### ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

#### IMCG I Direction Letter Agreement -----

On February 22, 2002, IMCG I and J.P. Morgan Partners (BHCA), L.P. ("JPMP"), Virginia Surety Company, Inc. ("AON"), Penske Corporation, and PCP (the "Managing Member", and each of JPMP, AON and Penske Corporation, an "IMCG I Member"), being all the members of IMCG I, entered into a letter agreement (the "IMCG I Letter Agreement"). The IMCG I Letter Agreement is attached as Exhibit 25 hereto and is incorporated in and made part of this Schedule 13D in its entirety by this reference. Under the terms of the IMCG I Letter Agreement each IMCG I Member may, in connection with its execution of a cash sale of shares of Series A Preferred Stock or Common Stock attributable to its membership interest in IMCG I, require that IMCG I distribute such shares to that IMCG I Member, subject to certain conditions (an "IMCG I Member Distribution"). Such conditions are as follows: (i) until February 22, 2003, no IMCG I Member may require IMCG I to distribute any of the shares of Common Stock obtained by IMCG I pursuant to the exercise of the Warrants, unless immediately after giving effect to such distribution, no other shares of Series A Preferred Stock, Series B Preferred Stock or Common Stock are attributable to such IMCG I Member's membership interests in IMCG I and IMCG II and (ii) other than distributions permitted by the IMCG I Letter Agreement or in connection with reallocation of shares to the Managing Member in accordance with IMCG I's operating agreement, IMCG I will not sell or otherwise transfer to a third party any shares of the Company attributable to an IMCG I Member's membership interest, without the prior written consent of such member. Moreover, neither IMCG I nor any IMCG I Member can cause the conversion of any shares of Series A Preferred Stock attributable to its membership interest, except in connection with an IMCG I Member Distribution and upon receipt by IMCG I of notice of redemption by the Company. Notwithstanding the foregoing, the Managing Member shall have the right at any time to cause IMCG I to distribute to an IMCG I Member all or a portion of the shares of Series A Preferred Stock and/or Common Stock (or any proceeds of such shares) attributable to such IMCG I Member's membership interest.

#### IMCG II Direction Letter Agreement -----

On February 22, 2002, IMCG II and JPMP and PCP (each of JPMP and PCP, an "IMCG II Member"), being the two members of IMCG II, entered into a letter agreement (the "IMCG II Letter Agreement"). The IMCG II Letter Agreement is attached as Exhibit 26 hereto and is incorporated in and made part of this Schedule 13D in its entirety by this reference. Under the terms of the IMCG II Letter Agreement each IMCG II Member may, in connection with its execution of a cash sale of shares of Series A Preferred Stock, Series B Preferred Stock or Common Stock attributable to its membership interest in IMCG II, require that IMCG II distribute such shares to that IMCG II Member, subject to certain conditions (an "IMCG II Member Distribution"). Such conditions are as follows: (i) until February 22, 2003, no IMCG II Member may require IMCG II to distribute any of the shares of Common Stock obtained by IMCG II pursuant to the exercise of the Warrants, unless immediately after giving effect to such distribution, no other shares of Series A Preferred Stock, Series B Preferred Stock or Common Stock are attributable to such IMCG II Member's membership interests in IMCG I and IMCG II and (ii) other than distributions permitted by the IMCG II Letter Agreement or in connection with reallocation of shares to the Managing Member in accordance with IMCG II's operating agreement, IMCG II will not sell or otherwise transfer to a third party any shares of the Company attributable to an IMCG II Member's membership interest, without

the prior written consent of such member. Moreover, neither IMCG II nor any IMCG II Member can cause the conversion of any shares of Series A Preferred Stock or Series B Preferred Stock attributable to its membership interest, except in connection with an IMCG II Member Distribution and upon receipt by IMCG II of notice of redemption by the Company. Notwithstanding the foregoing, the Managing Member shall have the right at any time to cause IMCG II to distribute to an IMCG II Member all or a portion of the shares of Series A Preferred Stock, Series B Preferred Stock and/or Common Stock (or any proceeds of such shares) attributable to such IMCG II Member's membership interest.

### Second Amended and Restated Stockholders Agreement

-----

In connection with the execution of the IMCG I Letter Agreement and the IMCG II Letter Agreement, Aeneas, Penske Corporation, Penske Automotive, PCP, IMCG I, IMCG II, and Mitsui (collectively, the "Restricted Stockholders") and JPMP and AON entered into the Second Amended and Restated Stockholders Agreement (the "Restated Stockholders Agreement") which amends and restates the Stockholders Agreement (as previously amended). The description of the Stockholders Agreement and the amendments thereto included in the previous Schedule 13D filings is replaced in its entirety by the following description. The Restated Stockholders Agreement is included as Exhibit 27 hereto and is incorporated in and made a part of this Schedule 13D in its entirety by this reference. The Restated Stockholders Agreement supercedes the Stockholders Agreement (as previously amended) and as attached as Exhibits 8, 17 and 22 to this Schedule 13D.

