SECTION 5.18 FURTHER ASSURANCES.

SECTION 5.19 INDEMNITY BY BORROWER.

Borrower (including the Company) shall indemnify, save and hold harmless the Lender and its directors, officers, lenders, attorneys and employees (the "Indemnitee") from and against (i) any and all claims, demands, actions or causes of action that are asserted against any Indemnitee if the claim, demand, action or cause of action, directly or indirectly, relates to this Agreement and the other Loan Documents, the Loan, the use of proceeds of the Loan or the relationship of Borrower and the Lender under this Agreement or any transaction contemplated pursuant to this Agreement, (ii) any administrative or investigative proceeding by any Governmental Authority, directly or indirectly, related to a claim, demand, action or cause of action described in clause (i) above, and (iii) any and all liabilities, losses, costs or expenses (including reasonable attorneys' fees and disbursements) that any Indemnitee suffers or

Edgar Filing: DIGITAL LEARNING - Form SC 13D

incurs as a result of any of the foregoing; provided, however, that Borrower shall have no obligation under this Section 5.16 to the Lender with respect to any of the foregoing arising out of the gross negligence or willful misconduct of the Lender or its assignees or the breach by Lender or its assignees of this Agreement or any other Loan Document or other document executed in connection with any of the aforesaid, the breach by the Lender or its assignees of any intercreditor or participation agreement or commitment with other parties, the violation or alleged violation of any law, rule or regulation by the Lender or its assignees, or from the transfer or disposition by the Lender of any Debentures or the Common Stock issued upon conversion of the Debentures. If any claim, demand, action or cause of action is asserted against any Indemnitee, such Indemnitee shall promptly notify Borrower, but the failure to so promptly notify Borrower shall not affect Borrower's obligations under this Section unless such failure materially prejudices Borrower's right or ability to participate in the contest of such claim, demand, action or cause of action, as hereinafter provided. In the event that such Indemnitee's failure to properly notify Borrower materially prejudices Borrower's right or ability to participate in the contest of such claim, demand action or cause of action, then said Indemnitee shall have no right to receive, and Borrower shall have no obligation to pay, any indemnification amounts hereunder. Borrower may elect to defend any such claim, demand, action or cause of action (at its own expense) asserted against said Indemnitee and, if requested by Borrower in writing and so long as no Default or Event of Default shall have occurred and be continuing, such Indemnitee (at Borrower's expense) shall, in good faith, contest the validity, applicability and amount of such claim, demand, action or cause of action and shall permit Borrower to participate in such contest. Any Indemnitee that proposes to settle or compromise any claim or proceeding for which Borrower may be liable, for payment to or on behalf of an Indemnitee hereunder, shall give Borrower written notice of the terms of such proposed settlement or compromise reasonably in advance of settling or compromising such claim or proceeding and shall obtain Borrower's written concurrence thereto. In the event that said Indemnitee fails to obtain Borrower's prior written consent to any such settlement or compromise, said Indemnitee shall have no right to receive, and Borrower shall have no obligation to pay, any indemnification amounts hereunder. Each Indemnitee may employ counsel, which counsel shall be reasonably acceptable to Borrower, in enforcing its rights hereunder and in defending against any claim, demand, action or cause of action covered by this Section 5.16; provided, however, that each Indemnitee shall endeavor in connection with any matter covered by this Section 5.16 which also involves any other Indemnitee, use reasonable efforts to avoid unnecessary duplication of effort by counsel for all Indemnitees, including allowing Borrower to select one lawyer for all parties, such selection to be subject to the approval of such parties, which approval shall not be unreasonably withheld. Any obligation or liability of Borrower to any Indemnitee under this Section 5.16 shall survive the expiration or termination of this Agreement and the repayment of the Debentures.

27

Thereafter, each such person shall only sell such shares pursuant to Rule 144, without the consent of the Lender, until the Debentures have been paid in full.

SECTION 5.23 SUBSEQUENTLY FORMED SUBSIDIARIES.

Borrower (including the Company) shall cause all subsequently formed Subsidiaries to execute a Subsidiaries' Guaranty and Security Agreement referenced in Section 3.01(c)

ARTICLE IX. - REGISTRATION RIGHTS

SECTION 9.01 "PIGGY-BACK" REGISTRATION.

If the Company proposes to register any of its capital stock under the 1933 Act in connection with the public offering of such securities for its own account or for the account of its security holders, other than Holders of Registrable Securities pursuant hereto (a "Piggy-Back Registration Statement"), except for (i) a registration relating solely to the sale of securities to participants in the Company's stock or stock option plans or employee benefit plans or (ii) a registration relating solely to a transaction for which Form S-4 may be used, then:

(a) The Company shall give written notice of such determination to each Holder of Registrable Securities, and each such Holder shall have the right to request, by written notice given to the Company within 15 days of the date that such written notice was mailed by the Company to such Holder, that a specific number of Registrable Securities held by such Holder be included in the Piggy-Back Registration Statement (and related underwritten offering, if any) and the states in which such Registrable Securities are to be sold;

(b) If the Piggy-Back Registration Statement relates to an underwritten offering, the notice given to each Holder shall specify the name or names of the

Edgar Filing: DIGITAL LEARNING - Form SC 13D

managing underwriter or underwriters for such offering. In addition, such notice shall also specify the number of securities to be registered for the account of the Company and for the account of its shareholders (other than the Holders of Registrable Securities), if any;

(c) If the Piggy-Back Registration Statement relates to an underwritten offering, each Holder of Registrable Securities to be included therein must agree (i) to sell such Holder's Registrable Securities on the same basis as provided in the underwriting arrangement approved by the Company, and (ii) to timely complete and execute all questionnaires, powers of attorney, indemnities, hold-back agreements, lock-up agreements, underwriting agreements and other documents required under the terms of such underwriting arrangements or by the SEC or by any state securities regulatory body;

(d) If the managing underwriter or underwriters for the underwritten offering under the Piggy-Back Registration Statement determines that inclusion of all or any portion of the Registrable Securities in such offering would materially adversely affect the ability of the underwriters for such offering to sell all of the securities requested to be included for sale in such offering at the best price obtainable therefor, the aggregate number of Registrable Securities that may be sold by the Holders shall be limited to such number of Registrable Securities, if any, that the managing underwriter or underwriters determine may be included therein without such adverse effect as provided below. If the number of securities proposed to be sold in such underwritten offering exceeds the number of securities that may be sold in such offering, there shall be included in the offering, first, up to the maximum number of securities to be sold by the Company for its own account and for the account of other stockholders (other than Holders of Registrable Securities), as they may agree among themselves, and second, as to the balance, if any, Registrable Securities requested to be included therein by the Holders thereof (pro rata as between such Holders based upon the number of Registrable Securities initially proposed to be registered by each), or in such other proportions as the managing underwriter or underwriters for the offering may require; provided, however, that in the event that the number of securities proposed to be sold in such underwritten offering exceeds the number of securities that may be sold in such offering pursuant to the terms and conditions set forth above and the Piggy-Back Registration Statement is a result of public offering by the Company of its securities for its own account, there shall be included in the offering, first, up to the maximum number of securities to be sold by the Company for its own account and second, as to the balance, if any, securities to be sold for the account of the Company's stockholders (both the Holders of Registrable Securities requested and such other stockholders of the Company requested to be included therein) on a pro rata basis;

(e) Holders of Registrable Securities shall have the right to withdraw their Registrable Securities from the Piggy-Back Registration Statement, but if the same relates to an underwritten offering, they may only do so during the time period and on the terms agreed upon among the underwriters for such underwritten offering and the Holders of Registrable Securities;

(f) The exercise of the registration rights of the Holders with respect to any specific underwritten offering shall be subject to a 90-day delay at the request of the managing underwriter;

All piggyback registration rights of the Holders shall terminate when all of the Registrable Securities Then Outstanding may be sold pursuant to Rule 144(k).

