*Retirement of Francis F. Lee*

On July 28, 2009, Francis F. Lee, Chairman and Chief Executive Officer, announced his retirement as Chief Executive Officer effective immediately. Mr. Lee will continue as Chairman of the Board.

*Appointment of Thomas J. Tiernan*

On July 28, 2009, Thomas J. Tiernan was appointed Chief Executive Officer. Mr. Tiernan, 46, has been President and Chief Operating Officer of our company since July 2008. Mr. Tiernan served as Executive Vice President and General Manager of our company from July 2007 until July 2008 and as Senior Vice President from March 2006 until July 2007. Prior to joining our company, Mr. Tiernan served as Vice President and General Manager of Symbol Technologies Mobile Computing Division. From 1985 to 2004, Mr. Tiernan held various management and executive positions at Hewlett-Packard, including running the Network Storage business in the Americas, the Enterprise Systems business in Asia Pacific, and the PC business in Japan. Mr. Tiernan holds a Bachelor's Degree in Electrical Engineering from California State Polytechnic University and a Masters of Science in Computer Engineering from Santa Clara University.

Mr. Lee commented, "Synaptics is stronger and better positioned than at any time in its history and as I am interested in dedicating more of my time to my family, my foundation and other charitable and civic endeavors, I feel that is the right time for me to step down as CEO. Tom and I have worked closely together to spearhead the company's growth over the past three years, and the Board and I have confidence in Tom's ability to lead the company through its next stages of growth. Since joining the company in March 2006, Tom's strong business background, general management capabilities and focus on execution have served Synaptics well. During that time he has taken on increased responsibilities and broadened his role and impact within Synaptics. Tom has proven his ability to lead our global team, forge important customer relationships, expand our technology into exciting new markets, and deliver record financial results despite tough market conditions.

Mr. Tiernan stated, "I am grateful for the confidence that Francis and the Board have placed in me, and I could not be more pleased that Francis will continue to be involved as an advisor to the Synaptics leadership team. Our prospects have never been brighter, and I am highly energized by the opportunity to continue the company's mission of innovating and deploying intuitive touch solutions across multiple end-markets globally. We will build on the growth and profitability that Synaptics has achieved since its IPO in 2002 and maintain a strong focus on enhancing shareholder value as we move forward.

There is no arrangement, understanding, or family relationship pursuant to which Mr. Tiernan was selected as our Chief Executive Officer. There are no related party transactions between us and Mr. Tiernan reportable
