**PROXY STATEMENT FOR THE CYCLACEL PHARMACEUTICALS, INC.
SPECIAL MEETING OF PREFERRED STOCKHOLDERS
TO BE HELD ON OCTOBER 4, 2010**

GENERAL INFORMATION ABOUT THE MEETING

Why Did I Receive this Proxy Statement?

You received this proxy statement and the enclosed proxy card because Lloyd I. Miller, a holder of 10% or more of the issued and outstanding 6% Convertible Exchangeable Preferred Stock (the **Preferred Stock**) of the Company, has requested that the Company call a special meeting of the holders of our Preferred Stock to vote and elect directors to fill two newly created directorships on the Company's Board of Directors.

Pursuant to the terms of the Company's Certificate of the Powers, Designations, Preferences and Rights governing the 6% Convertible Exchangeable Preferred Stock (the **Certificate**), holders of the Preferred Stock are entitled to receive, when, as and if declared by the Board of Directors, out of the funds of the Company legally available therefor, cash dividends payable in equal quarterly installments on February 1, May 1, August 1 and November 1. The Certificate further provides that, if the Company is in arrears in an aggregate amount equal to at least six quarterly dividends (whether or not consecutive), the number of members of the Company's Board of Directors will be increased by two, effective as of the time of election of such directors, and the holders of Preferred Stock, voting separately as a class, will have the right to vote and elect such two additional directors. As of August 1, 2010, the Company was in arrears in an aggregate amount equal to six quarterly dividends on the Preferred Stock.

Mr. Miller has nominated Lloyd Sems and Gregory T. Hradsky as the two additional directors. We have not received any other nominations for directors by the holders of the Preferred Stock. Pursuant to the terms of the Certificate, the Board of Directors shall determine which class of directors on the Company's classified board to appoint any individuals elected by the holders of Preferred Stock. The Board of Directors has determined that Mr. Sems, if elected, would be appointed to Class 2, with a term expiring at the Company's 2011 annual meeting of stockholders, and Mr. Hradsky, if elected, would be appointed to Class 1, with a term expiring at the Company's 2013 annual meeting of stockholders. If elected, Messrs. Sems and Hradsky would serve as directors until the earlier of (a) the annual meeting of stockholders at which the class of such director to which such individual has been appointed expires, and (b) such time as all accrued and unpaid dividends on the Preferred Stock have been declared and paid or set apart for payment. The special meeting will be held at 1:00 p.m., EDT, on October 4, 2010 at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., The Chrysler Center, 666 Third Avenue, 25th Floor, New York, New York, 10017. This proxy statement, along with the accompanying Notice of Special Meeting of Preferred Stockholders, summarizes the purposes of the meeting and the information you need to know to vote at the special meeting.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held on October 4, 2010. The proxy statement is available at www.proxyvote.com.

On or about September 21, 2010, we began sending this proxy statement, the attached notice of special meeting and the enclosed proxy card to all Preferred Stockholders entitled to vote at the meeting.

Table of Contents

Who Can Vote?

Only stockholders who owned our Preferred Stock at the close of business on September 15, 2010 are entitled to vote at the special meeting. On this record date, there were 1,213,142 shares of our Preferred Stock issued and outstanding and entitled to vote.

You do not need to attend the special meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. For instructions on how to change or revoke your proxy, see [May I Change or Revoke My Proxy?](#) below.

For the ten-day period immediately prior to the special meeting, the list of stockholders entitled to vote will be available for inspection at our offices at 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey, 07922, for such purposes as are set forth in the General Corporation Law of the State of Delaware.

How Many Votes Do I Have?

Each share of Cyclacel Pharmaceuticals, Inc. Preferred Stock that you own entitles you to one vote.

How Do I Vote?

You may either attend the special meeting or vote by proxy. If you vote by proxy, the individuals named on the proxy card, or your proxies, will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for directors or withheld from all or any one of the nominees for director. Voting by proxy will not affect your right to attend the special meeting. If your shares are registered directly in your name through our transfer agent, American Stock Transfer and Trust Company, or you have stock certificates registered in your name, you may vote:

By Internet or by telephone. Follow the instructions attached to the proxy card to submit a proxy to vote by Internet or telephone.

By mail. Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in favor of the nominees.

