so by addressing correspondence to:

Chair, Audit Committee
c/o Secretary
Safeguard Scientifics, Inc.
435 Devon Park Drive, Building 800
Wayne, PA 19087-1945

All such communications are sent to the Chair of the Audit Committee, and after consultation with the Chair of the Audit Committee, may be sent to the other members of the Audit Committee.

All other communications directed to the Board or any specified director(s) should be addressed in care of Safeguard's Secretary at the address noted above. All communications are initially reviewed by our Secretary. The Chair of the Audit Committee is advised promptly of any communication that alleges misconduct on the part of Safeguard's management or raises legal, ethical or compliance concerns about Safeguard's policies or practices.

The Chair of the Audit Committee also receives updates on other communications received from shareholders that raise issues related to the affairs of Safeguard but which do not fall into the two prior categories. The Chair of the Audit Committee determines which of these communications he would like to see. Our Secretary maintains a log of all such communications which are available for review upon request of any member of the Board. Typically, we do not forward to our independent directors communications from our shareholders or other communications which are of a personal nature or not related to the duties and responsibilities of the Board, including, without limitation, business plan or other business opportunity submissions, inquiries related to products or services provided by Safeguard's companies, spam, junk mail and mass mailings, resumes and other forms of job inquiries, surveys or polls, business solicitations or advertisements, and any material that relates to improper or irrelevant topics or is unduly hostile, threatening, illegal or similarly unsuitable.

Table of Contents**ELECTION OF DIRECTORS****Item 1 on Proxy Card**

Directors are elected annually and serve a one-year term. There are eight nominees for election this year. Anthony Craig and Robert Ripp will not be standing for re-election at the annual meeting, and the Board expresses its sincere appreciation to each of them for their dedication and service to Safeguard. All of the nominees are currently serving as directors. Each nominee has consented to serve until the next annual meeting if elected. You will find a biography for each nominee below. If any director is unable to stand for re-election after distribution of this proxy statement, the Board may reduce its size or designate a substitute. If the Board designates a substitute, proxies voting on the original director candidate will be cast for the substituted candidate. **The Board recommends a vote FOR each nominee.**

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

We have long believed that good corporate governance is important to ensure that Safeguard is managed for the long-term benefit of our shareholders and to maintain Safeguard's integrity in the marketplace. Safeguard's Corporate Governance Guidelines (attached as Appendix A), Code of Business Conduct and Ethics, and the charters for the Board's Audit Committee, Compensation Committee and Nominating & Corporate Governance Committee (attached as Appendices B, C and D) are available through the Corporate Governance link on Safeguard's website at www.safeguard.com/investors and, upon a shareholder's written request directed to our Secretary, in print. The Code of Business Conduct and Ethics is applicable to all employees of Safeguard, including each of Safeguard's executive and financial officers, and the members of our Board. Safeguard intends to post amendments to or waivers from our Code of Business Conduct and Ethics (to the extent applicable to Safeguard's directors or executive officers) in the Corporate Governance section of our website.

Board Independence. The Board has determined that each of the current directors standing for re-election, except Messrs. Boni and Keith, has no material relationship with Safeguard (either directly or through Safeguard's relationship with an organization of which the director is a partner, shareholder or officer) and is independent within the meaning of Safeguard's director independence standards, which reflect the New York Stock Exchange (NYSE) director independence standards as currently in effect. The attached Corporate Governance Guidelines address the director independence standards.

Board Compensation. During 2005, non-employee directors received the following compensation:

\$35,000 annual retainer, or \$50,000 in the case of the Chairman of the Board;

\$5,000 annual retainer for chairing a committee;

\$2,000 for each Board meeting attended; and

\$1,500 for each committee meeting attended.

Safeguard does not provide retirement benefits to directors.

Effective January 2006, the annual retainer payable to the Chairs of the Audit Committee and Compensation Committee will be \$10,000 and \$7,500, respectively.

Each director who is not an employee of Safeguard receives an initial option grant to purchase 50,000 shares of Safeguard common stock upon initial election to the Board. As of 2005, each of these directors also receives an annual service option grant to purchase 25,000 shares. Directors' options have an eight-year term. Initial option grants vest 25% each year starting on the first anniversary of the grant date. Annual service option grants vest 100% on the first anniversary of the grant date. The exercise price is equal to the fair market value of a share of our common stock on the grant date. In December 2005, each non-employee director received an annual service option grant to purchase 25,000 shares at an exercise price of \$1.91 per share.

The members of the Board also are eligible for reimbursement of travel expenses incurred in connection with attendance at Board and Committee meetings. These amounts are not included in the table above. Neither Mr. Boni nor Mr. Craig, Safeguard's former Chief Executive Officer, receive any additional compensation for service on the Board or its committees.

Safeguard maintains a Group Deferred Stock Unit Program for Directors (Directors' DSU Program) which allows each director, at his or her election, to receive deferred stock units in lieu of retainer and meeting fees paid to directors (Directors' Fees). The deferral election applies to Directors' Fees to be received for the following calendar year and remains in effect for each subsequent year unless the director elects otherwise at the end of the calendar year preceding the year in which the services are rendered. The number of deferred stock units awarded is determined by dividing the Directors' Fees by the fair market value of Safeguard's stock on the date on which the director would have otherwise received the Directors' Fees. Each director also receives a number of matching share units, based on the same fair market value calculation, equal to 25% of the Directors' Fees deferred. A director is always 100% vested in Directors' Fees deferred; the matching share units vest 100% on the first anniversary of the date the matching share units are credited to the director's account. Each deferred stock unit entitles the director to receive one share of Safeguard common stock on or about the first anniversary of the date upon which the director leaves the Safeguard Board. A director also may elect to receive the stock in annual installments over a period of up to five years after leaving the Board. Messrs. Keith and Roberts elected to defer payment of Directors' Fees earned during 2005 in the amount of \$65,500 and \$17,500, respectively, and received matching share units with an aggregate value of \$16,374 and \$4,376, respectively.

Board Structure and Committee Composition. As of the date of this proxy statement, Safeguard's Board has ten members and four standing committees. The Board held eight meetings in 2005, one of which was a joint meeting with the Nominating & Corporate Governance Committee and one of which was a joint meeting with the Nominating & Corporate Governance Committee and Compensation Committee. Each incumbent director attended at least 75% of the total number of meetings of the Board and committees of which he or she was a member. Directors are invited, but not required, to attend annual meetings of Safeguard shareholders. Four directors attended the 2005 annual meeting of shareholders. In addition, under Safeguard's Corporate Governance Guidelines and in accordance with NYSE listing standards, non-employee directors have an opportunity to meet in executive session at each regularly scheduled Board meeting, outside of the presence of any management directors and any other members of Safeguard's management who may otherwise be present, and during at least one session per year, only independent directors may be present. The Chair of the Nominating & Corporate Governance Committee presides at these sessions. The table below describes the membership of each of the standing committees during 2005 and the number of meetings held by each of these committees during 2005.

Table of Contents**RATIFICATION OF APPOINTMENT OF KPMG LLP****Item 2 on Proxy Card**

The Audit Committee, composed entirely of independent, non-employee members of the Board, approved the reappointment of KPMG LLP (KPMG) as Safeguard s independent registered public accounting firm for the fiscal year ending December 31, 2006, and the Board has recommended that our shareholders ratify the appointment. If the shareholders do not ratify the appointment, the Audit Committee may reconsider its recommendation and may retain KPMG or another accounting firm without resubmitting the matter to shareholders. Even if the shareholders ratify the appointment of KPMG, the Audit Committee may select another firm if it determines such selection to be in the best interest of Safeguard and its shareholders.

