PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Wilson Bank Holding Company (the Company) of proxies for the Annual Meeting of Shareholders of the Company (the Annual Meeting) to be held on Tuesday, April 13, 2010, at the Company's main office, 623 West Main Street, Lebanon, Tennessee 37087, at 7:00 p.m. (CDT). This proxy material was first mailed to shareholders on or about March 12, 2010.

All valid proxies which are received will be voted in accordance with the recommendations of the Board of Directors unless otherwise specified thereon and will be voted **For** election of the director nominees set out below; **For** approval of the amendment of the Company's Charter to increase the number of authorized shares of Common Stock (as defined below) from 10,000,000 shares to 15,000,000 shares; and **For** the ratification of Maggart & Associates, P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010. A proxy may be revoked by a shareholder at any time prior to its use by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

Only holders of record of the Company's common stock, par value \$2.00 per share (the Common Stock), at the close of business on February 12, 2010 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, the Company had 7,183,758 shares of Common Stock issued and outstanding, the holders of which are entitled to one vote for each share held on each of the matters to be voted upon at the Annual Meeting. The representation in person or by proxy of at least a majority of the outstanding shares entitled to vote is necessary to provide a quorum at the meeting. The directors shall be elected by a plurality of the votes cast in the election by the holders of Common Stock represented and entitled to vote at the Annual Meeting. The approval of the amendment to the Company's Charter, the ratification of Maggart & Associates, P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010 and any other matters submitted to the shareholders but not proposed in this Proxy Statement will be approved if the number of shares of Common Stock voted in favor of the proposal exceeds the number of shares of Common Stock voted against it. The Board of Directors of the Company does not know of any other matters which will be presented for action at the Annual Meeting other than those proposed in this Proxy Statement, but the persons named in the proxy (who are directors of the Company) intend to vote or act with respect to any other proposal which may be presented for action according to their best judgment. Abstentions and non-votes are accounted as present in determining whether a quorum is present. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Unlike prior annual meetings, however, as a result of recent changes in the rules of the New York Stock Exchange (the NYSE), if your broker does not receive instructions from you, your broker will not be able to vote your shares in the election of directors resulting in a broker non-vote. In addition, without instructions, your broker will not be able to vote your shares with respect to the proposal to approve the amendment to our Charter, also a broker non-vote. So long as a quorum is present, a non-vote or abstention will have no effect on the approval of the nominees to the Company's board of directors or on approval of the amendment to the Company's Charter and any other proposal that properly comes before the Annual Meeting.

The cost of solicitation of proxies will be borne by the Company, including expenses in connection with preparing, assembling, and mailing this Proxy Statement. Such solicitation will be made by mail, and may also be made by the Company's regular officers or employees personally or by telephone or other form of electronic communication. The Company may reimburse brokers, custodians and nominees for their expenses in sending proxies and proxy materials to beneficial owners.

Wilson Bank and Trust (the Bank) is located in Lebanon, Tennessee and is a wholly-owned subsidiary of the Company. The Bank is the only subsidiary of the Company.

STOCK OWNERSHIP

There are no persons who are the beneficial owners of more than 5% of the Company's Common Stock, its only class of voting securities.

The following table sets forth information regarding the beneficial ownership of the Company's Common Stock as of February 12, 2010 (unless otherwise noted), for:

each of our directors and nominees;

each of our executive officers named in the Summary Compensation Table (the "Named Executive Officers"); and

all of our directors and executive officers as a group.

The percentages of shares outstanding provided in the table are based on 7,183,758 voting shares outstanding as of February 12, 2010. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "SEC") and generally includes voting or investment power with respect to securities. Unless otherwise indicated, each person or entity named in the table has sole voting and investment power, or shares voting and investment power with his or her spouse, with respect to all shares of stock listed as owned by that person. The number of shares shown does not include the interest of certain persons in shares held by family members in their own right. Shares issuable upon exercise of options that are exercisable within sixty days of February 12, 2010 are considered outstanding for the purpose of calculating the percentage of outstanding shares of Company Common Stock held by the individual, but not for the purpose of calculating the percentage of outstanding shares held by any other individual.

