Explanatory Note

We are filing this Amendment No. 1 to our Annual Report on Form 20-F for the fiscal year ended December 31, 2002 (Form 20-F) as filed with the Securities and Exchange Commission on April 1, 2003, solely to include the audit report of Deloitte & Touche on the financial statements of our subsidiary Uglan Nordic Shipping ASA for the year ended December 31, 2001. This Amendment is contained within Item 18: Financial Statements and, consequently, we have re-submitted this entire Item with the addition of the request. We have also included in Item 19: Exhibits the related consent of Deloitte & Touche and additional consents and certifications arising from the act of amending the original Form 20-F. This Amendment No. 1 to Form 20-F does not change any other portion of the Form 20-F.

AUDITOR S REPORT

To the Shareholders of
TEEKAY SHIPPING CORPORATION

We have audited the accompanying consolidated balance sheets of **Teekay Shipping Corporation and subsidiaries** as of December 31, 2002 and 2001, and the related consolidated statements of income, changes in stockholders' equity and cash flows for the years ended December 31, 2002, 2001, and 2000. Our audits also included the financial schedule listed in the Index: Item 18. These financial statements and schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements and schedule based on our audits. We did not audit the financial statements of Ugland Nordic Shipping AS, a wholly-owned subsidiary, for the period from acquisition on March 6, 2001 to December 31, 2001, whose total assets and net voyage revenues for the period from acquisition on March 6, 2001 to December 31, 2001, constituted 21 percent and 10 percent, respectively, of the related consolidated totals. Those statements were audited by other auditors whose report had been furnished to us for that period, and our opinion, insofar as it relates to the amounts included for Ugland Nordic Shipping AS for that period, is based solely on the report of the other auditors.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, based on our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Teekay Shipping Corporation and subsidiaries as at December 31, 2002 and 2001, and the consolidated results of their operations and their cash flows for the years ended December 31, 2002, 2001, and 2000 in conformity with accounting principles generally accepted in the United States. Also, in our opinion, the related schedule, when considered in relation to the basic financial statements taken as a whole, presents fairly in all material aspects the information set forth herein.

Vancouver, Canada,
February 13, 2003
(except for Note 15(b) which is as of February 19,
2003.)

[LETTERHEAD OF DELOITTE & TOUCHE]

Translation from the original Norwegian version

To the Annual Shareholders Meeting of Ugland Nordic Shipping ASA

AUDITOR S REPORT FOR 2001

We have audited the annual financial statements of Ugland Nordic Shipping ASA as of 31 December 2001, showing a profit of NOK 26.105.000 for the parent company and a profit of NOK 196.041.000 for the group. We have also audited the information in the Board of Directors report concerning the financial statements, the going concern assumption, and the proposal for the allocation of the profit. The financial statements comprise the balance sheet, the statements of income and cash flows, the accompanying notes and the group accounts. These financial statements are the responsibility of the Company s Board of Directors and Managing Director. Our responsibility is to express an opinion on these financial statements and on the other information according to the requirements of the Norwegian Act on Auditing and Auditors.

We conducted our audit in accordance with the Norwegian Act on Auditing and Auditors and generally accepted auditing standards in Norway. Generally accepted auditing standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. To the extent required by law and generally accepted auditing standards, an audit also comprises a review of the management of the Company s financial affairs and its accounting and internal control systems. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements are prepared in accordance with the law and regulations and present the financial position of the Company and of the Group as of 31 December 2001, and the results of its operations and its cash flows for the year then ended, in accordance with generally accepted accounting principles in Norway the Company s management has fulfilled its duty to maintain the Company s accounting process in such a proper and well-arranged manner that the accounting process is in accordance with the law and generally accepted accounting practices in Norway the information in the Board of Directors report concerning the financial statements, the going concern assumption, and the proposal for the allocation of the profit is consistent with the financial statements and complies with the law and regulations.

The accompanying notes are an integral part of the consolidated financial statements.