In person at the meeting. If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting. You will be asked to register in advance of the special meeting if you plan to attend the meeting in person. If you wish to register in advance of the special meeting, please contact our investor relations office by no later than September 27, 2010, by telephone at (908) 517-7330, by mail at Cyclacel Pharmaceuticals, Inc., 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey, 07922, by fax at (866) 271-3466, or by e-mail to ir@cyclacel.com.

Telephone and Internet voting facilities for stockholders of record will be available 24-hours a day and will close at 11:59 p.m., EDT, on October 3, 2010.

If your shares are held in street name (held in the name of a bank, broker or other nominee who is the holder of record), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

By Internet or by telephone. Follow the instructions you receive from the record holder to vote by Internet or telephone.

By mail. You should receive instructions from the record holder explaining how to vote your shares.

Table of Contents

In person at the meeting. Contact the broker, bank or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the annual meeting. You will not be able to vote at the special meeting unless you have a proxy card from your broker, bank or other.

How Does the Board of Directors Recommend That I Vote on the Proposal?

The Board of Directors makes no recommendation on whether to vote in favor of or against the election of Lloyd Sems, as a Class 2 director, and Gregory T. Hradsky, as a Class 1 director.

If any other matter is properly presented at the special meeting, your proxy provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. We know of no matters that need to be acted on at the special meeting, other than those described in this proxy statement, and the Company's Amended and Restated Bylaws provide that only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Company's notice of meeting.

May I Change or Revoke My Proxy?

If you give us your proxy, you may change or revoke it at any time before the meeting. You may change or revoke your proxy in any one of the following ways:

By submitting a new proxy card with a date later than your previously delivered proxy and submitting it as instructed above;

By re-voting by Internet or by telephone as instructed above;

By providing written notice of revocation to us before the special meeting at 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey, 07922, Attention: Paul McBarron, Executive Vice President Finance, Chief Financial Officer, Chief Operating Officer and Secretary; or

By attending the special meeting in person and voting in person. Attending the special meeting in person will not in and of itself change or revoke a previously submitted proxy.

Your most current proxy card or proxy submission by telephone or Internet is the one that will be counted.

What if I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our Preferred Stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under "How Do I Vote?" for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Vote?

If your shares are registered in your name, they will not be voted if you do not return your proxy card by mail or vote as described above under "How Do I Vote?"

If your shares are held in street name and you do not provide voting instructions to the broker, bank or other nominee who holds your shares as described above under "How Do I Vote?", the bank, broker or other nominee that holds your shares does not have the authority to vote your unvoted shares. If your broker cannot vote your shares on a particular matter because it has not received instructions from you, this is referred to as a broker non-vote.

Table of Contents

What Vote is Required to Approve the Proposal and How are Votes Counted?

The nominees for directors who receive the most votes (also known as a plurality of the votes cast) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

What is the Effect of Not Casting Your Vote?

If you hold your shares in street name, it is critical that you cast your vote if you want your vote to be counted for the election of directors. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your bank, broker or other nominee was allowed to vote those shares on your behalf in the election of directors in the bank, broker or other nominee's discretion.

Recent changes in regulation were made to take away the ability of your bank, broker or other nominee to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank, broker or other nominee how to vote in the election of directors, no votes will be cast on this proposal on your behalf. If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the special meeting.

Is Voting Confidential?

We will keep all of the proxies, ballots and voting tabulations private. We only let our Inspector of Election, an attorney from Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

What Are the Costs of Soliciting these Proxies?

The solicitation of proxies in the enclosed form is made on behalf of the Board of Directors. The entire cost of soliciting these proxies, including the costs of preparing, printing and mailing to stockholders this proxy statement and accompanying materials, will be borne by us. We have not engaged a third party solicitor to assist us with the solicitation of proxies. Proxies may be solicited personally, by telephone or otherwise by our officers, directors and employees, who will receive no additional compensation for these services. We will ask banks, brokers and other nominees to forward these proxy materials to their principals and obtain authority to execute proxies. We will then reimburse such parties for their reasonable expenses incurred in connection with these activities.

What Constitutes a Quorum for the Meeting?

The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of our Preferred Stock entitled to vote at the meeting is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy and abstentions are counted for purposes of determining whether a quorum exists. Broker non-votes will not be counted for purposes of determining whether a quorum exists.

