A Message from the Chairman

## Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEF 14A

Dear Fellow Shareholder:

I am writing to you to ask for your vote on important matters that affect your investment in your fund. While you are, of course, welcome to join us at your fund's meeting, most shareholders cast their vote by either filling out and signing the enclosed proxy card or by voting via the Internet. We are asking for your vote on the following matter: fixing the number of Trustees and electing your fund's Trustees.

Although we would like very much to have each shareholder attend this meeting, we realize that it may not be possible. Whether or not you plan to be present, we need your vote. We urge you to record your voting instructions via the Internet or by completing, signing, and returning the enclosed proxy card promptly. A postage-paid envelope is enclosed for mailing, and Internet voting instructions are listed at the top of your proxy card.

I'm sure that you, like most people, lead a busy life and are tempted to put this proxy aside for another day. Please don't. When shareholders do not vote their proxies, their fund may have to incur the expense of follow-up solicitations. All shareholders benefit from the speedy return of proxies.

Your vote is important to us. We appreciate the time and consideration I am sure you will give this important matter. If you have questions about the proposal, please call a Putnam customer service representative at 1-800-225-1581 or contact your financial advisor.

Sincerely yours,

/S/ JOHN A. HILL

\* Who are the nominees for Trustees?

The Board Policy and Nominating Committee of the Trustees of each fund makes recommendations concerning the Trustees of that fund. The Board Policy and Nominating Committee of the Trustees of each fund recommends that the number of Trustees be fixed at eleven and that you vote for the election of the nominees described below. Each nominee is currently a Trustee of your fund and of the other Putnam funds.

The nominees for Trustees and their backgrounds are shown in the table below. The table discloses each Trustee's name, date of birth, principal occupation(s) during the past 5 years, and other information about the nominee's professional background, including other directorships the nominee holds. For more in depth biographical information, please refer to the Putnam Investments website: [www.putnaminv.com](http://www.putnaminv.com). Each nominee currently serves as a Trustee. Each Trustee oversees all of the Putnam funds and serves until the election and qualification of his or her successor, or until he or she sooner dies, resigns or is removed. Trustees who receive the greatest number of votes at your fund's shareholder meeting will be elected as Trustees. Each of the nominees has agreed to serve as a Trustee if elected. If any of the nominees is unavailable for election at the time of the meeting, which is not anticipated, the Trustees may vote for other nominees at their discretion, or the Trustees may fix the number of Trustees at less than 11 for your fund.

\* What are the Trustees' responsibilities?

Your fund's Trustees are responsible for the general oversight of your fund's affairs and for assuring that your fund is managed in the best interests of its shareholders. The Trustees regularly review your fund's investment performance as well as the quality of other services provided to your fund and its shareholders by Putnam Management and its affiliates, including administration, custody, and shareholder servicing. At least annually, the Trustees review and evaluate the fees and operating expenses paid by your fund for these services and negotiate changes that they deem appropriate. In carrying out these responsibilities, the Trustees are assisted by an independent administrative staff and by your fund's auditors, counsel and other experts as appropriate, selected by and responsible to the Trustees.

Your fund's Trustees have determined that the efficient conduct of your fund's affairs makes it desirable to delegate responsibility for certain specific matters to committees of the board. Certain committees (the Executive Committee, Distributions Committee, and Audit and Pricing Committee) are authorized to act for the Trustees as specified in their charters. The other committees review and evaluate matters specified in their charters and make recommendations to the Trustees as they deem appropriate. Each committee may utilize the resources of your fund's independent staff, counsel and auditors as well as other experts. The committees meet as often as necessary, either in conjunction with regular meetings of the Trustees or otherwise. The membership and chairman of each committee are appointed by the Trustees upon recommendation of the Board Policy and Nominating Committee.