Edgar Filing: DIGITAL LEARNING - Form SC 13D

The Holders shall pay all underwriting fees and discounts on their Registrable Securities, as well as the fees and expenses of their counsel.

SECTION 9.02 SHELF REGISTRATION.

The Company shall, at its expense, file a registration statement on Form S-3 under the 1933 Act (the "Shelf Registration") covering all of the Registrable Securities within one hundred eighty (180) days of the date of the Debentures or sixty (60) days after the date the the Company first becomes eligible to file the Shelf Registration, and the Company shall use its best efforts to cause the Shelf Registration to be declared effective and to keep the Shelf Registration continuously effective until all of the Registrable Securities registered therein cease to be Registrable Securities. The securities shall cease to be Registrable Securities (a) when the Shelf Registration shall have become effective under the 1933 Act and such securities shall have been disposed of pursuant to a registration statement, or (b) such securities shall have been sold as permitted by Rule 144 under the 1933 Act or the date on which the Registrable Securities may be sold pursuant to Rule 144(k), whichever is the first to occur. The Company agrees, if necessary, to supplement or amend the Shelf Registration, as required by the registration form utilized by the Company or by the instructions applicable to such registration form or by the 1933 Act, and the Company agrees to furnish to the holders of the Registrable Securities copies of any prospectus, supplement or amendment prior to its being used.

SECTION 9.03 OBLIGATIONS OF THE COMPANY.

Whenever required to effect the registration of any Registrable Securities pursuant to this Agreement, the Company shall, as expeditiously as reasonably possible:

(a) Prepare and file with the SEC a registration statement with respect to such Registrable Securities and use all reasonable efforts to cause such registration statement to become effective, subject to the receipt of all required information from the Holders, and keep such registration statement effective until the sooner of all such Registrable Securities having been distributed, or until 120 days have elapsed since such registration statement became effective (subject to an extension of this period as provided below);

(b) Prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the 1933 Act with respect to the disposition of all securities covered by such registration statement, or 120 days have elapsed since such registration statement became effective (subject to the extension of this period as provided below);

(c) Furnish to the Holders such numbers of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the 1933 Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned by them;

(d) Use all reasonable efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holders, provided that the Company shall not be required, in connection therewith or as a condition thereto, to qualify as a broker-dealer in any states or jurisdictions or to do business or to file a general consent to service of process in any such states or jurisdictions;

(e) In the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement with the managing

Edgar Filing: DIGITAL LEARNING - Form SC 13D

underwriter of such offering, in usual and customary form reasonably satisfactory to the Company and the Holders of a majority of the Registrable Securities to be included in such offering. Each Holder participating in such underwriting shall also enter into and perform its obligations under such an agreement;

35

(f) Notify each Holder of Registrable Securities covered by such registration statement, at any time when a prospectus relating thereto and covered by such registration statement is required to be delivered under the 1933 Act, of the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; and

(g) In the event of the notification provided for in Section 9.03(f) above, the Company shall use its best efforts to prepare and file with the SEC (and to provide copies thereof to the Holders) as soon as reasonably possible an amended prospectus complying with the 1933 Act, and the period during which the prospectus referred to in the notice provided for in Section 9.03(f) above cannot be used and the time period prior to the use of the amended prospectus referred to in this Section 9.03(g) shall not be counted in the 120 day period of this Section 9.03.

SECTION 9.04 FURNISH INFORMATION.

(a) It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Article IX that the selling Holders shall furnish to the Company any and all information reasonably requested by the Company, its officers, directors, employees, counsel, agents or representatives, the underwriter or underwriters, if any, and the SEC or any other Governmental Authority, including, but not limited to: (i) such information regarding themselves, the Registrable Securities held by them, and the intended method of disposition of such securities, as shall be required to effect the registration of their Registrable Securities; and (ii) the identity of and compensation to be paid to any proposed underwriter or broker-dealer to be employed in connection therewith.

(b) In connection with the preparation and filing of each registration statement registering Registrable Securities under the 1933 Act, the Company shall give the Holders of Registrable Securities on whose behalf such Registrable Securities are to be registered and their underwriters, if any, and their respective counsel and accountants, at such Holders' sole cost and expense (except as otherwise set forth herein), such access to copies of the Company's records and documents and such opportunities to discuss the business of the Company with its officers and the independent public accountants who have certified its financial statements as shall be reasonably necessary in the opinion of such Holders and such underwriters or their respective counsel, to conduct a reasonable investigation within the meaning of the 1933 Act.

SECTION 9.05 EXPENSES OF REGISTRATION.

All expenses, other than underwriting discounts and commissions applicable to the Registrable Securities sold by selling Holders, incurred in connection with the registration of the Registrable Securities pursuant to this Article, including, without limitation, all registration, filing and qualification fees, printer's expenses, and accounting and legal fees and expenses of the Company,

Edgar Filing: DIGITAL LEARNING - Form SC 13D

shall be borne by the Company; provided, however, selling Holders shall be responsible for all costs of their due diligence and legal counsel and other advisors in connection with a registration of Registrable Securities.

36

SECTION 9.06 INDEMNIFICATION REGARDING REGISTRATION RIGHTS.

If any Registrable Securities are included in a registration statement under this Article:

(a) To the extent permitted by law, the Company will indemnify and hold harmless each Holder, the officers and directors of each Holder, any underwriter (as defined in the 1933 Act) for such Holder and each person, if any, who controls such Holder or underwriter within the meaning of the 1933 Act or the 1934 Act, against any losses, claims, damages, liabilities (joint or several) or any legal or other costs and expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action to which they may become subject under the 1933 Act, the 1934 Act or state law, insofar as such losses, claims, damages, costs, expenses or liabilities (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (each a "Violation"): (i) any untrue statement or alleged untrue statement of a material fact with respect to the Company or its securities contained in such registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements therein; (ii) the omission or alleged omission to state therein a material fact with respect to the Company or its securities required to be stated therein or necessary to make the statements therein not misleading; or (iii) any violation or alleged violation by the Company of the 1933 Act, the 1934 Act, any state securities law or any rule or regulation promulgated under the 1933 Act, the 1934 Act or any state securities law. Notwithstanding the foregoing, the indemnity agreement contained in this Section 9.06(a) shall not apply and the Company shall not be liable (i) in any such case for any such loss, claim, damage, costs, expenses, liability or action to the extent that it arises out of or is based upon a Violation which occurs in reliance upon, and in conformity with, written information furnished expressly for use in connection with such registration by any such Holder or its authorized agent, underwriter or controlling person, or (ii) for amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld.

