This Statement on Schedule 13D relates to the shares of common stock, \$0.01 par value per share (the "Shares"), of Peak International Limited, a Bermuda exempted company with limited liability (the "Issuer"). This Statement is being filed by the Reporting Persons (as defined herein) to report a recent acquisition of securities, as a result of which each of the Reporting Persons may be deemed to be the beneficial owner of more than five percent of the outstanding Shares of the Issuer.

Item 1. Security and Issuer.

This Statement relates to the Shares. The address of the principal executive office of the Issuer is 38507 Cherry Street, Unit G, Newark, CA 94560.

Item 2. Identity and Background.

This Statement is being filed on behalf of each of the following persons (collectively, the "Reporting Persons"):

Edgar Filing: PEAK INTERNATIONAL LTD - Form SC 13D

- i) Mound Fund, LP ("Mound");
- ii) GWA Capital Partners LLC ("GWA Capital Partners"); and
- iii) Mr. Guy W. Adams ("Mr. Adams").

This Statement relates, in part, to securities held for the accounts of each of GWA Investments LLC, a Delaware limited liability company ("GWA Investments"), and GWA Master Fund, L.P., a Delaware limited partnership ("GWA Master Fund").

The Reporting Persons

Mound is a Delaware limited partnership and has its principal office at 55 South Lake Avenue, Suite 720, Pasadena, California, 91101. The principal business of Mound is investment, primarily in publicly traded securities. The general partner of Mound is GWA Capital Partners.

GWA Capital Partners is a Delaware limited liability company and has its principal office at 55 South Lake Avenue, Suite 720, Pasadena, California, 91101. The principal business of GWA Capital Partners is to serve as the general partner of Mound and GWA Master Fund and as the managing member of GWA Investments. In its capacity as the general partner of Mound and GWA Master Fund, and as the managing member of GWA Investments, GWA Capital Partners may be deemed the beneficial owner of the securities held for the account of Mound, GWA Master Fund and GWA Investments.

Mr. Adams is a United States citizen and has his principal office at 55 South Lake Avenue, Suite 720, Pasadena, California, 91101. The principal business of Mr. Adams is to serve as the managing member of GWA Capital Partners. In his capacity as the managing member of GWA Capital Partners, Mr. Adams may be deemed to have investment discretion over, and may be deemed to be the beneficial owner of, securities held for the account of Mound, GWA Capital Partners and GWA Master Fund.

During the past five years, none of the Reporting Persons and, to the best of the Reporting Persons' knowledge, no other person identified in response to this Item 2 has been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) a party to any civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws, except as follows:

Page 6 of 12 Pages

In the Spring of 2001, Mr. Adams ran for election to the board of directors of Lone Star Steakhouse & Saloon, Inc. ("Lone Star"). In connection therewith, Lone Star filed suit against Mr. Adams in federal district court in Wichita, Kansas alleging that certain statements made by him in the related proxy materials were inaccurate and seeking an injunction to, among other things, enjoin Mr. Adams from voting any proxies in the election. The court found that the proxy materials did contain certain misrepresentations and issued an order requiring Mr. Adams to amend such proxy materials so as to (i) update the claimed estimate of the level of stockholder support for Mr. Adams' election and (ii) correct certain misstatements regarding Lone Star's employment contracts with its management. Mr. Adams was not, however, required to re-solicit proxies or to re-circulate proxy materials, nor was he prevented from voting previously obtained proxies in the election. Thereafter, Mr. Adams made the required corrective disclosures and was elected to the board of directors of

Edgar Filing: PEAK INTERNATIONAL LTD - Form SC 13D

Lone Star. Upon a motion to dismiss submitted by Lone Star, and opposed by Mr. Adams, the court ordered the dismissal of the action following Mr. Adams' election to the Lone Star board. As a result of the action by Lone Star in unilaterally dismissing the litigation, Mr. Adams did not have an opportunity to seek an appellate review of the district court's findings regarding the sufficiency of his proxy materials.

Item 3. Source and Amount of Funds or Other Consideration.

Mound expended \$1,948,430 of its working capital to purchase the securities reported herein as having been acquired. GWA Investments expended \$87,150 of its working capital to purchase the securities reported herein as having been acquired. GWA Master Fund expended \$203,350 of its working capital to purchase the securities reported herein as having been acquired.

