Proxy Statement for Annual Meeting of Stockholders
to be Held on October 29, 2014

We are furnishing this Proxy Statement to stockholders (“Stockholders”) of record of Scio Diamond Technology Corporation (“Scio” or the “Company”) in connection with the solicitation of proxies for use at the 2014 annual meeting of stockholders to be held at the Triple Tree Aerodrome, 330 Mary Hanna Road, Woodruff, SC 29833, on Wednesday, October 29, 2014, at 4:00 p.m. EDT, and at any adjournments or postponements thereof (the “Annual Meeting”).

The Notice of Annual Meeting of Stockholders, this Proxy Statement, the accompanying proxy card, and an Annual Report to Stockholders for the fiscal year ended March 31, 2014 (the “Annual Report”) containing financial statements and other information of interest to stockholders are expected to be first mailed to stockholders on or about October [], 2014.

At the Annual Meeting, the Stockholders will be asked to:

1. Elect seven directors to the Board of Directors (the “Board”) to serve for a one-year term expiring at the 2015 annual meeting of the Stockholders;
2. Approve the amendment and restatement of the Company’s Bylaws;
3. Approve, on an advisory basis, the compensation of our named executive officers;
4. Approve, on an advisory basis, the frequency of holding a future advisory vote on executive compensation; and
5. Ratify the appointment of Cherry Bekaert LLP as our independent registered public accountant for the fiscal year ending March 31, 2015.

Recommendations of Our Board of Directors

Our Board recommends that you vote your shares as follows:

FOR the election of our seven director nominees to the Board to serve for a one-year term expiring at the 2015 annual meeting of the Stockholders;

FOR the approval of the amendment and restatement of the Company’s Bylaws;

FOR the approval, on an advisory basis, of the compensation of our named executive officers;

FOR the approval, on an advisory basis, of the option of “every year” for holding a future advisory vote on executive compensation; and

FOR the ratification of the appointment of Cherry Bekaert LLP as our independent registered public accountant for the fiscal year ending March 31, 2015.

Throughout this Proxy Statement, “Fiscal 2013,” “Fiscal 2014” and “Fiscal 2015” represent the fiscal years ended March 31, 2013, March 31, 2014 and March 31, 2015, respectively.

Persons Making the Solicitation

We, on behalf of the Board, are soliciting proxies in connection with the Annual Meeting. The Company will bear the costs of the solicitation. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers, and employees in person or by telephone, e-mail or fax, for which they will receive no additional compensation. We

1

will also reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries for reasonable expenses incurred by them in sending proxy materials to Stockholders.

VOTING INFORMATION

Stockholders of record of the Company's common stock, par value \$.001 per share ("Common Stock"), at the close of business on September 29, 2014 (the "Record Date"), are entitled to notice of, and to vote at, the Annual Meeting and any adjournment or postponement thereof. On the Record Date, [51,375,145] shares of Common Stock were outstanding and entitled to vote. Each outstanding share of Common Stock entitles the holder thereof to one vote on each matter submitted to the Stockholders for a vote. Pursuant to the Company's Bylaws two Stockholders must be represented at the meeting, either in person or by proxy, to constitute a quorum. There must be a quorum for the Annual Meeting to be held.

Some of our Stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. If you hold our shares in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these materials are being forwarded to you by your broker or nominee, which is considered the Stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the Annual Meeting. However, since you are not the Stockholder of record, you may not vote those shares in person at the meeting unless you obtain a signed proxy from the Stockholder of record giving you the right to vote the shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use to direct your broker or nominee how to vote these shares.

If a share is represented for any purpose at the Annual Meeting by the presence of the registered owner or a person holding a valid proxy for the registered owner, it is deemed to be present for the purpose of establishing a quorum. Therefore, valid proxies which are marked "Abstain" or "Withhold" or as to which no vote is marked, including broker non-votes (described below), will be included in determining the number of votes present or represented at the Annual Meeting.

Vote Required

Assuming that a quorum is present:

With respect to Proposal No. 1, the directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. This means that the individuals who receive the highest number of votes are selected as directors up to the maximum number of directors to be elected at the meeting.

With respect to Proposal Nos. 2, 3 and 5, each proposal will be approved if the number of shares of Common Stock voted in favor of the respective matter exceed the number of shares of Common Stock voted against that matter. If a Stockholder submits a proxy but does not specify how he or she would like it to be voted, then the proxy will be voted "FOR" the approval of the amendment and restatement of the Company's Bylaws, "FOR" the approval, on an advisory basis, of the compensation of our named executive officers, and "FOR" the ratification of the appointment of Cherry Bekaert LLP as our independent registered public accountant for Fiscal 2015. We will not count abstentions, broker non-votes or the failure to return a signed proxy as either for or against this proposal, so abstentions, broker non-votes and, assuming a quorum is present, the failure to return a signed proxy, have no impact on Proposal Nos. 2, 3 and 5. With respect to Proposal No. 3, the vote on the compensation of our named executive officers is advisory and non-binding.

With respect to Proposal No. 4, the vote on the frequency of holding a future advisory vote on executive compensation is advisory and non-binding; if none of the frequency options receive a majority of the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by the Stockholders. Shares represented by proxies that are marked "ABSTAIN" and shares which are not voted, including broker non-votes, will be excluded entirely from the vote and will have no effect on the outcome of this vote because the Stockholders' recommendation with respect to Proposal No. 4 is determined by a plurality vote.

Abstentions will be counted for purposes of determining whether a quorum is present at the Annual Meeting for the transaction of business. The Company intends to count broker non votes as present or represented for purposes of determining the presence or absence of a quorum for the transaction of business.

Brokers who hold shares for the accounts of their clients may vote these shares either as directed by their clients or in their own discretion if permitted by the exchange or other organization of which they are members. Proposals that brokers do not vote on are referred to as “broker non-votes.” A broker non-vote does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. In addition, if a Stockholder abstains from voting on a particular proposal, the abstention does not count as a vote in favor of or against the proposal.

Voting Procedures

Ensure that your shares can be voted at the Annual Meeting by submitting your Proxy Card, or contacting your broker, bank, or other nominee.

Voting By Mail. If you are a beneficial owner, you may vote by mail by signing and dating your Proxy Card or voting instruction card provided by your broker, bank, or other nominee and mailing it in the postage-prepaid envelope provided. If you provide specific voting instructions, your shares will be voted as you instruct.

Voting Via Email or Fax. If your shares are registered in your name, you may vote by email or fax by signing and dating your Proxy Card and scanning (both sides) and emailing it to Rico@empirestock.com or faxing it (both sides) to (702) 818-5898. If you provide specific voting instructions, your shares will be voted as you instruct.

If your shares are held in the name of a bank, broker, or other nominee, please follow the instructions on the voting instruction form furnished by such bank, broker, or other nominee in order to vote your shares. Please note that if your shares are held in the name of a bank, broker, or other nominee and you wish to vote at the Annual Meeting, you must obtain a proxy issued in your name from that record holder prior to the meeting and bring the proxy to the meeting.