(b) To the extent permitted by law, each Holder who participates in a registration pursuant to the terms and conditions of this Agreement shall indemnify and hold harmless the Company, each of its directors and officers who have signed the registration statement, each Person, if any, who controls the Company within the meaning of the 1933 Act, the 1934 Act, any state securities law or any rule or regulation promulgated under the 1933 Act, the 1934 Act or any state securities law, each of the Company's employees, agents, counsel and representatives, any underwriter and any other Holder selling securities in such registration statement, or any of its directors or officers, or any person who controls such Holder, against any losses, claims, damages, costs, expenses or liabilities (joint or several) to which the Company or any such director, officer, controlling person, employee, agent, representative, underwriter or other such Holder, or director, officer or controlling person thereof, may become subject, under the 1933 Act, the 1934 Act or other federal or state law, only insofar as such losses, claims, damages, costs, expenses or liabilities or actions in respect thereto arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation occurs in

Edgar Filing: DIGITAL LEARNING - Form SC 13D

reliance upon and in conformity with written information furnished by such Holder expressly for use in connection with such Registration. Each such Holder will indemnify any legal or other expenses reasonably incurred by the Company or any such director, officer, employee, agent, representative, controlling person, underwriter or other Holder, or officer, director or any controlling person thereof, in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 9.06(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, costs, expenses, liability or action if such settlement is effected without the prior written consent of the Holder, which consent shall not be unreasonably withheld.

37

(c) Promptly after receipt by an indemnified party under this Section 9.06 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 9.06, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party shall have the right to retain its own counsel, with the reasonable fees and expenses of such counsel to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential conflict of interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve the indemnifying party of its obligations under this Section 9.06, except to the extent that the failure results in a failure of actual notice to the indemnifying party and such indemnifying party is materially prejudiced in its ability to defend such action solely as a result of the failure to give such notice.

(d) If the indemnification provided for in this Section 9.06 is unavailable to an indemnified party under this Section in respect of any losses, claims, damages, costs, expenses, liabilities or actions referred to herein, then each indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, costs, expenses, liabilities or actions in such proportion as is appropriate to reflect the relative fault of the Company, on the one hand and of the Holder, on the other, in connection with the Violation that resulted in such losses, claims, damages, costs, expenses, liabilities or actions. The relative fault of the Company, on the one hand, and of the Holder, on the other, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of the material fact or the omission to state a material fact relates to information supplied by the Company or by the Holder, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, on the one hand, and the Holders, on the other, agree that it would not be just and equitable if contribution pursuant to this Section 9.06 were determined by a pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of losses, claims, damages, costs, expenses, liabilities and actions referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any reasonable

Edgar Filing: DIGITAL LEARNING - Form SC 13D

legal or other expenses incurred by such indemnified party in connection with defending any such action or claim. Notwithstanding the provisions of this Section 9.06, neither the Company nor the Holders shall be required to contribute any amount in excess of the amount by which the total price at which the securities were offered to the public exceeds the amount of any damages which the Company or each such Holder has otherwise been required to pay by reason of such Violation. No person guilty of fraudulent misrepresentations (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who is not guilty of such fraudulent misrepresentation.

SECTION 9.07 REPORTS UNDER THE 1934 ACT.

So long as the Company has a class of securities registered pursuant to Section 12 of the 1934 Act, with a view to making available to the Holders the benefits of Rule 144 promulgated under the 1933 Act ("Rule 144") and any other rule or regulation of the SEC that may at any time permit a Holder to sell securities of the Company to the public without registration or pursuant to a registration on Form S-3, if applicable, the Company agrees to use its reasonable efforts to:

(a) Make and keep public information available, as those terms are understood and defined in Rule 144, at all times;

(b) File with the SEC, in a timely manner, all reports and other documents required of the Company under the 1933 Act and the 1934 Act;

38

(c) Use its best efforts to include all Common Stock covered by such registration statement on NASDAQ if the Common Stock is then quoted on NASDAQ; or list all Common Stock covered by such registration statement on such securities exchange or bulletin board on which any of the Common Stock is then listed; or, if the Common Stock is not then quoted on NASDAQ or listed on any national securities exchange or bulletin board, use its best efforts to have such Common Stock covered by such registration statement quoted on NASDAQ or, at the option of the Company, listed on a national securities exchange or bulletin board if eligible for listing; and

(d) Furnish to any Holder, so long as the Holder owns any Registrable Securities, (i) forthwith upon request, a copy of the most recent annual or quarterly report of the Company and such other SEC reports and documents so filed by the Company, and (ii) such other information (but not any opinion of counsel) as may be reasonably requested by any Holder seeking to avail himself of any rule or regulation of the SEC which permits the selling of any such securities without registration or pursuant to such form.

SECTION 9.08 ASSIGNMENT OF REGISTRATION RIGHTS.

Subject to the terms and conditions of this Agreement, and the Debentures, the right to cause the Company to register Registrable Securities pursuant to this Agreement may be assigned by Holder to any transferee or assignee of such securities; provided that (i) such transferee or assignee is a transferee or assignee of at least ten percent (10%) of the Registrable Securities, (ii) such transferee or assignee is not a Person who is a direct, material competitor of the Company, (iii) the Company is, within a reasonable time after such transfer, furnished with written notice of the name and address of such transferee or assignee and the securities with respect to which such registration rights are being assigned; and, (iv) such assignment shall be effective only if,

Edgar Filing: DIGITAL LEARNING - Form SC 13D

immediately following such transfer, the further disposition of such securities by the transferee or assignee is restricted under the 1933 Act; it being the intention that, so long as Holder holds any Registrable Securities hereunder, either Holder or its transferee or assignee of at least ten percent may exercise the piggy-back registration rights hereunder. Other than as set forth above, the parties hereto hereby agree that the registration rights hereunder shall not be transferable or assigned and any contemplated transfer or assignment in contravention of this Agreement shall be deemed null and void and of no effect whatsoever.

SECTION 9.09 OTHER MATTERS.

(a) Each Holder of Registrable Securities hereby agrees by acquisition of such Registrable Securities that, with respect to each offering of the Registrable Securities, whether each Holder is offering such Registrable Securities in an underwritten or nonunderwritten offering, such Holder will comply with Regulation M or such other or additional anti-manipulation rules then in effect until such offering has been completed, and in respect of any nonunderwritten offering, in writing will inform the Company, any other Holders who are selling shareholders, and any national securities exchange upon which the securities of the Company are listed, that the Registrable Securities have been sold and will, upon the Company's request, furnish the distribution list of the Registrable Securities. In addition, upon the request of the Company, each Holder will supply the Company with such documents and information as the Company may reasonably request with respect to the subject matter set forth and described in this Section 9.09.

(b) Each Holder of Registrable Securities hereby agrees by acquisition of such Registrable Securities that, upon receipt of any notice from the Company of the happening of any event which makes any statement made in the registration statement, the prospectus or any document incorporated therein by reference, untrue in any material respect or which requires the making of any changes in the registration statement, the prospectus or any document incorporated therein by reference, in order to make the statements therein not misleading in any material respect, such Holder will forthwith discontinue disposition of Registrable Securities under the prospectus related to the applicable registration statement until such Holder's receipt of the copies of the supplemented or amended prospectus, or until it is advised in writing by the Company that the use of the prospectus may be resumed, and has received copies of any additional or supplemental filings which are incorporated by reference in the prospectus.

ARTICLE X. - BOARD OF DIRECTORS

SECTION 10.01 BOARD REPRESENTATION OR ATTENDANCE BY OBSERVER.

(a) The Company herewith agrees that Agent shall have the right, from time to time, to designate a nominee to serve as a member of the Board of Directors of the Company. In the event of a monetary Default under Section 8.01 hereof, the Agent shall have the right to designate one (1) additional nominee to serve as a member of the Board of Directors of the Company. During such time as Agent has not exercised such rights, the Agent shall have the right to designate an observer, who shall be entitled to attend and participate (but not vote) in all meetings of the Board of Directors and to receive all notices, reports, information, correspondence and communications sent by the Company to members of the Board of Directors. All costs and expenses incurred by any such designated Director or observer, or by Agent on behalf of such Director or observer, shall

Edgar Filing: DIGITAL LEARNING - Form SC 13D

be promptly reimbursed by the Company.

