ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

On July 1, 1999, the Issuer and TFX Equities Incorporated ("TFX") entered into an Investment Agreement (the "Investment Agreement") pursuant to which TFX purchased 854,563 shares of common stock of the Issuer, par value \$0.01 per share (the "Common Stock") at a purchase price of \$1.50 per share for an aggregate price of approximately \$1.3 million dollars. The 854,563 shares represented approximately 19.9% of the total shares of the Common Stock issued and outstanding immediately prior to such investment. On September 9, 1999, pursuant to the Investment Agreement, and following the approval of the shareholders of the Issuer, TFX purchased an additional 1,812,104 shares of the Common Stock at a purchase price of \$1.50 per share for an aggregate price of approximately \$2.7 million dollars.

The Issuer, Microlog Corporation of Maryland, a wholly-owned subsidiary of the Issuer, and TFX entered into a Credit facility Agreement dated as of September 11, 2001 (the "Credit Agreement") pursuant to which TFX agreed to purchase up to \$750,000 of 12% Subordinated Convertible Notes (the "Notes") and warrants to purchase up to 100 shares of Series A Convertible Preferred Stock, par value \$0.01 per share ("Series A Stock"). Each share of Series A Stock is convertible into 7,500 shares of Common Stock, subject to adjustment. The principal amount due under the Notes and the accrued interest thereon is convertible into shares of Common Stock at a conversion price of \$0.25 per share, subject to adjustment.

On September 25, 2001, pursuant to the Credit Agreement, TFX purchased Notes in the principal amount of \$450,000 (the "Purchased Notes") and warrants to purchase 60 shares of Series A Stock (the "Purchased Warrants"). The Purchased Notes are presently convertible into 1,800,000 shares of Common Stock. The Purchased Warrants may be exercised to purchase 60 shares of Series A Stock which are immediately convertible into 450,000 shares of Common Stock. Accordingly, pursuant to the beneficial ownership rules of Section 13, TFX is presently deemed to own 2,250,000 shares of Common Stock by virtue of its acquisition of the Purchased Notes and the Purchased Warrants.

Teleflex Incorporated ("Teleflex") owns all the outstanding capital stock

## Edgar Filing: MICROLOG CORP - Form SC 13D

of TFX. Pursuant to Section 13 beneficial ownership rules, by virtue of this relationship, Teleflex may be deemed to be the beneficial owner of the securities of the Issuer beneficially owned by TFX, with Teleflex and TFX sharing the power to vote and dispose of such securities.

The securities of the Issuer purchased by TFX were purchased using funds provided by Teleflex to TFX from Teleflex's working capital. The total cost of the purchases pursuant to the Credit Agreement was approximately \$450,000, while the total cost of the purchases pursuant to the Investment Agreement was approximately \$4,000,000.

### ITEM 4. PURPOSE OF TRANSACTION

Teleflex has caused TFX to purchase securities of the Issuer based upon Teleflex's view that the current price of the Common Stock of the Issuer in the market represents a good investment. Except as disclosed below, TFX does not contemplate seeking to effect any other action that would be required to be disclosed pursuant to this Item 4.

Pursuant to the Credit Agreement (as defined in Section 3), TFX may purchase and the Issuer may sell additional Notes (as defined in Section 3) in the aggregate principal of up to \$300,000 (the "Additional Notes") with warrants (the "Additional Warrants") to purchase up to 40 additional shares of Series A Stock (as defined in Section 3). Upon conversion of the Additional Notes, TFX would receive an additional 1,200,000 shares of Common Stock. Upon exercise of the Additional Warrants and conversion of the Series A Stock received therefrom, TFX would receive an additional 300,000 shares of Common Stock.

Pursuant to the terms of the warrants issued in accordance with the Credit Agreement, the Issuer must convene a meeting of the shareholders of the Issuer for the purpose of considering an amendment to the Issuer's Articles of Incorporation to increase the number of authorized shares of Common Stock to such number as will permit the Issuer to reserve and keep available out of its authorized, unissued and unreserved Common Stock such number of shares as may be issuable by the Issuer upon the conversion in full of all shares of Series A Stock purchasable upon the exercise in full of all of the warrants issuable pursuant to the Credit Agreement. The Issuer is required to convene such meeting on or prior to September 25, 2002. Pursuant to the terms of Notes, it is an event of default if the Articles of Incorporation of the Issuer are not so amended.

Pursuant to the Investment Agreement, so long as TFX owns at least 15% of the issued and outstanding Common Stock of the Issuer, TFX has certain rights regarding the corporate governance of the Issuer. In particular, during such time, TFX has the right to appoint two of the seven members of the board of directors of the Issuer. In addition, during such time, certain corporate matters must be approved by a super-majority of the members of the board of directors. Specifically, the consent of six of the seven members of the board of directors is required for any proposal regarding: (i) merger or reorganization; (ii) issuance of shares, rights or options; (iii) guarantees; (iv) dividends; (v) redemption or other acquisition of shares of capital stock; (vi) amendment of articles of incorporation or bylaws; and (vii) change in size of board.

### ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) AMOUNT AND PERCENT BENEFICIALLY OWNED; POWER TO VOTE AND DISPOSE OF

# Edgar Filing: MICROLOG CORP - Form SC 13D

## SHARES

TFX beneficially owns, 4,916,667 shares of common stock of the Issuer, which represents approximately 52.55% of all the outstanding Common Stock. Because Teleflex owns all the outstanding capital stock of TFX, Teleflex may be deemed to be the beneficial owner of such securities, with Teleflex and TFX sharing the power to vote and dispose of such securities.

### (b) TRANSACTIONS IN THE CLASS OF SECURITIES

Except as described in Item 3 above, the reporting person did not engage in any transactions in the common stock of the Issuer during the past 60 days.

### (c) RIGHT OF ANY OTHER PERSON(S) TO RECEIVE OR POWER TO DIRECT THE RECEIPT OF DIVIDENDS FROM, OR PROCEEDS FROM THE SALE OF, THE SECURITIES

Not applicable.

### (d) DATE ON WHICH THE REPORTING PERSON CEASED TO BE BENEFICIAL OWNER OF MORE THAN 5% OF SECURITIES

Not applicable.

## ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

Except as described herein, the Reporting Persons are not parties to any contracts, arrangements, understandings or relationships with respect to securities of the Issuer. Teleflex and TFX are parties to a Joint Filing Agreement regarding the reporting of beneficial ownership of the Issuer's securities pursuant to Section 13 of the Securities Exchange Act of 1934 and the rules promulgated thereunder.