If your shares are registered in your name, submit your proxy as soon as possible by signing, dating, and returning the Proxy Card, so that your shares can be voted at the Annual Meeting.

Revocability of Proxy

A proxy may be revoked by a Stockholder prior to voting at the Annual Meeting by written notice to the Corporate Secretary of the Company at Scio Diamond Technology Corporation, 411 University Ridge, Suite D, Greenville, SC 29601, by submission of another proxy bearing a later date, or by voting in person at the Annual Meeting. Such notice or later proxy will not affect a vote on any matter taken prior to the receipt thereof by the Company. The mere presence at the Annual Meeting of a Stockholder who has appointed a proxy will not revoke the prior appointment.

If not revoked, the proxy will be voted at the Annual Meeting in accordance with the instructions indicated on the Proxy Card by the Stockholder or, if no instructions are indicated, will be voted “FOR” the election of our seven director nominees to the Board to serve for a one-year term expiring at the 2015 annual Stockholder meeting, “FOR” the approval of the amendment and restatement of the Company’s Bylaws, “FOR” the approval, on an advisory basis, of the compensation of our named executive officers, “FOR” the option of “every year” for future advisory votes on executive compensation, and “FOR” the ratification of the appointment of Cherry Bekaert LLP as our independent registered public accountant for Fiscal 2015, and, as to any other matter that may be properly brought before the Annual Meeting, in accordance with the judgment of the proxy.

Delivery of Proxy Materials and Annual Report to Households

Stockholders who share the same last name and address may receive only one copy of this Proxy Statement unless we receive contrary instructions from any Stockholder at that address. This is referred to as “householding.” If you prefer

to receive multiple copies of this Proxy Statement at the same address, additional copies will be provided to you promptly upon written or oral request, and if you are receiving multiple copies of this Proxy Statement, you may request that you receive only one copy. Please address requests for additional copies or fewer copies of proxy statements to Investor Relations at Scio Diamond Technology Corporation, 411 University Ridge, Suite D, Greenville, SC 29601, Attention: Investor Relations, or by telephone at (864) 751-4880.

Attendance at Board, Committee and Annual Stockholders' Meetings

During Fiscal 2014 the Board held 15 meetings. All of the directors attended at least 75% of the aggregate of such Board meetings and the meetings of each committee on which they served.

Although we do not have a formal policy regarding attendance by members of the Board at our annual Stockholders' meetings, directors are encouraged to attend our annual Stockholders' meeting.

Code of Ethics and Business Conduct

We expect all of our employees to conduct themselves honestly and ethically, particularly in handling actual and apparent conflicts of interest and providing full, accurate, and timely disclosure to the public.

We have adopted a Code of Ethics and Business Conduct that is specifically applicable to our executive officers, including our principal executive officer and our principal financial officer. A copy of this Code of Ethics and Business Conduct is available without charge to Stockholders upon request to the Company at 411 University Ridge, Suite D, Greenville, SC 29601. We will disclose any future amendments to, or waivers from, provisions of our Code of Ethics on our

6

website as promptly as practicable, as and to the extent required under and applicable stock market standards and applicable rules and regulations of the SEC.

Board Leadership Structure and Role in Risk Oversight

We are continuing to develop our corporate governance practices and recognize board oversight as an essential component of strong corporate performance. Our Board has chosen Bern McPheely to serve as the non-executive chairman of the Board. Mr. McPheely has most recently been a director since June 23, 2014, and was a director from August 13, 2012 to May 13, 2013. Mr. McPheely is considered to be an “independent” director, based upon the independence criteria set forth in the corporate governance listing standards of The NASDAQ Stock Market, and his business experience qualifies Mr. McPheely to guide the Board as its chairman. We believe it is the chairman’s responsibility to guide the Board as it provides oversight and strategic support to our executive management and that it is the president and chief executive officer’s responsibility to provide leadership and to manage the Company. In making its decision to have Mr. McPheely serve as chairman of the Board, the Board considered the time and attention that Mr. McGuire is required to devote to managing the day-to-day operations of the Company and the Board’s desire to minimize competing demands for his attention in order to allow Mr. McGuire to focus on his such responsibilities, particularly during the Company’s continued development. We believe the current Board leadership structure provides oversight and perspective to our business that is independent from executive management.

While the Board oversees the Company’s risk management, management is responsible for the day-to-day risk management processes. With respect to day-to-day risk management, in its oversight role the Board seeks to satisfy itself that risk management policies and procedures designed and implemented by the Company’s executives are consistent with the Company’s business strategy and risk appetite, that these policies and procedures are functioning as intended, and that the Company has a culture of risk-aware and risk-adjusted decision making. The Board believes that the CEO and other company executives are fully engaged in risk management. The Board believes that it is aware of and focused on the principal risks that underlie its risk oversight, including stockholder litigation, director conflicts of interests, and SEC reporting.

Committees of the Board of Directors

Audit Committee

The company does not have an audit committee or an audit committee financial expert (as defined in Item 407 of Regulation S-K) serving on the Board. During Fiscal 2014, the members of the Board lacked sufficient financial expertise for overseeing financial reporting responsibilities and the Board did not have an audit committee financial expert (as defined in Item 407 of Regulation S-K). However, the Company intends to establish an audit committee during Fiscal 2015 shortly following the Annual Meeting. Because the Company does not have an audit committee, the entire Board reviewed and discussed the audited financial statements with management, discussed with the Company’s independent auditors the matters required to be discussed by the statement on Auditing Standards No. 61, as amended, and received the written disclosures and the letter from the Company’s independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the Company’s independent accountant’s communications with the Board concerning independence, and also discussed with the Company’s independent accountant the independence of the Company’s independent accountant.

Compensation Committee

The company currently does not have a compensation committee of the Board. As an early stage company with limited personnel, the Board believes that the Company did not require such a committee. However, the Company intends to establish a compensation committee during Fiscal 2015 shortly following the Annual Meeting. The Board as a whole determines executive compensation. Decisions concerning the compensation structure of the Chief Executive Officer and the Chief Financial Officer are approved by the Board as a whole. The Board as a whole is responsible for administering the Company’s compensation plans, including the Scio Diamond Technology Corp. 2012

Share Incentive Plan (the “2012 Share Incentive Plan”).

Executive Committee

During Fiscal 2014, the Executive Committee, which was dissolved in September 2014, was composed of Edward Adams, Joseph Lancia and Michael Monahan. The executive committee had the power, with certain exceptions, to exercise the authority of the Board in the management of the affairs and property of the Company.