TEEKAY SHIPPING CORPORATION AND SUBSIDIARIES

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

(all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)

1. Summary of Significant Accounting Policies

Basis of presentation

The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States. They include the accounts of Teekay Shipping Corporation ("Teekay"), which is incorporated under the laws of the Republic of the Marshall Islands, and its wholly owned or controlled subsidiaries (the "Company"). Significant intercompany balances and transactions have been eliminated upon consolidation.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Reporting currency

The consolidated financial statements are stated in U.S. dollars because the Company operates in international shipping markets which utilize the U.S. dollar as the functional currency.

Operating revenues and expenses

Voyage revenues and expenses are recognized on the percentage of completion method of accounting determined using the discharge-to-discharge basis. Estimated losses on voyages are provided for in full at the time such losses become evident. The consolidated balance sheets reflect the deferred portion of revenues and expenses, which will be earned in subsequent periods.

Voyage expenses comprise all expenses relating to particular voyages, including bunker fuel expenses, port fees, canal tolls, and brokerage commissions. Vessel operating expenses comprise all expenses relating to the operation of vessels including crewing, repairs and maintenance, insurance, stores, lubes, and communications.

Cash and cash equivalents

The Company classifies all highly liquid investments with a maturity date of three months or less when purchased as cash and cash equivalents.

Cash interest paid during the years ended December 31, 2002, 2001 and 2000, totalled \$65.3 million, \$54.8 million, and \$77.1 million, respectively.

Marketable securities

The Company's investments in marketable securities are classified as available-for-sale securities and are carried at fair value. Net unrealized gains or losses on available-for-sale securities, if material, are reported as a component of other comprehensive income.

TEEKAY SHIPPING CORPORATION AND SUBSIDIARIES

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Cont d)
(all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)

Vessels and equipment

All pre-delivery costs incurred during the construction of newbuildings, including interest costs and supervision and technical costs, are capitalized. The acquisition cost and all costs incurred to restore used vessel purchases to the standard required to properly service the Company's customers are capitalized. Depreciation is calculated on a straight-line basis over a vessel's useful life from the date a vessel is initially placed in service.

Interest costs capitalized to vessels and equipment for the years ended December 31, 2002, 2001 and 2000 aggregated \$6.0 million, \$2.5 million, and \$nil, respectively.

Expenditures incurred during drydocking are capitalized and amortized on a straight-line basis over the period until the completion of the next anticipated drydocking. When significant drydocking expenditures occur prior to the expiry of this period, the remaining unamortized balance of the original drydocking cost is expensed in the month of the subsequent drydocking. Amortization of drydocking expenditures for the years ended December 31, 2002, 2001 and 2000 aggregated \$21.8 million, \$14.2 million, and \$9.2 million, respectively.

The Company reviews vessels and equipment for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of these assets is measured by comparison of their carrying amount to future undiscounted cash flows the assets are expected to generate. If vessels and equipment are considered to be impaired, the impairment to be recognized equals the amount by which the carrying value of the assets exceeds their fair market value.

Investment in joint ventures

The Company has a 50% participating interest in four joint venture companies (2001- three), each of which owns a shuttle tanker. The joint ventures are accounted for using the equity method, whereby the investment is carried at the Company's original cost plus its proportionate share of undistributed earnings.

During 2001, a joint venture in which the Company owns a 50% interest sold its three vessels, and ceased operations (see Note 11).

Investment in the Panamax O/B/O Pool

All oil/bulk/ore carriers ("O/B/O") owned by the Company are operated through a Panamax O/B/O Pool. The participants in the Pool are the companies contributing vessel capacity to the Pool. The voyage revenues and expenses of these vessels have been included on a 100% basis in the consolidated financial statements. The minority pool participants' share of the result has been deducted as time charter hire expense.

Loan costs

Loan costs, including fees, commissions and legal expenses, which are presented as other assets are capitalized and amortized on a straight line basis over the term of the relevant loan. Amortization of loan costs is included in interest expense.