Audit and Pricing Committee. The Audit and Pricing Committee provides oversight on matters relating to the preparation of the funds' financial statements, compliance matters and Code of Ethics issues. This oversight is discharged by regularly meeting with management and the funds' independent auditors and keeping current on industry developments. Duties of this Committee also include the review and evaluation of all matters and relationships pertaining to the funds' independent auditors, including their independence. The members of the Audit and Pricing Committee of your fund include only Trustees who are not "interested persons" of the fund or Putnam Management. Each member of the Audit and Pricing Committee is "independent" as defined in Sections 303.01(B)(2)(a) and (3) of the listing standards of the New York Stock Exchange. The Committee also reviews the funds' policies and procedures for achieving accurate and timely pricing of the funds' shares, including oversight of fair value determinations of individual securities made by Putnam Management or other designated agents of the funds. The Committee oversees compliance by money market funds with Rule 2a-7 under the Investment Company Act of 1940, interfund transactions pursuant to Rule 17a-7 under the Investment Company Act of 1940, and the correction of occasional pricing errors. The Committee also receives reports regarding the liquidity of portfolio securities. The Trustees have adopted a written charter for the Audit and Pricing Committee, a copy of which is attached to this proxy statement as Exhibit A. The Committee currently consists of Dr. Joskow (Chairperson), and Messrs. Patterson, Thorndike and Stephens.

## Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEF 14A

Board Policy and Nominating Committee. The Board Policy and Nominating Committee reviews matters pertaining to the operations of the Board of Trustees and its Committees, the compensation of the Trustees and their staff, and the conduct of legal affairs for the funds. The Committee evaluates and recommends all candidates for election as Trustees and recommends the appointment of members and chairs of each board committee. The Putnam funds have engaged a third-party professional search firm to assist the Committee in identifying and evaluating potential nominees. The Committee also identifies prospective nominees for election as trustee by considering individuals that come to its attention through current Trustees or shareholders.

The Board Policy and Nominating Committee will consider nominees for trustee recommended by shareholders of a fund provided shareholders submit their recommendations by the date disclosed in the paragraph entitled "Date for receipt of shareholders' proposals for the next annual meeting," and provided the shareholders' recommendations otherwise comply with applicable securities laws, including Rule 14a-8 under the Securities Exchange Act of 1934. When evaluating a potential candidate for membership on the Board, the Committee considers the skills and characteristics that it feels would most benefit the Putnam funds at the time the evaluation is made. This assessment includes an analysis of each candidate's judgment, age, skills, experience, and an assessment of the perceived needs of the Board and its committees at that point in time. In connection with this evaluation, the Committee will determine whether to interview prospective nominees, and, if warranted, one or more members of the Committee, and other Trustees and representatives of the funds, as appropriate, will interview prospective nominees in person or by telephone. Once this evaluation is completed, the Committee recommends such candidates as it determines appropriate to the Board for nomination, and the Board selects the nominees after considering the recommendation of the Committee.

The Committee also reviews policy matters affecting the operation of the Board and its independent staff and makes recommendations to the Board as appropriate. The Committee consists only of Trustees who are not "interested persons" of your fund or Putnam Management. The Committee also oversees the voting of proxies associated with portfolio investments of the Putnam funds, with the goal of ensuring that these proxies are voted in the best interest of the fund's shareholders. The Trustees have adopted a written charter for the Board Policy and Nominating Committee, a copy of which is attached to this proxy statement as Exhibit B. The Board Policy and Nominating Committee currently consists of Dr. Kennan (Chairperson), Ms. Baxter and Messrs. Hill, Mullin, Patterson and Thorndike.

Brokerage and Custody Committee. The Brokerage and Custody Committee reviews the policies and procedures of the funds regarding the execution of portfolio transactions for the funds, including policies regarding the allocation of brokerage commissions and soft dollar credits. The Committee reviews periodic reports regarding the funds' activities involving derivative securities, and reviews and evaluates matters relating to the funds' custody arrangements. The Committee currently consists of Messrs. Jackson (Chairperson), Curtis, Mullin, Thorndike, Ms. Baxter and Dr. Kennan.