Nominating Committee

Currently, the Company does not have a separate nominating committee and to date it does not believe that the Company, as an early stage company with limited personnel, requires such a committee. However, as the Company grows it may consider establishing a separate nominating committee. As such, currently the Board as a whole is in charge of identifying and appointing appropriate persons to serve on the Board when necessary. Directors recommended for election at the Annual Meeting were selected pursuant to a settlement agreement, dated June 23, 2014 (the "Settlement Agreement"), by and among Edward S. Adams, Michael R. Monahan, Gerald McGuire, James Korn, Bruce Likly, Theodorus Strous, and Robert C. Linares, their present and past affiliates, such as Apollo Diamond, Inc., Apollo Diamond Gemstone Corporation, Adams Monahan LLP, Focus Capital Group, Inc. and Oak Ridge Financial Services Group, Inc., family members and spouses (the "Adams Group"), and Thomas P. Hartness, Kristoffer Mack, Paul Rapello, Glen R. Bailey, Marsha C. Bailey, Kenneth L. Smith, Bernard M. McPheely, James Carroll, Robert M. Daisley, Ben Wolkowitz, Craig Brown, Ronnie Kobrovsky, Lewis Smoak, Brian McPheely, Mark P. Sennott, the Sennott Family Charitable Trust, and their affiliates (the "Save Scio Group"), pursuant to which the Company agreed to set the size of the Board at seven, and to nominate each of Messrs. McPheely, Korn, Leaverton, Likly, McGuire, Smoak and Wolkowitz for election to the Board at the Annual Meeting. The Company has also agreed, pursuant to the Settlement Agreement, that through June 23, 2017 the Company will nominate two director nominees of the Adams Group, four nominees of the Save Scio Group, and the Chief Executive Officer of the Company as an ex officio nominee, for election by the Stockholders at any Stockholder meeting.

The Board also considers whether to expand the size of the Board and recommend to the Stockholders the election of individuals to serve as directors whose nominations have been recommended by Stockholders. Any Stockholder may recommend the nomination of any person to serve on the Board.

The Board has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend an individual for election to the Board, the Board considers and discusses diversity, among other factors, with a view towards the needs of the Board as a whole. The Board generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities or attributes that contribute to Board heterogeneity, when identifying and recommending individuals for election to the Board. The Board believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Board's goal of creating a Board that best serves the needs of the Company and the interest of its Stockholders.

The Board has performed a review of the experiences, qualifications, attributes and skills of the Board's current membership and believes that the current members of the Board as a whole possess a variety of complementary skills and characteristics, including the following:

- successful business or professional experience;

- various areas of expertise or experience which are desirable to the Company's current business, such as financial, general management practices, legal, marketing, manufacturing, and diamond industry experience;

- willingness and ability to commit the necessary time to discharge the responsibilities of Board membership to the affairs of the Company; and

·a commitment to the success of the Company.

We do not pay a third party to assist in identifying and evaluating director candidates.

Director Independence

Our Board has determined that Messrs. McPheely, Korn, Leaverton, Likly, Smoak and Wolkowitz are “independent” directors, based upon the independence criteria set forth in the corporate governance listing standards of The NASDAQ Stock

8

Market, the exchange that the Board selected in order to determine whether our directors and committee members meet the independence criteria of a national securities exchange, as required by Item 407(a) of Regulation S-K. Our Board has determined that Mr. McGuire is not independent based on these criteria.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The rules of the SEC require our directors, executive officers and holders of more than 10 percent of our Common Stock to file reports of stock ownership and changes in ownership with the SEC. Based on the Section 16 reports filed by our directors, executive officers and greater than 10 percent beneficial owners, and written representations of our directors and executive officers, we believe there were no late or inaccurate filings for transactions occurring during the Fiscal 2014 except as follows:

In accordance with FASB ASC Topic 718, we chose the Black-Scholes option pricing model to determine the aggregate grant date fair value of the options set forth in this table. Our use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock option valuation models, including the Black-Scholes model, require a prediction about the future movement of the stock price. Assumptions made to calculate the grant date fair value of the options reported are as follows: (a) for options to purchase 600,000 shares (1) granted to Mr. McMahon May 2012: expected dividend yield- 0%, risk-free interest rate- 0.79%, expected life in years- 3, and expected volatility of 100%; (b) for options to purchase 300,000 shares granted to Mr. McMahon in August 2012: expected dividend yield- 0%, risk-free interest rate- 0.67%, expected life in years- 3, and expected volatility of 100%; (c) for options to purchase 1,500,000 and 700,000 shares granted to Messrs. McMahon and Pfohl in February 2013 and March 2013, respectively: expected dividend yield- 0%, risk-free interest rate- 0.38%, expected life in years- 3, and expected volatility of 106%.

Mr. McMahon was appointed Chief Executive Officer on January 29, 2013. During Fiscal 2013 until such (2) appointment, Mr. McMahon served as our Chief Operating Officer. Mr. McMahon was terminated as Chief Executive Officer on June 16, 2014.

Executive Officers

Michael W. McMahon In connection with his appointment as our Chief Executive Officer effective on February 1, 2013, Michael W. McMahon entered into an employment letter with us (the “McMahon Employment Letter”) that superseded the employment letter and change of control agreement he had previously entered into in connection with his employment as our Chief Operating Officer. Under the McMahon Employment Letter, Mr. McMahon was paid a base annual salary of \$249,999, subject to potential increases in connection with an annual salary review by the Board. On June 11, 2014, Mr. McMahon was terminated without cause by the then Board. Effective September 25, 2014 we entered into a Severance Agreement and General Release (the “Severance Agreement”) with Mr. McMahon pursuant to which we agreed to (i) pay Mr. McMahon a severance salary of \$4,167 per month for 30 months starting from the date of his termination, (ii) grant Mr. McMahon Common Stock valued at 50% of Mr. McMahon’s base annual salary (\$125,000), based on a stock price of \$0.30, (iii) pay Mr. McMahon \$2,000 per month for reimbursement of medical, dental, vision and Company-paid deductible insurance coverage for 13 months starting from the date of his termination, and (iv) award Mr. McMahon 100,000 restricted shares of Common Stock as a replacement for his vested options. These payments and benefits under the Severance Agreement are in final settlement of all wages and other

payments owed to him, and any and all claims under the McMahon Employment Letter and in consideration of a release from Mr. McMahon of any claims against us arising in connection with the McMahon Employment Letter. Mr. McMahon received regular salary payments pursuant to the McMahon Employment Letter through his last day of employment with the Company.

Under the McMahon Employment Letter, Mr. McMahon was entitled during his term of employment to participate in all employee benefit plans and programs available to similarly situated employees (subject to eligibility) that we have in force from time to time, and was entitled to 20 days paid vacation each calendar year. Mr. McMahon was also entitled to options, granted on February 2, 2013 pursuant to the 2012 Share Incentive Plan, to purchase a total of 1,500,000 shares of Common Stock at \$0.93 per share (the closing price of our Common Stock on the date of grant), which vested as follows: options to purchase 271,250 shares vested immediately upon commencement of employment; and options to purchase 234,375 shares vested upon the six-month anniversary of his start date.

The McMahon Employment Letter provided that if Mr. McMahon's employment was terminated for any reason other than for "Cause" (as defined in the McMahon Employment Letter) or his voluntary resignation, in exchange for a general release by Mr. McMahon of us and our officers, directors, employees, Stockholders, and agents from liability, as well as one-year non-solicitation and non-competition covenants from Mr. McMahon, Mr. McMahon would have been entitled to receive, for 12 months following his date of termination, (i) his base salary plus (ii) \$2,000 per month to offset his potential medical, dental and life insurance expenses and any premiums required under COBRA comparable state law, each paid in accordance with our payroll and benefit policies. In addition, we would also have (also in exchange for a general release by Mr. McMahon of us and our officers, directors, employees, Stockholders, and agents from liability) (1) extended the period during which Mr. McMahon may exercise his option with respect to any portion or all of his vested options to purchase shares to within 12 months following his date of separation, and (2) agreed not to exercise any right of repurchase. The McMahon Employment Letter provided that the options would have been exercisable for five years from the vesting date, subject to approval of the Board, provided that no options could have been exercised after 10 years following the date of grant. Mr. McMahon would have also remained subject to the terms of our proprietary information and inventions agreement.

