WINTRUST FINANCIAL CORPORATION ANNOUNCES PLANS TO
ACQUIRE ADVANTAGE NATIONAL BANCORP, INC.

LAKE FOREST, ILLINOIS - Wintrust Financial Corporation ("Wintrust") (Nasdaq: WFTC) today announced the signing of a definitive agreement to acquire Advantage National Bancorp, Inc. ("Advantage") in a stock merger transaction. Advantage is the parent company of Advantage National Bank that has locations in Elk Grove Village and Roselle, Illinois.

Advantage National Bank is a de novo bank that began operations in January, 2001 and had total assets of approximately \$104 million as of March 31, 2003. Subsequent to the merger, Advantage National Bank will continue to operate as a separately chartered bank subsidiary of Wintrust.

"This transaction is a wonderful match for both companies," stated Edward J. Wehmer, President and CEO of Wintrust. "We are partnering with a company that shares our commitment to community banking predicated on customer service. The merger allows Wintrust to expand into the desirable northwest Chicago metropolitan area with a bank that has a terrific operating culture, outstanding growth and profit potential, and a dedicated board of directors and management team. We expect a very smooth transition. Our plans call for all of the senior officers to stay on and manage the operations of the bank."

He added: "We have achieved our success to date through our commitment to the de novo approach to growth, and this acquisition is consistent with that philosophy. We gain a two-year head start in a market that we believe is desirable by building on the strength of a successful de novo institution and partnering with a management team already dedicated to this market. We will

continue to charter new de novo banks in the future and will also welcome other opportunities like this."

"We are excited that our success to date as a customer service driven community bank has given us the unique opportunity to combine resources with Wintrust," said Gary Umlauf, Advantage Bank's President. He also noted that the clients' interests always come first in both firms and both organizations share a common market philosophy of community banking. He stated: "Our customers have benefited from a very special relationship with our staff and board of directors and we don't see any of that changing. It will be business as usual but with a wider range of products and services through the strength Wintrust can offer. Wintrust is also a strong source of additional capital to support our future growth. We clearly see benefits for our customers, shareholders and employees and we are proud to join Wintrust's dynamic management team."

TERMS OF THE TRANSACTION

In the merger, each share of Advantage common stock outstanding will be valued at \$26.50 and be converted into the right to receive shares of Wintrust's common stock based on Wintrust's average trading price at closing determined in accordance with the merger agreement. At June 30, 2003, Advantage had outstanding 729,386 shares of common stock and warrants to acquire approximately 189,614 shares of common stock at an exercise price of \$15.00 per share. Assuming all of these shares are outstanding on the closing date and converted to Wintrust common stock in the merger, the aggregate purchase price would be approximately \$24.4 million, or approximately two times the current book value of Advantage adjusted for the warrant exercises. Under the agreement, any warrants not exercised prior to the closing date will be cashed out based on the \$26.50 per share value. Consummation of the transaction is not expected to have a material impact on Wintrust's 2003 or 2004 earnings per share.

The transaction is subject to approval by regulators, Advantage's shareholders and certain closing conditions. The transaction is expected to close early in the fourth quarter of 2003.