What Appraisal Rights Would I Have as a Dissenter?

Under Delaware law, stockholders are not entitled to dissenters' rights of appraisal on the proposal referred to herein.

Attending the Special Meeting

The special meeting will be held at 1:00 p.m., EDT, on October 4, 2010, at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., The Chrysler Center, 666 Third Avenue, 25th Floor, New York, New York, 10017. When you arrive at our corporate headquarters, signs will direct you to the appropriate meeting room. You need not attend the special meeting in order to vote.

Table of Contents

If you plan to attend the meeting, you must register in advance by no later than September 27, 2010. Registration will be granted only to registered and beneficial owners. You may register by contacting our investor relations office by telephone at (908) 517-7330, by mail at Cyclacel Pharmaceuticals, Inc., 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922, by fax at (866) 271-3466, or by e-mail to ir@cyclacel.com. When contacting us, please provide the name under which you hold shares of record or the evidence of your beneficial ownership of shares described below.

Please note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to send a written request for registration either by regular mail, fax or e-mail, along with proof of share ownership, such as a copy of the portion of your voting instruction form showing your name and address, a bank or brokerage firm account statement or a letter from the broker, trustee, bank or nominee holding your shares, confirming ownership. Requests for registration will be processed in the order in which they are received and must be requested no later than September 27, 2010. Please note that seating is limited and requests for registration will be accepted on a first-come, first-served basis. Seating will begin at 12:00 p.m. EDT and the meeting will begin at 1:00 p.m. EDT.

Householding of Annual Reports, Proxy Statements or Notice of Internet Availability of Proxy Materials

In December 2000, the Securities and Exchange Commission, or the SEC, adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or your broker to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as householding, benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be householded, the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

If your household received a single set of disclosure documents this year, but you would prefer to receive your own copy, please contact Broadridge Financial Solutions, Inc., by calling their toll free number, 1-888-237-1900.

If you do not wish to participate in householding and would like to receive your own set of our annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another holder of our stock and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

If your shares are registered in your own name, please contact Broadridge Financial Solutions, Inc., and inform them of your request by calling them at 1-888-237-1900 or writing them at 51 Mercedes Way, Edgewood, New York, 11717.

If a broker, bank or other nominee holds your shares, please contact the broker, bank or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Electronic Delivery of Company Stockholder Communications

Most stockholders can elect to view future proxy statements over the Internet instead of receiving paper copies in the mail. You can choose this option and save the cost of producing and mailing these documents by:

- following the instructions provided on your proxy card or voter instruction form;
- following the instructions provided when you submit a proxy to vote over the Internet; or

going to *proxyvote.com* and following the instructions provided.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information with respect to the beneficial ownership of our Preferred Stock as of September 17, 2010 for (a) the executive officers named in the Summary Compensation Table located elsewhere in this proxy statement, (b) each of our directors and director nominees, (c) all of our current directors and executive officers as a group, and (d) each stockholder known by us to own beneficially more than 5% of our Preferred Stock, relying solely upon the amounts and percentages disclosed in their public filings or other information made available to us.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days of September 17, 2010, including through the exercise of options or warrants. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities as to which he has no economic interest. Except as indicated in footnotes to this table, we believe that the stockholders named in this table have sole voting and investment power with respect to all shares of Preferred Stock shown to be beneficially owned by them based on information provided to us by these stockholders.

Table of Contents**MANAGEMENT AND CORPORATE GOVERNANCE****The Board of Directors**

Our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, as amended, provide that our business is to be managed by or under the direction of the Board of Directors. Our Board of Directors is divided into three classes for purposes of election. One class is elected at each annual meeting of stockholders to serve for a three-year term.

Our Board of Directors currently consists of seven members, classified into three classes as follows: (1) Spiro Rombotis and David U Prichard, Ph.D. constitute a class with a term ending at the 2011 annual meeting; (2) Paul McBarron, Nicholas Bacopoulos, Ph.D. and Christopher S. Henney, Ph.D., D.Sc. constitute a class with a term ending at the 2012 annual meeting; and (3) Sir John Banham and Daniel K. Spiegelman constitute a class with a term ending at the 2013 annual meeting.