Jonathan M. Pfohl. Mr. Pfohl was appointed as our Chief Financial Officer on March 4, 2013. In connection with his appointment, Mr. Pfohl entered into an employment letter with us (the "Pfohl Employment Letter") under which he is paid a base annual salary of \$200,000, subject to potential increases in connection with an annual salary review by the Board. Mr. Pfohl is entitled to a lump sum payment of \$3,000 per month for temporary living expenses in Greenville, South Carolina for a period of 12 months, subject to extension upon the approval of our Chief Executive Officer.

Under the Pfohl Employment Letter, Mr. Pfohl is entitled during his term of employment to participate in all employee benefit plans and programs available to similarly situated employees (subject to eligibility) that we have in force from time to time, and is entitled to 20 days paid vacation each calendar year. Mr. Pfohl is also entitled to receive options, granted on March 25, 2013 pursuant to the 2012 Share Incentive Plan, to purchase a total of 700,000 shares of Common Stock at \$0.83 per share (the closing price of Common Stock on the date of grant), vesting as follows: options to purchase 126,583 shares vested immediately upon commencement of employment; options to purchase 109,375 shares vested upon the six-month anniversary of his start date; options to purchase 218,750 shares will vest when we achieve cumulative revenues of \$5 million (cumulative from January 1, 2013); options to purchase 109,375 shares will vest when we achieve cumulative EBITDA of \$1 million (cumulative from January 1, 2013); and options to purchase 135,917 shares will vest when the Company achieves cumulative EBITDA of \$2.5 million (cumulative from January 1, 2013); subject to the terms of the 2012 Share Incentive Plan. Mr. Pfohl is subject to a proprietary information and inventions agreement, and is an employee-at-will.

The Pfohl Employment Letter also provides that if Mr. Pfohl's employment is terminated for any reason other than for "Cause" (as defined below) or his voluntary resignation, in exchange for a general release by Mr. Pfohl of us and our officers, directors, employees, Stockholders, and agents from liability, we agreed (i) to extend the period during which Mr. Pfohl may exercise his option with respect to any portion or all of his vested options to purchase shares to within 12 months following his date of separation, and (ii) not to exercise any right of repurchase. All granted options will automatically vest in the event of a "change in control" of the Company, which will be deemed to have occurred on the date of closing of any of the following: (i) a merger in which we are not the surviving entity, (ii) a sale of all of the outstanding shares of our stock or (iii) a sale by us of substantially all of our assets. In this case, the Pfohl Employment Letter provides that the options will be exercisable for five years from the vesting date, subject to approval of the Board, provided that no options may be exercised after 10 years following the date of grant. If Mr. Pfohl's employment is terminated for "Cause" or due to his voluntary resignation, he will not be entitled to severance or benefit payments.

In addition, under the Pfohl Employment Letter, in the event Mr. Pfohl's employment is terminated, for any reason other than for "Cause" or his voluntary resignation, during the four-month period before or the 12-month period after a "change in control" that implies a Company value of \$50,000,000 or more, Mr. Pfohl will be entitled to (i) a lump-sum

cash payment equal to the sum of (a) 1.0 times his annual base salary on the day before the change in control or the day before termination, whichever is higher, plus (b) any base salary or bonus earned or accrued through the date of termination and not previously paid, and (ii) payment of \$2,000 per month for 24 months, which payments are intended to offset potential medical, dental and life insurance expenses. Mr. Pfohl would also remain subject to the terms of our proprietary information and inventions agreement.

For purposes of Mr. Pfohl's employment letter, "Cause" means: (i) conviction of, or plea of guilty or no contest by Mr. Pfohl of a felony or crime of dishonesty or moral turpitude; (ii) Mr. Pfohl's commission, as determined by the Board, of an intentional act, or an act of fraud, dishonesty, or theft affecting our property, reputation, or business; (iii) Mr. Pfohl's

11

willful and persistent neglect of the duties and responsibilities of his position; (iv) failure or refusal to carry out the lawful directives of the Board; (v) diverting any of our or our affiliates' business opportunities for his own personal gain; (vi) misrepresentation of a significant fact on his employment application and/or resume; (vii) misuse of alcohol or drugs affecting work performance, or (viii) death or disability that prevents him from performing the essential functions of his position with or without reasonable accommodation.

On June 12, 2014, Mr. Pfohl was terminated without cause by the then Board. Mr. Pfohl returned to the Company on June 25, 2014 as Acting Chief Financial Officer. As of the date of this Proxy Statement the Company remains liable under the the Pfohl Employment Letter for payment to Mr. Pfohl of the severance payments and benefits described above as a result of Mr. Pfohl's termination. As of the date of this Proxy Statement the Company has not reached any agreement with Mr. Pfohl regarding the payments and benefits owed to Mr. Pfohl as a result of his termination that would change in material terms the severance payments and benefits Mr. Pfohl is entitled to under the Pfohl Employment Letter, and we may not ever reach any such agreement.

Vote Required

To be elected as a director at the Annual Meeting, each candidate for election must receive a plurality of the votes cast by the Stockholders present in person or represented by proxy at the Annual Meeting. A plurality vote means that the director nominee with the most affirmative votes in favor of his or her election to a particular directorship will be elected to that directorship.

PROPOSAL NO. 2:

ADOPTION OF AMENDED AND RESTATED BYLAWS

The Board has proposed, pursuant to Article X, Section 2 of the Bylaws, to amend and restate the Bylaws as set forth in Annex A.

The Board believes that the Amended and Restated Bylaws improve the corporate governance of the Company by providing bylaws more appropriate for a publicly reporting company. For example, the Proposed Amended and Restated Bylaws eliminate the Board's ability to fix the quorum for its meetings at less than a majority of the directors. The Amended and Restated Bylaws also increase Stockholder protection by permitting stockholders to call meetings and by increasing the quorum requirement for Stockholder meetings from two Stockholders to a majority of the shares of Common Stock entitled to vote at that Stockholder meeting.

No past or present director or officer or nominee for director of the Company, or any of their associates, has a substantial direct or indirect interest in the approval by the Stockholders of the proposed Amended and Restated Bylaws.

Below is a brief description of the ways in which the Amended and Restated Bylaws would modify the Bylaws as currently in effect.

