(b) *Retirement of F.M. Kirby*

On December 19, 2006, F.M. Kirby, Chairman of the Board of Directors of Alleghany Corporation (the Company), elected to retire as a director and Chairman effective December 31, 2006. John J. Burns, Jr., currently Vice Chairman of the Board of Directors, will succeed Mr. Kirby as Chairman of the Board of Directors, effective January 1, 2007.

(e) *Plan Amendments and Salary Adjustments*

(i) Non-Employee Directors Retirement Plan

Pursuant to the Company's Non-Employee Directors Retirement Plan (the Directors Retirement Plan), each person who has served as a non-employee director of the Company after July 1, 1990 is entitled to receive, after his retirement from the Board of Directors of the Company (the Board), an annual retirement benefit payable in cash equal to the annual retainer payable to directors of the Company at the time of his retirement. The benefit is paid from the date of the director's retirement from the Board until the end of a period equal to his length of service thereon or until his death, whichever occurs sooner. To be entitled to this benefit, the director must have served as such for at least five years and must have continued so to serve either until the time he is required to retire by the Company's retirement policy for directors or until he has attained age 70. In January 2005, the Directors Retirement Plan was amended to freeze such plan at December 31, 2004. Under the Directors Retirement Plan as amended, no new non-employee director is eligible to participate in the Directors Retirement Plan, a director's service after December 31, 2004 is no longer included in measuring how long the director's annual retirement benefit will be payable, and the annual retirement benefit for directors who retire after December 31, 2004 is limited to \$30,000, which was the annual retainer at December 31, 2004.

On December 19, 2006, the Board, upon the recommendation of the Compensation Committee, further amended the Directors Retirement Plan to permit participants to make an election in 2006 to receive an actuarially determined lump-sum payout of their accrued benefit in 2007. A copy of the Directors Retirement Plan, as amended, is filed herewith as Exhibit 10.1.

(ii) Retirement Plan

The Company's Retirement Plan (the Plan) generally provides, for designated employees, including all of its current executive officers, retirement benefits in the form of an annuity for the participant's life or, alternatively, actuarially equivalent forms of benefits, including a lump sum. Under the Plan, a participant must have completed five years of service with the Company or a subsidiary of the Company before he or she is vested in, and thus has a right to receive, any retirement benefits following his or her termination of employment. The annual retirement benefit under the Plan, if paid in the form of a joint and survivor life annuity to

a participant who retires on reaching age 65 with 15 or more years of service, is equal to 67 percent of the participant's highest average annual base salary and annual cash bonus over a consecutive three-year period during the last ten years or, if shorter, the full calendar years of employment. The Plan does not take payouts of long-term incentives into account in computing retirement benefits.

On December 19, 2006, the Board, upon the recommendation of the Compensation Committee, amended and restated the Plan to update it in a number of respects, including to eliminate certain tax gross-up and other provisions that had evolved over time and to adopt a new benefit formula. A copy of the Plan, as amended and restated, is filed herewith as Exhibit 10.2.

(iii) *Salary Adjustments*

On December 19, 2006, as part of its overall review of executive compensation for fiscal year 2007 and with the assistance of a compensation consulting firm, the Compensation Committee (the "Compensation Committee") of the Board of the Company, among other actions, approved annual base salary adjustments for the President and chief executive officer and the four other most highly compensated executive officers of the Company. In this regard, the annual base salary of Mr. Weston Hicks, President and chief executive officer of the Company, was increased to \$1.0 million from \$800,000 effective January 1, 2007.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

At its December 19, 2006 meeting, the Board approved amendments to the Company's By-Laws. The amendments, which are effective as of January 1, 2007, reflect that, commencing January 1, 2007, the Chairman of the Board will be a non-executive Chairman. To effect this change, the following amendments to the By-Laws were approved:

1. Section 9 ( "Vice Chairman of the Board" ) of Article II ( "Directors" ), was amended to be renumbered as Section 10 of Article II and the words "Section 2 of Article IV" was amended to read "Section 9 of Article II."

The position of Chairman of the Board shall not constitute an officer position of the Corporation and the Chairman of the Board shall not be assigned any duties or powers which could result in the Chairman of the Board being considered an executive officer of the Corporation as defined in Rule 3b-7 of the Securities Exchange Act of 1934, as amended, or Section 162(m) of the Internal Revenue Code of 1986, as amended.

3. Article IV ( Officers ) was amended to delete the first sentence of Section 1 regarding appointment of a Chairman of the Board.