(b) Any such Director or observer shall, if requested to do so, absent himself or herself from the meeting in the event of, and so long as, the Directors are considering and acting on matters pertaining to any rights or obligations of the Company or the Lender under this Agreement, the Debentures, the other Loan Documents.

SECTION 10.02 LIMITATION OF AUTHORITY OF PERSONS DESIGNATED AS A DIRECTOR NOMINEE.

It is provided and agreed that the actions and advice of any person while serving pursuant to Section 10.01 as a Director or an observer at meetings of the Board of Directors shall be construed to be the actions and advice of that person alone and not be construed as actions of the Lender as to any notice of requirements or rights of Lender under this Agreement, the Debentures, the other Loan Documents nor as actions of the Lender to approve modifications, consents, amendments or waivers thereof; and all such actions or notices shall be deemed actions or notices of the Lender only when duly provided in writing and given in accordance with the provisions of this Agreement.

SECTION 10.03 NONLIABILITY OF THE LENDER.

The relationship between Borrower and the Lender is, and shall at all times remain, solely that of borrower and lender. The Lender neither undertakes nor assumes any responsibility or duty to Borrower to review, inspect, supervise, pass judgment upon or inform Borrower of any matter in connection with any phase of Borrower's business, operations or condition, financial or otherwise. Borrower shall rely entirely upon its own judgment with respect to such matters, and any review, inspection, supervision, exercise of judgment or information supplied to Borrower by the Lender, or any representative or agent of the Lender, in connection with any such matter is for the protection of the Lender, and neither Borrower nor any third party is entitled to rely thereon.

ARTICLE XI. - AGENCY PROVISIONS

SECTION 11.01 THE LENDER'S REPRESENTATIONS AND WARRANTIES TO AGENT.

Lender represents and warrants to the Agent:

40

(a) It is legal for it to make the Loan, and the making of such Loan complies with laws applicable to it;

(b) It has made, its own independent review (including any desired investigations and inspections) of, and it accepts and approves, the Loan, this Agreement and the associated documents and all other matters and information which it deems pertinent. It acknowledges that the Loan Documents are a complete statement of all understandings and respective rights and obligations between and among the Lender, Subsidiaries and Borrower regarding the Loan;

(c) Lender has not made any express or implied representation or warranty to any other lender with respect to this transaction;

(d) It will, independently and without reliance upon any other lender, and based upon such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and will make such

Edgar Filing: DIGITAL LEARNING - Form SC 13D

investigation as it deems necessary to inform itself as to the Loan, the Loan Documents, Borrower and any collateral; provided, however, nothing contained in this Section shall limit Agent's obligation to provide the Lender with the information and documents Agent is expressly required to deliver under this Agreement;

(f) The Loan Documents executed by the Lender are valid and binding obligations of the Lender.

SECTION 11.02 WAIVER OF LOAN PROVISIONS OR INTEREST OR PRINCIPAL PAYMENTS.

A waiver of an interest or principal payment, a declaration of a Default or any amendment, modification or waiver of this Agreement or the Debentures will require the consent of the Lender.

SECTION 11.03 AGENCY.

(a) Lender hereby designates and appoints RENN Group as its Agent under this Agreement and authorizes the Agent to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers as are set forth herein or therein, together with such other powers as are reasonably incidental thereto. In performing its functions and duties under this Agreement, the Agent shall act solely as agent of the Lender and does not assume, and shall not be deemed to have assumed, any obligation toward or relationship of agency or trust with or for Borrower. The Agent may perform any of its duties under this Agreement, or under the other Loan Documents, by or through its agents or employees.

(b) The Agent shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Loan Documents. Except as expressly provided herein, the duties of the Agent shall be mechanical and administrative in nature. The Agent shall have, and may use, its sole discretion with respect to exercising or refraining from taking any actions which the Agent is expressly entitled to take or assert under this Agreement or the other Loan Documents. The Agent shall not have, by reason of this Agreement, a fiduciary relationship with respect to the Lender. Nothing in this Agreement, or in any of the other Loan Documents, express or implied, is intended to or shall be construed to impose upon the Agent any obligations in respect of this Agreement or in any of the other Loan Documents except as expressly set forth herein or therein. If the Agent seeks the consent or approval of the Lender to the taking or refraining from taking any action hereunder, the Agent shall send notice thereof to the Lender. The Agent may employ agents, co-agents and attorneys-in-fact and shall not be responsible to the Lender or Borrower, except as to money or securities received by it or its authorized agents, for the negligence or misconduct of any such agents or attorneys-in-fact selected by it with reasonable care.

(c) Neither the Agent nor any of its officers, directors, employees or agents shall be liable to the Lender for any action taken or omitted by it or any of them under this Agreement or in any of the other Loan Documents, or in connection herewith or therewith, except that no Person shall be relieved of any liability imposed by law, intentional tort or gross negligence. The Agent shall not be responsible to the Lender for any recitals, statements, representations or warranties contained in this Agreement or for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency of this Agreement or in any of the other Loan Documents, or any of the transactions contemplated thereby, or for the financial condition of Borrower or the

Edgar Filing: DIGITAL LEARNING - Form SC 13D

Subsidiaries. The Agent shall not be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or in any of the other Loan Documents or the financial condition of Borrower, or the existence or possible existence of any Default or Event of Default. Agent shall give the Lender notice of any Default or Event of Default of which Agent has actual notice. The Agent may, at any time, request instructions from the Lender with respect to any actions or approvals which, by the terms of this Agreement, of any of the other Loan Documents, the Agent is permitted or required to take or to grant, and if such instructions are promptly requested, the Agent shall be absolutely entitled to refrain from taking any action or to withhold any approval and shall not be under any liability whatsoever to any Person for refraining from any action or withholding any approval under any of the Loan Documents until it shall have received such instructions from the Lender. Without limiting the foregoing, the Lender shall not have any right of action whatsoever against the Agent as a result of the Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Lender.

(d) The Agent shall be entitled to rely upon any written notices, statements, certificates, orders or other documents or any telephone message believed by it, in good faith, to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it.

(e) To the extent that the Agent is not reimbursed and indemnified by Borrower, the Lender will reimburse and indemnify the Agent for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Agent in any way relating to or arising out of this Agreement or any of the other Loan Documents, or any action taken or omitted by the Agent under this Agreement or any of the other Loan Documents. The obligations of the Lender under this indemnification provision shall survive the payment in full of the Loans and the termination of this Agreement.

ARTICLE XII. - MISCELLANEOUS

SECTION 12.01 STRICT COMPLIANCE.

Any waiver by the Lender of any breach or any term or condition of this Agreement or the other Loan Documents shall not be deemed a waiver of any other breach, nor shall any failure to enforce any provision of this Agreement or the other Loan Documents operate as a waiver of such provision or of any other provision, nor constitute nor be deemed a waiver or release of Borrower for anything arising out of, connected with or based upon this Agreement or the other Loan Documents.

42

SECTION 12.02 WAIVERS AND MODIFICATIONS.

All modifications, consents, amendments or waivers (herein "Waivers") of any provision of this Agreement, the Debentures, any other Loan Documents, and any consent to departure therefrom, shall be effective only if the same shall be in writing by the Lender and then shall be effective only in the specific instance and for the purpose for which given. No notice or demand given, in any case, shall constitute a waiver of the right to take other action in the same, similar or other instances without such notice or demand. No failure to

Edgar Filing: DIGITAL LEARNING - Form SC 13D

exercise, and no delay in exercising, on the part of Agent or Lender, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right. The rights of Lender hereunder, under the other Loan Documents shall be in addition to all other rights provided by law.