The Amended and Restated Bylaws:

- Update the name of the Company
- Add information about the registered agent and places of business
- Enable Stockholders to call special meetings by written demand
- Increase the quorum for Stockholders' meetings from two persons to a majority of the shares entitled to vote
- Eliminate provisions that excuse failure to give notice of Stockholders' meetings
- Require directors, in the event directors are not elected at the time designated for the annual Stockholders' meeting, to cause the election to be held at a special meeting as soon as convenient
- Enable Stockholders and directors to waive notice of meetings
- Specify what business may be conducted at adjourned Stockholders' meetings
- Remove the requirement that proxies be appointed in writing and deposited with the Company
- Ensure that stock transfer books do not close after the record date for Stockholder action
- Require the Company to furnish lists of Stockholders entitled to vote at each meeting
 - Allow Stockholders to recover expenses incurred to nominate certain director candidates
- Eliminate the chairman's power to conclusively resolve disputes about eligibility to vote at Stockholders' meetings
- Fix the number of directors at 7
- Require a majority of directors as a quorum for Board meetings
- Authorize the Board to fill all director vacancies as necessary between annual meetings
- Revise provisions about setting directors' and officers' compensation
- Clarify when directors are presumed to have assented to corporate action
- Revise eligibility and voting rules for committees
- Broaden indemnification provisions for directors, officers, employees and agents
 - Provide a mechanism to fill officer vacancies
 - Require officers to reimburse the corporation for certain non-deductible expenses
- Eliminate restrictions on borrowing power to give the Company greater flexibility
- Preserve Stockholders' power to adopt, amend or repeal the bylaws and, if such action is taken at a special meeting, require the action to be contained in the notice

Vote Required

The affirmative vote of the holders of a majority of all the outstanding shares of Common Stock entitled to vote at the Annual Meeting is required to approve the Amended and Restated Bylaws.

The Board recommends that you vote FOR the approval of the Amended and Restated Bylaws.

PROPOSAL NO. 3:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Securities Exchange Act of 1934 (the “Exchange Act”) (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”)) and the related rules of the SEC, we are including in this Proxy Statement a separate resolution to enable our Stockholders to approve, on a discretionary and non-binding basis, the compensation of our named executive officers.

This proposal, commonly known as a “say-on-pay” proposal, gives our Stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, you may vote on the following resolution at the Annual Meeting:

“Resolved, that the Stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Company’s compensation tables and the related narrative disclosure in the Company’s Proxy Statement.”

This vote is advisory, and therefore nonbinding. In considering their vote, Stockholders are encouraged to read the the compensation tables disclosed above and the related narrative disclosure. The Board expects to take into account the outcome of the vote when considering future executive compensation decisions to the extent it can determine the cause or causes of any significant negative voting results.

Our executives want to create a successful company. We believe that our compensation program rewards sustained performance that is aligned with long-term stockholder interests.

Vote Required

If a quorum is present at the Annual Meeting, this proposal will be approved if the votes cast in favor of the proposal exceed the votes cast against the proposal.

The Board of Directors recommends that you vote FOR the approval, on an advisory basis, of the compensation of our named executive officers.

PROPOSAL 4:
ADVISORY VOTE ON THE FREQUENCY OF
A FUTURE ADVISORY VOTE ON EXECUTIVE COMPENSATION

In addition to providing Stockholders with the opportunity to cast an advisory vote on executive compensation, in accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Act) and the related rules of the SEC, we are including in this proxy statement a separate resolution to enable our Stockholders to recommend, on a discretionary and non-binding basis, whether a non-binding stockholder vote on executive compensation should occur every one, two or three years.

After careful consideration, the Board believes that a frequency of “every year” for the advisory vote on executive compensation is the optimal interval for conducting and responding to a “say on pay” vote. We believe that this frequency is appropriate as an annual vote would provide the Company with sufficient time to engage with Stockholders to understand and respond to the “say-on-pay” vote results. Stockholders who have concerns about executive compensation during the interval between “say on pay” votes are welcome to bring their specific concerns to the attention of the Board. Please refer to section titled “Communications with the Board” beginning on page 25 for information about communicating with the Board.

The proxy card and the Internet submission procedures each provide Stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, Stockholders will not be voting to approve or disapprove the Board’s recommendation.

Although this advisory vote on the frequency of the “say on pay” vote is nonbinding, the Board will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years or abstain from voting when you vote in response to the resolution set forth below.

“Resolved, that the option of once every one year, two years or three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which the Company is to hold a Stockholder vote to approve, on an advisory basis, the compensation of the named executive officers, as disclosed at the time.

Vote Required

Generally, if a quorum is present at the Annual Meeting, the vote of shares of Common Stock cast in favor of a proposal must exceed the votes cast against the proposal in order to approve matters presented to the Stockholders. However, because the vote is advisory and non-binding, if none of the frequency options receive a majority of the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by the Stockholders.

The Board of Directors recommends that you vote FOR the approval, on an advisory basis, of the option of “every year” for holding a future advisory vote on executive compensation.

PROPOSAL NO. 5:
 RATIFICATION OF APPOINTMENT OF
 OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANT

Although we are not required to seek Stockholder ratification on the selection of our accountants, we believe obtaining Stockholder ratification is desirable. In the event the appointment of Cherry Bekaert LLP is not ratified by the required vote, we will re-evaluate the engagement of our independent auditors. Even if the Stockholders do ratify the appointment, our Board has the discretion to appoint a different independent registered public accounting firm at any time during the year if we believe that such a change would be in the best interest of the Company and our Stockholders. We expect that representatives from Cherry Bekaert L.L.P will [not] attend the meeting with an opportunity to make a statement, if desired, and will be available to respond to appropriate questions from Stockholders.

Audit and Related Fees.

The following table shows the fees that we incurred for services performed in Fiscal 2014 and Fiscal 2013:

Audit-Related Fees	—	—

All Other Fees	—	5,400
Total	\$87,500	\$84,000

Audit Fees. This category includes the aggregate fees billed for professional services rendered by the independent auditors during Fiscal 2013 and 2014 for the audit of the Company’s annual financial statements and quarterly reports on Form 10-Q.

Oversight of Accountants; Approval of Accounting Fees. All of the accounting services and fees reflected in the table above were reviewed and approved by the entire Board, and none of the services were performed by individuals who were not employees of the independent auditor.

For Fiscal 2015 and subsequent fiscal years, the Board must approve on an engagement-by-engagement basis any individual non-due diligence engagement in excess of \$[] in any 12-month period or any individual engagement to perform due diligence services pertaining to potential business acquisitions/dispositions and other transactions and events in excess of \$[] in any 12-month period. The Board has delegated to its chairman the authority to pre-approve any other specific audit or specific non-audit service which was not previously pre-approved by the Board, provided that any decision of the chairman to pre-approve other audit or non-audit services shall be presented to the Board at its next scheduled meeting.

Vote Required

If a quorum is present at the Annual Meeting, this proposal will be approved if the votes cast in favor of the proposal exceed the votes cast against the proposal.

The Board recommends that Stockholders vote “FOR” the ratification of the appointment of Cherry Bekaert LLP as our independent registered public accounting firm.

