PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

Edgar Filing: BEBE STORES INC - Form DEF 14A

The accompanying proxy is solicited by the Board of Directors of bebe stores, inc., a California corporation ("bebe" or the "Company"), for use at the Annual Meeting of Shareholders to be held on November 19, 2002, or any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. The date of this Proxy Statement is October 25, 2002, the approximate date on which this Proxy Statement and the accompanying form of proxy were first sent or given to shareholders.

GENERAL INFORMATION

Annual Report

Our annual report on Form 10-K for the fiscal year ended June 30, 2002, is enclosed with this Proxy Statement.

Voting Securities

Only shareholders of record as of the close of business on October 17, 2002 will be entitled to vote at the meeting and any adjournment thereof. As of that date, we had 25,627,127 shares of Common Stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the Annual Meeting of Shareholders. Shareholders may vote in person or by proxy. Each holder of shares of Common Stock is entitled to one vote for each share of stock held on the proposals presented in this Proxy Statement. Our bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against, abstentions and "broker non-votes" will each be counted as present for purposes of determining the presence of a quorum.

Solicitation of Proxies

We will bear the cost of soliciting proxies. In addition to soliciting shareholders by mail through our employees, we will request banks, brokers and other custodians, nominees and fiduciaries to solicit customers for whom they hold our stock and will reimburse them for their reasonable, out-of-pocket expenses. We may use the services of our officers, directors and others to solicit proxies, personally or by telephone, without additional compensation.

Voting of Proxies

All valid proxies received prior to the meeting will be voted. All shares represented by a proxy will be voted, and where a shareholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is indicated on the proxy, the shares will be voted in favor of the proposals. A shareholder giving a proxy has the power to revoke his, her or its proxy, at any time prior to the time it is voted, by delivering to our Legal Department, at our principal offices located at 400 Valley Drive, Brisbane, California 94005, a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Our Board of Directors currently consists of five directors. Management would like to increase the number of directors to six. Management's nominees for election at the Annual Meeting of Shareholders to the Board of Directors are listed below. Philip Schlein has informed us that he will not stand for re-election. As such, management has selected another nominee to fill his seat on the Board of Directors. If elected, the nominees will serve as directors until our Annual Meeting of Shareholders in 2003, and until their successors are elected and qualified. If a nominee declines to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although management knows of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominee as management may designate.

Vote Required and Board of Directors' Recommendation

If a quorum representing a majority of all outstanding shares of Common Stock is present and voting, either in person or by proxy, the six nominees for director receiving the highest number of votes will be elected. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum, but will not have an effect on the outcome of the vote.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE NOMINEES LISTED BELOW.

Edgar Filing: BEBE STORES INC - Form DEF 14A

Except as indicated in the footnotes to the table and subject to applicable community property laws, based on information provided by the persons named in the table, we believe that the persons named in the table have sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned by them.

- (1) These options were granted under the 1997 Stock Plan. The options granted are immediately exercisable, but are subject to repurchase in the event that the optionee's employment with bebe ceases for any reason. For each employee's first option grant, our right of repurchase generally lapses over a four-year period, as to 1/5th of the shares one year from the grant date, 1/60th of the shares in each of the successive 12 months and 1/40th of the shares in each of the successive 24 months with full lapse of the repurchase option occurring on the fourth anniversary date. For each employee's subsequent option grant(s), our right of repurchase generally lapses over

Edgar Filing: BEBE STORES INC - Form DEF 14A

a four-year period, with 1/60th of the shares vesting monthly during the first two years from the date of grant and 1/40th of the shares vesting monthly during the third and fourth years from the date of grant. The options have a 10-year term, subject to earlier termination in certain situations related to termination of employment.

- (2) Based on a total of 789,550 options granted to all employees, consultants and directors during fiscal 2002.
- (3) All options were granted at an exercise price equal to the fair market value of our Common Stock on the date of grant, as determined by reference to the closing sales price as reported on the Nasdaq National Market on the date of grant.
- (4) Potential gains are net of exercise price, but before taxes associated with exercise. These amounts represent certain assumed rates of appreciation only, based on the SEC rules. Actual gains, if any, on stock option exercises are dependent on the future performance of the Common Stock, overall market conditions and the option holders' continued employment through the vesting period. The amounts reflected in this table may not necessarily be achieved.