Description of the Board and Committees of the Board

The Company does not have an executive compensation or nominating committee. The Board of Directors of the Company also serves as the Board of Directors of the Bank. The Board of Directors of the Company and the Board of Directors of the Bank, based upon recommendations by the Personnel Committee of the Board of Directors of the Bank, establish general compensation policies and programs for the Company and the Bank and determine annually the compensation to be paid to Company and Bank employees, including executive officers. The Board of Directors does not believe it is necessary to have a nominating committee because the Boards of Directors of the Company and the Bank act as a nominating committee for directors and officers of the Company and the Bank and develop general criteria concerning the qualifications and selection of directors and officers (including recommendations made by shareholders of the Company) and recommending candidates for such positions. All of the Company's directors participate in the consideration of director nominees.

Each potential director nominee is evaluated on the same basis regardless of whether he or she is recommended by management, by a director or by a shareholder. The Board of Directors has not adopted a policy with respect to minimum qualifications for directors, nor has the Board of Directors adopted a formal diversity policy for nominees. Rather, the Board of Directors annually reviews and determines the specific qualifications and skills that one or more directors must possess in the context of the then needs of the Board of Directors with respect to experience, expertise and age. In making recommendations for nominees to the Board of Directors, the Board of Directors seeks to include directors who, when taken together with the other nominees and continuing directors, will create a Board of Directors that offers a diversity of education, professional experience, background, age, perspective, viewpoints and skill. Each of the nominees for director to be elected at the Annual Meeting was nominated and recommended by the Board of Directors.

The Company has not received director nominee recommendations from any shareholders for the term commencing in 2010 and expiring in 2013. The Board of Directors will consider nominees recommended by shareholders, provided that such recommendations are submitted to the Board of Directors in writing and describe the reasons why the shareholder finds the recommended person to be a qualified candidate.

On September 28, 2009, the Board of Directors adopted a retirement policy for board members which requires that a director that served on the Board of Directors as of the policy's implementation must retire from the Board of Directors at the first annual meeting of shareholders following his or her 80th birthday. Directors elected to the Board of Directors for the first time after the policy's implementation will be required to retire from the Board of Directors at the first annual meeting of shareholders following the director's 70th birthday. Notwithstanding the foregoing, the mandatory retirement age policy will not prohibit any current director from serving out the remainder of his existing term or from being elected and serving for at least one full three year term to which the director may be elected following implementation of the policy.

The Board of Directors of the Company has no standing committees. The Board of Directors of the Bank has ten standing committees consisting of the Audit, Executive, Personnel, Finance, Marketing, Building, Investment, Long Range Planning, Data Processing and Board Relations Committee. The Chairman of the Company, Mr. Bentley, is a member of all committees. The Chairman of the Board of Directors of the Bank, Mr. Clemons, and Mr. Richerson are also members of all of the committees with the exception that Mr. Clemons and Mr. Richerson are not members of the Personnel Committee or the Audit Committee. The members of each committee are generally appointed in May of each year and serve until the following May. Therefore, the committee members identified below may not have been on each identified committee for the entire 2009 fiscal year. Unless otherwise provided below, the members identified below are the current members of the applicable committees.

Audit Committee. The Company does not have a separately-designated standing audit committee. The Bank, however, does have a separately-designated standing audit committee, composed of Messrs. J. Franklin, J. A. Patton with Mr. VanHooser serving as Chairman. The Audit Committee reviews annual and interim reports of the independent auditors and provides advice and assistance regarding the accounting, auditing and financial reporting practices of the Company and the Bank. The Audit Committee operates pursuant to the terms of a charter which was adopted by the Board of Directors in December 2004 and amended in February 2009 (the "Audit Committee Charter"). A copy of the Audit Committee Charter is not available on the Company's website, but was provided as an appendix to the Company's Proxy Statement for the 2009 Annual Meeting of Shareholders. All of the Audit Committee's members are independent under the current listing standards of the NYSE. While the Board of Directors believes that certain of its audit committee members are financially literate and have a level of financial sophistication necessary to serve on the Audit Committee, it has determined that the Company does not have an "audit committee financial expert" as defined by the SEC's rules and regulations serving on the Audit Committee. The Board of Directors believes that at least one of the current members of the Audit Committee has a level of experience regarding banking operations and the application of generally accepted accounting principles as to provide valuable service to the Audit Committee in its role of overseeing the financial reporting process of the Company and the Bank. The Board of Directors further believes that the current members of the Company's Board of Directors provide a breadth of experience and level of community relationships that are important to the Company and that the Company does not believe that it could attract an additional director that meets the requirements of an "audit committee financial expert" who also has those similar

relationships. In making its determination, the Board of Directors particularly considered the size and nature of the Company's business and the importance of knowledge of the local communities served by the Bank. The Audit Committee held five meetings during 2009.