Services provided to Safeguard and its subsidiaries by KPMG in fiscal 2005 and fiscal 2004 are described below under Independent Registered Public Accounting Firm Audit Fees. Representatives of KPMG are expected to attend the annual meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The Board recommends a vote FOR ratification of the appointment of KPMG as Safeguard s independent registered public accounting firm. Ratification requires the affirmative vote of a majority of those shares present in person or represented by proxy and entitled to vote on the proposal.

Independent Registered Public Accounting Firm Audit Fees

The following table presents fees for professional services rendered by KPMG for the audit of Safeguard s consolidated financial statements for fiscal 2005 and fiscal 2004 and fees billed for audit-related services, tax services and all other services rendered by KPMG for fiscal 2005 and fiscal 2004. This table also includes fees billed to Safeguard s consolidated subsidiaries for services rendered by KPMG.

AUDIT COMMITTEE REPORT

The Audit Committee assists the Board of Directors in fulfilling its responsibilities for general oversight of the integrity of Safeguard's financial statements, Safeguard's compliance with legal and regulatory requirements, the performance of Safeguard's internal audit function, and the performance, qualifications and independence of Safeguard's independent registered public accounting firm. The Audit Committee has the sole authority to retain, set compensation and retention terms for, terminate and oversee the relationship with Safeguard's independent registered public accounting firm (which reports directly to the Audit Committee). The Audit Committee has the authority to obtain advice, counsel and assistance from internal and external legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties and to receive appropriate funding from Safeguard for such advice and assistance.

The responsibilities of the Audit Committee are set forth in the Audit Committee Charter, which is reviewed annually by the Committee. A copy of the Audit Committee Charter is attached as Appendix B to this proxy statement and also is available through the Corporate Governance link on Safeguard's website at www.safeguard.com/investors. As required by its charter, during 2005 the Audit Committee completed a self-evaluation of its performance and delivered a report to the Board of the results of that evaluation.

Safeguard's management has primary responsibility for the financial reporting process, including the system of internal controls, and for preparation of Safeguard's consolidated financial statements in accordance with generally accepted accounting principles. Safeguard's independent registered public accounting firm is responsible for auditing those financial statements and issuing opinions as to the conformity of Safeguard's audited financial statements with accounting principles generally accepted in the United States, the effectiveness of Safeguard's internal control over financial reporting and management's assessment of the internal control over financial reporting.

During 2005, management completed the documentation, testing and evaluation of Safeguard's system of internal control over financial reporting as required by Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations.

The Audit Committee provided oversight and advice to management during the process. In connection with this oversight, the Audit Committee received periodic updates provided by management, KPMG and the internal auditor. At the conclusion of the process, management provided the Audit Committee with a report on the effectiveness of Safeguard's internal control over financial reporting. The Audit Committee also reviewed the report of management contained in Safeguard's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 filed with the SEC, as well as KPMG's Reports of Independent Registered Public Accounting Firm (included in Safeguard's Annual Report on Form 10-K). These reports related to the audit of the consolidated financial statements, the effectiveness of internal control over financial reporting and management's assessment of the effectiveness of internal control over financial reporting. The Audit Committee continues to oversee Safeguard's efforts related to its internal control over financial reporting and management's preparations for the evaluation in 2006.

Throughout the year, the Audit Committee regularly meets with management of Safeguard, Safeguard's independent registered public accounting firm, and the internal auditor. The Audit Committee also regularly meets with these groups in closed sessions. In this context, the Audit Committee hereby reports as follows:

1. The Audit Committee has reviewed Safeguard's audited financial statements for fiscal 2005 and has met and held discussions with management and KPMG regarding the audited financial statements.
2. The Audit Committee has discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statement on Auditing Standards, AU §380).

Table of Contents

3. The Audit Committee has received the written disclosures and the letter from KPMG required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees) and has discussed with KPMG its independence.
4. Based on the review and discussion referred to in paragraphs 1 through 3 above, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in Safeguard's Annual Report on Form 10-K for fiscal year 2005 for filing with the SEC.

Table of Contents**STOCK OWNERSHIP OF PRINCIPAL SHAREHOLDERS,
DIRECTORS AND OFFICERS**

The following table shows the amount of Safeguard common stock beneficially owned (unless otherwise indicated) as of March 31, 2006, by shareholders who have reported or are known by us to have beneficial ownership of more than five percent of our common stock, our directors, our executive officers named in the Summary Compensation Table in this proxy statement, and our directors and executive officers as a group. For purposes of reporting total beneficial ownership, shares that may be acquired within 60 days of March 31, 2006 through Safeguard stock option exercises are included. On March 31, 2006, there were 120,140,136 shares of common stock outstanding and 4,359,628 options exercisable on or before May 30, 2006.

The column labeled "Other Stock-Based Holdings" represents deferred stock units that have been credited to each individual. Pursuant to the terms of Safeguard's equity compensation plans, the deferred stock units, which may not be voted or transferred, are payable, on a one-for-one basis, in shares of Safeguard common stock following an individual's termination of employment with Safeguard or service on the Safeguard Board.

One such investment company, Fidelity Small Cap Stock Fund, holds the 8,988,400 shares reported in the above table. Edward C. Johnson 3d and FMR Corp., through its control of Fidelity, and the funds each has the sole power to dispose of the shares. Fidelity carries out voting of the shares under written guidelines established by the funds Board of Trustees.

As of March 31, 2006, the executive officers and directors of Safeguard owned less than 1% of the shares of common stock outstanding of Clariant, Inc., a publicly traded partner company of Safeguard. The executive officers and directors of Safeguard did not own shares of any other Safeguard subsidiary.

Stock Ownership Guidelines

Safeguard s Board has established stock ownership guidelines, effective December 31, 2005, that are designed to closely align the long-term interests of our directors and executive officers with the long-term interests of our shareholders. The guidelines provide that each director and executive officer should attain an equity position in Safeguard s stock equal to two times the annual cash board retainer for directors and two times annual base salary for executive officers. These guidelines should be achieved within five years and will be assessed annually. Shares counted toward these guidelines include:

- shares beneficially owned by the director or executive officer (including shares held in Safeguard s 401(k) plan);
- vested shares of restricted stock;
- vested deferred stock units that have been credited to the director or executive officer; and
- shares underlying vested, in-the-money options.

STOCK PERFORMANCE GRAPH

The following graph compares the cumulative total return on \$100 invested in our common stock for the period from December 31, 2000 through December 31, 2005 with the cumulative total return on \$100 invested for the same period in the Russell 2000 Index and the Dow Jones Wilshire 4500 Index. In light of the diverse nature of Safeguard's business and based on our assessment of available published industry or line-of-business indices, we determined that no single industry or line-of-business index would provide a meaningful comparison to Safeguard. Further, we did not believe that we could readily identify an appropriate group of industry peer companies for this comparison. Accordingly, pursuant to SEC rules, we selected the Dow Jones Wilshire 4500 Index, a published market index in which the median market capitalization of the included companies is similar to our own. Safeguard's common stock currently is included as a component of the Dow Jones Wilshire 4500 index.

Assumes reinvestment of dividends. We have not distributed cash dividends during this period.

Assumes an investment of \$100 on December 31, 2000.

**REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

The Compensation Committee is responsible for setting compensation for Safeguard's Chief Executive Officer and other executive officers. The Compensation Committee also administers the long- and short-term compensation and performance-based incentive plans (which are cash and equity based) and reviews employment agreements and perquisites provided to executive officers and other benefit plans. The Compensation Committee also evaluates and recommends to the Nominating & Corporate Governance Committee the compensation for all non-employee directors of Safeguard for service on the Board and its committees. The specific duties and responsibilities of the Compensation Committee are set forth in its charter, which is attached to this proxy statement as Appendix C and also is available through the Corporate Governance link on Safeguard's website at www.safeguard.com/investors.

Compensation Philosophy

Safeguard's compensation philosophy is to align the compensation of senior management and other employees with the long-term interests of our shareholders. This philosophy helps us to:

- attract and retain outstanding employees who can thrive in a competitive environment of continuous change and whose experience and skills can be leveraged across Safeguard's partner companies;
- motivate and reward employees to contribute to the success of our business; and
- align employees with shareholder interests through the use of equity incentives.

In determining compensation for executive officers, the Compensation Committee believes that a significant portion of each officer's total compensation should be at-risk and linked closely with Safeguard's achievement of strategic and operating objectives, as well as the individual performance of each executive officer.

To accomplish this compensation philosophy, Safeguard has targeted base pay levels generally at or near the 50th percentile for executives having comparable duties and responsibilities at similar companies. Total compensation, including both annual cash incentives and long-term incentives, has been targeted to fall at or near the 75th percentile of these same companies assuming achievement of Safeguard's business objectives.

We recognize that Safeguard's business strategy, industry focus and diverse array of partner companies make comparisons to other companies difficult. We also recognize that we have sought to recruit executive officers and other employees from a wide range of backgrounds and industries. The companies utilized in establishing the benchmark comparisons for 2005 included a mix of holding companies, information technology companies, life sciences companies, capital providers and private equity funds. Based on the inherent challenge in matching companies, job positions and skill sets, and in recognition of the historical nature of the benchmarking data, we have looked to this data for general guidance rather than rigid adherence to specific percentages. For the same reasons, as well as the fact that the comparison group includes non-public companies, we have not historically used the same group for the stock performance graph included in Safeguard's proxy statement. The Compensation Committee will continue to assess the appropriateness of the companies to be used for benchmark comparison in 2006 and future years.

During 2005, the Compensation Committee approved employment agreements with Messrs. Boni and Datin. The Compensation Committee carefully reviewed the terms of these employment agreements and determined that the amounts offered were appropriate under the circumstances, and for Mr. Boni, was designed, in part, to compensate him for benefits from his former employer that he forfeited by joining Safeguard. For a description of these employment agreements, see Employment Contracts, Severance and Change-in-Control Arrangements beginning on page 27 and for a discussion of Mr. Boni's compensation, see Compensation of the Chief Executive Officer below.

Table of Contents

Compensation Structure

The compensation of our executives consists of:

- base pay;
- annual, variable, at-risk cash incentives;
- equity grants in the form of stock options, restricted stock grants and/or deferred stock units; and
- participation in other benefit programs.

Base Pay. Base pay is established initially on the basis of several factors, including experience, individual achievements, the level of responsibility assumed at Safeguard, and the level of skills and experience that can be leveraged for our companies. In reviewing the appropriate level of Safeguard's base pay for its executive officers, the Compensation Committee considers the benchmark comparisons, as described above, and advice on executive compensation from its independent compensation consultant.

Annual Cash Incentives. Annual cash incentives are intended to motivate executives to achieve and exceed annual financial and strategic objectives and individual performance objectives. The cash incentive amounts which can be earned are typically variable and 100% at-risk. During 2005, we generally measured Safeguard's success based on achieving revenue and EBITDA targets for our partner companies. In addition, the Compensation Committee evaluated Safeguard's qualitative performance, including overall corporate performance, strategic positioning, deployment of capital in acquisitions of new companies and/or funding growth or expansion plans of existing partner companies, and capital generation through asset sales or reductions in funding commitments.

The Compensation Committee sets target levels of executive cash incentives based on either a percentage of base salary or a fixed dollar amount and the executive's ability to impact Safeguard's performance. These target amounts have been included in agreements entered into by Safeguard with each of our executive officers, and may be reviewed for increases each year by the Compensation Committee. The Compensation Committee also establishes annual individual performance objectives for the Chief Executive Officer. With the assistance of the Chief Executive Officer, the Compensation Committee establishes annual individual performance objectives for the other executive officers. At the end of the year, the Compensation Committee reviews the level of achievement of the corporate performance objectives and the individual performance objectives of the Chief Executive Officer and other executive officers. Annual cash incentives are paid based on a percentage of target amounts and may exceed target amounts when, in the judgment of the Compensation Committee, performance levels are deemed to be superior.

Stock Options, Restricted Stock Awards and Deferred Stock Units. Our executive compensation programs include a significant equity component, in the form of stock options, restricted stock awards and deferred stock units. The Compensation Committee awards stock options, restricted stock and deferred stock units based on a number of factors, including:

- the desire to align the executive's compensation with the long-term interests of Safeguard's shareholders;
- the achievement of corporate performance objectives;
- an individual's contributions in providing strategic leadership and oversight for Safeguard and its partner companies;
- the need to create retention incentives for key personnel;
- the amount and term of unvested stock options, restricted stock awards and/or deferred stock units already held by each individual and the price of Safeguard's common stock at the time that grants are considered; and
- the significance of other long-term incentive and retention arrangements provided to recipients.

Table of Contents

During 2005, the Compensation Committee approved the grant of options to the Chief Executive Officer, other executive officers and other employees using a market-based vesting model, in addition to traditional time-vesting options. The Compensation Committee believes the use of market-based vesting helps to align the long-term interests of Safeguard management and our shareholders. The market-based options granted in 2005 will vest incrementally based upon sustained improvement in Safeguard's market capitalization, as set forth below, with pro rata vesting between the defined bands (tested as of the last day of each six-month period during the term of the option). The base market capitalization of \$172,943,623 was calculated on the basis of the total outstanding shares of common stock, together with all options to acquire common stock as of August 16, 2005, multiplied by the average per share closing price for the twenty consecutive trading days immediately preceding the date of issuance of Safeguard's press release announcing the appointment of Mr. Boni as Safeguard's President and Chief Executive Officer.

Percentage Vesting	Achievement of Sustained Improvement in Market Capitalization	Per Share Price Threshold
First 10%	\$100 million incremental over base	\$2.0359
Next 20%	additional \$150 million incremental	\$3.1548
Next 30%	additional \$200 million incremental	\$4.6466
Final 40%	additional \$250 million incremental	\$6.5114

The principal purpose of Safeguard's long-term equity incentive programs is to attract, retain and motivate executives. Awards under the equity compensation plans encourage employees to contribute materially to Safeguard's growth, thereby benefiting shareholders, and help to align the economic interests of employees with those of our shareholders. The use of market-based vesting stock options during 2005 further improves this alignment. The grants are intended by the Compensation Committee to be competitive with comparison data (as adjusted for the executive officer's accomplishments and future potential). Since the stock options were granted with an exercise price equal to the market price of our common stock on the date of grant, the options will have value only if the market price increases after that date and, in the case of the market-based vesting options, only if the targeted improvement in market capitalization is achieved.