AGGREGATED OPTION EXERCISES IN FISCAL 2002 AND FISCAL YEAR-END OPTION VALUES

The following table provides the specified information concerning options to purchase Common Stock that were exercised in the fiscal year ended June 30, 2002 by the Named Executive Officers. The following table also provides the specified information concerning unexercised options held as of June 30, 2002, by the Named Executive Officers:

Name	Shares Acquired on Exercise	Value Realized	Number of Securities Underlying Unexercised Options at June 30, 2002		Value of Unexercised In-the-Money Options at June 30, 2002(1)	
			Exercisable(2)	Unexercisable	Exercisable(2)	Unexercisable
Manny Mashouf						
Kathy Lee	7,208	\$ 88,573	28,092		\$ 182,964	
Tim Millen	25,468	\$ 372,335	22,723		\$ 131,301	
Ferrell Ostrow	6,285	\$ 79,562	104,134		\$ 248,290	
Michelle Perna	11,092	\$ 78,510	48,908		\$ 205,823	

- (1) Calculated by determining the difference between the fair market value of the securities underlying the option on June 28, 2002 of \$20.29, the closing price on the last trading day of the fiscal year as reported by the Nasdaq National Market, and the exercise price of the Named Executive Officer's option grant which is below the fair market value. The options in grants that are above the fair market value are not included in the calculation.
- (2) Under the 1997 Stock Plan, options granted are immediately exercisable subject to vesting and our right of repurchase under certain circumstances. For each employee's first option grant, our right of repurchase generally lapses over a four-year period, as to 1/5th of the shares one year from the grant date, 1/60th of the shares in each of the successive 12 months and 1/40th of the shares in each of the successive 24 months with full lapse of the repurchase option occurring on the fourth anniversary date. For each employee's subsequent option grant(s), our right of repurchase generally lapses over a four-year period, with 1/60th of the shares vesting monthly during the first two years from the date of grant and 1/40th of the shares vesting monthly during the third and fourth years from the date of grant. See also "CHANGE IN CONTROL ARRANGEMENTS."

"Shares Acquired on Exercise" includes all shares underlying the option, or portion of the option, exercised, without deducting shares withheld to satisfy tax obligations sold to pay the exercise price, or otherwise disposed of. "Value Realized" is calculated by multiplying the difference between the market value (closing market price) at the exercise date and the exercise price by the number of shares acquired upon

Edgar Filing: BEBE STORES INC - Form DEF 14A

exercise. "Value of Unexercised In-the-Money Options" is calculated by multiplying the difference between the market value (closing market price) and the exercise price of each grant that is at or below the Fair Market Value by the number of options held at fiscal year end.

Employment Contracts and Change in Control Arrangements

In the event of a Change of Control (as defined in the 1997 Stock Plan), all options granted under the 1997 Stock Plan become exercisable in full if (i) bebe is subject to a Change in Control, (ii) such options do not remain outstanding, (iii) such options are not assumed by the surviving corporation or its parent and (iv) the surviving corporation or its parent does not substitute options with substantially the same terms for such options.

We do not have employment agreements with any of our Named Executive Officers.

8

Non-Employee Director Compensation

Our non-employee directors are paid a fee of \$1,000 for each meeting of the Board of Directors that they attend. We also reimburse all directors for their expenses incurred in attending such meetings. Each newly elected director will receive a one-time grant of options to purchase 50,000 shares of our Common Stock. Each existing non-employee director will receive an annual grant of options to purchase 10,000 shares of our Common Stock. In addition, certain directors have been granted options to purchase Common Stock in the past, and further options may be granted to our directors in the future. Specifically, each of Ms. Bass, Mr. Federico and Mr. Schlein have received options to purchase 212,250 shares of our Common Stock, at an exercise price of \$1.77 per share, and options to purchase 10,000 shares of our Common Stock at an exercise price of \$13.75 per share. Mr. Federico was given an additional one-time grant of options to purchase 15,000 shares of our Common Stock at an exercise price of \$22.04.

EQUITY COMPENSATION PLAN INFORMATION

We currently maintain two compensation plans that provide for the issuance of our Common Stock to officers and other employees, directors and consultants. These consist of our 1997 Stock Plan and our 1998 Employee Stock Purchase Plan, which have been approved by shareholders. **REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors for fiscal 2002 consisted of the three non-employee directors of the Company, Ms. Bass, Mr. Federico and Mr. Schlein.

The Compensation Committee is responsible for setting and administering the policies governing compensation of the executive officers of the Company, including cash compensation and stock ownership programs. The goals of the Company's compensation policy are to attract and retain executive officers who contribute to the overall success of the Company, by offering compensation

10

which is competitive in the retail apparel industry for companies of our size, to motivate executives to achieve the Company's business objectives and to reward them for their achievements. The Company generally uses salary, incentive compensation and stock options to meet these goals.

As of June 30, 2002, Manny Mashouf, John Kyees, Kathy Lee, Neda Mashouf, Patrick McGahan, Tim Millen, Ferrell Ostrow and Michelle Perna were the executive officers of the Company.

Salary

Salaries are set by the Compensation Committee for each executive officer, including the Chief Executive Officer, within the range of salary for similar positions in other companies of similar size in the retail apparel industry, based on a number of available published surveys, which do not specifically identify companies, as adjusted for the Company's projected revenue levels and regional salary differences. Salaries generally are targeted at the median of salaries among comparable companies, although the salaries also are adjusted based on each officer's experience, tenure and prior performance. In preparing the performance graph set forth in the section entitled "COMPARISON OF SHAREHOLDER RETURN," the Company has selected Standard and Poor's Apparel & Accessories Index as its published industry index; however, the companies included in the Company's salary survey are not necessarily those included in this index, because companies in the index may not compete with the Company for executive talent, and companies which do compete for executive talent may not be publicly traded.