Executive Committee. The Executive Committee is composed of Messrs. C. Bell, J. A. Patton, Trice, with Mr. Bentley serving as Chairman. The Executive Committee reviews corporate activities, makes recommendations to the Board of Directors on policy matters and makes executive decisions on matters that do not require a meeting of the full Board of Directors. The Executive Committee held twelve meetings during 2009.

Personnel Committee. The Personnel Committee, composed of Messrs. Franklin, Trice, and VanHooser, with Mr. J. A. Patton serving as Chairman, considers and recommends to the Board of Directors the salaries of all Bank personnel, including the Named Executive Officers. This committee, all of the members of which are independent under the listing standards of the NYSE, held six meetings during 2009. This Committee does not have a written charter. Compensation decisions for the Company's executive officers, including its Named Executive Officers, are made by the Board of Directors of the Company upon recommendation of the Personnel Committee. The agenda for meetings of the Personnel Committee is determined by its Chairman with the assistance of the Company's Secretary and the Company's Chief Executive Officer. Personnel Committee meetings are regularly attended by the Chairman of the Board, the Chief Executive Officer and the Chief Human Resources Officer. When considering the compensation of Mr. Clemons and Mr. Richerson, the Personnel Committee meets in executive session. The Personnel Committee's Chairman reports the committee's recommendations on executive compensation to the Board of Directors. The Company's human resources and accounting departments support the Personnel Committee in its duties and may be delegated authority to fulfill certain administrative duties regarding the compensation programs.

Finance Committee. The Finance Committee is the credit review board of the Bank. This committee reviews loan applications meeting certain criteria and approves those found creditworthy. In addition, this committee reviews all loans that are funded. The committee is comprised of Messrs. C. Bell, Franklin, J. A. Patton, VanHooser, and J. Bell serving as Chairman. The Finance Committee held twelve meetings during 2009.

Marketing Committee. The Marketing Committee is composed of Messrs. J. Bell, Freeman, VanHooser with Mr. Comer serving as Chairman. The Marketing Committee recommends the direction of the marketing efforts of the Company and the Bank. This committee held four meetings during 2009.

Building Committee. The Building Committee is composed of Messrs. Franklin and H. Patton with Mr. Freeman serving as Chairman. This committee makes recommendations to the Company's and the Bank's Boards of Directors on the immediate and future building needs of the Company and the Bank. This committee held four meetings during 2009.

Investment Committee. The Investment Committee is composed of Messrs. Bentley, H. Patton, and Trice with Mr. C. Bell serving as Chairman. The Investment Committee reviews and directs the investment portfolio of the Bank. This committee held four meetings during 2009.

Long Range Planning Committee. The Long Range Planning Committee is composed of Messrs. Bentley and Trice with H. Patton serving as Chairman. This committee explores strategic opportunities available to the Company and recommends the direction the Company should take on these matters. This committee held two meetings in 2009.

Data Processing Committee. The Data Processing Committee is composed of Messrs. J. Bell, J. A. Patton, with Mr. Franklin serving as Chairman. The Data Processing Committee reviews the computer hardware and software needs of the Company and makes recommendations regarding purchases thereof to the Board of Directors. This committee held four meetings during 2009.

Board Relations Committee. The Board Relations Committee is composed of Messrs. J. Bell, J. Freeman, and H. Patton with Mr. Bentley serving as Chairman. The Board Relations Committee's primary responsibility is to plan for the Board of Director's future responsibilities and ensure that the Bank's Board of Directors meets the future needs of the Bank. This committee had no meeting during 2009.

During the fiscal year ended December 31, 2009, the Board of Directors of the Bank held sixteen meetings with the Board of Directors of the Company also meeting sixteen times. Each director attended at least 99% of the aggregate number of meetings of both the Bank's and the Company's Boards of Directors and the committees on which such director served. The Company encourages each member of the Board of Directors to attend the Annual Meeting of Shareholders, and all of the Company's directors attended the 2009 Annual Meeting of Shareholders.

