Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On July 14, 2005, CBL & Associates Properties, Inc. (the "Company") borrowed an additional \$175.0 million under the \$400 million unsecured credit facility between the Company and a group of banks led by Wells Fargo Bank.

## Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form 8-K

This advance, which brought the Company's total outstanding indebtedness under the facility to \$176.0 million, was used to finance the cash purchase price for the acquisition of The Mall of Acadiana, which is described in Item 8.01 below.

The facility, which matures on August 27, 2006, has three one-year extension options at the Company's election and bears interest based on leverage in the range of 100 to 145 basis points over LIBOR. The Company may prepay advances under the credit facility at any time without premium or penalty, and pays a facility fee on the unused portion of the commitment under the credit facility and certain other fees. If at any time the total outstanding advances exceed the total committed amount, the Company may be required to repay the excess advances.

So long as no event of default exists, the Company has the right to request increases in the aggregate amount of the commitment provided that the aggregate commitment shall not exceed \$500 million. The credit facility contains, among other restrictions, certain financial covenants including the maintenance of certain financial coverage ratios and minimum net worth requirements. The credit facility includes usual and customary events of default for facilities of this nature (with applicable customary grace periods) and provides that, upon the occurrence and continuation of an event of default, payment of all amounts outstanding under the credit facility may be accelerated and the lenders' commitments may be terminated.

The credit facility agreement was filed as Exhibit 10.1 to our Current Report on Form 8-K dated August 27, 2004.