The Chief Executive Officer annually evaluates the performance of the other executive officers, and recommends salary adjustments to the Compensation Committee. The Compensation Committee evaluates the individual performance of the executive officer and the financial performance of the Company for that fiscal year. Additionally, the Compensation Committee places weight on the competitive employment situation in the Company's industry and geographic area in considering salary adjustments.

Incentive Compensation

The Company maintains a Bonus Plan to reward certain employees of the Company for their participation in the Company's success and to provide incentive for such employees to continue to maximize the Company's profitability. Pursuant to the Bonus Plan, each employee receives an annual discretionary bonus equal to a certain percentage of his or her base salary if the Company meets certain levels of profitability targets for the fiscal year and if the individual meets or exceeds certain targeted goals that had been established during the fiscal year.

In fiscal 2001, the Company met the lowest level of the specified profitability targets as provided in the Profit Sharing Plan. Those bonuses were paid in fiscal 2002.

Stock Options

The Company believes that employee equity ownership provides executive officers with significant additional motivation to maximize value for the Company's shareholders. Because the stock options are granted at the prevailing market price, the stock options will only have value if the Company's stock price increases over the exercise price. Therefore, the Committee believes that stock options will serve to align the interests of executive officers closely with other shareholders because of the direct benefit executive officers receive through improved stock performance.

The Compensation Committee recommends to the Board of Directors stock option grants to the executive officers based on the achievement of individualized objectives and the financial performance of the Company. The size of grants is based upon relative seniority and responsibilities and the

historical and expected contributions to the Company. Such grants are immediately exercisable, subject to the Company's right of repurchase that lapses over a four-year period.

Chief Executive Officer Compensation

Salary. The Compensation Committee generally evaluates the performance and sets the salary of the Company's Chief Executive Officer on an annual basis. In assessing the annual salary of the Chief Executive Officer, the Compensation Committee evaluates his performance and the financial performance of the Company for that fiscal year. Additionally, the Compensation Committee reviews the competitive employment situation in the Company's industry and geographic area in considering salary adjustments. Pursuant to this evaluation process, the Compensation Committee increased Mr. Mashouf's annual salary from \$360,000 to \$500,000 in January 1997. The Compensation Committee believes that such increase in salary was advisable to reward the Chief Executive Officer for the Company's performance in calendar 1996. Since 1997, the Chief Executive Officer's base salary has not substantially changed, therefore no additional reviews have taken place.

Incentive Compensation. Because the Company did not meet the mid-level profitability targets specified in the Profit Sharing Plan, Mr. Mashouf did not receive incentive compensation at the end of fiscal 2002.

Stock Options. Because Mr. Mashouf beneficially owns a substantial amount of the Company's outstanding shares of Common Stock, the Compensation Committee did not grant Mr. Mashouf any options to purchase additional shares of Common Stock.

Section 162(m) of the Internal Revenue Code

The Company has considered the provisions of Section 162(m) of the Internal Revenue Code and related Treasury Department regulations which restrict deductibility of executive compensation paid to the Company's Chief Executive Officer and each of the four other most highly compensated executive officers holding office at the end of any fiscal year to the extent such compensation exceeds \$1,000,000 for any such officers in any year and does not qualify for an exception under the statute or regulations. Income from options granted under the 1997 Stock Plan would generally qualify for an exemption from these restrictions so long as the options are granted by a committee whose members are non-employee directors. The Company expects that the Compensation Committee will be comprised on non-employee directors, and that to the extent such committee is not so constituted for any period of time, the options granted during such period will not be likely to result in compensation exceeding \$1,000,000 in any year.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including internal control systems. Deloitte & Touche LLP is responsible for expressing an opinion as to the conformity of our audited financial statements with accounting principles generally accepted in the United States of America.

The Audit Committee consists of three (3) directors each of whom, in the judgment of the Board, is an "independent director" as defined in the listing standards for The Nasdaq National Stock Market. The Audit Committee acts pursuant to a written charter that has been adopted by the Board of Directors.

Edgar Filing: BEBE STORES INC - Form DEF 14A

The Committee has discussed and reviewed with the auditors all matters required to be discussed as required by the Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Committee has met with Deloitte & Touche LLP, with and without management present, to discuss the overall scope of Deloitte and Touche's audit, the results of its examinations, its evaluations of the Company's internal controls and the overall quality of its financial reporting.

The Audit Committee has received from the auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), discussed with auditors any relationships that may impact their objectivity and independence, and satisfied itself as to the auditors' independence. The Audit Committee also considered whether the provision of services covered in "All Other Fees" below is compatible with maintaining the independence of Deloitte & Touche LLP.

Based on the review and discussions referred to above, the Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2002.

Respectfully submitted by the Audit Committee