At the special meeting, however, the holders of our Preferred Stock, voting separately as a class, will be entitled to vote and elect two additional directors pursuant to the terms of the Certificate. Thus, after the special meeting, our Board of Directors will consist of nine members, provided that the right of the holders of Preferred stock to elect directors as a separate class will end at such time as all accrued and unpaid dividends on the Preferred Stock have been declared and paid or set apart for payment. Such directorships shall also expire at such time.

Set forth below are the names of the persons nominated as directors and our current directors, their ages, their offices in the Company, if any, their principal occupations or employment for the past five years, the length of their tenure as directors and the names of other public companies in which such persons hold or have held directorships during the past five years. In addition, the following paragraphs include specific information about the experience, qualifications, attributes or skills of each of our directors, other than Messrs. Sems and Hradsky, who were nominated by Mr. Miller, that led the Board of Directors to the conclusion that the individual is qualified to serve on the Board of Directors as of the time of this filing, in light of our business and structure.

Director Independence

Our Board of Directors has reviewed the materiality of any relationship that each of our directors has with the Company, either directly or indirectly. Based upon this review, our Board of Directors has determined that each of the following directors is an independent director as such term is defined by rules of The NASDAQ Stock Market, Inc., or NASDAQ:

Nicholas Bacopoulos, Ph.D.
 Sir John Banham
 Christopher Henney, Ph.D, D.Sc.
 Daniel K. Spiegelman, M.B.A.
 David U Prichard, Ph.D.

The Board of Directors has established three standing committees, (1) the Compensation and Organization Development Committee, (2) the Audit Committee, and (3) the Nominating and Corporate Governance Committee. The Board of Directors has also determined that each member of these committees meets the independence requirements applicable to each such committee as prescribed by NASDAQ and the SEC.

Committees of the Board of Directors and Meetings

Meeting Attendance. During the fiscal year ended December 31, 2009, there were ten meetings of our Board of Directors, and the various committees of the Board of Directors met a total of seven times. No director attended fewer than 75% of the total number of meetings of the Board of Directors and of committees of the Board of Directors on which he served during fiscal 2009. Three of our directors attended, in person, our annual meeting of stockholders held in 2009. During fiscal 2009, Professor Gordon McVie served as a member of the Compensation and Organization Development Committee. Professor McVie resigned from the Board of Directors and as a member of the foregoing committee on February 10, 2009. During fiscal 2009, Pierre Legault served as a member, and was Chairman of, the Audit Committee. Mr. Legault resigned from the Board of Directors and the Audit Committee on March 17, 2009. Both Professor McVie and Mr. Legault were independent directors, as such term is defined by NASDAQ, while serving on our Board of Directors.

Audit Committee. Our Audit Committee met four times during fiscal 2009. The Audit Committee currently has three members, Daniel K. Spiegelman (Chairman), Sir John Banham and Dr. Christopher Henney. All members of the Audit Committee satisfy the current independence standards promulgated by the NASDAQ and SEC, as such standards apply specifically to members of audit committees. The Board of Directors has determined that Mr. Spiegelman is an audit committee financial expert, as the SEC has defined that term in Item 407 of Regulation S-K.

Table of Contents

Our Audit Committee oversees and monitors the processes management has in place to maintain the reliability and integrity of our accounting policies and financial reporting processes, to ensure the adequacy of internal accounting, financial reporting and disclosure controls, and to comply with legal and regulatory requirements that may impact our financial reporting and disclosure obligations. The Audit Committee is also responsible for reviewing the qualifications, independence and performance of, and selecting or replacing, if necessary, our independent registered public accounting firm and approving all audit and non-audit services and fees related thereto. In addition, the Audit Committee is responsible for reviewing, in consultation with our management and independent registered public accounting firm, the scope and results of (1) reviews of our quarterly financial statements, (2) audits of our annual financial statements, and (3) audits of our system of internal control over financial reporting and management's assessment of the effectiveness thereof. The Audit Committee may also perform other duties and responsibilities as the Audit Committee or the Board of Directors deems appropriate or necessary, including reviewing, evaluating and approving related-party or similar transactions or relationships. Please also see the report of the Audit Committee set forth elsewhere in this proxy statement.

The Audit Committee maintains a written charter that outlines its responsibilities, which it reviews and reassesses annually and recommends any changes to the Board of Directors for approval. A copy of the Audit Committee's written charter is publicly available on our website at www.cyclacel.com.