The Company's Board of Directors has established procedures for the Company's shareholders to communicate with members of the Board of Directors. Shareholders may communicate with any of the Company's directors, including the chairperson of any of the committees of the Board of Directors, by writing to a director c/o Wilson Bank Holding Company, 623 West Main Street, Lebanon, Tennessee 37087.

Board Leadership Structure. The Company separates the roles of Chief Executive Officer and Chairman of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company, while the Chairman of the Board provides guidance to the Chief Executive Officer and sets the agenda for Board meetings and presides over meetings of the full Board.

Board's Role in Risk Oversight. While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board of Directors assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. In particular, the Audit Committee focuses on financial and enterprise risk exposures, including internal controls, and discusses with management, the internal auditors, and the independent registered public accountants the Company's policies with respect to risk assessment and risk management, including risks related to fraud, liquidity, credit operations and regulatory compliance. The Audit Committee also assists the Board in fulfilling its duties and oversight responsibilities relating to the Company's compliance and ethics programs, including compliance with legal and regulatory requirements.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Exchange Act requires the Company's executive officers and directors and persons who beneficially own more than ten percent of the Common Stock to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent beneficial owners are required by federal securities regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms and written representations from certain reporting persons furnished to the Company, the Company believes that its officers, directors and greater than ten percent beneficial owners, if any, were in compliance with all applicable filing requirements, except for one late filing by Mr. McDearman and two late filings by Mr. J.A. Patton.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES LISTED ABOVE.

ITEM 2 AMENDMENT OF THE COMPANY'S CHARTER

The Company's Charter currently authorizes the issuance of 10,000,000 shares of Common Stock. As of December 31, 2009, 7,147,582 shares of Common Stock were issued and outstanding. On January 25, 2010, the Board of Directors unanimously approved and adopted, subject to shareholder approval, a proposed amendment to the Company's Charter, providing for an increase in the authorized number of shares of Common Stock from 10,000,000 to 15,000,000. Approval of the amendment to the Company's Charter requires that more votes be cast in favor of the amendment than against the amendment.

If this proposal is approved by the Company's shareholders at the Annual Meeting, the amendment to the Charter will become effective upon the filing of Articles of Amendment with the Secretary of State of Tennessee, which filing is expected to take place shortly after the Annual Meeting. The Board believes that it is in the best interests of the Company and all of its shareholders to amend the Charter to increase the authorized shares of Common Stock.

Except as set forth below, the relative rights of the holders of Common Stock under the Charter would remain unchanged. Article 6 of the Charter, as amended by the proposed amendment, is set forth below:

6. The total number of shares of stock which the corporation is authorized to issue is one hundred (100) shares of Organizational Stock, no par value per share and fifteen million (15,000,000) shares of Common Stock, \$2.00 par value per share.

The Board of Directors believes that with the current level of authorized capital stock, the Company is constrained in its ability to pursue strategies intended to support its planned growth and to enhance shareholder value. The Board of Directors considers the proposed increase in the number of authorized shares of Common Stock desirable because it would give the Company the necessary flexibility to issue Common Stock in connection with stock dividends and splits, acquisitions, equity financings and for other general corporate purposes. The Company currently has no oral or written plans, arrangements or understandings for the issuance of the additional shares of Common Stock to be authorized pursuant to this proposal.

The amendment to the Company's Charter will ensure that the Company will continue to have an adequate number of authorized and unissued shares of Common Stock available for future use. As is the case with the shares of Common Stock which are currently authorized but unissued, if this amendment to the Company's Charter is adopted by the shareholders, the Board of Directors will have authority to issue the additional shares of Common Stock from time to time without further action on the part of shareholders except as may be required by applicable law or by the rules of any stock exchange or market on which the Company's securities may then be listed or authorized for quotation.

The additional number of authorized shares could have the effect of making it more difficult for a third party to take over the Company in a transaction not approved by the Board of Directors. Shareholders do not have any preemptive or other rights to subscribe for any shares of Common Stock which may in the future be issued by the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE PROPOSED AMENDMENT TO THE COMPANY'S CHARTER TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK.