TEEKAY SHIPPING CORPORATION AND SUBSIDIARIES

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Cont d) (all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)

Derivative instruments

Derivative instruments are recorded as assets or liabilities, measured at fair value. Derivatives that are not hedges are adjusted to fair value through income. If the derivative is a hedge, depending upon the nature of the hedge, changes in the fair value of the derivatives are either offset against the fair value of assets, liabilities or firm commitments through income, or recognized in other comprehensive income until the hedged item is recognized in income. The ineffective portion of a derivative's change in fair value is immediately recognized into income (see Note 12).

Goodwill and other intangible assets

In July 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards No. 142 ("SFAS 142"), "Goodwill and Other Intangible Assets," which establishes new standards for accounting for goodwill and other intangible assets. SFAS 142 requires that goodwill and indefinite lived intangible assets no longer be amortized, but reviewed for impairment during the first six months of 2002 and annually thereafter, or more frequently if impairment indicators arise. This statement is effective for existing goodwill beginning with fiscal years starting after December 15, 2001. Prior to 2002, goodwill, which was acquired as a result of the acquisition of Ugland Nordic Shipping AS ("UNS") (see Note 3), was amortized over 20 years using the straight-line method. As at December 31, 2002, goodwill is recorded net of accumulated amortization of \$3.5 million. During the six-month period ended June 30, 2002, the Company completed its transitional impairment testing required by SFAS 142 and determined that goodwill was not impaired. Based upon the Company's goodwill balance at December 31, 2001, the Company estimates that application of SFAS 142 will result in an annual increase in net income of approximately \$4.5 million, by no longer amortizing goodwill. Had goodwill not been amortized prior to 2002, net income would have been \$340.0 million or \$8.56 per share (\$8.40 per share - diluted), for the year ended December 31, 2001 and unchanged for 2000.

Income taxes

The legal jurisdictions of the countries in which Teekay and the majority of its subsidiaries are incorporated do not impose income taxes upon shipping-related activities. The Company's Australian shipowning subsidiaries, its Canadian subsidiary Teekay Canadian Tankers Ltd., and its Norwegian subsidiary UNS are subject to income taxes. UNS income taxes are deferred until payment of dividends (see Note 11). Included in other long-term liabilities are deferred income taxes of \$43.7 million at December 31, 2002, \$36.3 million at December 31, 2001 and \$4.2 million at December 31, 2000. The Company accounts for such taxes using the liability method pursuant to Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes."

TEEKAY SHIPPING CORPORATION AND SUBSIDIARIES**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Cont d)**
(all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)**Accounting for Stock-Based Compensation**

Under Statement of Financial Accounting Standards No. 123 ("SFAS 123"), "Accounting for Stock-Based Compensation," disclosures of stock-based compensation arrangements with employees are required and companies are encouraged (but not required) to record compensation costs associated with employee stock option awards, based on estimated fair values at the grant dates. The Company has chosen to continue to account for stock-based compensation using the intrinsic value method prescribed in APB Opinion No. 25 ("APB 25") "Accounting for Stock Issued to Employees." As the exercise price of the Company's employee stock options equals the market price of underlying stock on the date of grant, no compensation expense is recognized under APB 25. The following table illustrates the effect on net income and earnings per share if the Company had applied the fair value recognition provisions of SFAS 123 to stock-based employee compensation (see Note 9).

	Year Ended December 31, 2002 \$	Year Ended December 31, 2001 \$
Net income - as reported.....	53,391	336,518
Less: Total stock-based compensation expense.....	7,538	6,466
Net income - pro forma.....	----- 45,853 =====	----- 330,052 =====
Basic earnings per common share:		
As reported.....	1.35	8.48
Pro forma.....	1.16	8.31
Diluted earnings per common share:		
As reported.....	1.33	8.31
Pro forma.....	1.14	8.15

The fair values of the option grants were estimated on the dates of grant using the Black-Scholes option-pricing model with the following assumptions: risk-free average interest rates of 4.7% for the year ended December 31, 2002; 4.5% for the year ended December 31, 2001 and 6.6% for the year ended December 31, 2000, respectively; dividend yield of 3.0%; expected volatility of 30%; and expected lives of five years.

Comprehensive income

The Company follows Statement of Financial Accounting Standards No. 130, "Reporting Comprehensive Income," which establishes standards for reporting and displaying comprehensive income and its components in the consolidated financial statements.

