**Item 1.01 Entry into a Material Definitive Agreement.**

On August 4, 2009, ADVENTRX Pharmaceuticals, Inc. (the Company ) entered into an engagement letter agreement with Rodman & Renshaw, LLC (the Placement Agent ), pursuant to which the Placement Agent agreed to serve as exclusive placement agent for the Company on a best efforts basis in connection with a proposed offering by the Company of its securities.

On August 5, 2009, the Company entered into a securities purchase agreement with an investor pursuant to which the Company agreed to sell an aggregate of 922 shares of its 5% Series C Convertible Preferred Stock ( convertible preferred stock ). The purchase price per share of convertible preferred stock is \$1,000. An aggregate of 7,092,307 shares of the Company s common stock are issuable upon conversion of the convertible preferred stock.

Subject to certain ownership limitations, the convertible preferred stock will be convertible at the option of the holder at any time into shares of the Company s common stock at a conversion price of \$0.13 per share, which was the closing price of the Company s common stock on August 4, 2009, and will accrue a 5% cumulative dividend until February 10, 2012. In the event the convertible preferred stock is converted at any time prior to February 10, 2012, the Company will pay the holder of the converted convertible preferred stock an amount equal to \$125 per \$1,000 of stated value of convertible preferred stock converted less dividends paid with respect to such converted convertible preferred stock before the relevant conversion date. The conversion price of the convertible preferred stock will be subject to adjustment in the case of stock splits, stock dividends, combinations of shares and similar recapitalization transactions. The convertible preferred stock will be subject to automatic conversion into shares of common stock upon the occurrence of a change in control of the Company and the Company may become obligated to redeem the convertible preferred stock upon the occurrence of certain triggering events, including the material breach by the Company of certain contractual obligations to the holders of the convertible preferred stock, the occurrence of a change in control of the Company, the occurrence of certain insolvency events relating to the Company or the failure of the Company s common stock to continue to be listed or quoted for trading on one or more specified United States securities exchanges.

The securities purchase agreement and the certificate of designation authorizing the convertible preferred stock include certain agreements and covenants for the benefit of the holders of the convertible preferred stock, including restrictions on the Company s ability to amend its certificate of incorporation and bylaws, pay cash dividends or distributions with respect to its common stock or other junior securities, repurchase shares of its common stock or other junior securities, issue additional equity securities prior to August 25, 2009 and incur indebtedness, and a requirement to use its reasonable best efforts to maintain the listing of its common stock on one or more specified United States securities exchanges.

The convertible preferred stock and the shares of common stock underlying the convertible preferred stock are being offered and will be issued and sold pursuant to the Company s effective shelf registration statement on Form S-3 (File No. 333-159376) and the related prospectus supplement, dated August 5, 2009 and filed with the Securities and Exchange Commission on August 5, 2009 pursuant to Rule 424(b) under the Securities Act of 1933, as amended. The net proceeds to the Company from the offering, after deducting placement agent fees and its estimated offering expenses, are expected to be approximately \$0.8 million. The transaction is expected to close on August 10, 2009, subject to satisfaction of customary closing conditions. At the closing, 12.5%, or \$115,250, of the gross proceeds will be placed in an escrow account with Weinstein Smith LLP, which amount will be released to make dividend payments and any make-whole payments payable to the holders of the convertible preferred stock.

A copy of the opinion of special counsel to the Company relating to the legality of the issuance and sale of the shares of convertible preferred stock and shares of common stock issuable upon conversion of the convertible preferred stock in the offering is attached as Exhibit 5.1 hereto.

Pursuant to the terms of the engagement letter agreement with the Placement Agent, assuming the sale of all of the shares of convertible preferred stock in the offering, the Company will pay the Placement Agent a fee equal to approximately \$64,540 (7.0% of the gross proceeds from the sale of the securities). In addition, the Company will issue to the Placement Agent warrants to purchase up to that number of shares of common stock equal to 5.0% of the number of shares of common stock underlying the convertible preferred stock sold in the offering. Assuming the sale of all of the shares of convertible preferred stock in the offering, the compensation warrants to the Placement Agent

will be exercisable for up to 354,615 shares of the Company's common stock at an exercise price of \$0.1625

per share. Subject to certain ownership limitations, the warrants will be exercisable at any time after the six-month anniversary of their date of issuance and on or before the fifth anniversary of their date of issuance. The exercise price of the warrants and, in some cases, the number of shares issuable upon exercise, are subject to adjustment in the case of stock splits, stock dividends, combinations of shares and similar recapitalization transactions. The Placement Agent's warrants will include certain restrictions on transfer in accordance with FINRA regulations.