Compensation of the Chief Executive Officer

In March 2005, Anthony L. Craig, then President and Chief Executive Officer of Safeguard, notified the Board of his intention to retire. After a thorough, national search, the Board hired Peter J. Boni. Mr. Boni, who was serving as Operating Partner of Advent International, a leading global private equity firm, at the time he was approached by Safeguard, had significant retention incentives in place commensurate with his role at Advent. Accordingly, in determining appropriate compensation to recruit Mr. Boni, the Compensation Committee considered the value of the compensation that Mr. Boni would forfeit by leaving Advent, as well as competitive data on CEO compensation (including base salary, annual cash incentives and long-term incentives) among comparative companies. As a result of this review, the Compensation Committee agreed to provide Mr. Boni the following compensation pursuant to the terms of an employment agreement dated August 1, 2005: (1) annual base salary of \$600,000; (2) a targeted incentive opportunity under Safeguard's management incentive plan of \$600,000 (with a guaranteed incentive for 2005 based on a pro rated amount of \$226,849 which was paid in August 2005, 100% of which (net of taxes) was required to be used to purchase shares of Safeguard common stock in open market transactions); (3) a sign-on bonus of \$250,000 (100% of which (net of taxes) was required to be used to purchase shares of Safeguard common stock in open market transactions); (4) 1,000,000 option shares, vesting 25% on the first anniversary and monthly thereafter over a three-year period; (5) 3,000,000 option shares, vesting upon attainment of market capitalization improvement, as described above; (6) reimbursement of relocation expenses; and (7) other benefits described in his employment contract. A significant proportion of Mr. Boni's targeted compensation is performance-based, including stock options and annual incentive compensation.

In March 2005, Safeguard entered into a transition agreement with Mr. Craig which replaced his prior agreements. Pursuant to the transition agreement, Mr. Craig remained President and Chief Executive Officer at his then current compensation level until Mr. Boni, the successor Chief Executive Officer, joined Safeguard. Mr. Craig remains a director until the annual meeting. Safeguard paid Mr. Craig \$75,000 per month for a six-month period thereafter for his services in assisting in the transition to Mr. Boni, and also continued his health, life and similar benefits coverage

and provided him with other employee benefits made available to executive officers of Safeguard during that period.

In December 2005, the Compensation Committee accelerated the vesting of Mr. Craig's stock options and deferred stock units that otherwise would have vested pursuant to the terms of his transition agreement, which stock options will remain exercisable until November 2008. At the completion of the transition period, Mr. Craig repaid Safeguard \$75,000 in exchange for Safeguard's equity membership in a country club. In addition, Safeguard will pay up to \$20,000 per year towards the premium cost of Mr. Craig's health insurance coverage up to age 65 (Mr. Craig was 60 years old at April 24, 2006).

Compensation of Other Executive Officers

During 2005, shortly after Mr. Boni's commencement as Chief Executive Officer, the Board approved the employment of James A. Datin as Executive Vice President and Managing Director, Life Sciences and promoted John A. Loftus to Executive Vice President and Managing Director, Information Technology. Mr. Loftus had been Safeguard's Chief Technology Officer. The Compensation Committee approved an employment contract with Mr. Datin, as described under the heading "Executive Compensation - Employment Contracts, Severance and Change-in-Control Arrangements" included elsewhere in this proxy statement. In connection with his promotion, the Compensation Committee approved an increase in Mr. Loftus' base salary and variable cash incentive target under Safeguard's management incentive plan. The Compensation Committee's determination of the compensation provided to Messrs. Datin and Loftus was based, in part, on its assessment of comparison data, as described above, as well as the recommendations of the Chief Executive Officer regarding the compensation for executive officers reporting to him.

Base pay of all executive officers is reviewed on an annual basis, as well as at the time of a promotion or other change in responsibilities. During 2005, the Compensation Committee reviewed and approved increases in the base pay of certain executive officers in connection with promotions and annual performance reviews.

As part of the Compensation Committee's review of executive compensation during 2005, the Compensation Committee reviewed annual target incentives for certain executive officers. As a result of this review, the target amounts for certain existing executive officers were modified in 2005. As adjusted, the Compensation Committee believes that the total compensation of these executive officers is appropriate relative to the comparison data (as described above).

All of the executive officers have entered into agreements with Safeguard which provide for payments in the event of termination of employment without cause or following a change in control of Safeguard. These agreements are described under the heading "Executive Compensation - Employment Contracts, Severance and Change-in-Control Arrangements" included elsewhere in this proxy statement.

The Compensation Committee also awarded long-term equity incentives to certain existing and new executive officers in the form of options to purchase shares of our common stock pursuant to Safeguard's shareholder-approved stock option plans, with an exercise price equal to the market price of our common stock on the grant date. As described above and as set forth under the heading "Executive Compensation - 2005 Stock Option Grants" included elsewhere in this proxy statement, most of the options granted in 2005 used a market-based vesting model, and the remainder of the options granted in 2005 vest 25% on the first anniversary of the grant date and monthly thereafter over a three-year period. The size of individual awards was generally intended to reflect the executive officer's duties and responsibilities within Safeguard, his performance and contributions during the year and an evaluation of the comparison data described above.

In February 2006, the Compensation Committee evaluated the annual performance of Safeguard and the individual performance of the executive officers. In addition to its review of the quantitative achievement of the corporate objectives under Safeguard's 2005 management incentive plan, the Compensation Committee considered the qualitative performance of Safeguard and management as part of the determination of incentive payments as well as the achievement of the individual objectives by each participant. The key accomplishments during 2005 that the Compensation Committee considered in its determination included the addition and promotion of key executive officers in August and September 2005, as well as new hires made to supplement Safeguard's deal sourcing, marketing and support capabilities; the adoption by the newly-enhanced management team of strategic objectives, including repositioning Safeguard from an operating company to a holding company; the acquisition of Acsis, Inc. for approximately \$26 million in December 2005; the sale of substantially all of Safeguard's interests in eight private

Table of Contents

equity funds for approximately \$24 million in cash and the buyers' assumption of approximately \$9 million of Safeguard's unfunded capital commitments; the December 2005 sale by Laureate Pharma, Inc. of its Totowa, New Jersey operations for \$16 million in cash; the support of Clariant, Inc.'s growth plans by purchasing \$9 million of the \$15 million of common stock offered by Clariant in a private placement financing, providing strategic, analytical and administrative support in July 2005 in connection with Clariant's obtaining a five-year exclusive distribution agreement with Dako A/S, and providing essential project management support during the selection, negotiation, build-out and move-in phases of Clariant's transition to a new integrated facility; and the support of the capital needs of Traffic.com (in advance of its initial public offering, which was completed in January 2006); Ventaira Pharmaceuticals and NexTone Communications, by providing an aggregate of \$4.1 million in equity financing. Based on its review of 2005 corporate and individual achievements, the Compensation Committee approved the payment of 2005 cash incentives for each eligible executive officer in the amounts stated below:

Name of Officer	Position	2005 Variable Compensation
Christopher J. Davis	Executive Vice President and Chief Administrative & Financial Officer	\$287,500
John A. Loftus	Executive Vice President and Managing Director, Information Technology	\$195,000
Steven J. Feder	Senior Vice President and General Counsel	\$142,500

Messrs. Boni and Datin each received on his respective hire date a guaranteed pro rata portion of his respective target incentive for 2005 based upon start date, 100% of which (net of taxes) was used by each of them to purchase Safeguard common stock in open market purchases.

IRS Limits on Deductibility of Compensation

The Compensation Committee has considered the potential impact of Section 162(m) of the Internal Revenue Code. Section 162(m) disallows a tax deduction for any publicly held corporation for certain executive compensation exceeding \$1,000,000 per person in any taxable year unless it is performance based within the meaning of Section 162(m). The portion of cash compensation paid to Mr. Craig for 2005 in excess of \$1,000,000 was not performance-based compensation within the meaning of Section 162(m) and, therefore, was not deductible by Safeguard. We believe that providing an appropriate level of cash compensation and maintaining flexibility in determining compensation may be more important than preserving this tax deduction. Therefore, the Compensation Committee does not currently plan to take any action to qualify any of the cash incentive compensation plans under Section 162(m).