SECTION 12.03 LIMITATION ON LIABILITY.

The duties, warranties, covenants and promises arising from the Loan Documents of Lender or Agent to Borrower shall be several and not joint, and Borrower shall have no legal or equitable cause of action against Lender or Agent (or their successors or assigns) for any liability of the other (or its successors or assigns).

SECTION 12.04 CHOICE OF FORUM; CONSENT TO SERVICE OF PROCESS AND JURISDICTION.

Any suit, action or proceeding against Borrower with respect to this Agreement or the Debentures or any judgment entered by any court in respect thereof, may be brought in the courts of the State of Texas, County of Dallas, or in the United States federal courts located in Dallas, Texas, as Lender or Agent, in its sole discretion, may elect, and Borrower hereby submits to the nonexclusive jurisdiction of such courts for the purpose of any such suit, action or proceeding. Borrower hereby agrees that service of all writs, process and summonses in any such suit, action or proceeding brought in the State of Texas may be brought upon, and Borrower hereby irrevocably appoints, CT Corporation System, Dallas, Texas, as its true and lawful attorney-in-fact in the name, place and stead of Borrower to accept such service of any and all such writs, process and summonses. Borrower hereby irrevocably waives any objections which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any Debentures brought in such courts, and hereby further irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in any inconvenient forum.

SECTION 12.05 INVALID PROVISIONS.

If any provision of any Loan Document is held to be illegal, invalid or unenforceable under present or future laws during the term of this Agreement, such provision shall be fully severable; such Loan Document shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part of such Loan Document; and the remaining provisions of such Loan Document shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from such Loan Document. Furthermore, in lieu of each such illegal, invalid or unenforceable provision shall be added as part of such Loan Document a provision mutually agreeable to Borrower and Lender as similar in terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable. In the event Borrower and Lender are unable to agree upon a provision to be added to the Loan Document within a period of ten (10) business days after a provision of the Loan Document is held to be illegal, invalid or unenforceable, then a provision acceptable to independent arbitrators, such to be selected in accordance with the provisions of the American Arbitration Association, as similar in terms to the illegal, invalid or unenforceable provision as is possible and be legal, valid and enforceable shall be added automatically to such Loan Document. In either case, the effective date of the added provision shall be the date upon which the prior provision was held to be illegal, invalid or unenforceable.

Edgar Filing: DIGITAL LEARNING - Form SC 13D

SECTION 12.06 MAXIMUM INTEREST RATE.

(a) Regardless of any provision contained in any of the Loan Documents, Lender shall never be entitled to receive, collect or apply as interest on the Debentures any amount in excess of interest calculated at the Maximum Rate, and, in the event that Lender ever receives, collects or applies as interest any such excess, the amount which would be excessive interest shall be deemed to be a partial prepayment of principal and treated hereunder as such; and, if the principal amount of the Obligation is paid in full, any remaining excess shall forthwith be paid to Borrower. In determining whether or not the interest paid or payable under any specific contingency exceeds interest calculated at the Maximum Rate, Borrower and Lender shall, to the maximum extent permitted under applicable law, (i) characterize any nonprincipal payment as an expense, fee or premium rather than as interest, (ii) exclude voluntary prepayments and the effects thereof, and (iii) amortize, pro rate, allocate and spread, in equal parts, the total amount of interest throughout the entire contemplated term of the Debentures; provided that, if the Debentures is paid and performed in full prior to the end of the full contemplated term thereof, and if the interest received for the actual period of existence thereof exceeds interest calculated at the Maximum Rate, Lender shall refund to Borrower the amount of such excess or credit the amount of such excess against the principal amount of the Debentures and, in such event, Lender shall not be subject to any penalties provided by any laws for contracting for, charging, taking, reserving or receiving interest in excess of interest calculated at the Maximum Rate.

(b) "Maximum Rate" shall mean, on any day, the highest nonusurious rate of interest permitted by applicable law on such day that, at any time or from time to time, may be contracted for, taken, reserved, charged or received on the Indebtedness evidenced by the Debentures under the laws which are presently in effect of the United States of America and the laws of any other jurisdiction which are or may be applicable to the holder of the Debentures and such Indebtedness or, to the extent permitted by law, under such applicable laws of the United States of America and the laws of any other jurisdiction which are or may be applicable to the holder of the Debentures and which may hereafter be in effect and which allow a higher maximum nonusurious interest rate than applicable laws now allow.

SECTION 12.07 PARTICIPATIONS AND ASSIGNMENTS OF THE DEBENTURES.

(a) Lender and the Agent shall have the right to enter into a participation agreement with any other party or its Affiliates with respect to the Debentures, or to sell all or any part of the Debentures, but any participation or sale shall not affect the rights and duties of Lender or the Agent hereunder vis-a-vis Borrower. In the event that all or any portion of the Loan shall be at any time, assigned, transferred or conveyed to other parties, any action, consent or waiver (except for compromise or extension of maturity), to be given or taken by Lender or the Agent hereunder (herein "Action"), shall be such action as taken by the holder of a majority in amount of the Principal Amount of the Debentures then outstanding, as such holder are recorded on the books of Borrower and represented by the Agent as described in subsection (b) below.

(b) Assignment or sale of the Debentures shall be effective on the books of Borrower only upon (i) endorsement of the Debentures, or part thereof, to the proposed new holder, along with a current notation of the amount of payments or installments received and net Principal Amount yet unfunded or unpaid, and presentment of such Debentures to Borrower for issue of a replacement Debentures, in the name of the new holder; and (ii) delivery of an opinion of counsel, reasonably satisfactory to Borrower, that transfer shall not require registration or qualification under applicable state or federal securities laws.

(c) The Debentures may be sold, transferred or assigned only to Affiliates of Lender or permitted transferees in multiples of One Hundred Thousand Dollars (\$100,000).

SECTION 12.08 CONFIDENTIALITY.

(a) All financial reports or information that are furnished to Lender or Holders, or their respective director designees or other representatives, pursuant to this Agreement or pursuant to the Debentures or the other Loan Documents shall be treated as confidential unless and to the extent that such information has been otherwise disclosed by Borrower, but nothing herein contained shall limit or impair the Lender's or Holders' right to disclose such reports to any appropriate Governmental Authority, or to use such information to the extent pertinent to an evaluation of the Obligation, or to enforce compliance with the terms and conditions of this Agreement, or to take any lawful action which the Lender or Holders deem necessary to protect their respective interests under this Agreement.

(b) Lender and the Agent shall use their reasonable efforts to protect and preserve the confidentiality of such information, except for such disclosure as shall be required for compliance by Lender or its respective director designees with SEC reporting requirements or any administrative or judicial proceeding or otherwise as a matter of law. The parties do not intend the benefits of this Agreement to inure to any third party, nor shall this Agreement be construed to make or render Lender liable to any materialman, supplier, contractor, subcontractor, purchaser or lessee of any property owned by Borrower, or for debts or claims accruing to any such persons against Borrower. Notwithstanding anything contained herein, in the Debentures, in any other Loan Document or in any Subsidiary Document, no conduct by any or all of the parties hereto, before or after signing this Agreement, any other Loan Document nor any Subsidiary Document, shall be construed as creating any right, claim or cause of action against Lender, or any of its respective officers, directors, agents or employees, in favor of any materialman, supplier, contractor, subcontractor, purchaser or lessee of any property owned by Borrower, nor to any other person or entity other than Borrower.

SECTION 12.11 ENTIRETY.