For the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or in order to make a determination of stockholders for any other lawful purpose, the board of directors of the corporation may fix, in advance, a date as the record date for any such determination of stockholders, such date in any case to be not more than 60 nor less than 10 days prior to the date of any proposed meeting of stockholders, nor more than 60 days before any other action. In no event shall the stock transfer books be closed. When a determination of stockholders entitled to vote at any meeting of stockholders has been made as provided in this Section, such determination shall be applied to any adjournment thereof, unless the board of directors fixes a new record date under this Section for the adjourned meeting.

Section 8. Quorum. A majority of the outstanding shares of the corporation entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of stockholders. The stockholders present in person or by proxy at such meeting may continue to do business until adjournment notwithstanding the withdrawal of enough stockholders to leave less than a quorum. Though less than a quorum of the outstanding shares are represented at a meeting, a majority of the shares so represented may adjourn the meeting from time to time without further notice. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally called.

Section 9. Proxies. At all meetings of stockholders, a stockholder entitled to vote may vote by proxy appointed by the stockholder or by his authorized agent or representative. No proxy shall be valid after six months from the date of its execution, unless otherwise provided in the proxy, and in no event after seven years of the date of its execution.

Section 10. Voting of Shares. Each outstanding share entitled to vote shall be entitled to one vote upon each matter submitted to a vote at a meeting of stockholders.

Section 11. List of Stockholders. A complete list of the stockholders entitled to vote at each meeting of stockholders or any adjournment thereof, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder shall be prepared by the officer or agent of the corporation having charge of the stock transfer books. Such list shall be produced at the time and place of the meeting during the whole time thereof, and be subject to the inspection of any stockholder. Such list shall be prima facie evidence as to who are the stockholders entitled to examine the list and to vote at the meeting.

Section 12. Reimbursement of Certain Stockholder Expenses. The board of directors shall cause the Company to reimburse a stockholder or group of stockholders (together, the "Nominator") for reasonable expenses ("Expenses") incurred in connection with nominating one or more candidates in a contested election of directors to the Company's board of directors, including, without limitation, printing, mailing, legal, solicitation, travel, advertising and public relations expenses, so long as (a) one or more candidates nominated by the Nominator are elected to the board of directors, (b) stockholders are not permitted to cumulate their votes for directors, (c) the election occurred concurrent with or after this bylaw's adoption, and (d) doing so would not cause the directors to violate their fiduciary duties to the Company. The amount paid to a Nominator under this bylaw in respect of a contested election shall not exceed the amount expended by the Company in connection with such election.

Article III - Board of Directors

Section 1. General Powers. The business and affairs of the corporation shall be managed by its board of directors.

Section 2. Number, Tenure and Qualifications. The number of directors of the corporation shall be 12. Each director shall hold office until the annual meeting of stockholders next following his election and until his successor is elected

and qualified, or until his death, resignation or removal if that should sooner occur.

Section 3. Vacancies. Any vacancy occurring in the board of directors and any directorship to be filled by reason of an increase in the number of directors may be filled by election at an annual meeting or at a special meeting of stockholders called for the purpose or, in the event such vacancy is not so filled by the stockholders, by appointment by a majority vote of

A-2

the directors then in office, though less than a quorum. A director appointed to fill a vacancy shall serve until the annual meeting of stockholders next following his election and until his successor is elected and qualified, or until his death, resignation or removal if that should sooner occur.

Section 4. Regular Meetings. The board of directors may from time to time provide by resolution the time and place, either within or without the State of Nevada, for the holding of regular meetings of the board of directors. Such regular meetings may be held without other notice than such resolution.

Section 5. Special Meetings. Special meetings of the board of directors may be called by or at the request of the chairman or the president or of the secretary or any one of the directors. The person or persons calling such meeting may fix any time or place for holding any special meeting of the board of directors called by them.

Section 6. Notice of Meeting. Notice of any special meeting shall be given at least 72 hours prior thereto by written notice delivered personally or mailed to each director at the address designated by him for that purpose or, if none is designated, at his last known address or by telegram. If mailed, such notice shall be deemed to be delivered when deposited so addressed in a post office or official depository under the exclusive care and custody of the United States Postal Service, with postage thereon prepaid.

Section 7. Waiver of Notice by Directors. Whenever any notice whatever is required to be given to any director of the corporation under the provisions of these bylaws or under the provisions of the articles of incorporation or under the provisions of any statute, a waiver thereof, in writing, signed at any time, whether before or after the time of meeting, by the director entitled to such notice, shall be deemed equivalent to the giving of such notice. The attendance of a director at a meeting shall constitute a Waiver of Notice of such meeting except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the board of directors need be specified in the notice or waiver of notice of such meeting.

Section 8. Quorum. A majority of the directors then in office shall constitute a quorum for the transaction of business at any meeting of the board of directors; but though less than such quorum is present at a meeting, a majority of the directors present may adjourn the meeting from time to time without further notice.

Section 9. Presence by Means of Telephone. A director shall be deemed to be present in person at a meeting of the directors if he participates in the meeting by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other.

Section 10. Manner of Acting. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the board of directors, unless the act of a greater number is required by statute.

Section 11. Action by Directors Without a Meeting. Any action required or permitted to be taken at any meeting of the board of directors or any committee thereof may be taken without a meeting if, before or after the action, all members of the board or of the committee, as the case may be, shall have signed a written consent. Any such written consents shall be filed with the minutes of the proceedings of the board or the committee.

Section 12. Compensation. The board of directors, by affirmative vote of a majority of the directors then in office, and irrespective of any personal interest of any of its members, may establish reasonable compensation of all directors for services to the corporation as directors, officers or otherwise, or may delegate such authority to an appropriate committee.

Section 13. Presumption of Assent. A director of the corporation who is present at a meeting of the board of directors or a committee thereof at which action on any corporate matter is taken shall be presumed to have assented to the

action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the secretary of the corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Section 14. Committees. The board of directors may, by resolution passed by a majority of the whole board, designate one or more committees, each committee to consist of one or more of the directors of the corporation. The board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. The board of directors shall have the power at any time to fill vacancies in, to change the

A-3

membership of, or to discharge any such committee, or to designate additional committees. The board of directors shall have the power to appoint employees of the corporation who are not members of the board of directors to serve as advisory, non-voting consultants to any such committees. Any committee, to the extent provided in the resolutions of the board creating such committee and subject to the limitations provided by statute, shall have and may exercise the powers of the whole board of directors in the management of the business and affairs of the corporation.

Section 15. Dividends. Subject always to the provisions of law and the articles of incorporation, the board of directors shall have full power to determine whether any, and if any, what part of any, funds legally available for the payment of dividends shall be declared in dividends and paid to stockholders; the division of the whole or any part of such funds of the corporation shall rest wholly within the lawful discretion of the board of directors, and it shall not be required at any time, against such discretion, to divide or pay any part of such funds among or to the stockholders as dividends or otherwise; and the board of directors may fix a sum which may be set aside or reserved over and above the capital paid in of the corporation as working capital for the corporation or as a reserve for any proper purpose, and from time to time may increase, diminish, and vary the same in its absolute judgment and discretion.

Article IV - Officers

Section 1. Number. The board of directors, as soon as practicable after the election thereof held in each year, shall elect a president, a secretary and a treasurer, and from time to time may elect one or more vice presidents and such assistant secretaries, assistant treasurers and such other officers, agents and employees as it may deem proper. All offices may be held by the same person.

