**Item 1.01. Entry into a Material Definitive Agreement.**

On March 11, 2010, Batesville Services, Inc. ( Batesville ), an Indiana corporation and wholly owned subsidiary of Hillenbrand, Inc. (collectively, the Company ), and Forethought Financial Group, Inc. ( FFG ), a Delaware corporation, entered into a letter agreement ( Agreement ) pursuant to which, on or before March 31, 2010, but contingent upon the receipt by FFG of the net proceeds of a proposed private offering of senior notes, FFG will make a payment to Batesville in the amount of \$138,200,000 in full repayment of (i) the aggregate principal amount of a promissory note (the Note ) in the principal amount of \$107,711,000 and (ii) warrants (the Warrants ) to purchase 20,650 shares of Class A Common Stock of FFG and currently held by Batesville. This payment will constitute payment in full for the Note and Warrants, collectively, and will forever extinguish the obligations of FFG and any of its affiliates to Batesville and any of its affiliates under or otherwise in respect of the Note and the Warrants. Concurrently with this payment, Batesville will return the Note and the Warrants to FFG for cancellation, release all liens granted by FFG to Batesville, and return to FFG all pledge shares, and each party will be forever released and discharged from liability to the other party in respect of the matters covered by the Agreement.

Under the terms of the Note, the Company would have expected to receive annual installments of \$10 million starting in July 2010, with all remaining interest and principle payable in July 2014. The Company believes the Agreement is an attractive opportunity to monetize this legacy asset that was distributed to it in connection with its separation from Hill-Rom Holdings, Inc. on April 1, 2008. Given the strategic objectives of the Company and the overall economic uncertainties facing financial institutions, management believes a timely settlement at this recovery level, if consummated, would remove a key risk factor from the Company s balance sheet and significantly enhance the ability of the Company to focus on its core strategies.

If FFG and Batesville are able to consummate the transaction contemplated by the Agreement, the Company will recognize a pre-tax settlement loss from this transaction of approximately \$11.8 million during its quarter ended March 31, 2010.