Communication, Service and Marketing Committee. This Committee examines the quality, cost and levels of services provided to the shareholders of the Putnam funds. The Committee also reviews communications sent from the funds to their shareholders, including shareholder reports, prospectuses, newsletters and other materials. In addition, the Committee oversees marketing and sales communications of the funds' distributor. The Committee currently consists of Messrs. Putnam (Chairperson), Smith, Stephens and Thorndike and Dr. Joskow.

## Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEF 14A

Contract Committee. The Contract Committee reviews and evaluates, at least annually, all arrangements pertaining to (i) the engagement of Putnam Management and its affiliates to provide services to the funds, (ii) the expenditure of the funds' assets for distribution purposes pursuant to the Distribution Plans of the funds, and (iii) the engagement of other persons to provide material services to the funds, including in particular those instances where the cost of services is shared between the funds and Putnam Management and its affiliates or where Putnam Management or its affiliates have a material interest. The Committee recommends to the Trustees such changes in arrangements as it deems appropriate. After review and evaluation, the Committee recommends to the Trustees the proposed organization of new Fund products, and proposed structural changes to existing funds. Its oversight of the closed-end funds includes (i) investment performance, (ii) trading activity, (iii) determinations with respect to sunroof provisions, (iv) disclosure practices, and (v) the use of leverage. The Committee consists only of Trustees who are not "interested persons" of your fund or Putnam Management. The Committee currently consists of Ms. Baxter (Chairperson) and Messrs. Curtis, Jackson, and Mullin and Dr. Kennan.

Distributions Committee. This Committee oversees all Fund distributions and approves the amount and timing of distributions paid by all the funds to the shareholders when the Trustees are not in session. The Committee also meets regularly with representatives of Putnam Investments to review distribution levels and the funds' distribution policies. The Committee currently consists of Messrs. Patterson (Chairperson), Jackson, and Thorndike and Dr. Joskow.

Executive Committee. The functions of the Executive Committee are twofold. The first is to ensure that the funds' business may be conducted at times when it is not feasible to convene a meeting of the Trustees or for the Trustees to act by written consent. The Committee may exercise any or all of the power and authority of the Trustees when the Trustees are not in session. The second is to establish annual and ongoing goals, objectives and priorities for the Board of Trustees and to ensure coordination of all efforts between the Trustees and Putnam Investments on behalf of the shareholders of the Putnam funds. The Committee currently consists of Messrs. Hill (Chairman), Jackson, Dr. Joskow, Putnam, Thorndike and Ms. Baxter.

Investment Oversight Committees. These Committees regularly meet with investment personnel of Putnam Management to review the investment performance and strategies of the Putnam funds in light of their stated investment objectives and policies. Investment Oversight Committee A currently consists of Messrs. Thorndike (Chairperson), Smith and Ms. Baxter. Investment Oversight Committee B currently consists of Messrs. Curtis (Chairperson), Hill and Stephens. Investment Committee C currently consists of Messrs. Mullin (Chairperson), Putnam and Dr. Kennan. Investment Oversight Committee D currently consists of Messrs. Patterson (Chairperson), Jackson and Joskow.

A minimum of 75% of your fund's trustees, including the Chairman, cannot be affiliated in any way with your fund's investment manager, principal underwriter from time to time or any broker-dealer. These independent trustees must vote separately to approve all financial arrangements and other agreements with your fund's investment manager and other affiliated parties. The role of independent trustees has been characterized as that of a "watchdog" charged with oversight to protect shareholders' interests against overreaching and abuse by those who are in a position to control or influence a fund. Your fund's independent trustees meet regularly as a group in executive session.

At February 29, 2004, the Trustees and officers of Putnam High Income Bond Fund, Putnam Master Intermediate Income Trust and Putnam Premier Income Trust as a group owned less than 1% of the outstanding shares of each fund on that date.

\* Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the Investment Company Act of 1940 require each fund's officers and Trustees, certain officers and directors of Putnam Management, affiliated persons of Putnam Management, and persons who beneficially own more than 10% of a fund's shares to file reports of ownership with the SEC and the fund. Based solely upon a review of the copies of such forms and written representations by such persons, each fund believes that for its most recent fiscal year all filing requirements applicable to such persons were complied with except that two Forms 4 were not timely filed to report transactions in May and June of 2003, in which Mr. Hill sold and purchased shares of Putnam High Income Bond Fund. Although Mr. Hill sold and then purchased the same number of shares of the fund in an effort to transfer his holdings between accounts, the sale and purchase were required to have been reported on a Form 4 within two business days of each transaction. Forms 4 were filed to report the transactions after two business days had passed.

\* What are some of the ways in which the Trustees represent shareholder interests?

The Trustees believe that, as substantial investors in the Putnam funds, their interests are closely aligned with those of individual shareholders. Among other ways, the Trustees seek to represent shareholder interests:

\* by carefully reviewing your fund's investment performance on an individual basis with your fund's managers;

\* by also carefully reviewing the quality of the various other services provided to the funds and their shareholders by Putnam Management and its affiliates;

\* by discussing with senior management of Putnam Management steps being taken to address any performance deficiencies;

\* by conducting an in-depth review of the fees paid by each fund and by negotiating with Putnam Management to ensure that such fees remain reasonable and competitive with those of other mutual funds, while at the same time providing Putnam Management sufficient resources to continue to provide high quality services in the future;

\* by reviewing brokerage costs and fees, allocations among brokers, soft dollar expenditures and similar expenses of each fund;

\* by monitoring potential conflicts between the funds and Putnam Management and its affiliates to ensure that the funds continue to be managed in the best interests of their shareholders; and

\* by also monitoring potential conflicts among funds to ensure that shareholders continue to realize the benefits of participation in a large and diverse family of funds.

## Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEF 14A

\* How can shareholders communicate with the Trustees?

Shareholders may direct communications to the Board of Trustees as a whole or to specified individual Trustees by submitting them in writing to the following address:

The Putnam Funds  
c/o Principal Executive Officer  
Attention: [Any specified Trustee(s)]  
One Post Office Square  
Boston, Massachusetts 02109

The Office of the Principal Executive Officer of the Putnam funds will respond to all correspondence sent to Trustees, however, due to the volume of correspondence, all communications are not sent directly to the Trustees. The correspondence is reviewed, summarized and presented to Trustees periodically.

\* How often do the Trustees meet?

The Trustees meet monthly over a two-day period, except in August, to review the operations of your fund and of the other Putnam funds. A portion of these meetings is devoted to meetings of various committees of the board which focus on particular matters. Each Trustee generally attends at least two formal committee meetings during each regular meeting of the Trustees. During 2003, the average Trustee participated in approximately 50 committee and board meetings. In addition, the Trustees meet in small groups with Chief Investment Officers and Portfolio Managers to review recent performance and the current investment climate for selected funds. These meetings ensure that each fund's performance is reviewed in detail at least twice a year. The Contract Committee typically meets on several additional occasions during the year to carry out its responsibilities. Other committees, including the Executive Committee, may also meet on special occasions as the need arises. The number of times each committee met during your fund's last fiscal year is shown in the table below:

Your fund's last annual meeting was held while the Trustees were conducting meetings of the Board and its Committees. Although your fund's Trustees did not attend the annual meeting, they were represented at the meeting by their staff and were available in the event that any material issues had arisen.

\* What are the Trustees paid for their services?

Each Trustee of your fund receives a fee for his or her services. Each Trustee also receives fees for serving as Trustee of the other Putnam funds. Each Trustee of the fund receives an annual fee and an additional fee for each Trustees' meeting attended. Trustees who are not interested persons of Putnam Management and who serve on committees of the Trustees receive additional fees for attendance at certain committee meetings and for special services rendered in that connection. All of the Trustees are Trustees of all the Putnam funds and each receives fees for his or her services.