Conclusion

Consistent with our compensation philosophy, we believe that attracting and retaining talented and motivated management and employees is essential to creating long-term shareholder value. Offering a competitive, performance-based compensation program with a significant equity component helps to achieve these objectives by aligning the interests of executive officers with those of our shareholders. The Compensation Committee has reviewed the compensation of the Chief Executive Officer and the other executive officers for 2005, including base pay, annual cash incentives and long-term equity-based incentive compensation, and believes that Safeguard's fiscal 2005 compensation program met the objectives of our compensation philosophy.

(3) No restricted shares or deferred stock units were awarded to the named executive officers during 2005. At December 31, 2005, restricted shares and deferred stock units that remained unvested provided for 25% vesting on the first anniversary of the grant date and vesting in 36 equal monthly installments thereafter. At December 31, 2005, Mr. Davis held 3,121 unvested restricted shares with a value of \$6,024 and 59,374 unvested deferred stock units with a value of \$114,592. The value of the unvested restricted shares and deferred stock units is based on the closing price of \$1.93 per share of Safeguard common stock on December 31, 2005. Vesting of the restricted shares and deferred stock units may be accelerated upon death, permanent disability, retirement, a change in control, or termination for any reason other than cause or resignation without good reason. Table of Contents**2005 Stock Option Grants**

The following table shows stock option grants during 2005 to the named executive officers. We have not granted any stock appreciation rights to the named executive officers.

Name	Number of Securities Underlying Option/SARs Granted (#) (2)	Individual Grants			Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term (1)	
		Percent of Total Options/SARs Granted to Employees In Fiscal Year	Exercise or Base Price (\$/Sh) (3)	Expiration Date	5%	10%

Anthony L. Craig						
James A. Datin	2,000,000	18.7%	1.560	09/07/2013	1,489,661	3,567,997
Christopher J. Davis	200,000	1.9%	1.380	10/25/2013	131,778	315,631
	550,000	5.1%	1.910	12/16/2013	501,567	1,201,340
John A. Loftus	1,500,000	14.0%	1.555	09/13/2013	1,113,665	2,667,421
Steven J. Feder	700,000	6.5%	1.380	10/25/2013	461,222	1,104,707

(1) These values assume that the shares appreciate from the exercise price on the grant date at the compounded annual rate shown from the grant date until the end of the option term. These values are not estimates of future stock price growth of Safeguard. Executives will not benefit unless the Safeguard stock

price increases above the option exercise price or, in the case of the market-based vesting grants, above the target stock prices at which vesting occurs.

- (2) Options have an eight-year term and vest as follows:
- 1,000,000 options awarded to Mr. Boni,
 - 500,000 options awarded to Mr. Datin,
 - 125,000 options awarded to Mr. Davis and
 - 200,000 options awarded to Mr. Feder vest 25% on the first anniversary of the grant and in 36 equal monthly installments thereafter; the remaining options in the above table vest only upon the achievement of sustained improvement in Safeguard's market capitalization above the base market capitalization of \$172,943,623, with vesting occurring based

on the average daily closing price of Safeguard common stock on the NYSE for any 20 consecutive trading days preceding a vesting date as follows: 10% at \$2.0359; an additional 20% at \$3.1548; an additional 30% at \$4.6466; and the remaining 40% at \$6.5114. Pro rata vesting between the defined target stock prices also will be tested as of the last day of each six-month period during the term of the option. Upon death, disability or retirement on or after an individual's 65th birthday, the time-vested options will become fully vested on the date of the event. Options granted to each of the named executive officers that are subject to market-based vesting and the time-vested options granted to Messrs. Davis

and Feder also will become fully vested upon a change in control or termination of employment in connection with such change in control as set forth in individual agreements between each named executive officer and Safeguard. The option exercise price may be paid in cash, by delivery of previously acquired shares, subject to certain conditions, or same-day sales (that is, a cashless exercise through a broker). The Compensation Committee may modify certain terms of outstanding options, including acceleration of the exercise date.

- (3) All options have an exercise price equal to the fair market value of the shares subject to each option on the grant date.

Steven J. Feder	81,250	918,750	12,188	417,813

(1) The value is calculated using the difference between the option exercise price and the year-end stock price of \$1.93 per share, multiplied by the number of shares subject to an option.

Employment Contracts, Severance and Change-in-Control Arrangements

Employment Contracts. None of Safeguard's executive officers have employment agreements that provide for employment for a specified length of time. Safeguard's executive officers are eligible for the benefits made available to other Safeguard employees from time to time, including our health, dental and vision plans, short- and long-term disability coverage, term life insurance, accidental death and dismemberment coverage, business travel accident insurance, and our 401(k) plan and non-qualified deferred compensation plan. Executive officers also receive a \$10,000 annual car allowance, an \$8,000 non-accountable annual expense allowance, universal life insurance coverage ranging from \$750,000 to \$1,000,000, and up to \$5,000 reimbursement annually for medical, vision or dental expenses not covered under our other benefit plans.

Peter J. Boni. Mr. Boni joined Safeguard in August 2005. His employment agreement provides for an initial annual salary of \$600,000; a variable target incentive of \$600,000 based on achievement of annual management incentive plan objectives starting in 2006; a \$250,000 sign-on bonus and guaranteed pro rata portion of his 2005 target incentive (\$226,849), both of which were paid in August 2005 (100% of which, net of taxes, was used by Mr. Boni to purchase Safeguard common stock in orderly open market purchases in accordance with our insider trading procedures); and reimbursement of reasonable and customary relocation expenses and temporary housing up to an aggregate amount of \$200,000, or such additional reasonable and customary amounts as may be approved by the Compensation Committee. Safeguard also granted Mr. Boni options to purchase 4,000,000 shares of Safeguard stock at an exercise price of \$1.275 per share with an eight-year term, of which 250,000 shares will vest on August 16, 2006, 750,000 shares will vest in 36 equal monthly installments thereafter and the remaining 3,000,000 shares will vest incrementally

based upon the achievement of sustained improvement in Safeguard's market capitalization as described in footnote 2 under the heading "Executive Compensation - 2005 Stock Option Grants" included elsewhere in this proxy statement. **James A. Datin.** Mr. Datin joined Safeguard in September 2005. His employment agreement provides for an initial annual salary of \$375,000; a variable target incentive of \$375,000 based on achievement of annual management incentive plan objectives starting in 2006; a guaranteed pro rata portion of his 2005 target incentive (\$125,000), which was paid in September 2005 (100% of which, net of taxes, was used by Mr. Datin to purchase Safeguard common stock in orderly open market purchases in accordance with our insider trading procedures); and reimbursement of reasonable and customary relocation expenses up to an aggregate amount of \$100,000 if Mr. Datin relocates within 24 months. Safeguard also granted Mr. Datin options to purchase 2,000,000 shares of Safeguard stock at an exercise price of \$1.56 per share with an eight-year term, of which 125,000 shares will vest on September 7, 2006, 375,000 shares will vest in 36 equal monthly installments thereafter and the remaining 1,500,000 shares will vest incrementally based upon the achievement of sustained improvement in Safeguard's market

capitalization as described in footnote 2 under the heading Executive Compensation 2005 Stock Option Grants included elsewhere in this proxy statement.