Recent accounting pronouncements

In July 2002, the FASB issued Statement No. 146 ("SFAS 146"), "Accounting for Costs Associated with Exit or

Disposal Activities." This Standard, which is effective for disposal activities initiated after December 31, 2002, addresses significant issues regarding the recognition, measurement and reporting of costs associated with exit and disposal activities. The Company does not anticipate that the adoption of SFAS 146 will have a significant impact on the Company's consolidated financial position or results of operations.

TEEKAY SHIPPING CORPORATION AND SUBSIDIARIES

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Cont'd) (all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)

In November 2002, the FASB issued Interpretation No. 45, "Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others" ("FIN 45"). FIN 45 requires a guarantor to make significant new disclosures about its obligations under certain guarantees that it has issued. It also requires a guarantor to recognize, at the inception of a guarantee, a liability for the fair value of the obligation undertaken in issuing the guarantee. The disclosure requirements of FIN 45 are effective for financial statements with periods ending after December 15, 2002. The initial recognition and measurement provisions are applicable on a prospective basis to guarantees issued or modified after December 31, 2002. The Company has not determined the effect, if any, that the adoption of FIN 45 will have on the Company's consolidated financial position or results of operations.

2. Business Operations

The Company is engaged in the ocean transportation of petroleum cargoes worldwide through the ownership and operation of a fleet of tankers. All of the Company's revenues are earned in international markets.

No customer accounted for more than 10% of the Company's consolidated voyage revenues during the year ended December 31, 2002. One customer, an international oil company, accounted for 13% (\$130.8 million) of the Company's consolidated voyage revenues during the year ended December 31, 2001. Two customers, both international oil companies, individually accounted for 13% (\$118.3 million) and 12% (\$110.2 million) of the Company's consolidated voyage revenues during the year ended December 31, 2000. No other customer accounted for more than 10% of the Company's consolidated voyage revenues during the fiscal periods presented herein.

3. Acquisition of Ugland Nordic Shipping AS

As of May 28, 2001, Teekay had purchased 100% of the issued and outstanding shares of UNS (9% of which was purchased in fiscal 2000 and the remaining 91% was purchased in fiscal 2001), for \$222.8 million cash, including estimated transaction expenses of approximately \$7 million. UNS controls a modern fleet of 18 shuttle tankers (including two newbuildings on order) that engage in the transportation of oil from offshore production platforms to onshore storage and refinery facilities.

The acquisition of UNS has been accounted for using the purchase method of accounting, based upon estimates of fair value. UNS' operating results are reflected in these financial statements commencing March 6, 2001, the date Teekay acquired a majority interest in UNS. Equity income related to the Company's nine percent interest in UNS up to December 31, 2000 has been credited as an adjustment to retained earnings. Teekay's interest in UNS for the period from January 1, 2001 to March 5, 2001 has been included in equity income for the corresponding

period.

The following table shows comparative summarized consolidated pro forma financial information for the years ended December 31, 2001 and 2000 and gives effect to the acquisition of 100% of the outstanding shares in UNS as if it had taken place January 1, on each of the years presented:

6. Long-Term Debt

	December 2002 \$
Revolving Credit Facilities.....	210,000

Edgar Filing: TEEKAY SHIPPING CORP - Form 20-F/A

First Preferred Ship Mortgage Notes (8.32%) due through 2008.....	167,229
Term Loans due through 2009	401,593
Senior Notes (8.875%) due July 15, 2011	352,000
	1,130,822
Less current portion.....	83,605
	1,047,217

The Company has two long-term Revolving Credit Facilities (the "Revolvers") available, which, as at December 31, 2002, provided for borrowings of up to \$450.7 million, of which \$240.7 million was undrawn. Interest payments are based on LIBOR (December 31, 2002: 1.4%; December 31, 2001: 1.9%) plus a margin depending on the financial leverage of the Company; at December 31, 2002 and 2001, the margins ranged between 0.50% and 0.75%. The amount available under the Revolvers reduces semi-annually by \$28.8 million, with final balloon reductions in 2006 and 2008. The Revolvers are collateralized by first priority mortgages granted on 33 of the Company's vessels, together with certain other related collateral, and a guarantee from Teekay for all amounts outstanding under the Revolvers.