This Agreement and the Debentures, the other Loan Documents, and any other documents or instruments issued or entered into pursuant hereto and thereto contain the entire agreement between the parties and supersede all prior

THIS DEBENTURE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED ("ACT"), OR APPLICABLE STATE SECURITIES LAWS ("STATE ACTS"), AND SHALL NOT BE SOLD, HYPOTHECATED, OR OTHERWISE TRANSFERRED, UNLESS SUCH TRANSFER IS MADE IN COMPLIANCE WITH THE ACT AND THE STATE ACTS.

DIGITAL LEARNING INSTITUTE, INC.

7.00% CONVERTIBLE DEBENTURE

\$1,000,000

NO. 2

DATE OF ISSUE: FEBRUARY 27, 2004

DIGITAL LEARNING INSTITUTE, INC., a Delaware corporation (the "Borrower"), for value received, promises to pay to:

THE FROST NATIONAL BANK, CUSTODIAN FBO
RENAISSANCE CAPITAL GROWTH & INCOME FUND III, INC.
TRUST NO. W00740000

or to its order, (together with any assignee, jointly or severally, the "Holder" or "Lender") on or before February 27, 2011 (the "Due Date") (unless this Debenture shall have been sooner called for redemption or presented for conversion as herein provided), the sum of One Million Dollars (\$1,000,000) (the "Principal Amount") and to pay interest on the unpaid Principal Amount at the rate of 7.00% per annum. All payments of both principal and interest shall be made at the address of the Holder hereof as it appears in the books and records of the Borrower, or at such other place as may be designated by the Holder

Edgar Filing: DIGITAL LEARNING - Form SC 13D

hereof. Borrower shall, at all times during which this Debenture is outstanding, be a wholly owned subsidiary of FreePCSQuote.Com, Inc., a Nevada corporation (the "Company"), to be renamed Digital Learning Management Corporation.

1. Interest. Interest on the Principal Amount outstanding from time to time shall be payable in monthly installments commencing April 1, 2004, and subsequent payments shall be made on the first day of each month thereafter until the Principal Amount and all accrued and unpaid interest shall have been paid in full. Overdue principal and interest on the Debenture shall bear interest at the maximum rate permitted by applicable law.

2. Maturity. If not sooner paid, redeemed or converted, this Debenture shall mature on February 27, 2011 at which time the remaining unpaid Principal Amount, and all accrued and unpaid interest and any other charges then due under the Convertible Loan Agreement, shall be due and payable in full. This Debenture shall be prepaid pro rata with any prepayments of Indebtedness other than Senior Obligations. This Debenture shall be senior in right of payment to all other Indebtedness of the Company, except the Senior Obligations approved by Lender.

3. Mandatory Principal Installments. If this Debenture is not sooner redeemed or converted as provided hereunder, Borrower shall pay to Holder, commencing on February 27, 2007 and continuing on the first day of each successive month thereafter prior to maturity, mandatory principal redemption installments, each of such installments to be in the amount of Ten Dollars (\$10) per One Thousand Dollars (\$1,000) of the then remaining Principal Amount, and further, at maturity, Borrower shall pay to Holder a final installment of the remaining unpaid Principal Amount and all accrued and unpaid interest on this Debenture and any other charges then due under this Debenture or the Convertible Loan Agreement.

4. Optional Redemption by Holder.

(a) If at any time after the date hereof (i) the Company's Common Stock, par value \$0.01 per share ("Common Stock"), is not listed on the New York Stock Exchange ("NYSE") or the American Stock Exchange ("AMEX"), or quoted on the NASDAQ National Market System ("National Market") or the NASDAQ SmallCap System ("SmallCap") or the Over-the-Counter Bulletin Board ("OTCBB"), (ii) there is a change of control of the Company's voting securities, without the written consent of the Holder, (iii) there is a change of at least one-half (1/2) of the members of the Company's Board of Directors as it exists on the date hereof, without the written consent of the Holder, or (iv) the Company is merged or consolidated with or into any other entity, without the written consent of Holder, the Holder shall have the right to require this Debenture to be redeemed by the Company at the sum equal to the Principal Amount then outstanding, together with an amount equal to an 18% annual yield on the Principal Amount through the date of redemption (the "Redemption Date").

(b) The Holder may exercise its right to require that the Company redeem this Debenture pursuant to Section 4(a) prior to maturity by giving notice thereof to the Company, which notice shall specify the terms of redemption (including the place at which the Holder may obtain payment), the total redemption payment and the Redemption Date, which date shall not be less than 30 days nor more than 90 days after the date of the notice.

5. Optional Redemption by Company.

(a) On any interest payment date, and after receipt of irrevocable notice from the Company as provided for below, this Debenture is redeemable, in whole but not in part, at 101% of the Principal Amount then outstanding,

Edgar Filing: DIGITAL LEARNING - Form SC 13D

together with accrued and unpaid interest through the Redemption Date, by the Company, if all of the following conditions are satisfied: (i) the average closing bid price for the Common Stock for the twenty (20) consecutive trading days prior to the date of notice exceeds an amount equal to three (3) times the Conversion Price then in effect, and the Common Stock is listed or quoted on the National Market, the SmallCap, AMEX, OTCBB or NYSE; (ii) the average daily trading volume for the twenty (20) consecutive trading days prior to the date of the irrevocable notice shall be no less than fifty thousand (50,000) shares; (iii) the market price for the Common Stock at the time of notice reflects a price-to-earnings ratio of no greater than thirty (30) times fully diluted earnings per share, excluding any extraordinary gains and any non-cash charges relating to the issuance of the Loan and warrants; and (iv) the shares of Common Stock issuable upon conversion of this Debenture shall have been fully registered under applicable securities laws. The Company's right of redemption is subject to the Holder's prior right of conversion of the Debenture. The Company may exercise its right to redeem this Debenture pursuant to Section 5(a) prior to maturity by giving notice thereof to the Holder of this Debenture as such name appears on the books of the Borrower, which notice shall specify the terms of redemption (including the place at which the Holder may obtain payment), the total redemption payment and the Redemption Date, which date shall not be less than 30 days nor more than 90 days after the date of the notice.

2

(b) In the event of a one time adjustment to the trading price described in Section 7 hereof, the Holder shall not be entitled to convert this Debenture for a period of 10 days thereafter (the "10-day period"). During the 10-day period, the Company shall have the right to redeem this Debenture in whole but not in part at a sum equal to the principal amount then outstanding, together with an amount equal to an 18% annual yield on the principal amount through the Redemption Date. Such redemption shall be conditional on the delivery of a notice of redemption set forth in Section 5(b) delivered to the Holders within the 10-day period. The Company may exercise its right to redeem the Debenture pursuant to Section 5(b) by giving notice thereof within the 10-day period as such name appears on the books of Borrower, which notice shall specify the terms of the redemption (including the place at which the Holder may obtain payment), the total redemption payment and the redemption date, which date shall not be less than 30 days nor more than 90 days after the date of the notice. The failure of the Company to redeem the Debenture after giving notice thereof pursuant to Section 5(b) hereof shall constitute an Event of Default under the Loan Agreement, without affecting the application of the provisions of Section 7 hereof.