The Audit Committee pre-approved all audit and non-audit services provided by Maggart & Associates during fiscal 2009.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF MAGGART & ASSOCIATES, P.C. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

AUDIT COMMITTEE REPORT FOR 2009

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the Company's audited financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the audited financial statements. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received from the independent registered public accounting firm the written disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the audit committee concerning independence, and discussed with it, the firm's independence from the Company and its management. The Audit Committee has considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with maintaining the registered public accounting firm's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the SEC.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Decisions with respect to compensation of the Company's and the Bank's executive officers, including the Chief Executive Officer and the other named executive officers, as identified in the Summary Compensation Table, for fiscal year 2009 were made by the Board of Directors of the Bank based upon recommendations by the Personnel Committee. Discussions regarding the non-equity compensation of the Company's and the Bank's executive officers that are not named executive officers are made by the Chief Executive Officer in consultation with such officer's supervisor. For these officers, the Chief Executive Officer is responsible for establishing the framework for how these individuals are compensated. The components of compensation of executive officers consist of a base salary, an annual cash incentive, amounts contributed under the executive officer's Executive Salary Continuation Agreement and matching and profit-sharing contributions under the Company's 401(k) plan (as well as health and disability insurance and other non-cash benefits similar to those of all employees of the Bank or Company). At times, these executive officers have also been awarded equity based compensation in the form of time vested stock options; however, the Personnel Committee and the Chief Executive Officer have historically focused on cash-based compensation that is currently paid out, using stock options only in connection with promotions or changes in duties. The Company utilizes the Executive Salary Continuation Agreements, described in more detail below, to provide for post retirement payments to the named executive officers. No member of the Personnel Committee served as an officer or employee of the Company or of any of its subsidiaries during 2009.

The overarching policy of the Personnel Committee and the Board of Directors in determining executive compensation, including the compensation of the Chief Executive Officer, is to attract and retain the highest quality talent to lead the Company and to reward key executives based upon their individual performance and the performance of the Bank and the Company. The Personnel Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior employees in key positions and that compensation packages provided to key employees remain competitive relative to the compensation paid to similarly situated executives of peer companies. The Personnel Committee believes that providing incentives to and rewarding the performance of the Company's executive officers enhances the profitability of the Company. To that end, the Personnel Committee believes that the compensation paid to its executive officers should include base salary and a significant cash incentive opportunity designed to reward performance as measured against established goals. Continuing the practice of only awarding stock options in connection with promotions or changes in an executive officers' duties, the Personnel Committee did not award any stock-based compensation to the named executive officers in 2009 and does not utilize equity-based compensation as a significant component of the compensation paid to the named executive officers.

Executive compensation programs impact all employees by setting general levels of compensation and helping to create an environment of goals, rewards and expectations. Because we believe the performance of every employee is important to our success, we are mindful of the effect of executive compensation and incentive programs on all of our employees.

Each year the Personnel Committee reviews and approves a base salary for Mr. Clemons taking into account several factors, including prior year base salary, responsibilities, tenure, performance, salaries paid to chief executive officers of other financial institutions of a similar size in similar markets, the Bank's overall pay scale, including retirement benefits payable to Mr. Clemons, and the Bank's recent performance. Taking into consideration these factors, the Personnel Committee approved an increase to the 2009 base salary of Mr. Clemons when compared to 2008. In setting the base salaries of the other named executive officers, the Personnel Committee considers the recommendations of Mr. Clemons, who makes his recommendations regarding these salaries based on the same factors described above. Based on those criteria, the Personnel Committee approved similar increases to the 2009 base salaries of Mr. Richerson and Ms. Pominski. Mr. Whitaker and Mr. McDearman each received larger increases than the other three named executive officers in recognition of their taking on increased executive responsibilities and to raise their compensation to levels that are competitive within the Company's market areas.

Mr. Clemons and Mr. Richerson are eligible for an annual cash incentive, which we refer to as bonus, pursuant to a formula determined by the Board of Directors that is based upon the Company's after tax earnings for the fiscal year.

In 2009, Mr. Clemons was eligible for, and received, a cash incentive payment equal to 1.5% of the Company's after tax earnings, while Mr. Richerson was eligible for, and received, a cash incentive payment equal to 1.15% of the Company's after tax earnings. In total, Mr. Clemons and Mr. Richerson were paid cash incentive payouts totaling \$176,205 and \$135,090, respectively.

