Montreal, Quebec, July 29, 2009 – CGI Group Inc. (TSX: GIB.A; NYSE: GIB) reported fiscal 2009 third quarter revenue today of \$950.4 million compared with \$950.5 million in Q3-2008 and \$948.3 million in Q2-2009, representing sequential growth of 2.7% at constant currency. During the quarter, 43% of global revenue was generated outside of Canada, up from 37% in the same quarter last year, in line with the Company's business strategy.

Adjusted EBIT in the third quarter of 2009 was \$113.1 million, or 11.9% of revenue, compared with \$111.1 or 11.7% of revenue in the third quarter of 2008.

Earnings from continuing operations in Q3-2009 were \$76.5 million or 8.1% of revenue generating diluted earnings per share of 25 cents. This compares with Q3-2008 earnings from continuing operations of \$71.0 million or 7.5% of revenue, representing diluted earnings per share of 22 cents when excluding a \$10.8 million one-time tax benefit.

The Company generated \$170.9 million in cash from its continuing operating activities, or 18.0% of revenue. In the first nine months of fiscal 2009, CGI has generated \$437.8 million in cash from continuing operating activities or 15.1% of revenue representing an improvement of \$165.1 million from the first nine months of fiscal 2008.

At the end of the fiscal third quarter, the Company had access to liquidity of more than \$1.6 billion, including \$272.0 million in cash and an undrawn \$1.35 billion under its line of credit secured through 2012. Debt repayments in the first nine months of fiscal 2009 totaled \$271.2 million, leaving net debt at the end of the third quarter at \$15.9 million for a net debt to capitalization ratio of 0.6%, significantly improved from 15.6% in Q3-2008.

Under its Normal Course Issuer Bid, the Company bought back 3.15 million shares during the quarter for a total investment of \$32.1 million. Under the current program, running until February 2010, the Company is authorized to purchase an additional 23.6 million shares.

During the quarter, the Company booked \$1.06 billion in new contract wins or 111% of revenue, primarily in the government and healthcare as well as financial services verticals. This represents an improvement of 7.4% from Q3-2008 and brings the value of CGI's signed contracts over the last twelve months to \$4.5 billion, or 117% of revenue. At the end of June 2009, the Company's order backlog stood at \$11.8 billion or 3.1 times annual revenue.

"Our primary focus remains on helping clients through these challenging market conditions," said Michael E. Roach, President and Chief Executive Officer. "Our growing sales funnel, strong contract bookings and a gradual increase in our systems integration and consulting business provide continued optimism with respect to increasing growth opportunities in future quarters."

"Our financial performance remains strong enabling us to reduce our net debt to \$15.9 million and to increase our participation in our share purchase program at a time when IT services firms are trading at very attractive valuations," concluded Roach.