Compensation and Organization Development Committee. Our Compensation and Organization Development Committee met three times during fiscal 2009. The Compensation and Organization Development Committee is composed entirely of directors who are not our current or former employees, all of whom qualify as independent under the definition promulgated by the NASDAQ and SEC. The Compensation and Organization Development Committee currently has three members: Dr. Christopher Henney (Chairman), Dr. Nicholas Bacopoulos and Dr. David U. Prichard. Generally, our Compensation and Organization Development Committee reviews, approves and makes recommendations regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of the Board of Directors are carried out and that such policies, practices and procedures contribute to our success. The Compensation and Organization Development Committee also develops and implements policies, principles and procedures for the selection and performance review of the Company's executive officers (including our Chief Executive Officer), other officers, directors, employees, consultants and advisors and interprets and administers our Amended and Restated 2006 Equity Incentive Plan.

A copy of the Compensation and Organization Development Committee's written charter is publicly available on our website at www.cyclacel.com.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee conducted its affairs during meetings of our Board of Directors during fiscal 2009, including a self-evaluation process which was undertaken by our Board of Directors, and did not meet separately. The Nominating and Corporate Governance Committee has two members, Sir John Banham (Chairman) and Mr. Daniel K. Spiegelman, both of whom qualify as independent under the definition promulgated by the NASDAQ and SEC. The functions of the Nominating and Corporate Governance Committee include making recommendations to the full Board of Directors as to particular nominees for election or appointment to the Board of Directors; making recommendations to the full Board of Directors as to the membership, structure and operations of the committees of the Board of Directors; reviewing and assessing the adequacy of our corporate governance guidelines, principles and practices and recommending changes to the full Board of Directors for approval; monitoring compliance with our Corporate Code of Conduct and Ethics; and reviewing and maintaining oversight of matters relating to the independence, operation and effectiveness of the Board of Directors and committee members.

Table of Contents

The Nominating and Corporate Governance Committee may consider candidates recommended by stockholders as well as from other sources, such as other directors or officers, third party search firms or other appropriate sources for all potential candidates. The Nominating and Corporate Governance Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board of Directors, and concern for the long-term interests of the stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to nominate a candidate to be considered for election as a director at our 2011 special meeting of stockholders, such a recommendation should be submitted in writing to the Nominating and Corporate Governance Committee, c/o Paul McBarron, Secretary, Cyclacel Pharmaceuticals, Inc., 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922. Any such written recommendation should include a minimum of the following: (a) as to the nominee, (i) the name(s), age(s) and business address(es) of the nominee(s); (ii) the principal occupation or employment of such person; (iii) the class and number of shares of the Company that are beneficially owned by the nominee; and (iv) any other information relating to such person that would be required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's consent to being named in the proxy statement as a nominee and to serving as a director, if elected); and (b) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is being made, (i) the name and address of the stockholder, as they appear on the Company's books; and (ii) the class and number of shares of the Company which are owned of record by such stockholder and beneficially owned by such stockholder. Any such recommendation should be submitted in the time frame for stockholder proposals which are to be included in proxy materials for the special meeting to be held in 2011 under the caption, "Stockholder Proposals and Nominations for Director," set forth elsewhere in this proxy statement.

We have no formal policy regarding board diversity. Our Nominating and Corporate Governance Committee and Board of Directors may therefore consider a broad range of factors relating to the qualifications and background of nominees, which may include diversity, which is not only limited to race, gender or national origin. Our Nominating and Corporate Governance Committee and Board of Directors' priority in selecting members is identification of persons who will further the interests of our stockholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members and professional and personal experiences and expertise relevant to our growth strategy.

A copy of the Nominating and Corporate Governance Committee's written charter is publicly available on the Company's website at www.cyclacel.com.

Board Leadership Structure

Dr. U Prichard serves as the Chairman of our Board of Directors and Mr. Rombotis serves as our President and Chief Executive Officer. Dr. U Prichard is an independent director under the definition promulgated by the NASDAQ and SEC and we believe that it is preferable for one of our independent directors to serve as Chairman of the Board of Directors. We also believe that this structure is the most effective structure for us and our stockholders at this time because a separate chairman (i) can provide the Chief Executive Officer with guidance and feedback on his performance, (ii) provides a more effective channel for the Board of Directors to express its views on management, (iii) allows the Chairman to focus on stockholder interests and corporate governance while providing Mr. Rombotis with the ability to focus his attention on managing our day-to-day operations. As Dr. U Prichard has significant senior level pharmaceutical industry experience, he is particularly well-suited to serve as Chairman.