Mr. Whitaker, Ms. Pominski and Mr. McDearman were eligible for, and received, a cash incentive payment determined by the return on assets (ROA) performance of the Bank, which payment was calculated on a basis consistent with the Bank s other employees. For 2009, the ROA targets and related cash incentive payouts as a percentage of the base salary of Messrs. Whitaker and McDearman and Ms. Pominski were 9% at .90 ROA, 9.5% at .95 ROA, 10% at 1.0 ROA, 10.5% at 1.05 ROA, 11% at 1.10 ROA, 11.5% at 1.15 ROA, 12% at 1.20 ROA, 12.5% at 1.25 ROA and 13% at 1.35 ROA.

In 2009, the Bank s ROA was 0.81. Although the Bank did not achieve the ROA target established because of the continuing challenging economic environment, the Board of Directors decided to pay the minimum percentage to the named executive officers in recognition of their significant contribution to the Bank and in light of the fact that the Bank continued to achieve profitability even during a very challenging economic environment. The Personnel Committee and the Board of Directors approved the payout of a cash bonus totaling 9% of the base salaries of Messrs. Whitaker and McDearman and Ms. Pominski, or \$17,537, \$13,123 and \$9,466, respectively.

Messrs. Whitaker and McDearman and Ms. Pominski were also eligible to receive monthly cash payments under the Company s cash-based incentive plan upon the attainment of certain Company and individual performance goals. For Mr. Whitaker these goals included goals related to loan fees, loan volume, mortgage loan income, credit life goals, past due loan percentage and timely employee reviews. For Mr. McDearman, these goals included each branch in his division meeting budget, as well as the Bank meeting budget. For Ms. Pominski, these goals included expense control and audit related goals. Incentives paid to Messrs. Whitaker and McDearman, and Ms. Pominski, for 2009 related to these performance goals totaled \$18,000, \$14,073 and \$7,200 respectively, which was the maximum amount that could be received for Ms. Pominski and 60% and 67.8% of the maximum amounts that could be received for Messrs. Whitaker and McDearman, respectively.

Employees, including executive officers, also receive a matching grant of \$.35 from the Company for each one dollar (\$1) up to a maximum of 6% of the amount contributed each year by the employee to his or her 401(k) account. No employee is entitled to contribute more than \$16,500. The Company contributes additional funds into each employee s 401(k) account under a profit-sharing arrangement based upon each employee s base salary as a percentage of the Company s total payroll. During 2009, Messrs. Clemons, Richerson, Whitaker and McDearman and Ms. Pominski received contributions totaling \$23,520, \$23,520, \$19,077, \$16,770 and \$10,643, respectively.

The Bank has entered into Executive Salary Continuation Agreements with certain of its senior executive officers, including Messrs. Clemons, Richerson, Whitaker and McDearman and Ms. Pominski, which agreements were amended on December 30, 2008. These agreements, as amended, provide for the payment of an annual cash benefit to each of these executive officers (or his or her beneficiaries) following the executive s separation from service from the Bank under a variety of circumstances.

If a named executive officer retires from the Bank after reaching age 65, he or she is entitled to receive a percentage of his or her then current base salary payable in equal monthly installments for 180 months beginning the month following the month in which such executive officer s retirement occurs. The percentage of salary payable to each of Messrs. Clemons, Richerson, Whitaker and McDearman and Ms. Pominski following retirement after reaching age 65 is 30%, 30%, 20%, 10% and 10%, respectively.

If a named executive officer retires prior to reaching age 65, his or her retirement will be considered early retirement under the Executive Salary Continuation Agreements if he or she has attained the age of 55 and has been continuously employed by the Bank for twenty years. If the named executive officer's retirement qualifies as early retirement or the named executive officer dies prior to the commencement of benefit payments under the agreements then he or she shall be entitled to receive a benefit equal to the accrual balance of the executive officer under the agreement as of the last day of the plan year immediately preceding the executive's early retirement date or death, as the case may be, payable in equal monthly installments for 180 months beginning the month following the month in which the executive's early retirement occurs in the case of early retirement and in a lump sum within 30 days following the executive's death in the case of death. At December 31, 2009, the accrual balance for each of the named executive officers was as follows:

Named Executive Officer	Accrual Balance at December 31, 2009	Vested Balance at December 31, 2009
J. Randall Clemons	\$ 496,647	\$ 496,647
Elmer Richerson	309,829	309,829
Gary Whitaker	83,638	
John McDearman	10,265	
Lisa Pominski	11,069	

In the event that a named executive officer becomes disabled prior to reaching early retirement or retirement, the Bank is obligated to pay to the executive officer an annual benefit equal to 60% of the executive officer's salary and bonus at the time of disability, payable in equal monthly installments for a period of 180 months.