Anthony L. Craig. In April 2005, Safeguard entered into a transition agreement with Mr. Craig. Pursuant to the transition agreement, Mr. Craig resigned as President and Chief Executive Officer in August 2005 when Mr. Boni joined Safeguard. For a six-month transition period following his resignation, Safeguard paid Mr. Craig \$75,000 per month for his services, continued his health, life and similar benefits coverage, and provided him with other employee benefits made available to executive officers of Safeguard. In December 2005, Safeguard accelerated the vesting of Mr. Craig's stock options and deferred stock units that otherwise would have vested pursuant to the terms of his transition agreement, which stock options will remain exercisable until November 2008. At the completion of the transition period, Mr. Craig repaid Safeguard \$75,000 in exchange for Safeguard's equity membership in the country club Mr. Craig used during his tenure at Safeguard. Safeguard will continue to pay up to \$20,000 per year towards the premium cost of Mr. Craig's health insurance coverage up to age 65.

Severance and Change in Control. Messrs. Boni, Datin, Davis, Loftus and Feder each have agreements with Safeguard that provide certain benefits upon involuntary termination of employment without cause or termination of employment for good reason (as defined in the agreements) as follows:

Messrs. Boni and Datin:

- o all vested stock options will remain exercisable for 12 months;

Mr. Davis:

Mr. Loftus:

- o a payment equal to his prorated bonus for the year of termination and 1.5 times his then current base salary of at least \$275,000 (effective as of September 2005); and

Mr. Feder:

- o a payment equal to his prorated bonus for the year of termination and one to 1.5 times his then current base salary of at least \$325,000 (effective as of January 2006), depending upon the timing of the termination; and
- o all time-vested stock options will fully vest and remain exercisable for 36 months and vested market-based stock options will remain exercisable for 12 months.

Each executive's agreement also provides certain benefits if the executive's employment is terminated within six months before or 12 months following a change in control (Messrs. Boni and Datin) or within 18 months following a change in control (Messrs. Davis, Loftus and Feder) as follows:

Table of Contents

Messrs. Boni and Datin:

- o a payment equal to a multiple of the executive's then current base salary and a multiple of the greater of the executive's target bonus (not less than 100% of current base salary) for the year of termination or the average of the executive's actual bonuses for the last three completed fiscal years (the multiple is three times for Mr. Boni and two times for Mr. Datin);
- o all stock options will fully vest and will remain exercisable for a term equal to the severance payment period;

Mr. Davis:

- o a payment equal to his prorated bonus for the year of termination, two times his then current base salary of at least \$375,000 and two times his annual target bonus of at least \$325,000 for the year of termination; and

Messrs. Loftus and Feder:

- o a payment equal to the executive's prorated bonus for the year of termination and 1.5 times his then current base salary of at least \$275,000 for Mr. Loftus and \$325,000 for Mr. Feder; and
- o all time-vested stock options will fully vest and remain exercisable for 36 months and all market-based stock options will vest and remain exercisable for 24 months.

Upon the occurrence of any of the above events, each of the executives also is entitled to coverage under our medical, health and life insurance plans for a designated period. Messrs. Boni and Datin each are entitled to the number of months of coverage for which they receive severance payments; Mr. Davis is entitled to 24 months' coverage; and Messrs. Loftus and Feder each are entitled to 12 months' coverage. Messrs. Davis, Loftus and Feder each also are entitled to up to \$20,000 each for outplacement services or office space.

Relationships and Related Transactions with Management and Others

As part of our business, we participate in the management of private equity funds. Robert E. Keith, Jr., Chairman of our Board, is the President and Chief Executive Officer of TL Ventures, the management company for TL Ventures III, TL Ventures IV, and TL Ventures V, and the Chairman of the management companies for EnerTech Capital Partners and EnerTech Capital Partners II. Mr. Keith and Safeguard have partnership interests in the TL Ventures and EnerTech Capital Partners funds, and they participate in the profits of these private equity funds. TL Ventures receives management fees from the TL Ventures funds and indirectly from EnerTech. During 2005, Safeguard paid to TL Ventures management fees of approximately \$0.8 million in respect of Safeguard's capital contribution to the various funds managed by TL Ventures. In December 2005, Safeguard sold substantially all of its interests in the eight TL Ventures and EnerTech Capital Partners funds for approximately \$24 million in cash with the buyers also assuming approximately \$9 million of Safeguard's remaining unfunded capital commitments to these funds. The funds did not receive any of the proceeds received by Safeguard, other than reimbursement of customary transaction expenses.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The SEC rules require that we disclose late filings of reports of stock ownership by our directors, executive officers and greater than 10% holders of our common stock. During 2005, there were no holders of greater than 10% of our common stock. Based solely on our review of the copies of reports we have received and upon written representations from the reporting persons that no Form 5 reports were required to be filed by those persons, Safeguard believes there were no late filings by our directors and executive officers during 2005.

Additionally, all directors are encouraged to periodically participate in continuing educational opportunities designed to improve their ability to perform their duties.

E. Company Visitation

Each non-employee director is encouraged to visit the Company and its subsidiaries from time to time to familiarize himself/herself with the business of the Company and its subsidiaries. These visits should be pre-arranged with the CEO, and directors are encouraged to report to the full Board at the next Board meeting after any such visit their observations from such visits.

F. Assessing Board and Committee Performance

The Board will conduct an annual self-evaluation of the Board's performance and an evaluation of each of the Board committees' performance to determine whether the Board and its committees are functioning effectively. The Board's evaluation of the committees will be based, in part, on the self-evaluations conducted by each of the committees.

G. Assessing CEO Performance

The Board believes that the CEO's performance should be evaluated annually. The Board has delegated to the Nominating & Corporate Governance Committee the responsibility to conduct an annual evaluation of the CEO's performance. The Board has delegated to the Compensation Committee the responsibility to review and approve compensatory plans and pay levels for the CEO. II. Board of Directors Composition and Structure

A. Size of Board.

The Nominating & Corporate Governance Committee is responsible for considering and making recommendations to the Board concerning the appropriate size of the Board. The Board shall periodically review its size to consider the size that is appropriate for its effective operation. In general, the Board believes that its appropriate size should range from eight to eleven members, recognizing that retirements, resignations and recruiting delays may result, periodically, in the Board consisting, for some transitional period, of a slightly greater or lesser number of directors than the Board may have targeted.

B. Mix of Directors; Independent Directors

A majority of the Board will be independent, within the meaning of the New York Stock Exchange's corporate governance rules. Moreover, no director will be independent unless the Board affirmatively determines that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company).

1. **Categorical Standards.** The Board has established the following standards to assist it in determining director independence: A director will not be deemed independent if: (a) within the previous three years or currently, (i) the director has been employed by the Company (other than employment as an interim Chairman, CEO or other executive officer); (ii) someone in the director's immediate family has been employed as an executive officer of the Company; or (iii) the director or someone in her/his immediate family has been employed as an executive officer of another entity that concurrently has or had as a member of its compensation committee of the board of directors any of the Company's present executive officers; (b) (i) the director or someone in the director's immediate family is a current partner of a firm that is the Company's internal or external auditor; (ii) the director is a current employee of the firm, or someone in the director's immediate family is a current employee of the firm who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (iii) the director or someone in the director's immediate family is a former partner or employee of such a firm and personally worked on the Company's audit within the last three years; (c) the director received, or someone in the director's immediate family received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), compensation received by a director for former service as an interim Chairman or CEO or other executive officer and, in the case of an immediate family member, other than compensation for service as an employee of the Company (other than an executive officer). The following commercial or charitable relationships will not be considered material relationships: (a) if the director is a current employee or holder of more than ten percent of the equity of, or someone in her/his immediate family is a current executive officer or holder of more than ten percent of the equity of, another company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years of the other company, does not exceed \$1 million or two percent, whichever is greater, of the other company's consolidated gross revenues; or (b) if the director is a current executive officer of a charitable organization, and the Company made charitable contributions to the charitable organization in any of the charitable organization's last three fiscal years that does not exceed \$1 million or two percent, whichever is greater, of the charitable organization's consolidated gross revenues. For the purposes of these categorical

Table of Contents

standards, the terms "immediate family member" and "executive officer" have the meanings set forth in the New York Stock Exchange's corporate governance rules.