The Trustees periodically review their fees to assure that such fees continue to be appropriate in light of their responsibilities as well as in relation to fees paid to trustees of other mutual fund complexes. The

Board Policy and Nominating Committee, which consists solely of Trustees not affiliated with Putnam Management, estimates that Committee and Trustee meeting time, together with the appropriate preparation, requires the equivalent of at least three business days per Trustee meeting. The following table shows the fees paid to each Trustee by your fund for its most recent fiscal year and the fees paid to each Trustee by all of the Putnam funds during the 2003 calendar year:

(3) As of December 31, 2003, there were 101 funds in the Putnam family. For Mr. Hill, amounts shown also include compensation for service as a trustee of TH Lee, Putnam Emerging Opportunities Portfolio, a closed-end fund advised by an affiliate of Putnam Management.

(4) Includes amounts (ranging from \$2,000 to \$11,000 per Trustee) for which the Putnam funds were reimbursed by Putnam Management for special Board and committee meetings in connection with certain regulatory and other matters relating to alleged improper trading by certain Putnam Management employees and participants in certain 401(k) plans administered by Putnam Fiduciary Trust Company.

(5) Includes compensation deferred pursuant to a Trustee Compensation Deferral Plan for each fund. As of the dates identified below, the total amounts of deferred compensation payable by each fund to certain Trustees, including income earned on such amounts, were as follows:

High Income Bond Fund (August 31, 2003) Ms. Baxter - \$431, Mr. Hill - \$1,192, Mr. Jackson - \$607, Mr. Joskow, - \$455, Mr. Mullin - \$494, and Mr. Stephens - \$194.

Master Intermediate Income Trust (September 30, 2003) Ms. Baxter - \$3,823, Mr. Hill - \$10,561, Mr. Jackson - \$5,382, Mr. Joskow, - \$4,036, Mr. Mullin - \$4,373, and Mr. Stephens - \$1,717.

Premier Income Trust (July 31, 2003) Ms. Baxter - \$4,996, Mr. Hill - \$13,803, Mr. Jackson - \$7,033, Mr. Joskow, - \$5,267, Mr. Mullin - \$5,718, and Mr. Stephens - \$2,242.

(6) Since July 1, 2000, Marsh & McLennan Companies, Inc. has compensated Mr. Smith for his service as Trustee. The estimated annual retirement benefits shown in this table for Mr. Smith reflect benefits earned under the funds' retirement plan prior to July 1, 2000.

(7) Includes additional compensation to Messrs. Hill and Putnam for service as Chairman of the Trustees and President of the Funds, respectively.

(8) Mr. Lasser resigned from the Board of Trustees of the Putnam funds on November 3, 2003. The estimated annual retirement benefits shown in this table for Mr. Lasser reflects benefits earned under the funds' retirement plan prior to July 1, 2000.

Under a Retirement Plan for Trustees of the Putnam funds (the "Plan"), each Trustee who retires with at least five years of service as a Trustee of the funds is entitled to receive an annual retirement benefit equal to one-half of the average annual compensation paid to such Trustee for the last three years of service prior to retirement. This retirement benefit is payable during a Trustee's lifetime, beginning the year following retirement, for a number of years equal to such Trustee's years of service. A death benefit, also available under the Plan, assures that the Trustee and his or her beneficiaries will receive benefit payments for the lesser of an aggregate period of (i) ten years or (ii) such Trustee's total years of service.

The Plan Administrator (a committee comprised of Trustees that are not "interested persons" of the funds, as defined in the Investment Company Act of 1940) may terminate or amend the Plan at any time, but no termination or amendment will result in a reduction in the amount of benefits (i) currently being paid to a Trustee at the time of such

termination or amendment, or (ii) to which a current Trustee would have been entitled had he or she retired immediately prior to such termination or amendment.