6. Conversion Right. The Holder of this Debenture shall have the right, at Holder's option, at any time, to convert all, or, any part of this Debenture into such number of fully paid and nonassessable shares of Common Stock as provided herein. The Holder of this Debenture may exercise the conversion right by giving written notice (the "Conversion Notice") to the Company of the exercise of such right and stating the name or names in which the stock certificate or stock certificates for the shares of Common Stock are to be issued and the address to which such certificates shall be delivered. The Conversion Notice shall be accompanied by the Debenture. The number of shares of Common Stock that shall be issuable upon conversion of the Debenture shall equal the outstanding Principal Amount of the Debenture divided by the Conversion Price (as defined below) and in effect on the date the Conversion Notice is given; provided, however, that in the event that this Debenture shall have been partially redeemed, shares of Common Stock shall be issued pro rata, rounded to the nearest whole share. Conversion shall be deemed to have been effected on the date the Conversion Notice is received (the "Conversion Date"). In the case of any Debenture called for redemption, the conversion rights will expire at the

Edgar Filing: DIGITAL LEARNING - Form SC 13D

close of business on the Redemption Date. Within twenty (20) business days after receipt of the Conversion Notice, the Company shall issue and deliver by hand against a signed receipt therefor or by United States registered mail, return receipt requested, to the address designated in the Conversion Notice, a stock certificate or stock certificates of the Company representing the number of shares of Common Stock to which Holder is entitled and a check or cash in payment of all interest accrued and unpaid on the Debenture up to and including the Conversion Date. The conversion rights will be governed by the following provisions:

3

(a) Conversion Price. The initial Conversion Price shall be \$3.523, entitling the Holder to 283,842 shares of Common Stock, and shall become \$0.4478, entitling the Holder to 2,233,278 shares on a post-split basis when a 7.86802:1 split of the Common Stock is effected in March 2004, which number of shares shall equal 8.334% of the Company's Common Stock as of the date hereof and as of the date the Common Stock split is effected, assuming full conversion of the Debenture. The Conversion Price is subject to subsequent adjustment, as provided herein.

(b) Adjustment for Issuance of Shares at Less Than the Conversion Price. If and whenever any Additional Common Stock shall be issued by the Company (the "Stock Issue Date") for a consideration per share less than the Conversion Price, then in each such case the initial Conversion Price shall be reduced to a new Conversion Price in an amount equal to the price per share for the Additional Common Stock then issued, if issued in connection with a sale of shares, or the value of the Additional Common Stock then issued, as determined in accordance with generally accepted accounting principles, if issued other than for cash, and the number of shares issuable to Holder upon conversion shall be proportionately increased; and, in the case of Additional Common Stock issued without consideration, the initial Conversion Price shall be reduced in amount and the number of shares issued upon conversion shall be increased in an amount so as to maintain for the Holder the right to convert the Debenture into shares equal in amount to the same percentage interest in the Common Stock of the Company as existed for the Holder immediately preceding the Stock Issue Date.

(c) Sale of Shares. In case of the issuance of Additional Common Stock for a consideration part or all of which shall be cash, the amount of the cash consideration therefor shall be deemed to be the gross amount of the cash paid to the Company for such shares, before deducting any underwriting compensation or discount in the sale, underwriting or purchase thereof by underwriters or dealers or others performing similar services or for any expenses incurred in connection therewith. In case of the issuance of any shares of Additional Common Stock for a consideration part or all of which shall be other than cash, the amount of the consideration therefor, other than cash, shall be deemed to be the then fair market value of the property received.

(d) Stock Splits, Subdivisions or Combinations. When a 7.86802:1 split of the Common Stock is effected in March 2004, the Conversion Price and number of shares of Common Stock then issuable upon conversion shall be as set forth in paragraph 6(a) above. In the event of a subsequent stock split or subdivision of shares of Common Stock into a greater number of shares, the Conversion Price shall be proportionately decreased, and in the event of a combination of shares of Common Stock into a smaller number of shares, the Conversion Price shall be proportionately increased, such increase or decrease, as the case may be, becoming effective at the record date.

4

Edgar Filing: DIGITAL LEARNING - Form SC 13D

(e) Stock Dividends. Shares of Common Stock issued as a dividend or other distribution on any class of capital stock of the Company shall be deemed to have been issued without consideration.

(f) Exceptions. The term "Additional Common Stock" herein shall mean all shares of Common Stock or securities convertible or exercisable into shares of Common Stock hereafter issued by the Company (including Common Stock held in the treasury of the Company), except (A) Common Stock issued upon the conversion of any of the Debentures; (B) Common Stock issuable upon exercise of presently outstanding warrants or stock options; or (C) up to 700,000 shares of Common Stock, issuable upon exercise of employee stock options to be granted in the future at less than the initial Conversion Price.

(g) Adjustment for Mergers and Consolidations. In the event of any consolidation or merger of the Company with or into, or the sale of all or substantially all of the properties and assets of the Company, to any person, and in connection therewith, consideration is payable to holders of Common Stock in cash, securities or other property, then as a condition of such consolidation, merger or sale, lawful provision shall be made, and duly executed documents evidencing the same shall be delivered to the Holder, so that the Holder shall have the right at any time prior to the maturity of this Debenture to purchase, at a total price equal to the Conversion Price immediately prior to such event, the kind and amount of cash, securities or other property receivable in connection with such consolidation, merger or sale, by a holder of the same number of shares of Common Stock as were convertible by the Holder immediately prior to such consolidation, merger or sale. In any such case, appropriate provisions shall be made with respect to the rights and interest of the Holder so that the provisions hereof shall thereafter be applicable with respect to any cash, securities or property deliverable upon exercise hereof. Notwithstanding the foregoing, (i) if the Company merges or consolidates with, or sells all or substantially all of its property and assets to, any other person, and consideration is payable to holders of Common Stock in exchange for their Common Stock in connection with such merger, consolidation or sale which consists solely of cash, or (ii) in the event of the dissolution, liquidation or winding up of the Company, then the Holder shall be entitled to receive distributions on the date of such event on the same basis with holders of Common Stock as if this Debenture had been converted immediately prior to such event, less the Conversion Price. Upon receipt of such payment, if any, the rights of the Holder shall terminate and cease and this Debenture shall expire. In case of any such merger, consolidation or sale of assets, the surviving or acquiring person and, in the event of any dissolution, liquidation or winding up of the Company, the Company shall promptly, after receipt of this surrendered Debenture, make payment by delivering a check in such amount as is appropriate (or, in the case of consideration other than cash, such other consideration as is appropriate) to such person as it may be directed in writing by the Holder surrendering this Debenture.

(h) Distributions. In the event of distribution to all Common Stock holders of any securities, cash or properties or assets or other rights to purchase securities or assets, then, after such event, this debenture will also be convertible into the kind and amount of securities, cash and other property which the Holder would have been entitled to receive if the Holder owned the Common Stock issuable upon conversion of the Debenture immediately prior to the occurrence of such event.

(i) Capital Reorganization and Reclassification. In case of any

Edgar Filing: DIGITAL LEARNING - Form SC 13D

capital reorganization or reclassification of the Common Stock of the Company (other than a change in par value or as a result of a stock dividend, subdivision, split up or combination of shares), this Debenture shall be convertible into the kind and number of shares of stock or other securities or property of the Company to which the Holder of the Debenture would have been entitled to receive if the Holder owned the Common Stock issuable upon conversion of the Debenture immediately prior to the occurrence of such event. The provisions of the immediately foregoing sentence shall similarly apply to successive reorganizations, reclassifications, consolidations, exchanges, leases, transfers or other dispositions or other share exchanges.

(j) Notice. In the event the Company shall propose to take any action which shall result in an adjustment in the Conversion Price, the Company shall give notice to the Holder of this Debenture, which notice shall specify the record date, if any, with respect to such action and the date on which such action is to take place. Such notice shall be given on or before the earlier of 10 days before the record date or the date on which such action shall be taken. Such notice shall also set forth all facts (to the extent known) material to the effect of such action on the Conversion Price and the number, kind or class of shares or other securities or property which shall be deliverable or purchasable upon the occurrence of such action or deliverable upon conversion of this Debenture.

