ELECTION OF DIRECTORS

One of the purposes of the Annual Meeting is to elect three persons to Class I of the Board of Directors in accordance with the Company's Articles of Incorporation. Unless instructed to the contrary, the persons named in the accompanying proxy will vote the shares for the election of the nominees named herein to Class I of the Board of Directors as described below. Although it is not contemplated that any nominee will decline or be unable to serve, the shares will be voted by the proxy holders in their discretion for another person if such a contingency should arise. The term of each person elected as a director will continue until the director's term has expired and until his or her successor is elected and qualified. The three persons receiving the largest number of affirmative votes shall be elected as Class I directors. Since there is no particular percentage of either the outstanding shares or the shares represented at the meeting required to elect a director, abstentions and broker non-votes will have the same effect as the failure of shares to be represented at the Annual Meeting, except that the shares subject to such abstentions or non-votes will be counted in determining whether there is a quorum for taking shareholder action, under California law and the Company's Articles of Incorporation and Bylaws.

The Company's Articles of Incorporation provides that its nine directors be divided into three classes. The term of office of those directors in Class I expires at the 2006 Annual Meeting of Shareholders; the term of office of those directors in Class II expires at the 2007 Annual Meeting of Shareholders; and the term of office of those directors in Class III expires at the 2008 Annual Meeting of Shareholders. Directors elected to succeed those directors whose

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

terms expire are elected for a term of office to expire at the third succeeding annual meeting of shareholders after their election.

Information Regarding Director Nominees

Messrs. Parkinson, Colburn and Ornstein are currently serving as directors in Class I and were elected at the 2003 Annual Meeting of Shareholders for a term of office expiring at the 2006 Annual Meeting of Shareholders. requisite time and energies to their duties as director, and relevant experience and skills to be an effective director in conjunction with the full Board in collectively serving the long-term interests of the Company's shareholders. Board members are evaluated and selected based on their individual merit as well as in the context of the needs of the Board as a whole.

The Nominating and Corporate Governance Committee is responsible for identifying, reviewing, and recommending for the Board's selection qualified individuals to be nominated for election or reelection to the Board, consistent with the criteria set forth in the Company's Corporate Governance Guidelines. The Nominating and Corporate Governance Committee, in conducting such evaluation, may also take into account such other factors as it deems relevant. Prior to nominating an existing director for re-election to the Board, the Nominating and Corporate Governance Committee considers and reviews the existing director's Board and committee meeting attendance and performance, length of Board service, independence, as well as the experience, skills and contributions that the existing director brings to the Board. Further, the Nominating and Corporate Governance Committee receives disclosures relating to a director's independence and assists the Board in making determinations as to the independence of the directors. The Nominating and Corporate Governance Committee also conducts an annual review of the composition and structure of the Board as a whole.

From time to time, the Nominating and Corporate Governance Committee may engage outside search firms to assist it in identifying and contacting qualified director candidates.

A shareholder notice must contain the following information: the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; a representation that the shareholder is a holder of record of stock of the corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC, had the nominee been nominated, or intended to be nominated, by the board of directors; and the consent of each nominee to serve as a director of the corporation if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedures, which nomination shall be void.

-6-

Certain Relationships and Related Transactions

Superior's main office and manufacturing facilities located at 7800 Woodley Avenue, Van Nuys, California, are leased from Mr. L. Borick, who is a director and Chairman of the Board of the Company, and Juanita A. Borick, who is Mr. L. Borick's former spouse. One of the two buildings on the property is a casting plant containing approximately 85,000 square feet and the other is a combined office, manufacturing and warehouse structure. The offices comprise approximately 24,000 square feet and the manufacturing and warehouse area 236,000 square feet. During fiscal 2005, Superior paid \$1,332,936 in rentals under the lease.

Superior leases the warehouse and office facilities at 14721 Keswick Street, Van Nuys, California from Keswick Properties, owned jointly by Steven J. Borick, who is a director and officer of the Company, and two other of Mr. L. Borick's children. During fiscal 2005, Superior paid Keswick Properties \$292,102 in rentals under the lease.

Based upon independent appraisals, the Company believes the related party transactions described above were fair to the Company and could have been obtained on similar terms from an unaffiliated third party.

There are no personal loans or other extensions of credit to directors or executives.

However, as a result of the Sarbanes-Oxley Act, the Company has decided not to pay such premiums, but rather to reimburse Mr. L. Borick for his payment of the premiums. Effective January 1, 2005, Mr. Borick also began receiving, per the terms of his 1994 CEO employment agreement, one-twelfth of his annual base compensation as of December 31, 2004, during each of the ensuing 60 months and one-half such amount during each of the 120 months following. Mr. L. Borick's annual base compensation on December 31, 2004 was \$1 million.