The 8.32% First Preferred Ship Mortgage Notes due February 1, 2008 (the "8.32% Notes") are collateralized by first preferred mortgages on seven of the Company's Aframax tankers, together with certain other related collateral, and are guaranteed by seven subsidiaries of Teekay that own the mortgaged vessels (the "8.32% Notes Guarantor Subsidiaries") to a maximum of 95% of the fair value of their net assets. As at December 31, 2002, the fair value of these net assets approximated \$171.6 million. The 8.32% Notes are also subject to a sinking fund, which will retire \$45.0 million principal amount of the 8.32% Notes on each February 1, commencing 2004. During June 2001, the Company repurchased a principal amount of \$22.0 million of the 8.32% Notes outstanding.

Upon the 8.32% Notes achieving Investment Grade Status (as defined in the Indenture) and subject to certain other conditions, the guarantees of the 8.32% Notes Guarantor Subsidiaries will terminate, all of the collateral securing the obligations of the Company and the 8.32% Notes Guarantor Subsidiaries under the Indenture and the Security Documents (as defined in the Indenture) will be released (whereupon the Notes will become general unsecured obligations of the Company) and certain covenants under the Indenture will no longer be applicable to the Company.

Condensed financial information regarding the Company, the 8.32% Notes Guarantor Subsidiaries, and non-guarantor subsidiaries of the Company is set out in Schedule A of these consolidated financial statements.

The Company has several term loans outstanding, which, as at December 31, 2002, totalled \$401.6 million. Interest payments are based on LIBOR plus a margin. At December 31, 2002 and 2001, the margins ranged between 0.50% and 1.45%. The term loans reduce in quarterly or semi-annual payments with varying maturities through 2009. All term loans of the Company are collateralized by first preferred mortgages on the vessels to which the loans relate, together with certain other collateral, and guarantees from Teekay. As at December 31, 2002, UNS had term loans totaling \$313.5 million. Teekay does not guarantee any of the obligations of UNS under these facilities. One term loan required a retention deposit of \$4.6 million as at December 31, 2002 (December 31, 2001 - \$7.8 million).

TEEKAY SHIPPING CORPORATION AND SUBSIDIARIES

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Cont d)
(all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)

The 8.875% Senior Notes due July 15, 2011 (the "8.875% Notes") rank equally in right of payment with all of the Company's existing and future senior unsecured debt and senior to the Company's existing and future subordinated debt. The 8.875% Notes are not guaranteed by any of Teekay's subsidiaries and effectively rank behind all existing and future secured debt of Teekay and other liabilities, secured and unsecured, of its subsidiaries.

Among other matters, the long-term debt agreements generally provide for such items as maintenance of certain vessel market value to loan ratios and minimum consolidated financial covenants, prepayment privileges (in some cases with penalties), and restrictions against the incurrence of new investments by the individual subsidiaries without prior lender consent. The amount of Restricted Payments, as defined, that the Company can make, including dividends and purchases of its own capital stock, is limited as of December 31, 2002, to \$440.6 million. Certain of the loan agreements require a minimum level of free cash be maintained. As at December 31, 2002, this amount was \$84.8 million.

The aggregate annual long-term debt principal repayments required to be made for the five fiscal years subsequent to December 31, 2002 are \$83.6 million (2003), \$104.9 million (2004), \$131.1 million (2005), \$180.8 million (2006), and \$84.8 million (2007).

7. Leases

Charters-out

Time charters and bareboat charters to third parties of the Company's vessels are accounted for as operating leases. As at December 31, 2002, minimum future revenues to be received on time charters and bareboat charters currently in place are \$176.7 million (2003), \$189.6 million (2004), \$146.7 million (2005), \$101.9 million (2006), \$94.4 million (2007), and \$546.5 million thereafter.

The minimum future revenues should not be construed to reflect total charter hire revenues for any of the years.