Pursuant to the Restated Stockholders Agreement, the Restricted Stockholders agree to use their reasonable best efforts to cause the Board of Directors to consist of nine members, as follows: (i) Roger S. Penske, (ii) four individuals designated by IMCG I and IMCG II, (iii) one individual nominated by Mitsui, and (iv) three independent directors. In addition, the Restricted Stockholders agree to use their reasonable best efforts, to cause the Compensation Committee of the Board of Directors to consist of Roger S. Penske, an individual designated by IMCG-I and IMCG-II and two independent directors.

In the event that IMCG I and IMCG II, together with Penske Corporation, Penske Automotive, and PCP, cease to hold in the aggregate, beneficial ownership (as defined in Rule 13d-5 under the Exchange Act) of at least 20% in the Company, the number of individuals IMCG I and IMCG II will be entitled to designate will be reduced from four individuals by one individual for each 2.5% reduction in the aggregate beneficial ownership of IMCG I and IMCG II, together with Penske Corporation, Penske Automotive, and PCP, below 20% and in the event that IMCG I and IMCG II, together with Penske Corporation, Penske Automotive, and PCP, cease to hold in the aggregate, beneficial ownership of at least 10% in the Company, IMCG I and IMCG II shall cease to be entitled to designate any individuals to be supported by the other Restricted Stockholders. In the event that Mitsui ceases to hold in the aggregate, beneficial ownership of at least 2.5%, Mitsui shall cease to be entitled to designate any individuals to be supported by the other Restricted Stockholders.

The Restated Stockholders Agreement requires IMCG I and IMCG II to cause Roger S. Penske to serve as Chairman of the Company and Chief Executive Office of the Company until August 3, 2002; provided such obligation will terminate if IMCG I and IMCG II are no longer entitled to designate a majority of the Board of Directors of the Company.

The Restated Stockholders Agreement contains certain restrictions on the acquisition of the Company's equity securities and certain other

actions by the Restricted Stockholders. At any time prior to December 14, 2003, no Restricted Stockholder will be permitted, directly or indirectly, to: (a) except as described below, acquire ownership of (i) any capital stock of the Company, or direct or indirect rights (including convertible securities) or options to acquire such capital stock or (ii) any of the assets or businesses of the Company, or direct or indirect rights or options to acquire such assets or businesses; (b) to offer, seek, or propose to enter into any transaction of merger, consolidation, sale of substantial assets or any other business combination involving the Company; (c) to make, or in any way participate, directly or indirectly, in any "solicitation" of "proxies" (as such terms are defined or used in Regulation 14A under the Exchange Act) or become a "participant" in any "election contest" (as such terms are defined or used under the prior Rule 14a-11 under the Exchange Act) to vote, or seek to advise or influence any person or entity with respect to the voting of, any voting securities of the Company or any of its affiliates; (d) to initiate or propose any stockholder proposals for submission to a vote of stockholders, whether by action at a stockholder meeting or by written consent, with respect to the Company, or except as provided in the Restated Stockholders Agreement propose any person for election to the Board of Directors of the Company; (e) to disclose to any third party, or make any filing under the Exchange Act, including, without limitation, under Section 13(d) thereof, disclosing any intention, plan or arrangement inconsistent with the foregoing; (f) to form, join or in any way participate in a group to take any actions otherwise prohibited by the terms of the Restated Stockholders Agreement; (g) to enter into any discussions, negotiations, arrangements or understandings with any third party with respect to any of the foregoing; or (h) to make any public announcement with respect to any of the foregoing. In addition, IMCG I and IMCG II will be restricted from acquiring additional equity securities of the Company except as described below.

Notwithstanding the provisions described in the prior paragraph, the Restated Stockholders Agreement will not prohibit: (a) any transaction by a Restricted Stockholder approved by either (i) a majority of the members of the Board of Directors who are neither designated by or affiliated with such Restricted Stockholder, or (ii) the holders of a majority of the voting stock of the Company excluding shares held by such Restricted Stockholder and its affiliates; (b) in the case of IMCG I and IMCG II, the acquisition of securities or of beneficial ownership of securities if, after giving effect to such acquisition, the beneficial ownership of IMCG I and IMCG II in the Company is less than or equal to 65%; (c) in the case of Aeneas and Mitsui, the acquisition of securities or of beneficial ownership of securities if, after giving effect to such acquisition, the beneficial ownership of each such Restricted Stockholder in the Company is less than or equal to 49% (d) the granting by the Board of Directors of stock options to affiliates of the Restricted Stockholders; (e) the exercise of stock options; or (f) any transaction contemplated by, or in furtherance of a certain letter agreement between the Company, IMCG I, IMCG II and JPMP regarding regulatory matters which is more fully described below (the "Regulatory Sideletter"), a certain registration rights agreement entered into by JPMP, AON and the Company providing JPMP and AON with various registration rights or the Stockholders Agreement.

