### Item 4. Description of Securities.

Not applicable.

### Item 5. Interests of Named Experts and Counsel.

Not applicable.

### Item 6. Indemnification of Directors and Officers.

Article XVII of the Registrant's Certificate of Incorporation provides for indemnification of directors and officers of the Registrant against any and all liabilities, judgments, fines and reasonable settlements, costs, expenses and attorneys' fees incurred in any actual, threatened or potential proceeding, except to the extent that such indemnification is limited by Delaware law and such law cannot be varied by contract or bylaw. Article XVII also provides for the authority to purchase insurance with respect thereto.

Section 145 of the General Corporation Law of the State of Delaware authorizes a corporation's Board of Directors to grant indemnity under certain circumstances to directors and officers, when made, or threatened to be made, parties to certain proceedings by reason of such status with the corporation, against judgments, fines, settlements and expenses, including attorneys' fees. In addition, under certain circumstances such persons may be indemnified against expenses actually and reasonably incurred in defense of a proceeding by or on behalf of the corporation. Similarly, the corporation, under certain circumstances, is authorized to indemnify directors and officers of other corporations or enterprises who are serving as such at the request of the corporation, when such persons are made, or threatened to be made, parties to certain proceedings by reason of such status, against judgments, fines, settlements and expenses, including attorneys' fees; and under certain circumstances, such persons may be indemnified against expenses actually and reasonably incurred in connection with the defense or settlement of a proceeding by or in the right of such other corporation or enterprise. Indemnification is permitted where such person (i) was acting in good faith; (ii) was acting in a manner he reasonably believed to be in or not opposed to the best interests of

the corporation or other corporation or enterprise, as appropriate; (iii) with respect to a criminal proceeding, has no reasonable cause to believe his conduct was unlawful; and (iv) was not adjudged to be liable to the corporation or other corporation or enterprise (unless the court where the proceeding was brought determines that such person is fairly and reasonably entitled to indemnity).

Unless ordered by a court, indemnification may be made only following a determination that such indemnification is permissible because the person being indemnified has met the requisite standard of conduct. Such determination may be made (i) by the Board of directors of the Holding Company by a majority vote of a quorum consisting of directors not at the time parties to such proceeding; or (ii) if such a quorum cannot be obtained or the quorum so directs, then by independent legal counsel in a written opinion; or (iii) by the stockholders.

Section 145 also permits expenses incurred by directors and officers in defending a proceeding to be paid by the corporation in advance of the final disposition of such proceedings upon the receipt of an undertaking by the director or officer to repay such amount if it is ultimately determined that he is not entitled to be indemnified by the corporation against such expenses.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculations of Registration Fee" table in the effective registration statement.

Edgar Filing: 1ST INDEPENDENCE FINANCIAL GROUP, INC. - Form S-8

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; Provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the United States Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933, as amended, and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the Commonwealth of Kentucky, on August 17, 2006.