Further information about voting and the meeting

Quorum and Methods of Tabulation. The shareholders of each fund vote separately with respect to the election of Trustees. In the case of each fund, a majority of the shares entitled to vote constitutes a quorum for the transaction of business with respect to any proposal at the meeting (unless otherwise noted in the proxy statement). Votes cast by proxy or in person at the meeting will be counted by persons appointed by your fund as tellers for the meeting. The tellers will count the total number of votes cast "for" approval of a proposal for purposes of determining whether sufficient affirmative votes have been cast. Shares represented by proxies that reflect abstentions and "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have the discretionary voting power on a particular matter) will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. With respect to the election of Trustees, neither abstentions nor broker non-votes have an effect on the outcome of the proposal. With respect to any other proposals, abstentions and broker non-votes have the effect of a negative vote on a proposal.

Other business. The Trustees know of no matters other than those set forth herein to be brought before the meeting. If, however, any other matters properly come before the Meeting, it is the Trustees' intention that proxies will be voted on such matters in accordance with the judgment of the persons named in the enclosed form of proxy.

Simultaneous meetings. The meeting of shareholders of your fund is called to be held at the same time as the meetings of shareholders of certain of the other Putnam funds. It is anticipated that all meetings will be held simultaneously.

If any shareholder at the meeting objects to the holding of a simultaneous meeting and moves for an adjournment of the meeting to a time promptly after the simultaneous meetings, the persons named as proxies will vote in favor of such adjournment.

Solicitation of proxies. In addition to soliciting proxies by mail, Trustees of your fund and employees of Putnam Management, Putnam Fiduciary Trust Company, and Putnam Retail Management may solicit proxies in person or by telephone. Your fund may arrange to have a proxy solicitation firm call you to record your voting instructions by telephone. The procedures for voting proxies by telephone are designed to authenticate shareholders' identities, to allow them to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been properly recorded. Your fund has been advised by counsel that these procedures are consistent with the requirements of applicable law. If these procedures were subject to a successful legal challenge, such votes would not be counted at the Meeting. Your fund is unaware of any such challenge at this time. Shareholders would be called at the phone number Putnam Management has in its records for their accounts, and would be asked for their Social Security number or other identifying information. The shareholders would then be given an opportunity to authorize the proxies to vote their shares at the meeting in accordance with their instructions. To ensure that the shareholders' instructions have been recorded correctly, they

## Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEF 14A

will also receive a confirmation of their instructions in the mail. A special toll-free number will be available in case the information contained in the confirmation is incorrect.

Shareholders have the opportunity to submit their voting instructions via the Internet by utilizing a program provided by a third party vendor hired by Putnam Management. The giving of such a proxy will not affect your right to vote in person should you decide to attend the Meeting. To vote via the Internet, please access the Internet address listed on your proxy card and follow the instructions on the Internet site. The Internet voting procedures are designed to authenticate shareholder identities, to allow shareholders to give their voting instructions, and to confirm that shareholders' instructions have been recorded properly. Shareholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the shareholders.

Your fund's Trustees have adopted a general policy of maintaining confidentiality in the voting of proxies. Consistent with this policy, your fund may solicit proxies from shareholders who have not voted their shares or who have abstained from voting.

Persons holding shares as nominees will, upon request, be reimbursed for their reasonable expenses in soliciting instructions from their principals. Your fund has retained at its own expense D. F. King & Co., Inc., 48 Wall Street, New York, New York 10005, to aid in the solicitation of instructions for registered and nominee accounts, for a fee not to exceed \$3,500 plus reasonable out-of-pocket expenses for mailing. The expenses of the preparation of proxy statements and related materials, including printing and delivery costs, are borne by each fund.

Revocation of proxies. Proxies, including proxies given by telephone or over the Internet, may be revoked at any time before they are voted either (i) by a written revocation received by the Clerk of your fund, (ii) by properly executing a later-dated proxy, (iii) by recording later-dated voting instructions via the Internet or (iv) by attending the Meeting and voting in person.