In the event that the employment of a named executive officer terminates for any reason other than death, disability or retirement by his or her voluntary action or he or she is discharged by the Bank without cause, the Bank is required to pay to the executive the vested portion of his or her accrual balance as of the date of termination in equal monthly installments for a period of 180 months commencing on the first month following the executive officer's 65th birthday. Under the terms of the Executive Salary Continuation Agreements, a participant becomes 100% vested in his or her accrual balance earned as of the last day of the immediately preceding plan year upon attaining age 55 and completing 20 years of continuous employment with the Bank. At December 31, 2009, each of the named executive officer were vested in the following percentages:

Named Executive Officer	Percentage Vested at December 31, 2009
J. Randall Clemons	100%
Elmer Richerson	100%
Gary Whitaker	
John McDearman	
Lisa Pominski	

The Bank has purchased life insurance policies or other assets to provide the benefits payable to the named executive officers and other executive officers that are a party to Executive Salary Continuation Agreements with the Bank. These insurance policies are the sole property of the Bank and are payable to the Bank. At December 31, 2009, the total liability of the Bank to the named executive officers under these Executive Salary Continuation Agreements totaled \$911,448 while the cash surrender value and face amount of the policies associated with these named executive officers totaled approximately \$1,109,567 and \$3,923,000, respectively.

Payment of benefits under the Executive Salary Continuation Agreements is contingent on the executive officer not competing with the Bank for one year after termination of employment. In the event there is a change in control of the Bank or the Company, the benefits become fully vested without regard to the non-competition agreement and will be

paid out in accordance with the terms of the agreements following the named executive officer's termination of service. A change in control is the acquisition of 50% or more of the shares of the Bank or the Company, or a merger, consolidation or similar transaction involving the Bank or the Company, or the cessation by either of their business activities or existence.

The Executive Salary Continuation Agreements were amended during 2008 to bring the Agreements into compliance with the requirements of Internal Revenue Code Section 409A, along with simplifying the calculation of the benefits received at retirement.

In addition to the above-described compensation, the Company provided automobile (and in the case of Mr. Clemons and Mr. Richerson, fuel) allowances in 2009 of \$5,546, \$4,969, \$7,800 and \$7,800, for each of Messrs. Clemons, Richerson, Whitaker and McDearman.

For 2010, base salaries have been set at \$349,474, \$270,529, \$172,031 \$150,181 and \$108,334, respectively, for Messrs. Clemons, Richerson, Whitaker and McDearman, and Ms. Pominksi, respectively.

As part of its role, the Personnel Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that the Company may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. The Company believes that compensation paid under the cash incentive plans are generally fully deductible for federal income tax purposes. However, in certain situations, the Personnel Committee may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officers.

On October 22, 2004, the American Jobs Creation Act of 2004 was signed into law, changing the tax rules applicable to nonqualified deferred compensation arrangements. The Company amended the Executive Salary Continuation Agreements in December 2008 to comply with the final regulations issued under these tax law changes.

Beginning on January 1, 2006, the Company began accounting for stock-based payments including those issued under its Stock Option Plan in accordance with the requirements of FASB ASC Topic 718.

PERSONNEL COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Personnel Committee has reviewed and discussed the Compensation Discussion and Analysis (the CD&A) for the year ended December 31, 2009 with management. In reliance on the reviews and discussions referred to above, the Personnel Committee recommended to the Board of Directors, and the Board Directors has approved, that the CD&A be included in the proxy statement for the Annual Meeting.

In addition, some of the directors and officers of the Bank are at present, as in the past, affiliated with businesses which are customers of the Bank and which have had and expect to have loan transactions with the Bank in the ordinary course of business. These loans were made in the ordinary course of business and were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other parties. In the opinion of the Board of Directors, these loans do not involve more than a normal risk of collectability or present other unfavorable features.