Charters-in

As at December 31, 2002, minimum commitments under vessel operating leases are \$25.7 million (2003), \$10.8 million (2004) and \$2.0 million (2005).

8. Fair Value of Financial Instruments

Carrying amounts of all financial instruments approximate fair market value except for the following:

Long-term debt - The fair values of the Company's fixed rate long-term debt are based on either quoted market prices or estimated using discounted cash flow analyses, based on rates currently available for debt with similar terms and remaining maturities.

TEEKAY SHIPPING CORPORATION AND SUBSIDIARIES

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Cont d)
(all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)

Interest rate swap agreements and foreign exchange contracts - The fair value of interest rate swaps and foreign exchange contracts, used for hedging purposes, is the estimated amount that the Company would receive or pay to terminate the agreements at the reporting date, taking into account current interest rates, the current credit worthiness of the swap counter parties and foreign exchange rates.

The estimated fair value of the Company's financial instruments is as follows:

	December 31, 2002		De
	Carrying	Fair	Carryin
	Amount	Value	Amount
	\$	\$	\$
Cash and cash equivalents, marketable securities, and restricted cash.....	307,040	307,040	203,837
Long-term debt	(1,130,822)	(1,143,753)	(935,702)
Derivative instruments (note 12)			
Interest rate swap agreements	(802)	(802)	(2,429)
Foreign currency contracts	545	545	(343)
Bunker fuel swap contracts.....	254	254	(328)
Written freight call option.....	-	-	(857)

The Company transacts all of its derivative instruments with investment grade rated financial institutions and requires no collateral from these institutions.

9. Capital Stock

The authorized capital stock of Teekay at December 31, 2002 was 25,000,000 shares of Preferred Stock, with a par value of \$1 per share, and 725,000,000 shares of Common Stock, with a par value of \$0.001 per share. As at December 31, 2002, Teekay had 39,692,060 shares of Common Stock and no shares of Preferred Stock issued and outstanding.

On September 19, 2001, Teekay announced that its Board of Directors had authorized the repurchase of up to 2,000,000 shares of its Common Stock in the open market. As at December 31, 2002, Teekay had repurchased 561,700 shares of Common Stock at an average price of \$27.97 per share.

As of December 31, 2002, the Company had reserved 5,803,471 shares of Common Stock for issuance upon exercise of options granted pursuant to the Company's 1995 Stock Option Plan (the "Plan"). During the years ended December 31, 2002, 2001, and 2000, the Company granted options under the Plan to acquire up to 1,026,025, 863,200, and 889,500 shares of Common Stock, respectively, to certain eligible officers, employees (including senior sea staff), and directors of the Company. The options have a 10-year term and had initially vested equally over four years from the date of grant. Effective September 8, 2000, the Company amended the Plan which reduced the vesting period for all subsequent stock option grants from four years to three years. In addition, the Company also accelerated the vesting period for the existing grants by one year. The impact of the accelerated vesting for the existing grants on compensation expense was not material for the years ended December 31, 2002, 2001 and 2000.

10. Related Party Transactions

As at December 31, 2002, Resolute Investments, Inc. owned 41.6% of the Company's outstanding Common Stock. Two of the Company's directors are officers and directors of Resolute Investments, Inc. Two additional directors of the Company are directors of the entity that ultimately controls Resolute Investments, Inc.

Payments made by the Company to Resolute Investments, Inc. or companies related through common ownership in respect of port agent services, legal and administration fees, shared office costs, and consulting fees for the years ended December 31, 2002, 2001 and 2000 totalled \$0.9 million, \$1.5 million, and \$1.6 million, respectively. In 1993 the Company purchased all of the issued and outstanding shares of Palm Shipping Inc. (now Teekay Chartering Limited) from an affiliate of Resolute Investments, Inc. During the year ended December 31, 2002, the Company accrued and expensed in other (loss) income \$6.0 million as a settlement of a contingent payment, which was required under the terms of the Palm Shipping acquisition agreement.