Section 2. Election and Term of Office. Each officer shall hold office for the term for which he was elected and until his successor shall have qualified or until his death or until he shall resign or shall have been removed in the manner hereinafter provided.

Section 3. Removal. Any officer or agent elected or appointed by the board of directors may be removed by the board of directors, whenever in its judgment the best interests of the corporation will be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment shall not of itself create contract rights.

Section 4. Vacancies. A vacancy in any principal office because of death, resignation, removal, disqualification or otherwise shall be filled by the board of directors for the unexpired portion of the term.

Section 5. Chairman. The chairman shall preside at all meetings of the stockholders and the board of directors, and such other duties as may be prescribed by the board of directors from time to time.

Section 6. President. The president shall be the principal executive officer of the corporation and, subject to the control of the board of directors, shall in general supervise and control all of the business and affairs of the corporation. He shall, in the absence of the chairman, preside at meetings of the stockholders and board of directors. He may sign, with the secretary or any other proper officer of the corporation thereunto authorized by the board of directors, certificates for shares of the corporation, any deeds, mortgages, bonds, contracts, or other instruments which the board of directors has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the board of directors or by these bylaws or some other law to be otherwise signed or executed, and in general shall perform all duties incident to the office of president and such other duties as may be prescribed by the board of directors from time to time.

Section 7. Vice President. In the absence of the president, or in the event of his death or inability to act, the vice president, if any, or if more than one, then in the order designated by the board of directors, shall perform the duties of the president, and when so acting, shall have all the powers of and be subject to all the restrictions upon the president.

Section 8. Secretary. The secretary shall:

- (b) See that all notices are duly given in accordance with the provisions of these bylaws or as required by law;

- (d) Keep a register of the post office address of each stockholder;
- (e) Sign with the president or a vice president certificates for shares of the corporation, the issuance of which shall have been authorized by resolution of the board of directors;
- (f) Have general charge of the stock transfer books of the corporation; and
- (g) In general perform all duties incident to the office of secretary and such other duties as from time to time may be assigned to him by the president or by the board of directors.

Section 9. Treasurer. If required by the board of directors, the treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the board of directors shall determine. The treasurer shall:

- (a) Have charge and custody of and be responsible for all funds and securities of the corporation; receive and give receipts for monies due and payable to the corporation from any source whatsoever, and deposit all such monies in the name of the corporation in such banks, trust companies or other depositories as shall be selected in accordance with the provisions of these bylaws; and
- (b) In general perform all of the duties incident to the office of treasurer and such other duties as from time to time may be assigned to him by the president or by the board of directors.

Section 10. Salaries. The salaries of the officers shall be fixed from time to time by the board of directors and no officer shall be prevented from receiving such salary by reason of the fact that he is also a director of the corporation.

Section 11. Officer Reimbursement. Each officer by accepting his office agrees that any payments made to him by the corporation such as a salary, commission, bonus, interest, or rent, or travel, or entertainment expense incurred by him, which shall be disallowed in whole or in part as a deductible expense by the Internal Revenue Service, shall be reimbursed by such officer to the corporation to the full extent of such disallowance. It shall be the duty of the directors, as a board, to enforce payment of each such amount disallowed. In lieu of payment by the officer, subject to the determination of the directors, proportionate amounts may be withheld from his future compensation payments until the amount owed to the corporation has been recovered.

Section 12. Conflicts of Interest. In the event an officer holds another office or possesses property which gives rise, directly or indirectly, to duties or interests that conflict with such officer's duties or interests as an officer of the corporation, such officer shall disclose such conflict in writing to the board of directors.

Article V - Certificates For Shares And Their Transfer

Section 1. Certificates for Shares. Subject to the requirements of law, certificates representing shares of the corporation shall be in such form as shall be determined by the board of directors. Such certificates shall be signed by the president or a vice president and by the secretary. All certificates for shares shall be consecutively numbered or otherwise identified. The name and address of the person to whom the shares represented thereby are issued, with the number of shares and date of issue, shall be entered on the stock transfer books of the corporation. All certificates surrendered to the corporation for transfer shall be canceled and no new certificates shall be issued until the former certificate for a like number of shares shall have been surrendered and canceled, except that in case of a lost, destroyed or mutilated certificate a new one may be issued therefor upon such terms and indemnity to the corporation as the board of directors may prescribe.

Section 2. Facsimile Signatures. If a transfer agent or registrar is appointed and countersigns certificates representing shares of the corporation, the signatures of the officers of the corporation on such certificates may be facsimiles.

Article VI – Indemnification

Section 1. Indemnification of Directors and Officers: Claims by Third Parties. The corporation shall, to the fullest extent authorized by the Nevada Revised Statutes, indemnify a director or officer (the "Indemnitee") who was or is a party or is threatened to be made a party to a threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether formal or informal, other than an action by or in the right of the corporation, by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, whether for profit or not, against expenses, including

attorneys' fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding, if the Indemnitee either is not liable pursuant to Nevada Revised Statutes Section 78.138 or acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation or its stockholders, and with respect to a criminal action or proceeding, if the Indemnitee had no reasonable cause to believe his or her conduct was unlawful. The termination of an action, suit or proceeding by judgment, order, settlement, conviction or upon a plea nolo contendere or its equivalent, does not, of itself, create a presumption that the Indemnitee did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation or its stockholders, and, with respect to a criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful. Except as so ordered by a court and for advancement of expenses pursuant to this Article VI, indemnification may not be made to or on behalf of an Indemnitee if a final adjudication establishes that his or her acts or omissions involved intentional misconduct, fraud or a knowing violation of law and was material to the cause of action. Notwithstanding anything to the contrary contained in these Bylaws, no director or officer may be indemnified for expenses incurred in defending any threatened, pending, or completed action, suit or proceeding (including without limitation, an action, suit or proceeding by or in the right of the corporation), whether civil, criminal, administrative or investigative, that such director or officer incurred in his or her capacity as a stockholder.

Section 2. Indemnification of Directors and Officers: Claims Brought by or in the Right of the Corporation. The corporation shall, to the fullest extent authorized by the Nevada Revised Statutes, indemnify an Indemnitee who was or is a party to or is threatened to be made a party to a threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, whether for profit or not, against expenses, including actual and reasonable attorneys' fees, and amounts paid in settlement incurred by the person in connection with the action or suit, if the Indemnitee either is not liable pursuant to Nevada Revised Statutes Section 78.138 or acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation or its stockholders. However, indemnification shall not be made for a claim, issue or matter in which the Indemnitee has been found liable to the corporation unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all circumstances of the case, the Indemnitee is fairly and reasonably entitled to indemnification for the expenses which the court considered proper. Except as so ordered by a court and for advancement of expenses pursuant to this Article VI, indemnification may not be made to or on behalf of an Indemnitee if a final adjudication establishes that his or her acts or omissions involved intentional misconduct, fraud or a knowing violation of law and was material to the cause of action. Notwithstanding anything to the contrary contained in these Bylaws, no director or officer may be indemnified for expenses incurred in defending any threatened, pending, or completed action, suit or proceeding (including without limitation, an action, suit or proceeding by or in the right of the corporation), whether civil, criminal, administrative or investigative, that such director or officer incurred in his or her capacity as a stockholder.