We recognize that different board leadership structures may be appropriate for companies in different situations. We will continue to re-examine our corporate governance policies and leadership structures on an ongoing basis to ensure that they continue to meet the Company's needs.

Role in Risk Oversight

Management is responsible for managing the risks that we face. The Board of Directors is responsible for overseeing management's approach to risk management that is designed to support the achievement of organizational objectives, including strategic objectives and risks associated with our clinical trials, to improve long-term organizational performance and enhance stockholder value. The involvement of the full Board of Directors in reviewing our strategic

objectives and plans, including with respect to our clinical trials, is a key part of the Board of Directors' assessment of management's approach and tolerance to risk. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for us. In setting our business strategy, our Board of Directors assesses the various risks being mitigated by management and determines what constitutes an appropriate level of risk for us.

Table of Contents

While the Board of Directors has ultimate oversight responsibility for overseeing management's risk management process, various committees of the Board of Directors assist it in fulfilling that responsibility.

The Audit Committee assists the Board of Directors in its oversight of risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, the Nominating and Corporate Governance Committee reviews legal and regulatory compliance risks and the Compensation and Organization Development Committee assists the Board of Directors in its oversight of the evaluation and management of risks related to our compensation policies and practices.

Stockholder Communications to the Board of Directors

Generally, stockholders who have questions or concerns should contact our Investor Relations department at (908) 517-7330 or email at ir@cyclacel.com. However, stockholders wishing to submit written communications directly to the Board of Directors should send their communications to our Secretary, Paul McBarron, Cyclacel Pharmaceuticals, Inc., 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922. All stockholder communications will be considered by the independent members of our Board of Directors.

Narrative Disclosure to Summary Compensation Table

The Compensation and Organization Development Committee of our Board of Directors makes decisions regarding the compensation of our President and Chief Executive Officer. The Compensation and Organization Development Committee is composed entirely of independent directors and meets in executive session to discuss and formulate its recommendation for the Chief Executive Officer's base salary and bonus. The Compensation and Organization Development Committee does not rely solely on any predetermined formula or a limited set of criteria in evaluating the Chief Executive Officer's performance for the year. The evaluation is based on the Chief Executive Officer's success in achieving his performance goals, which include financial, strategic and leadership objectives. The Chief Executive Officer also provides the Compensation and Organization Development Committee with a self review of his performance as part of the Company's review process.

The Compensation and Organization Development Committee also approves the annual compensation (including base salary, bonus, and stock-based compensation) for our other named executive officers based on:

- the executive's scope of responsibilities;
- an informed market assessment of competitive practices for similar roles within peer group companies;
- evaluations of performance for the year, as assessed by the Chief Executive Officer, supported by the Company's performance review process and the executive's self assessment; and
- recommendations by our Chief Executive Officer for each named executive officer with respect to base salary, cash bonus, and stock-based compensation.

The Compensation and Organization Development Committee is authorized to engage and retain independent third party compensation and legal advisors to obtain advice and assistance on all matters related to executive compensation and benefit plans. During 2008, the Compensation and Organization Development Committee selected and engaged a representative of Radford Surveys and Consulting, a business unit of AON, to be the independent compensation consultant to the Compensation and Organization Development Committee, to assess our 2007 and 2008 executive compensation program. Using this extensive analysis, the Compensation and Organization Development Committee acted on the recommendations made to determine executive compensation and implement our compensation program structures for 2008 and 2009. No external compensation consultant was engaged during 2009, although the Compensation and Organization Development Committee did consult independent external compensation survey data as part of the decision making process.

The Company intends to engage periodically an external consultant to provide independent verification of market position and ensure the appropriateness of executive compensation.

On November 18, 2008, our Board of Directors, at the recommendation of the Compensation and Organization Development Committee, made stock option grants and restricted stock unit grants under our Amended and Restated 2006 Equity Incentive Plan to our executive officers.