(all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)

12. Derivative Instruments and Hedging Activities

The Company adopted SFAS 133, "Accounting for Derivative Instruments and Hedging Activities," on January 1, 2001. The Company recognized the fair value of its derivatives as assets of \$2.2 million and liabilities of \$1.3 million on its consolidated balance sheet as of January 1, 2001. These amounts were recorded as a cumulative effect of an accounting change as an adjustment to stockholders' equity through other comprehensive income. There was no impact on net income. In addition, a deferred gain of \$3.2 million on unwound interest rate swap agreements presented as other long-term liabilities at December 31, 2000, was reclassified to accumulated other comprehensive income and will be recognized into earnings over the hedged term of the debt.

The Company only uses derivatives for hedging purposes. The following summarizes the Company's risk strategies with respect to market risk from foreign currency fluctuations, changes in interest rates and bunker fuel prices and the effect of these strategies on the Company's financial statements.

The Company hedges portions of its forecasted expenditures denominated in foreign currencies with forward contracts and a portion of its bunker fuel expenditures with bunker fuel swap contracts. As at December 31, 2002, the Company was committed to foreign exchange contracts for the forward purchase of approximately Singapore Dollars 2.0 million, Norwegian Kroner 74.3 million, Canadian Dollars 84.0 million and Euros 1.9 million for U.S. Dollars, at an average rate of Singapore Dollar 1.78 per U.S. Dollar, Norwegian Kroner 7.39 per U.S. Dollar, Canadian Dollar 1.59 per U.S. Dollar and Euros 0.93 per U.S. Dollar, respectively. As at December 31, 2002, the Company was committed to bunker fuel swap contracts totalling 20,400 metric tonnes with a weighted-average price of \$116.00 per tonne, which expire between January 2003 and May 2004.

As at December 31, 2002, the Company was committed to interest rate swap agreements whereby \$20.0 million

of the Company's floating rate debt was swapped with fixed rate obligations having a weighted-average remaining term of 10 months, expiring between March 2003 and May 2004. These agreements effectively change the Company's interest rate exposure on \$20.0 million of debt from a floating LIBOR rate to a weighted-average fixed rate of 5.75%.

The Company is exposed to credit loss in the event of non-performance by the counter parties to the interest rate swap agreements, foreign exchange forward contracts, and bunker fuel swap contracts; however, the Company does not anticipate non-performance by any of the counter parties.

During the year ended December 31, 2002, the Company recognized a net gain of \$0.1 million relating to the ineffective portion of its interest rate swap agreements and foreign currency forward contracts. The ineffective portion of these derivative instruments is presented as interest expense and other (loss) income, respectively.

As at December 31, 2002, the Company estimates, based on current foreign exchange rates, bunker fuel prices and interest rates, that it will reclassify approximately \$1.5 million of net gain on derivative instruments from accumulated other comprehensive income to earnings during the next 12 months due to actual voyage, vessel operating, drydocking and general and administrative expenditures and the payment of interest expense associated with the floating-rate debt.

TEEKAY SHIPPING CORPORATION AND SUBSIDIARIES

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Cont d) (all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)

13. Commitments and Contingencies

As at December 31, 2002, the Company was committed to the construction of two shuttle, three Suezmax and six Aframax tankers scheduled for delivery between March 2003 and October 2004, at a total cost of approximately \$496.6 million, excluding capitalized interest. As of December 31, 2002, payments made towards these commitments totalled \$127.3 million and long-term financing arrangements existed for \$16.3 million of the unpaid cost of these vessels. It is the Company's intention to finance the remaining unpaid amount of \$353.0 million through incremental debt or the utilization of surplus cash balances, or a combination thereof. As of December 31, 2002, the remaining payments required to be made under these newbuilding contracts were \$245.9 million in 2003, and \$123.4 million in 2004. With the exception of four Aframax tankers scheduled for delivery in 2004, all of the vessels upon delivery will be subject to long-term charter contracts, which expire between 2009 and 2015.

The Company is also committed to a capital lease on an Aframax tanker that is currently under construction and is expected to deliver in the fourth quarter of 2003. The lease will require minimum payments of \$66.9 million (including a purchase obligation payment) over the 15-year term of the lease.