2. **Board Determinations.** For relationships not addressed by the guidelines in subsection 1 above, the determination of whether the director is independent or not shall be made by the Board, subject to applicable New York Stock Exchange rules or legal requirements.
3. **Audit Committee Independence Requirements.** Audit Committee members may not accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Company or any Company subsidiary. For the purpose of this paragraph, compensatory fees do not include fees for service on the Board or a Board committee, or the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company (provided that such compensation is not contingent in any way on continued service). In addition, Audit Committee members may not be affiliated persons of the Company or any Company subsidiary.
4. **Selection of Directors.** In connection with its proxy solicitation relating to the Company's annual shareholders' meeting, the Board shall recommend a slate of nominees for election by shareholders. In addition, the Board fills vacancies on the Board when necessary or appropriate. The Board's recommendations or determinations are based on the recommendations of, and information supplied by, the Nominating & Corporate Governance Committee as to the suitability of each individual and, where applicable, the slate as a whole to serve as directors, taking into account the criteria described below and other factors, including the requirements for Board committee membership. In recommending nominees, the Board will consider nominees recommended by shareholders, provided that such shareholder submits the following information to the company's Secretary at least 120 days before the one-year anniversary of the date of mailing of Company's proxy materials for the prior year's annual meeting of shareholders: (1) the name of the candidate and the information about the individual that would be required to be included in a proxy statement under the rules of the SEC; (2) information about the relationship between the candidate and the nominating stockholder; (3) the consent of the candidate to serve as a director; and (4) proof of the number of shares of the Company's common stock that the nominating shareholder owns and the length of time the shares have been owned.

C. Board Membership Criteria

The Nominating & Corporate Governance Committee is responsible for making recommendations to the Board, on an annual basis, concerning the appropriate size, function, and needs of the Board, so that the Board as a whole collectively possesses a broad range of skills, expertise, industry and other knowledge, and business and other experience useful to the effective oversight of the Company's business. Directors should have experience in positions with a high degree of responsibility, be leaders in the companies or institutions with which they are affiliated, and have the willingness and ability to devote sufficient time to fulfill his or her responsibilities to the Company and its shareholders. The Committee will evaluate the skills and experience necessary in a director nominee in the context of the needs of the board as a whole and the staffing needs of each of its committees, with the objective of recommending a group that through its diversity of experience can provide relevant advice and counsel to management and best perpetuate the success of the Company's business and represent shareholder interests.

D. Leadership

The Board notes that all directors are elected by the shareholders and, therefore, have an equal voice. The Chairperson of the Board or the Board as a whole may call upon any one or more directors to provide leadership in a given situation. The Board understands that leadership in

Table of Contents

certain subject areas falls to the committee chairpersons responsible for the subject matter giving rise to the need, and that the chairpersons function as the committee liaisons to the Chairperson of the Board and the rest of the Board. In circumstances in which the independent directors meet without the Chairperson of the Board, the chairperson of the Nominating & Corporate Governance Committee will be designated to: (i) coordinate the activities of the independent directors; (ii) provide input with respect to agenda items; and (iii) consult with the other chairpersons of the Board committees with respect to matters within the jurisdiction of their respective committees.

E. Retirement

No person will be nominated by the Board to serve as a director after he or she has passed his or her 75th birthday unless the Nominating & Corporate Governance Committee has waived the mandatory retirement age of such person as a director.

F. Resignation

A non-management director who changes the primary job responsibilities related to his or her principal employment that the director held at the time of his or her most recent election to the Board will promptly notify the Board of such change. The Board will, in its sole discretion, determine whether such change in responsibilities will impair the director's ability to effectively serve on the Board, and based upon such determination, may request such director to offer a letter of resignation from the Board, which such director will promptly offer to the Board upon such request. Upon a management director's resignation, removal, or retirement as an officer of the Company, the Board will promptly be notified. The Board will, in its sole discretion, determine whether or not to request such management director to offer a letter of resignation from the Board and if requested, such management director shall promptly offer such letter to the Board.

G. Additional Directorships

Directors are encouraged to limit the number of other boards of directors (excluding non-profit and non-public boards of directors) on which they serve, taking into account potential meeting attendance, participation and other commitments with respect to these other boards of directors. It is generally advisable to limit outside directorships to no more than four. The Nominating & Corporate Governance Committee and the full Board will take into account the nature of and the time involved in a director's service on other boards of directors in evaluating the suitability of individual director candidates. Prior to accepting any invitation to serve on another public company board of directors, a director must provide notice to the Chairperson of the Nominating & Corporate Governance Committee.

H. Compensation of Non-Employee Directors

The Compensation Committee periodically reviews, considers and recommends to the Board for approval the total compensation program for all non-employee directors of the Company for service on the Board and its committees. The Board should make changes in non-employee director compensation practices only upon the recommendation of the Compensation Committee after discussion and concurrence by a majority of independent directors of the Board. Both the Board and the Compensation Committee should be guided by the following principles: compensation should align directors' interests with the long-term interests of shareholders while not calling into question their objectivity and the structure of the compensation should be simple, transparent and easy for shareholders to understand.

III. Board Meetings and Procedures

A. Number of Meetings; Attendance

The Board holds a minimum of four regularly scheduled meetings per year. Directors are expected to attend all regularly scheduled meetings. As attendance in person is always preferred, directors are expected to be physically present at all regularly scheduled meetings, and a director who is unable to attend a meeting is expected to notify the Chairperson in advance of such meeting. However, attendance at meetings via conference telephone, videoconference, or similar communication equipment is acceptable.

B. Agenda; Distribution of Materials

The agenda for each meeting of the Board will be prepared by the CEO following consultation with the Chairperson and other members of the Board. Any director may request the addition of specific agenda items. Such requests will be discussed in a timely manner with the Chairperson of the Board prior to preparation and dissemination of the agenda to directors. The Chairperson of the Board, the CEO and the Chairperson of the Nominating & Corporate Governance Committee will annually provide a Master Agenda that sets forth a general list of items to be considered at each of the Board's regularly scheduled meetings during the year. Thereafter, the Chairperson of the Board and CEO will adjust the agenda for each specific meeting, if necessary, to include the special items that had not been contemplated during the initial preparation of the Master Agenda. The Master Agenda will be provided to the entire Board. Information relevant to the Board's understanding of matters to be discussed at an upcoming meeting will be distributed in writing or electronically to all members sufficiently in advance of any meeting to allow for thoughtful review. Each director is expected to review the materials distributed in advance of the meeting. Under certain circumstances, written materials may be unavailable to directors in advance of the meeting. On those occasions in which the information regarding a matter to be considered at a Board meeting is too sensitive to provide in writing, the Chairperson may elect to contact (either directly or through his or her designee) each director by telephone in advance of the meeting to discuss the subject and the principal issues the Board will need to consider.

C. Access to Senior Management

The Board believes that attendance of senior management and, under certain circumstances, other Company personnel can augment the meeting process by providing certain expertise and insight into matters being discussed. Accordingly, the Board may invite such senior management and other Company personnel to attend Board meetings or portions thereof. Directors have complete and open access to the senior management and information concerning the Company's business activities and performance. Such access will be subject to the Company's policies regarding confidential information.

