**Item 1.01 Entry into a Material Definitive Agreement.
Merger Agreement with ICT Group, Inc.**

On October 5, 2009, Sykes Enterprises, Incorporated, SH Merger Subsidiary I, Inc., a Pennsylvania corporation and direct wholly-owned subsidiary of Sykes (Merger Sub), SH Merger Subsidiary II, LLC, a Florida limited liability company and direct wholly-owned subsidiary of Sykes (Merger Sub II) and, together with Merger Sub, the Merger Subs), and ICT Group, Inc., a Pennsylvania corporation (ICT Group), entered into a definitive Agreement and Plan of Merger (the Merger Agreement).

Pursuant to the terms of the Merger Agreement and subject to the conditions set forth therein, Merger Sub will merge with and into ICT Group with ICT Group as the surviving corporation (the Merger). Immediately after the effective time of the Merger, ICT Group will merge with and into Merger Sub II with Merger Sub II surviving as a wholly-owned subsidiary of Sykes (the Second Merger) and, together with the Merger, the Mergers).

As a result of the Merger, each outstanding share of ICT Group s common stock, par value \$0.01 per share (ICT Group Common Stock), will be converted into the right to receive consideration valued at \$15.38, subject to adjustment as described below. Such consideration shall be payable (i) in cash, without interest, in the amount of \$7.69 per share of ICT Group Common Stock, and (ii) the remainder payable in shares of Sykes common stock, par value \$0.01 per share (Sykes Common Stock), with the number of shares of Sykes Common Stock to be equal to an exchange ratio determined by the formula set forth below, divided by two.

The exchange ratio for calculating the number of shares of Sykes Common Stock to be issued in exchange for each share of ICT Group Common Stock as a result of the Merger, subject to the terms and conditions of the Merger Agreement, shall, subject to adjustment as set forth in the next paragraph, equal the number determined by dividing \$15.38 by the volume weighted average of the per share prices of Sykes Common Stock as listed in The Nasdaq Stock Market, LLC transaction reporting system for the ten consecutive trading days ending on (and including) the third trading day immediately prior to the effective time of the Merger (the Measurement Value).

The exchange ratio is subject to a 7.5% symmetrical collar with respect to changes in the Measurement Value as compared to \$20.8979 (the Initial Sykes Share Value), which is the volume weighted average of the per share prices of Sykes Common Stock as listed in The Nasdaq Stock Market, LLC transaction reporting system for the ten consecutive trading days ending on October 2, 2009, the last trading day immediately prior to the date of the Merger Agreement. Within this collar, the exchange ratio will be determined in accordance with the previous paragraph. If, however, the Measurement Value is equal to or less than \$19.3306 (representing 92.5% of the Initial Sykes Share Value), then the exchange ratio will be 0.7956 and 0.3978 shares of Sykes Common Stock will be issued for each share of ICT Group Common Stock. On the other hand, if the Measurement Value is equal to or greater than \$22.4652 (representing 107.5% of the Initial Sykes Share Value), then the exchange ratio will be 0.6846

and 0.3423 shares of Sykes Common Stock will be issued for each share of ICT Group Common Stock.

The Mergers, taken together, are intended to qualify as a reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code), thereby making the transaction a tax-free reorganization with respect to the stock portion of the consideration to be paid to the ICT Group shareholders.

The completion of the Merger is subject to certain conditions, including, among others, (i) adoption of the Merger Agreement by ICT Group s shareholders, (ii) the absence of certain legal impediments to the consummation of the Merger, (iii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and obtaining antitrust approvals in any other jurisdictions, if necessary, (iv) subject to certain materiality exceptions, the accuracy of the representations and warranties made by Sykes and ICT Group, respectively, and compliance by Sykes and ICT Group with their respective obligations under the Merger Agreement, (v) declaration of the effectiveness by the U.S. Securities and Exchange Commission (SEC) of the Registration Statement on Form S-4 to be filed by Sykes, (vi) approval by The NASDAQ Stock Market, LLC for the listing of Sykes Common Stock; and (vii) delivery of customary opinions from counsel to ICT Group and counsel to Sykes to the effect that the two Mergers will, taken together, be treated as a reorganization within the meaning of Section 368(a) of the Code.

Each of Sykes and ICT Group has made representations, warranties and covenants in the Merger Agreement. ICT Group s covenants and agreements include, among other things (i) to conduct its business in the ordinary course of business during the period between the execution of the Merger Agreement and the closing of the Merger, and (ii) not to solicit or initiate discussions with third parties regarding alternative transactions and to respond to proposals regarding such alternative transactions only in accordance with the terms of the Merger Agreement. Sykes covenants and agreements include, among other things (i) to conduct its business in the ordinary course of business during the period between the execution of the Merger Agreement and the closing of the Merger and (ii) not to engage in acquisitions, or, in excess of a specified threshold, repurchases of Sykes Common Stock.

The Merger Agreement contains specified termination rights for each of Sykes and ICT Group and further provides that, upon termination of the Merger Agreement by Sykes or ICT Group under certain circumstances, ICT Group may be obligated to pay Sykes a termination fee of \$7.5 million and to reimburse Sykes for up to \$4.5 million of expenses actually incurred by Sykes in connection with the Merger. In addition, if Sykes or ICT Group terminates the Merger agreement as a result of the failure of ICT Group s shareholders to approve the Merger, ICT Group will be required to reimburse Sykes for up to \$4.5 million of expenses actually incurred by Sykes in connection with the Merger.

The foregoing description of the Merger Agreement and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and the terms of which are incorporated herein by reference.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other financial information about Sykes, ICT Group, or their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Merger Agreement; may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of Sykes, the Merger Subs or ICT Group or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Sykes and ICT Group.

Voting Agreement with Shareholders of ICT Group

In connection with the execution of the Merger Agreement, Sykes, Merger Sub the ICT Group concurrently entered into a Voting Agreement (the Voting Agreement) with John J. Brennan, ICT's Chief Executive Officer and member of the ICT board of directors, Donald P. Brennan, a member of ICT's board of directors, and certain other shareholders of ICT (collectively, the Affiliated Shareholders). The shares of ICT Group Common Stock that are beneficially owned by such Affiliated Shareholders and that are subject to the Voting Agreement represent, in the aggregate, approximately 39% of the outstanding shares of ICT Group Common Stock. Pursuant to the Voting Agreement, the Affiliated Shareholders agree to vote the shares of ICT Group Common Stock that are subject to the Voting Agreement in favor of the Merger.

The Voting Agreement will terminate upon the earliest to occur of (i) the completion of the Merger, (ii) the termination of the Merger Agreement in accordance with its terms, or (iii) the amendment of the Merger Agreement in any material respect (other than to increase the merger consideration) unless the amendment is approved by the Affiliated Shareholders.

The foregoing description of the Voting Agreement is qualified in its entirety by reference to the full text of the Voting Agreement, which is attached hereto as Exhibit 9.1 and is incorporated herein by reference.
