## **Cautionary Statement Concerning Forward-Looking Statements**

This document contains certain “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. The information included in this document may contain statements which are, or may be deemed to be, “forward looking statements”. Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Comcast and Sky and their respective associated companies will operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this document may relate to the financial position, business strategy, plans and objectives of management for future operations of Comcast and Sky and their respective associated companies, and other statements other than historical facts. In some cases, these forward-looking statements can be identified by the use of forward looking terminology, including the terms “believes”, “estimates”, “plans”, “prepares”, “anticipates”, “expects”, “is expected to”, “is subject to”, “budget”, “scheduled”, “forecasts”, “intends”, “may”, “will” or “should” or other variations or comparable terminology. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. If any one or more of these risks or uncertainties materializes or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Comcast, Comcast Bidco or any of their respective associates, directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this document will actually occur. Given these risks and uncertainties, you should not place any reliance on forward looking statements, which speak only as of the date of the relevant document.

Each of Comcast and Comcast Bidco expressly disclaims any obligation or undertaking to update or revise any forward-looking statement (except to the extent legally required).

Unless expressly stated otherwise, no statement contained or referred to in this document is intended to be a profit forecast or profit estimate.
