In that connection, and in continuation of our prior communications dated March 26, 2013 and September 24, 2013 and the information in the Financial Statements of the Company as of September 30, 2015, please be advised that today PBB Polisor S.A. In addition, the parties have formed a joint venture, in which Dow and YPF each hold 50%, for the exploration, evaluation, exploitation and development of hydrocarbons in the El Orejano area, which will become effective on January 1, 2016.
