Item 1.01 Entry Into a Material Definitive Agreement.

On July 29, 2010, H&E Equipment Services, Inc. (the Company) amended and restated its existing \$320.0 million senior secured credit facility with General Electric Capital Corporation as administrative agent that matures on August 4, 2011, entering into a Third Amended and Restated Credit Agreement by and among the Company, Great Northern Equipment, Inc., GNE Investments, Inc., H&E Finance Corp., H&E Equipment Services (California), LLC, H&E California Holdings, Inc., H&E Equipment Services (Mid-Atlantic), Inc., General Electric Capital Corporation, as administrative agent, Bank of America, N.A. as co-syndication agent, documentation agent, joint lead arranger and joint bookrunner and the lenders from time to time party thereto (the Amendment and Restatement).

The Amendment and Restatement, among other things, (i) extends the maturity date of the credit facility from August 4, 2011 to July 29, 2015, (ii) adds a financial covenant requiring maintenance of a maximum total leverage ratio of 5.0 to 1.0, which is tested if excess availability is less than \$40.0 million (as adjusted if the incremental facility is exercised), (iii) modifies the existing financial covenant requiring maintenance of a fixed charge coverage ratio so that the excess availability level at which such ratio is tested increases from excess availability of less than \$25.0 million to excess availability of less than \$40.0 million, (as adjusted if the incremental facility is exercised), (iv) requires a daily sweep of cash from the Company's blocked accounts in the event that excess availability is less than \$65.0 million (as adjusted if the incremental facility is exercised) and (v) increases the unused commitment fee from .25% to .50%. The Amendment and Restatement also increases the interest rate (a) in the case of index rate revolving loans, to the index rate plus an applicable margin of 1.50% to 2.25% depending on the leverage ratio and (b) in the case of LIBOR revolving loans, to LIBOR plus an applicable margin of 2.50% to 3.25%, depending on the leverage ratio.

The credit facility, as amended and restated, continues to provide, among other things, a \$320.0 million senior secured asset based revolver, including a \$30.0 million letter of credit facility, a \$130.0 million incremental facility and a guaranty by the Company and each of its subsidiaries of the obligations under the credit facility. In addition, the borrowers under the credit facility remain the same and the credit facility remains secured by substantially all of the assets of the Company and its subsidiaries.
