Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Board of Directors (the Board) of Mindspeed Technologies, Inc. (the Company) previously approved, subject to stockholder approval, an amended and restated Mindspeed Technologies, Inc. Directors Stock Plan (the Directors Stock Plan), which, among other things, increases the number of shares of the Company's common stock reserved for issuance under the Directors Stock Plan from 288,000 shares to 438,000 shares and places limits on the number of shares which may be used for grants of restricted stock and restricted stock units from and after March 10, 2010. At the Company's annual meeting of stockholders held on March 10, 2010 (the Annual Meeting), the Company's stockholders approved the amended and restated Directors Stock Plan.

The foregoing description of the amendments to the Directors Stock Plan is only a summary and is qualified in its entirety by the full text of the Directors Stock Plan, as amended and restated, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

The Board previously approved, subject to stockholder approval, the Mindspeed Technologies, Inc. Employee Stock Purchase Plan (the Employee Stock Purchase Plan), which, among other things reserves 500,000 shares for issuance under such plan, and provides eligible employees with the opportunity to purchase shares of the Company's common stock through payroll deductions at a discount from the then current market price. At the Annual Meeting, the Company's stockholders approved the Employee Stock Purchase Plan.

The foregoing description of the Employee Stock Purchase Plan is only a summary and is qualified in its entirety by the full text of the Employee Stock Purchase Plan, which is filed as Exhibit 10.2 to this Current Report on Form 8-K and incorporated herein by reference.

On March 10, 2010 (the Grant Date), the Compensation and Management Development Committee of the Board (the Committee) granted awards of unrestricted stock (the Stock Awards) to certain executive officers of the Company, with vesting subject to satisfaction of specific performance conditions. The Stock Awards begin to vest on the date (the Vesting Trigger Date) when the average of the closing price of the Company's common stock over a consecutive 20-day trading period reaches certain minimum amounts (the Vesting Trigger Price). On the Vesting Trigger Date, 8.33% of the shares of common stock underlying the Stock Awards will vest for each completed three (3) month period from the Grant Date to the Vesting Trigger Date. An additional 8.33% of the shares of common stock underlying the Stock Awards will vest on each three (3) month anniversary date of the Vesting Trigger Date. If the Vesting Trigger Price is not achieved prior to the three (3) year anniversary date of the Grant Date, the Stock Awards will be forfeited. The number of shares of common stock underlying the Stock Awards and their respective Vesting Trigger Prices are set forth in the table below.

Executive Officer	Number of Shares of Common Stock Underlying the Stock Awards	Vesting Trigger Price
Raouf Y. Halim, Chief Executive Officer	75,000	\$10.49
	75,000	\$12.59
Thomas J. Medrek, Senior Vice President, Multiservice Access	15,000	\$10.49
	15,000	\$12.59
Gerald J. Hamilton, Senior Vice President, Worldwide Sales	5,000	\$10.49
	5,000	\$12.59

On the Grant Date, the Committee also granted awards of restricted stock (the Restricted Stock Awards, and together with the Stock Awards, the Awards) to Messrs. Halim, Medrek and Hamilton in the amounts of 150,000, 30,000 and 10,000 shares of restricted stock, respectively, pursuant to the Mindspeed Technologies, Inc. 2003 Long-Term Incentives Plan (the Plan). The Restricted Stock Awards vest in the amount of 8.33% of each Restricted Stock Award each three month anniversary of the Grant Date.

The Committee granted the Awards to Mr. Halim based on its assessment of the competitiveness of his current equity compensation value and his performance with regard to the Company's financial performance, quality of the Company's revenue and his strategic positioning of the Company, and to incentivize continuing business performance improvement. The Committee granted the Awards to Mr. Medrek based on its assessment of the competitiveness of his current equity compensation value and his performance with regard to the development and growth of the Company's Multiservice Access business unit, and to incentivize continuing business performance improvement. The Committee granted the Awards to Mr. Hamilton based on its assessment of the competitiveness of his current equity compensation value and his performance with regard to the development of the Company's globally diverse customer engagements.

The Stock Awards were made pursuant to the Plan, the Unrestricted Stock Terms and Conditions under the Plan, which is filed as Exhibit 10.3 to this Current Report on Form 8-K and incorporated herein by reference, and the Form of Unrestricted Stock Award, which is filed as Exhibit 10.4 to this Current Report on Form 8-K and incorporated herein by reference.