D. Access to Independent Advisors

The Board and its committees have the authority, in their discretion, to retain independent financial, legal, compensation or other advisors, and the Company will provide appropriate funding, as determined by the Board or any committee, to compensate those independent advisors.

E. Executive Sessions of Non-Employee Directors

The non-employee directors of the Board will meet in executive session at each regularly scheduled Board meeting, or as they otherwise may determine necessary or appropriate, outside of the presence of any management directors and any other members of the Company's management who may otherwise be present, to: (i) evaluate the CEO, (ii) review management succession planning, and (iii) consider such other matters as

they may deem appropriate. During at least one

A-6

session per year, only independent directors may be present. The chairperson of the Nominating & Corporate Governance Committee will preside at the executive sessions. Following each executive session, the results of the deliberations and any recommendations should be communicated to the full Board.

F. Attendance at Annual Meeting

Each director is expected to attend the Company's annual meeting of shareholders.

G. Confidentiality

The Board believes that maintaining confidentiality of information and deliberations is imperative and an essential component of each director's fiduciary duty.

IV. COMMITTEES

A. General

1. Except where Board committees have sole authority to act as required by applicable law or a listing standard, it is the general policy of the Company that major decisions be considered by the Board as a whole. As a consequence, the Board has determined to constitute only those committees that it believes are critical to the efficient operation of the Board or are required by applicable law or a listing standard. The Board currently has the following four standing Committees: the Audit Committee, the Compensation Committee, the Nominating & Corporate Governance Committee and the Acquisition Committee. The Board has the authority to establish such other committees, temporary or permanent, as the Board deems advisable. The Audit Committee, the Compensation Committee and the Nominating & Corporate Governance Committee will each consist of three or more directors, each of whom will satisfy the independence requirements set forth herein and any additional requirements set forth in their respective charters and any other applicable listing or regulatory requirements. The Acquisition Committee shall consist of three or more directors, at least two of whom shall satisfy the independence requirements set forth herein. The Nominating & Corporate Governance Committee will nominate, and the Board will designate, a chairperson of each committee.
2. Each of the Audit Committee, the Compensation Committee, the Nominating & Corporate Governance Committee and the Acquisition Committee will have appropriate written charters that are adopted by the Board. The charter of each committee will be reviewed at least annually by the Board and the relevant committee. These committee charters will be made available on the Company's website at: www.safeguard.com.
3. The chairperson of each committee, in consultation with the appropriate members of the committee and senior management, will oversee the development of the committee's agenda for each meeting. Information relevant to a committee's understanding of matters to be discussed at an upcoming meeting will be distributed in writing or electronically to all members sufficiently in advance of any meeting to allow for thoughtful review. Each committee member is expected to review the materials distributed in advance of the meeting. Insofar as possible, committee meetings will be scheduled in conjunction with meetings of the full Board.
4. The Board is responsible for overseeing the activities of its committees (except where such committees have sole authority to act pursuant to applicable law or a listing standard) and for ensuring that the committees are fulfilling their duties and responsibilities. The Board will regularly receive reports from its committees regarding

Table of Contents

their activities and will take such actions as it deems necessary and appropriate in response to these reports.

B. Membership

1. The Board does not believe in mandating fixed rotation of committee members and/or committee chairpersons, since there may be reasons at a given point in time for maintaining continuity. Ideally, however, the Board will seek to rotate committee members and chairpersons, on an average of every three to five years. The Board seeks thereby to avoid director entrenchment while ensuring continuity and the availability of experience derived through longevity.
2. The Nominating & Corporate Governance Committee will make nominations regarding committee appointments to the Board for its approval. Proposed committee appointments, including the designation of committee chairpersons, will give consideration to any expressed desire of individual Board members. The Board will make the committee appointments at the first regularly scheduled Board meeting following each annual meeting of shareholders or at such other times as the Board may determine.

V. OTHER PRINCIPLES

A. Disclosure and Review of Corporate Governance Guidelines

These Corporate Governance Guidelines will be made available on the Company's website at: www.safeguard.com. The Nominating & Corporate Governance Committee will review these Corporate Governance Guidelines from time to time, but not less frequently than annually, and will report on the results of its review to the full Board.

B. Communications with Shareholders and Other Interested Parties; Disclosure Policy

1. The Chairperson and the CEO are responsible for establishing effective communications with the Company's shareholders, customers, associates, communities, suppliers, creditors and business partners. Directors are not precluded from meeting with such parties, but any such meetings generally should be held with management present.
2. The Board believes it is imperative that the Company promote full, fair, accurate, timely and understandable disclosure in the periodic reports and other statements and reports that the Company is required to file under the securities laws.

These are the responsibilities of management, and the independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews of the Company's financial statements. The Committee's considerations and discussions with management and the independent registered public accounting firm do not ensure that the Company's financial statements are presented in accordance with GAAP, that the audit of the Company's financial statements has been carried out in accordance with applicable auditing standards, or that the Company's independent registered public accountants are in fact independent.

2. The Committee shall recommend to the Board whether the audited financial statements should be included in the Company's annual report on Form 10-K.

3. The Committee shall meet separately, periodically, with the internal auditor, the general counsel, outside legal counsel and the independent registered public accounting firm to review the Company's policies and procedures regarding disclosures that may affect the financial statements and compliance with applicable laws and regulations and the Company's Code of Business Conduct & Ethics.
4. The Committee shall review the Company's disclosure controls and procedures, including internal control over financial reporting (each as defined by the SEC), and, where applicable, shall review the changes in internal control over financial reporting intended to address any significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting and any fraud involving management or other employees that are reported to the Committee. In addition, the Committee shall review and discuss the report of management on the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's report on, and attestation of, such management report.

C. Oversight of Internal Audit Function

Table of Contents

2. The internal auditor shall attend Committee meetings at the Committee's request from time to time, and report, at least semi-annually, to the Committee on audit results for the period and the status of the audit schedule. Reports may be made at more frequent intervals if deemed necessary by the Committee or as may be requested by the internal auditor.
3. The Committee shall review and approve the annual internal audit plan, objectives, schedules and any special projects undertaken by the internal auditor.
4. The Committee shall discuss with the internal auditor any changes to, and the implementation of, the internal audit plan and any special projects and the results of such internal audits and special projects.
5. The Committee shall review any significant reports to management prepared by the internal auditor, management's responses and the status of any recommended corrective action. Particular emphasis will be given by the Committee to any significant control deficiencies and actions taken by management to correct them.
6.  - b. After reviewing the foregoing report from the independent registered public accounting firm and the independent registered public accounting firm's work throughout the audit period, the Committee will conduct an annual evaluation of the independent registered public accounting firm's qualifications, performance and independence. This evaluation also shall include the review and evaluation of the audit engagement team, including the lead partner. In making its evaluation, the Committee shall take into account the opinions of management and the internal auditor. In addition to assuring the regular rotation of the lead audit partner as required by law, the Committee will also consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself. The Committee shall present its conclusions with respect to the evaluation of the independent registered public accounting firm to the Board.
- 3. **Other Oversight Responsibilities**
 - a. The Committee shall review periodically any reports prepared by the independent registered public accounting firm and provided to the Committee relating to significant financial reporting issues and judgments including, among other things, the Company's selection, application, and disclosure of critical accounting policies and practices, all alternative treatments within GAAP for policies and practices related to material items that have been discussed with management, including the ramifications of such treatments and the treatment preferred by the independent registered public accounting firm, and any other material written communications between the independent registered public accounting firm and management, such as any management letter or schedule of unadjusted differences.
