WINTRUST FINANCIAL CORPORATION ANNOUNCES PLANS TO

ACQUIRE TOWN BANKSHARES, LTD.

LAKE FOREST, ILLINOIS - Wintrust Financial Corporation ("Wintrust") (Nasdaq: WTRFC) today announced the signing of a definitive agreement to acquire Town Bankshares, Ltd. ("Town Bankshares"). Town Bankshares is the parent company of Town Bank that has locations in Delafield and Madison, Wisconsin. Town Bank began operations as a de novo bank in 1998 as Delafield State Bank and had total assets of approximately \$232 million as of March 31, 2004.

"This transaction is a terrific fit for both companies," stated Edward J. Wehmer, President and CEO of Wintrust. "Similar to Wintrust's origin, Town Bank began as a de novo bank and shares our commitment to community banking and customer service. The merger will help fulfill Wintrust's plans to continue expansion into desirable suburban communities within the Chicago and Milwaukee market areas. Southeastern Wisconsin has always been deemed to be in Wintrust's target market area and we are excited to be partnering with Town Bank as Wintrust's first banking operation in that portion of Wisconsin. Town Bank embodies the true spirit of community banking and we are looking forward to associating with a company that has such a terrific operating culture."

"We are excited about the opportunity of partnering with Wintrust as they are a company that shares our commitment to community banking, predicated on highly personalized service," stated Jay C. Mack, President & CEO of Town Bank. "We clearly see benefits for our shareholders, clients and employees. Combining resources with Wintrust allows us to provide our clients with a wider array of banking services, enhanced lending capacity, wealth management and

trust services, and additional capital to support our future growth. We look forward to joining the Wintrust family."

William Hickmann, Chairman of Town Bank and Town Bankshares added, "On behalf of the Board of Directors, we are pleased to become a partner with Wintrust and believe it will provide an excellent opportunity for our employees and our shareholders. From the bank's beginning, we set out to provide a high level of personal service to our customers. The additional strengths brought about by this merger will allow us to continue to meet the needs of our growing base of customers."

TERMS OF THE TRANSACTION

In the merger, each share of Town Bankshares' common stock outstanding will be converted into the right to receive cash and shares of Wintrust's common stock based on Wintrust's average trading price at closing determined in accordance with the merger agreement. The per share consideration equates to approximately \$129.10 subject to possible adjustment depending on Wintrust's average trading price at closing. At March 31, 2004, Town Bankshares had outstanding 298,206 shares of common stock and in-the-money options to acquire approximately 41,000 shares of common stock at exercise prices ranging from \$50 to \$60 per share, with a weighted average exercise price of approximately \$57.41.

The transaction is subject to approval by banking regulators and Town Bankshares' shareholders and certain closing conditions. The transaction is expected to close by the early part of the fourth quarter of 2004 and is not expected to have a material effect on Wintrust's 2004 earnings per share.