Section 3. Advancement of Expenses. Expenses incurred in defending a civil or criminal action, suit or proceeding described in Sections 1 or 2 above may be paid by the corporation, after request by the Indemnitee in advance of the final disposition of the action, suit or proceeding upon: (i) receipt of a written affirmation from the person seeking advancement of expenses of his or her good-faith belief that he or she has met the standard of conduct set forth in Section 1 or 2, as applicable, (ii) receipt of an undertaking by or on behalf of the Indemnitee to repay the expenses if it is ultimately determined that the Indemnitee is not entitled to be indemnified by the corporation, and (iii) a determination that the facts then known to those making the determination would not preclude indemnification. This determination shall be made in the manner specified in Section 4.

Section 4. Approval of Indemnification. An indemnification under Section 1 or 2 hereof, unless ordered by a court, shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of

the Indemnitee is proper in the circumstances because he or she has met the applicable standard or conduct set forth in Sections 1 and 2. This determination shall be made in one of the following ways, as designated by the Indemnitee in his or her sole discretion:

- (a) By a majority vote of a quorum of the board consisting of directors who were not parties to the action, suit or proceeding;
- (b) If a majority vote of a quorum of the board consisting of directors who were not parties to the action, suit or proceeding so orders, by independent legal counsel in a written opinion; or
- (c) By the stockholders.

A-6

Upon written request by the Indemnitee for indemnification (which request shall designate a method of determination described above), the corporation shall, at its expense, take all actions necessary to make the determination (utilizing the method of determination designated by the Indemnitee) as expeditiously as possible but within not later than One Hundred Eighty (180) days (or at the next stockholders' meeting if that method is designated) after such request. The Indemnitee shall have the right to petition a court of appropriate jurisdiction: (i) to make the determination, if the corporation fails to do so within the time allotted; or (ii) to review the determination, if the determination denies indemnification in whole or in part.

Section 5. Indemnification - Definitions, Other Provisions. The other and further provisions affecting indemnification of directors and officers which are set forth in Section 78.7502 of the Nevada Revised Statutes, including any definitions and right to partial indemnification, shall be applicable to this Article VI.

Section 6. Contract with the Corporation. The provisions of this Article VI shall be deemed to be a contract between the corporation and each director or officer who serves in any such capacity at any time while this Article VI and the relevant provisions of the Nevada Revised Statutes, are in effect, and any repeal or modification of any such law or of this Article VI shall not affect any rights or obligations then existing or any action, suit or proceeding theretofore or thereafter brought or threatened based in whole or in part upon any such state of facts. In the event this Article is repealed or modified, the corporation shall give written notice thereof to the directors and officers and any such repeal or modification shall not be effective for a period of 60 days after such notice is delivered.

Section 7. Indemnification of Employees and Agents. Any person who is not covered by the foregoing provisions of this Article and who is or was an employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, may be indemnified to the extent authorized at any time or from time to time by the board of directors.

Section 8. Other Rights of Indemnification. The indemnification provided or permitted by this Article VI shall not be deemed exclusive of any other rights to which those who shall or may be indemnified may be entitled by law, separate agreement or otherwise, and shall continue as to a person who has ceased to be a director, officer, employee or agent of the corporation and shall inure to the benefit of the heirs, executors and administrators of such person.

Section 9. Liability Insurance. The corporation shall have the power to purchase and maintain insurance (including insurance issued by an affiliated insurer and insurance for which premiums may be adjusted retroactively, in whole or in part, based upon claims experience, or similar arrangements and may also create a trust fund or other form of funded arrangement) on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise against any liability asserted against and incurred by such person in any such capacity or arising out of such person's status as such, regardless of whether the corporation would have the power to indemnify such person against such liability under the provisions of this Article VI.

Section 10. Amendment. Notwithstanding any other provision of these Bylaws relating to their amendment generally, any repeal or amendment of this Article VI which is adverse to any director or officer shall apply to such director or officer only on a prospective basis, and shall not limit the rights of an Indemnitee to indemnification with respect to any action or failure to act occurring prior to the time of such repeal or amendment. Notwithstanding any other provision of these Bylaws (including, without limitation, Article VII), no repeal or amendment of these Bylaws shall affect any or all of this Article XII so as to limit or reduce the indemnification in any manner unless adopted by (i) the unanimous vote of the directors of the Corporation then serving, or (ii) by the shareholders as set forth in Article VII; provided that no such amendment shall have a retroactive effect inconsistent with the preceding sentence.

Article VII – Amendments

Section 1. Amendment. These bylaws may be altered, amended or repealed or new bylaws may be adopted by the stockholders or by the board of directors when such power is conferred upon the board of directors by the articles of incorporation or at any special meeting of the stockholders or of the board of directors if notice of such alteration, amendment, repeal or adoption of new bylaws be contained in the notice of such special meeting. If the power to adopt, amend or repeal bylaws is conferred upon the board of directors by the articles of incorporation, it shall not divest or limit the power of the stockholders to adopt, amend or repeal bylaws.

A-7

Article VIII – Disclosure of Interests of Directors

Section 1. Notice of Conflict. If any director has a direct or indirect interest in an existing or proposed contract or transaction of the corporation or holds any office or possesses any property which gives rise, directly or indirectly, to an interest that might conflict with such director's duty or interest as a director of the corporation, the director shall disclose the conflict in writing to the board of directors.

Section 2. Voting. In the event a director has a conflict described by Article VIII, Section 1, such director shall not have the power to vote regarding such transaction, except for with respect to the following transactions:

- a contract or transaction relating to a loan to the corporation, where a director or a corporation or other entity in which a director has an interest has guaranteed the repayment of any part of the loan;
- a contract or transaction for the benefit of a holding company or subsidiary corporation of which a director is a director or officer;
- a contract by director to subscribe for or underwrite shares or debentures to be issued by the corporation or a subsidiary of the corporation;
- a contract, arrangement or transaction in which all directors have an interest;
- determining the compensation of the directors;
- purchasing and maintaining insurance for liabilities incurred by the directors in their capacity as such;
- the indemnification of a director by the corporation.

Section 3. Other Services to the Corporation. A director may serve as an officer or otherwise be positioned to profit from the corporation on such terms as the other directors may determine. No person shall be disqualified from the position of director as a result of contracting with the corporation. No contract or transaction of the corporation shall be void solely by reason of a director's interest therein. A director or an entity affiliated with a director may provide professional services to the corporation and receive reasonable compensation for such services. Notwithstanding any contrary provision in these bylaws, no director may serve as an auditor of or provide audit services to the corporation.

Section 4. Services to Other Entities. A director may hold a position with another business entity, including but not limited to director, officer or employee, in which the corporation has an interest, and such director shall not be liable to the corporation for compensation or other benefits received as a result of such a position, unless the stockholders direct otherwise.