(k) Certificate. Following completion of an event which results in an adjustment to the Conversion Price, the Company shall furnish to the Holder of this Debenture a statement, signed by the Chief Executive Officer and the Secretary of the Company, of the facts creating such adjustment and specifying the resultant adjusted Conversion Price then in effect, which statement shall constitute an amendment to this Debenture.

7. One-Time Adjustment to Conversion Price. Notwithstanding the provisions of Section 6 hereof, if the volume-weighted average closing bid price of the Common Stock, as reported in The Wall Street Journal, for the 10 consecutive trading days (the "Trading Period") following the Company's public press release of its fiscal 2004 financial results (such volume-weighted average closing bid price herein referred to as the "One-Time Adjusted Conversion Price") is a price less than the initial Conversion Price and if the Company does not achieve fiscal 2004 net income of \$675,000, excluding extraordinary gains and losses and any non-cash charges relating to the issuance of the Loan and warrants, then the Conversion Price shall be automatically adjusted downward to an amount equal to 100% of the One-Time Adjusted Conversion Price. If an adjustment occurs pursuant to this Section 7, then the Company shall furnish to the holder of this Debenture a statement, within ten days of the occurrence thereof, signed by the Chief Financial Officer and the Secretary of the Company, of the facts creating such adjustment and specifying the resulting One-Time Adjusted Conversion Price then in effect. The Holder shall not convert this Debenture or sell any shares of Common Stock during the Trading Period or the ten consecutive trading days prior to such period.

8. Reservation of Shares. Borrower warrants and agrees that it shall at all times reserve and keep available, free from preemptive rights, sufficient authorized and unissued shares of Common Stock or treasury shares of Common Stock necessary to effect conversion of this Debenture.

9. Taxes. The Company shall pay any documentary or other transactional taxes attributable to the issuance or delivery of this Debenture or the shares of Common Stock issued upon conversion by the Holder (excluding any federal, state or local income taxes and any franchise taxes or taxes imposed upon the

Edgar Filing: DIGITAL LEARNING - Form SC 13D

Holder by the jurisdiction, or any political subdivision thereof, under which such Holder is organized or is qualified to do business).

10. Default.

(a) Event of Default. An "Event of Default" shall exist if an "Event of Default" (as defined in that certain Convertible Loan Agreement, dated February 27, 2004, among Borrower, the Company, Lender and RENN Capital Group, Inc., a Texas corporation, as agent for the Lender (the "Agent")) shall occur and be continuing.

(b) Remedies Upon Event of Default. If an Event of Default shall have occurred and be continuing, then the Holder may exercise any one or more of the rights and remedies provided in the Loan Documents, as the Holder, in its sole discretion, may deem necessary or appropriate.

(c) Remedies Nonexclusive. Each right, power or remedy of the Holder hereof upon the occurrence of any Event of Default as provided for in this Debenture or now or hereafter existing at law or in equity or by statute shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for in this Debenture or now or hereafter existing at law or in equity or by statute, and the exercise or beginning of the exercise by the Holder or transferee hereof of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by the Holder of any or all such other rights, powers or remedies.

(d) Expenses. Upon the occurrence of a Default or an Event of Default, which occurrence is not cured within the notice provisions, if any provided therefore, Borrower and Company agree to pay and shall pay all costs and expenses (including attorneys' fees and expenses) incurred by the Holder in connection with the preservation and enforcement of Holder's rights under the Convertible Loan Agreement, the Debenture, or any other Loan Document.

11. Failure to Act and Waiver. No failure or delay by the Holder hereof to require the performance of any term or terms of this Debenture or not to exercise any right or any remedy shall constitute a waiver of any such term or of any right or of any default, nor shall such delay or failure preclude the Holder hereof from exercising any such right, power or remedy at any later time or times. By accepting payment after the due date of any amount payable under this Debenture, the Holder hereof shall not be deemed to waive the right either to require payment when due of all other amounts payable, or to later declare a default for failure to effect such payment of any such other amount. The failure of the Holder of this Debenture to give notice of any failure or breach of the Borrower under this Debenture shall not constitute a waiver of any right or remedy in respect of such continuing failure or breach or any subsequent failure or breach.

7

12. Consent to Jurisdiction. The Borrower and the Company hereby agree and consent that any action, suit or proceeding arising out of this Debenture shall be brought exclusively in any state or federal court in Dallas County, Texas, including the United States District Court for the Northern District of Texas, and by the issuance and execution of this Debenture, the Borrower and the Company irrevocably consent to the exclusive jurisdiction and venue of each such court. The Company hereby irrevocably appoints CT Corporation System, Dallas, Texas, as agent for the Borrower to accept service of process for and on behalf of the Borrower or the Company in any action, suit or proceeding arising out of this Debenture.

Edgar Filing: DIGITAL LEARNING - Form SC 13D

13. Holder's Right to Request Multiple Debentures. The Holder shall, upon written request and presentation of the Debenture, have the right, at any interest payment date, to request division of this Debenture into multiple instruments, each of such to be in such amounts as shall be requested.

14. Transfer. 17. Maximum Interest Rate.

(a) Regardless of any provision contained in this Debenture, Lender shall never be entitled to receive, collect or apply as interest on the Debenture any amount in excess of interest calculated at the Maximum Rate, and, in the event that Lender ever receives, collects or applies as interest any such excess, the amount which would be excessive interest shall be deemed to be a partial prepayment of principal and treated hereunder as such; and, if the principal amount of the Debenture is paid in full, any remaining excess shall forthwith be paid to Borrower. In determining whether or not the interest paid or payable under any specific contingency exceeds interest calculated at the Maximum Rate, Borrower and Lender shall, to the maximum extent permitted under applicable law, (i) characterize any non principal payment as an expense, fee or premium rather than as interest, (ii) exclude voluntary prepayments and the effects thereof, and (iii) amortize, pro rate, allocate and spread, in equal parts, the total amount of interest throughout the entire contemplated term of the Debenture; provided that, if the Debenture is paid and performed in full prior to the end of the full contemplated term thereof, and if the interest received for the actual period of existence thereof exceeds interest calculated at the Maximum Rate, Lender shall refund to Borrower the amount of such excess or credit the amount of such excess against the principal amount of the Debenture and, in such event, Lender shall not be subject to any penalties provided by any laws for contracting for, charging, taking, reserving or receiving interest in excess of interest calculated at the Maximum Rate.

(b) "Maximum Rate" shall mean, on any day, the highest nonusurious rate of interest (if any) permitted by applicable law on such day that, at any time or from time to time, may be contracted for, taken, reserved, charged or received on the Indebtedness evidenced by the Debenture under the laws which are presently in effect of the United States of America or by the laws of any other jurisdiction which are or may be applicable to the Holders of the Debenture and such Indebtedness or, to the extent permitted by law, under such applicable laws of the United States of America or by the laws of any other jurisdiction which are or may be applicable to the Holder of the Debenture and which may hereafter be in effect and which allow a higher maximum nonusurious interest rate than applicable laws now allow.

18. Defined Terms. Capitalized terms used but not defined herein shall have the meaning given them in the Convertible Loan Agreement.

19. Governing Law. This Debenture shall be governed by and construed and enforced in accordance with the substantive laws of the State of Texas, without regard to the conflicts of laws provisions thereof, and the applicable laws of the United States.

IN WITNESS WHEREOF, the Company has caused this Debenture to be duly issued, executed and delivered on the date and year above stated.