The stock options were granted at an exercise price of \$0.44 per share, and are exercisable over a three-year period, with one-third of the options granted vesting on the first anniversary of the grant date and the balance of the options granted vesting ratably on a monthly basis over the following 24 months. During 2009, the Company granted 221,000 stock options to employees and directors of the Company with a weighted value exercise price of \$0.39 per share. No stock options were granted to our named executive officers during 2009.

The restricted stock units vest over a four-year period, with one-fourth of the restricted stock units granted vesting on the first anniversary of the grant date, and the balance of the restricted stock units granted vesting ratably on a monthly basis over the following 36 months. Each restricted stock unit granted entitles the holder to one share of the Company's common stock. Our Board of Directors, at the recommendation of the Compensation and Organization Development Committee, also reviewed and made changes to the non-equity aspect of our executive compensation program, as described more fully below. During 2009, the Company did not grant any restricted stock units or restricted stock.

Potential Payments Upon Termination or Change-in-Control

We have entered into agreements that require us to make payments and/or provide benefits to certain of our executive officers in the event of a termination of employment or change-in-control. Our Amended and Restated 2006 Equity Incentive Plan already provides for payments to named executive officers in connection with a termination or a change-in-control of the Company.

The following summarizes the potential payments to each named executive officer for which we have entered into such an agreement, assuming that one of the events identified below occurs. The discussion assumes that the event occurred on December 31, 2009, the last business day of our fiscal year, at which time the closing price of our common stock as listed on the NASDAQ Global Market was \$1.04 per share. Our change-in-control arrangements with our executive officers are currently being reviewed and assessed by our Compensation and Organization Development Committee, in consultation with our Board of Directors. The reviewing process is on-going and has not yet been finalized.

Spiro Rombotis, President and Chief Executive Officer

On March 20, 2008, we entered into a three-year employment agreement, amended as of December 31, 2008, with Mr. Spiro Rombotis. Pursuant to this agreement, Mr. Rombotis received an initial annual base salary of \$440,000, which was increased by our Compensation and Organization Development Committee on November 18, 2008 to \$460,000 and again to \$476,000 on February 11, 2010. He is also eligible to receive a yearly incentive cash bonus, based on a percentage of his then current base salary, if he meets certain corporate and individual performance criteria set by the Compensation and Organization Development Committee at the beginning of each year of employment, subject to the approval of our Board of Directors. The agreement also provides for reimbursement of reasonable and necessary expenses incurred by Mr. Rombotis in connection with the performance of his services. In addition, Mr. Rombotis is entitled to certain employment benefits.

The agreement also provides for certain severance arrangements for Mr. Rombotis. In the event that Mr. Rombotis's employment is terminated without cause, other than termination for a change of control (each as defined in the Agreement), we will be required to pay Mr. Rombotis (i) all accrued but unpaid compensation up to the time of such termination; (ii) for a period of twelve months following such termination, severance payments in the form of continuation of his base salary as in effect immediately prior to such termination (the Severance Payments), including coverage of his medical care and life insurance pursuant to COBRA, on the same terms as applicable to other executive employees, unless Mr. Rombotis obtains substitute coverage; and (iii) a period of six months in which to exercise all vested options held by Mr. Rombotis. In the event that Mr. Rombotis's employment is terminated within six months following a change in control event, Mr. Rombotis will be entitled to (i) all accrued but unpaid compensation up to the time of such termination; (ii) Severance Payments for a period of 24 months; (iii) out-of-pocket expenses reasonably incurred by Mr. Rombotis in connection with his and his family's relocation to London; and (iv) 18 months accelerated vesting of any options held by him. In the event of termination due to his death or disability, we will pay Mr. Rombotis (or his estate, as the case may be) (i) all accrued but unpaid compensation up to the time of such termination; (ii) Severance Payments for a period of twelve months; and (iii) he will be entitled to a period of twelve months in which all of his vested options can be exercised.

In addition, Mr. Rombotis also agreed to certain confidentiality and assignment of inventions obligations and will be subject to certain non-competition obligations for a period of one year following termination of his employment.

In addition, Mr. McBarron also agreed to certain confidentiality and assignment of inventions obligations and will be subject to certain non-competition obligations for a period of one year following termination of his employment.

The following summarizes the potential payments to each named executive officer under our Amended and Restated 2006 Equity Incentive Plan in connection with a termination or a change-in-control of the Company.