Date for receipt of shareholders' proposals for the next annual meeting. The Board Policy and Nominating Committee will also consider nominees recommended by shareholders of each fund to serve as Trustees, provided that shareholders submit their recommendations by the date set forth below. If a shareholder who wishes to present a proposal fails to notify the fund by this date, the proxies solicited for the meeting will have discretionary authority to vote on the shareholder's proposal if it is properly brought before the meeting. If a shareholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules. It is currently anticipated that each fund's next annual meeting of shareholders will be held in June 2005. Shareholders who wish to propose one or more nominees for election as Trustees, or to make a proposal fixing the number of Trustees, at the June 2005 annual meeting must provide written notice to the fund (including all required information) so that such notice is received in good order by the fund no earlier than March 12, 2005 and no later than April 11, 2005. Shareholder proposals to be included in the proxy statement for that meeting must be received by your fund before December 23, 2004. Shareholders who wish to make a proposal at the June 2005 annual meeting--other than one that will be included in the fund's proxy materials--should notify the fund no later than March 8, 2005.

## Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEF 14A

Adjournment. If sufficient votes in favor of any of the proposals set forth in the Notice of the Meeting are not received by the time scheduled for the Meeting, the persons named as proxies may propose adjournments of the Meeting for a period or periods of not more than 60 days in the aggregate to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of the votes cast on the question in person or by proxy at the session of the Meeting to be adjourned. The persons named as proxies will vote in favor of adjournment those proxies that they are entitled to vote in favor of the proposals. They will vote against any such adjournment those proxies required to be voted against the proposals. Your fund pays the costs of any additional solicitation and of any adjourned session. Any proposals for which sufficient favorable votes have been received by the time of the meeting may be acted upon and considered final regardless of whether the meeting is adjourned to permit additional solicitation with respect to any other proposal.

Financial information. Your fund will furnish to you upon request and without charge, a copy of the fund's annual report for its most recent fiscal year, and a copy of its semiannual report for any subsequent semiannual period. Such requests may be directed to Putnam Investor Services, P.O. Box 41203, Providence, RI 02940-1203 or 1-800-225-1581.

Pre-Approval Policies of the Audit and Pricing Committee. The Audit and Pricing Committee of the Putnam funds has determined that, as a matter of policy, all work performed for the funds by the funds' independent auditors will be pre-approved by the Committee and will generally not be subject to pre-approval procedures.

Under certain circumstances, the Audit and Pricing Committee believes that it may be appropriate for Putnam Investment Management, LLC ("Putnam Management") and certain of its affiliates to engage the services of the funds' independent auditors, but only after prior approval by the Committee. Such requests are required to be submitted in writing to the Committee and explain, among other things, the nature of the proposed engagement, the estimated fees, and why this work must be performed by that particular audit firm. The Committee will review the proposed engagement at its next meeting.

Since May 6, 2003, all work performed by the independent auditors for the funds, Putnam Management and any entity controlling, controlled by or under common control with Putnam Management that provides ongoing services to the funds was pre-approved by the Committee or a member of the Committee pursuant to the pre-approval policies discussed above. Prior to that date, the Committee had a general policy to pre-approve the independent auditors' engagements for non-audit services with the funds, Putnam Management and any entity controlling, controlled by or under common control with Putnam Management that provides ongoing services to the funds.

For each of the funds' last two fiscal years, the funds' principal auditors did not bill any fees.

The Audit and Pricing Committee of your fund has submitted the following report:

## Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEF 14A

The Audit and Pricing Committee has reviewed and discussed with management of your fund the audited financial statements for the last fiscal year. The Audit and Pricing Committee has discussed with your fund's independent auditors the matters required to be discussed by Statements on Auditing Standard No. 61 (SAS 61). SAS 61 requires independent auditors to communicate to the Audit and Pricing Committee matters including, if applicable: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates and (4) disagreements with management over the application of accounting principles and certain other matters. The Audit and Pricing Committee has received the written disclosures and the letter from your fund's independent auditors required by the SEC's Independence Standards (among other things, requiring auditors to make written disclosures to and discuss with the Audit and Pricing Committee various matters relating to the auditor's independence), and has discussed with such accountants the independence of such accountants. Based on the foregoing review and discussions, the Audit and Pricing Committee recommended to the Trustees that the audited financial statements for the last fiscal year be included in your fund's annual report to shareholders for the last fiscal year.