Teekay and certain subsidiaries of Teekay have guaranteed their share of the outstanding mortgage debt in three 50%-owned joint venture companies. As of December 31, 2002, Teekay and these subsidiaries had guaranteed \$82.7 million of such debt, or 50% of the total \$165.3 million in outstanding mortgage debt of the joint venture companies. The outstanding mortgage debt has maturity dates ranging from May 2008 to August 2009. These joint venture companies own three shuttle tankers.

On December 16, 2002, Teekay and Statoil ASA announced that they had entered into an agreement under which Teekay will acquire Statoil's wholly-owned shipping company, Navion ASA (excluding its oil drilling ship and related operations and one floating production, storage and offload vessel), on a debt free-basis, for approximately \$800.0 million in cash. Navion, based in Norway, operates primarily in the shuttle tanker and the conventional crude oil and product tanker markets. As of December 31, 2002, the Company had made a deposit of \$76.0 million towards the purchase price, with the remaining unpaid amount being due upon closing, which is expected to take place in the second quarter of 2003. It is anticipated that the acquisition of Navion will be funded by borrowings under a new credit facility, together with available cash or cash generated from operations and borrowings under other existing credit facilities.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Cont d) (all tabular amounts stated in thousands of U.S. dollars, other than share or per share data)

15. Subsequent Events

(a) On February 1, 2003, one of the Company's vessels, the *Alliance Spirit*, was empty of cargo and waiting off Skikda, Algeria to load crude oil when a severe storm arose and pushed the vessel aground. Subsequent to the grounding, the vessel has been classified as a constructive total loss. Although all bunker fuel, diesel fuel, lube oils, paints and chemicals on board have been successfully removed from the vessel, between 40 and 80 metric tonnes of residual oil cargo remain in the cargo tanks. The vessel is insured for its full value and thus, the Company has requested payment of the insurance proceeds, which is anticipated to cover the vessel's full value. The Company also maintains insurance coverage on the vessel for environmental damage or pollution liability in an amount of \$1 billion. The Company believes any liability resulting from the escape of any oil into the environment would be substantially below this amount. Under the applicable global convention, any liability above \$1 billion for any oil spill in this region relating to this incident would be limited to approximately \$32 million.

(b) As of February 18, 2003, the Company completed an offering for gross proceeds of \$143.75 million in mandatory convertible equity units pursuant to its currently effective universal shelf registration statement filed

with the U.S. Securities and Exchange Commission. Each equity unit includes (a) a forward contract that requires the holder to purchase for \$25 a specified fraction of a share of the Company's Common Stock on February 16, 2006 and (b) a \$25 principal amount, subordinated note due May 18, 2006. The forward contracts provide for contract adjustment payments of 1.25% annually and the notes bear interest at 6.0% annually. Upon settlement on February 16, 2006 of the 5.75 million forward contracts included in the equity units, the Company will issue between 3,267,150 and 3,991,075 shares of its Common Stock (depending on the average closing price of the Common Stock for the 20-trading day period ending on the third trading day prior to February 16, 2006). Proceeds from the offering may be used to finance potential acquisitions and for general corporate purposes, including capital expenditures, working capital, and the repayment of debt.

CERTIFICATION

I, Bjorn Moller, Chief Executive Officer of the company, certify that:

1. I have reviewed this Amendment No. 1 to the Annual Report on Form 20-F of Teekay Shipping Corporation;
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the company as of, and for, the periods presented in this report;
4. The company's other certifying officer and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the company and have:
 - a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the company, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - b) Evaluated the effectiveness of the company's disclosure controls and procedures and presented in the report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - c) Disclosed in this report any changes in the company's internal control over financial reporting that occurred during the period covered by this report that has materially affected, or is reasonably likely to materially affect, the company's internal control over financial reporting;
5. The company's other certifying officer and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the company's auditors and the audit committee of the company's board of directors (or persons performing the equivalent function):
 - a) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the company's ability to record, process, summarize and report financial information; and
 - b) any fraud, whether or not material, that involves management or other employees who have a significant role in the company's internal controls over financial reporting.