Pursuant to the Restated Stockholders Agreement, (a) JPMP or IMCG I and/or IMCG II on behalf of JPMP, must hold shares of Series A Preferred Stock, Series B Preferred Stock or Common Stock representing at least 3,122,449 shares of Common Stock on an as converted basis (as may be adjusted from time to time) (the "JPMP Standstill Shares") and will not be permitted to sell or otherwise transfer such shares on or prior to January 31, 2003, except to certain affiliates and permitted transferees, (b) AON,

or IMCG I and/or IMCG II on behalf of AON, must hold shares of Common Stock or shares of Series A Preferred Stock, Series B Preferred Stock or Common Stock representing at least 1,377,551 shares of Common Stock on an as converted basis (as may be adjusted from time to time) (the "AON Standstill Shares") and will not be permitted to sell or otherwise transfer such shares on or prior to January 31, 2003, except to certain affiliates and permitted transferees, and (c) JPMP and AON will not be permitted to direct IMCG I or IMCG II to transfer any shares of capital stock of the Company on or prior to May 1, 2002 (other than transfers contemplated by the certain registration rights agreement among JPMP, AON and the Company; transfers to certain affiliates or permitted transferees of JPMP or AON; and transfers in connection with a private sale); and (d) IMCG I and IMCG II will not be permitted to take any action for or exercise any right on behalf of JPMP or AON, without the prior direction or approval of JPMP or AON, as applicable or except as permitted by the IMCG I Letter Agreement and/or the IMCG II Letter Agreement, as applicable. If Penske Corporation, Penske Automotive or PCP or any of their affiliates sell or otherwise transfer, in one transaction or a series of related transactions, equity securities of the Company that represent an amount in excess of five hundred thousand shares of Common Stock (determined on an as converted basis) in the aggregate (other than (i) transfers to an affiliate of Penske Corporation, Penske Automotive or PCP, (ii) transfers at the direction of JPMP or AON of securities held by IMCG I or IMCG II for the account of JPMP or AON, (iii) transfers to PCP's carry account (which will contain shares of capital stock of the Company transferred to the Managing Member from the AON share account, the JPMP share account, the PCP share account, or the Penske Corporation share account in accordance with the terms of the operating agreements of IMCG I and IMCG II (the "PCP Carry Account")), or (iv) transfers to PCP or by PCP to its members or by such members to their members ad infinitum) then the restrictions described in clauses (a), (b) and (c) described in the immediately preceding sentence will terminate immediately prior to such transfer. Each of JPMP or AON must first offer the JPMP or AON Standstill Shares, as applicable, to Penske Corporation, prior to selling or transferring, at any time after February 1, 2003 but before February 1, 2005, any of such Standstill Shares to a third party (including transfers in an underwritten public offering but excluding transfers to certain affiliates and permitted transferees).

In addition, Penske Corporation, Penske Automotive, PCP and each of their respective affiliates (other than the Company) will not be permitted to sell or transfer or otherwise dispose of equity securities of the Company (other than transfers at the direction of JPMP or AON of securities held by IMCG I or IMCG II for the account of JPMP or AON) (i) as part of or in connection with the first primary public offering of the securities of the Company which includes a secondary sale component which occurs on or before August 1, 2003 or (ii) pursuant to Rule 144 of the Securities Act on or before May 1, 2002. Moreover, in the event any of IMCG I, IMCG II, Penske Corporation, Penske Automotive, or PCP sell or otherwise transfer equity securities in the Company to a third party prior to February 1, 2005 (other than (i) transfers to an affiliate or permitted transferee, (ii) transfers at the direction of JPMP or AON of securities held by IMCG I or IMCG II for the account of JPMP or AON, (iii) transfers to PCP's Carry Account, (iv) transfers of securities held for PCP's account or in the PCP Carry Account to PCP, or (v) transfers by PCP to its members or by such members to their members ad infinitum), each must permit Aeneas, Mitsui, JPMP and AON to participate in such sale or other transfer on a pro rata basis.

Pursuant to the Restated Stockholders Agreement, in the event Penske requests, JPMP will use all reasonable efforts to convert any JPMP Standstill Shares, which represent Non-Voting Common Stock, into Voting Common Stock, unless such conversion would cause a regulatory problem, a

filing under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act") or a violation of applicable securities laws or any rule or regulation of any exchange on which the capital stock of the Company is listed. If Penske Corporation, Penske Automotive or PCP or any of their affiliates sell or otherwise transfer, in one transaction or a series of related transactions, equity securities of the Company that represent an amount in excess of five hundred thousand shares of Common Stock (determined on an as converted basis) in the aggregate (other than transfers to an affiliate of Penske Corporation, Penske Automotive or PCP, transfers at the direction of JPMP or AON of securities held by IMCG I or IMCG II for the account of JPMP or AON, transfers to PCP's Carry Account, transfers to PCP or by PCP to its members or by such members to their members ad infinitum) then such conversion requirement will terminate immediately prior to such transfer. Notwithstanding the foregoing, each of the Restricted Stockholders and AON agrees to cooperate with the Company in all reasonable respects in complying with the terms and provision of the Regulatory Sideletter.

Pursuant to the Stockholders Agreement, prior to making any filings required by Section 13 or 16 of the Exchange Act, each of IMCG I, IMCG II, JPMP and AON will provide the other parties with reasonable opportunity to review and comment on such filings.

A majority of the disinterested members of the Board of Directors of the Company authorized and approved the Restated Stockholders Agreement.