COMPENSATION COMMITTEE REPORT

The Compensation Committee (the "Committee") is composed of Messrs. Ausman, Colburn, Evans and Parkinson, each of whom meet the independence requirements as promulgated by the New York Stock Exchange. The Committee's responsibilities include developing and making recommendations to the full Board with respect to executive compensation. Also, the Committee establishes the annual compensation of the Company's Chairman and the Company's Chief Executive Officer ("CEO") and reviews the compensation policy related to the Company's other executive officers. The Committee's executive compensation philosophy is to set levels of overall compensation that will allow the Company to successfully compete for exceptional executives, to tie part of each executive's compensation to the success of the Company in attaining its short and long-term objectives, and to recognize individual effort and achievement.

The Committee considers the competitiveness of overall compensation, solely, and evaluates the performance of the executive officers and adjusts salaries accordingly. For individuals other than the CEO, adjustments are made without regard to a specified

-14-

formula based on subjective recommendations of the Chairman and the CEO to the Committee of the individual executive's performance and also take into account the profitability of the Company. The Committee believes these criteria for salary adjustments are in accordance with sound overall compensation guidelines.

Pursuant to this philosophy, the Committee reviews published compensation surveys covering a wide array of public companies, both larger and smaller than the Company. Periodically the Committee reviews the compensation paid and to be paid to each of the Company's executive officers and receives an evaluation of their performance from the Company's CEO. The Company's Chairman has a services agreement, and the Company's CEO has an employment agreement, which are discussed under "Employment Agreements."

The compensation surveys utilized for CEO compensation are published in national magazines that contain certain of the companies comprising the peer

Edgar Filing: SUPERIOR INDUSTRIES INTERNATIONAL INC - Form DEF 14A

group (see "Common Stock Performance Graph") and include a variety of other public companies. Compensation levels for the CEO were not solely based by reference to peer company compensation levels. The Committee does not specifically target a level of compensation relative to comparative compensation data collected for the CEO or other executive officers, but rather refers to this data for subjective review and confirmation of reasonableness of salaries paid to executives.

In 2005, the Board of Directors and the shareholders approved an Incentive Bonus Plan (the "CEO Bonus Plan") for Mr. Steven Borick, the Company's President and CEO. The purpose of the CEO Bonus Plan is to provide Mr. Borick an additional incentive to continue the extraordinary efforts, initiative and judgment he has exercised on behalf of the Company and its shareholders by establishing his yearly bonus on a specific formula basis. Under the CEO Bonus Plan, Mr. Borick is eligible to receive 75% of his annual base compensation if the Company's pretax income before bonuses ("adjusted pretax income") as defined in the Bonus Plan is equal to at least 100% of the annual plan level ("target incentive") as approved by the Compensation Committee. However, if such adjusted pretax income targets are not met, the award is reduced such that no bonus is awarded if the adjusted pretax income is less than 66% of the target incentive. A pro rata interpolated rate will be awarded between 66% and 100%. If adjusted pretax income is greater than the target incentive, Mr. Borick is eligible for awards that will be interpolated up to 300% of the target incentive with a maximum award in any event of \$1,687,500. The CEO Bonus Plan expires by its terms on May 13, 2010.

The Compensation Committee of the Board is responsible for the administration of the CEO Bonus Plan. The Compensation Committee consists of two or more members of the Board, each of whom is an "outside director" for purposes of Section 162(m) of the Internal Revenue Code. The Compensation Committee annually certifies whether the planned level has been achieved and what compensation is payable to Mr. Borick. Mr. Borick's bonus award is paid in cash.

Outside compensation consultants were engaged to review and research competitive market salary and bonus data for the CEO Bonus Plan. Based on multiple sources of published compensation survey data compiled by recognized large prestigious companies in the field of compensation, even if Mr. Borick were to receive the maximum payout under this plan, his total cash compensation would fall between the 50th and 75th percentile of all salaries, meaning that his cash compensation will fall within expected market level compensation. The Committee had the right to amend or terminate the CEO Bonus Plan at any time, but could not increase the amount of bonus payable in excess of that provided for under the Plan formula. The 2005 bonus paid to Mr. Borick pursuant to the CEO Bonus Plan was \$0.

The overall amount of the bonus pool is approximately 5.7% of pre-tax income. The bonus pool is utilized for all employee bonuses including the CEO Bonus Plan. The determination as to the portion of the bonus pool awarded to each executive, other than the CEO, is entirely subjective and discretionary based on an evaluation of their performance and contribution for the year. The Committee approved the establishment of the bonus pool and the amount; and individual bonus awards, other than for the CEO, are based on recommendations of the CEO and reviewed and approved by the Committee.

The stock option awards to each executive, as determined by the Compensation and Benefits Committee, are determined subjectively based on an evaluation of their performance and contribution to the Company and also take into account the relative financial performance of the Company without regard to any specified formula.

Base salaries are generally reviewed no sooner than every 12 months and adjusted when deemed necessary. The last salary review for each of the Named

Officers was as follows: Mr. S. Borick (March 1, 2006), Mr. Ornstein (March 1, 2006), Mr. Ferguson (March 1, 2006), Mr. O'Rourke (March 1, 2006) and Mr. Levine (March 1, 2006).