The securities held for the accounts of each of Mound, GWA Investments and GWA Master Fund may be held through margin accounts maintained with brokers, which extend margin credit as and when required to open or carry positions in their margin accounts, subject to applicable federal margin regulations, stock exchange rules and such firms' credit policies. The positions which may be held in the margin accounts, including the Shares, are pledged as collateral security for the repayment of the debit balances in the respective accounts.

Item 4. Purpose of Transaction.

All of the securities reported herein as having been acquired were acquired for investment purposes. Except as set forth herein, none of the Reporting Persons or, to the best of their knowledge, any of the other persons identified in response to Item 2, has any plans or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

The Reporting Persons reserve the right to acquire, or cause to be acquired, additional securities of the Issuer, to dispose of, or cause to be disposed, such securities at any time or to formulate other purposes, plans or proposals regarding the Issuer or any of its securities, to the extent deemed advisable in light of general investment and trading policies of the Reporting Persons, market conditions or other factors. The Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, seeking Board representation, purchasing additional Shares, selling some or all of their Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing their intention partially or entirely with respect to any and all matters referred to herein.

GWA Capital Partners is considering a plan to effect a change in the management of the Issuer by seeking to replace a majority of its Board of Directors. The goal of such change is to bring about corporate actions that GWA Capital Partners believes will serve to increase stockholder value. If such plan is initiated and is successful, GWA Capital Partners would expect that the newly constituted Board of Directors would evaluate ways to enhance and maximize stockholder value through evaluation of such actions or transactions as the Board would deem appropriate.

GWA Capital Partners has agreed in principle to purchase a call right for \$1.00 which grants the holder thereof the right to require all of the equity holders of ePak Holdings Limited, a Hong Kong limited liability company ("ePak"), to exchange their equity interests in ePak for Shares based upon an exchange ratio based upon the formula $Y=40X/60$, where X will be equal to the sum of the number of Shares issued and outstanding per the Issuer's then most recent

Edgar Filing: PEAK INTERNATIONAL LTD - Form SC 13D

Securities and Exchange Commission regulatory filing on the date the call right is issued plus all of the exercisable in-the-money options on the date the call right is issued, and Y is the number of Shares to be issued to be the equity holders of ePak. As contemplated, the call right will be exercisable if, among other things, a majority of the Board of Directors of the Issuer is replaced, the Issuer's Board of Directors and stockholders approve a merger (or similar business combination) between ePak and the Issuer, all necessary legal and regulatory approvals have been received, and no condition constituting a material adverse change has occurred, which conditions will be specified in the definitive call right agreement. The call right will be transferable by GWA Capital Partners to the Issuer or one of the Issuer's wholly owned subsidiaries if the majority of the Issuer's Board of Directors is replaced. The consideration for such transfer will be \$1.00 plus reimbursement for all of the expenses incurred by GWA Capital Partners in connection with its efforts to replace the current Board of Directors of the Issuer and effect a merger between ePak and the Issuer. The call right will be terminable by ePak in the event of a material adverse change that is not cured within 45 days. During the term of the call right, none of e-Pak, its members of its Board of Directors or management or its equity holders will be permitted to solicit or enter into any discussions or agreements concerning the sale or combination of e-Pak's equity securities. In addition to the foregoing terms and conditions, the definitive call right agreement will contain customary representations, warranties, covenants and indemnities of ePak and its equity holders. Concurrently with the execution of the definitive call right agreement, all of ePak outstanding equity securities would be placed in escrow with an escrow agent in the United States pursuant to an escrow agreement between ePak and GWA Capital Partners.

No assurances can be given (i) that GWA Capital Partners will be successful in replacing a majority or more of the Issuer's Board of Directors, or (ii) that any proposal that may be made by GWA Capital Partners with respect to any such stock for stock merger or other similar business combination or to transfer the above described call right to the Issuer or any of the Issuer's subsidiaries will be approved by the Board of Directors, or (iii) that any proposed stock for stock merger or other similar business combination will be approved by the stockholders of the Issuer; or (iv) that any proposed stock for stock merger or similar other similar business combination that might be approved by the stockholders of the Issuer will in fact be consummated. Among other things, any such transaction will be subject to the exercise by the then members of the Board of Directors of the Issuer of their fiduciary duties as directors of the Issuer.

In connection with its sale of the call right, ePak will grant GWA Capital Partners an irrevocable option to purchase up to 4,000,000 fully paid and non-assessable ordinary shares of ePak at an exercise price of \$1.00 per share. The ability to exercise the option will be conditioned on the approval by the Issuer's Board of Directors and stockholders of a merger (or similar business combination) between ePak and the Issuer.
