-

Item 7.01. Regulation FD

In the offering memorandum for the offering described below, the Company presented the following disclosure regarding adjusted EBITDA and a reconciliation to its most comparable measure under accounting principles generally accepted in the United States ( GAAP ).

	<b>Three Months Ended March 31, 2008</b>	<b>Year Ended March 31, 2008</b>
	(\$ in millions)	
Operating income	\$ 131.0	\$ 476.1
Plus:		
Depreciation and amortization	48.6	189.8
Adjusted EBITDA	\$ 179.6	\$ 665.9

Adjusted EBITDA is a supplemental measure of our performance that is not required by, or presented in accordance with GAAP. It is not a measurement of our financial performance under GAAP and should not be considered as an alternative to operating income or net income or any other performance measures derived in accordance with GAAP or as an alternative to cash flows from operating activities as a measure of our liquidity.

The Company defines adjusted EBITDA as operating income before depreciation and amortization. The Company believes adjusted EBITDA provides investors meaningful insight into its ability to generate cash from operations to support required working capital, capital expenditures, debt repayment and other financial obligations, as well as to fund future acquisitions. The Company cautions investors that amounts presented in accordance with our definition of adjusted EBITDA may not be comparable to similar measures disclosed by other issuers, because not all issuers and analysts calculate adjusted EBITDA in the same manner. The Company presents adjusted EBITDA because it considers it an important supplemental measure of performance and believe it is frequently used by securities analysts, investors and other interested parties in the evaluation of companies in our industry.

The information contained in this Form 8-K report shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 or incorporated by reference in any filing under the Securities Exchange Act of 1933, as amended, except as expressly set forth by specific reference in such a filing.

Item 8.01. Other Events

On June 4, 2008, Airgas, Inc. (the Company ) announced its intent to commence an offering of \$350 million of new senior subordinated notes due 2018, which are to be guaranteed by the U.S. subsidiaries of the Company that guarantee its existing credit agreement, as described in the press release attached as Exhibit 99.1 and incorporated herein by reference.