Termination

Termination For Cause If an award recipient's service relationship with the Company terminates for cause (as defined in the Amended and Restated 2006 Equity Incentive Plan, or the 2006 Plan), then any unexercised award shall terminate immediately upon his or her termination of service.

Termination Without Cause If an award recipient's service relationship with the Company terminates for any reason other than for cause (excluding death or disability), then the recipient generally may exercise the award, to the extent vested, within 30 days of such termination to the extent that the award is vested on the date of termination (but in no event later than the expiration of the term of the award as set forth in the award agreement). If the recipient dies within three months following such a termination, the award generally may be exercised, to the extent vested, within 180 days of the recipient's death.

Death If an award recipient's service relationship with the Company terminates due to his or her death, the award recipient's personal representative, estate, or the person who acquires the right to exercise the award by bequest or inheritance, as the case may be, generally may exercise the award, to the extent the award was vested on the date of termination, within one year from the date of the recipient's death.

Disability If an award recipient's service relationship with the Company terminates due to his or her disability, the recipient, the recipient's personal representative, estate, or the person who acquires the right to exercise the award by bequest or inheritance, as the case may be, generally may exercise the award, to the extent the award was vested on the date of termination, within one year from the date of the recipient's termination, or if the recipient dies during such one-year period, within the later of one year from the date of the recipient's termination and 180 days from the recipient's death. In no event may an award be exercised later than the expiration of the term of the award as set forth in the award agreement.

Change in Control

Pursuant to the terms of the Amended and Restated 2006 Equity Incentive Plan, in the event of a change in control (as defined in the 2006 Plan), all outstanding options, SARs and other awards granted under the 2006 Plan will be either: assumed by the successor corporation or a parent or subsidiary of the successor corporation; or

substituted with an equivalent award by the successor corporation or a parent or subsidiary of the successor corporation.

However, in the event that the successor corporation refuses to assume or substitute an award:

awards consisting of options, SARs and rights to purchase restricted stock will become fully vested and immediately exercisable, including awards that would not otherwise have become vested or exercisable; and all other awards will become fully earned and eligible to receive a payout.

For the purposes of the Amended and Restated 2006 Equity Incentive Plan, a participant's award will be considered assumed if, following the change in control, the assumed award confers, for each share of the Company's common stock subject to the award immediately prior to the change in control, the right to receive the consideration (whether stock, cash, or other securities or property) received in the change in control for each share of common stock held on the effective date of the transaction; provided, however, that if the consideration received in the change of control is not solely common stock of the successor corporation or its parent, the committee administering the plan may, with the consent of the successor corporation, provide for the consideration per share to be received upon the exercise of the award, to be solely common stock of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of the Company's common stock in the change of control.

Under the 2006 Plan, a change of control is the occurrence of one of the following events:

a person, partnership, joint venture, corporation or other entity, or two or more of any of the foregoing acting as a group (or any person within the meaning of Sections 13(d)(3) and 14(d) of the 1934 Act), other than the Company, a Subsidiary, or an employee benefit plan (or related trust) of the Company or a Subsidiary, become(s) the beneficial owner (as defined in Rule 13d-3 under the 1934 Act) of 30% or more of the then-outstanding voting stock of the Company;

during any period of two consecutive years, individuals who at the beginning of such period constitute the Board of Directors (together with any new director whose election by the Board of Directors or whose nomination for election by the Company's stockholders, was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of such period or whose election or nomination for election was previously so approved) cease for any reason to constitute a majority of the directors then in office;

all or substantially all of the business of the Company is disposed of pursuant to a merger, consolidation or other transaction in which the Company is not the surviving corporation or the Company combines with another Company and is the surviving corporation (unless the stockholders of the Company immediately following such merger, consolidation, combination, or other transaction beneficially own, directly or indirectly, more than 50% of the aggregate voting stock or other ownership interests of (x) the entity or entities, if any, that succeed to the business of the Company or (y) the combined company); the Company is a party to a merger, consolidation, sale of assets or other reorganization, or a proxy contest, as a consequence of which the Board of Directors in office immediately prior to such transaction or event constitutes less than a majority of the Board of Directors thereafter; or the stockholders of the Company approve a sale of all or substantially all of the assets of the Company or a liquidation or dissolution of the Company.

**PROPOSAL TO BE VOTED UPON BY STOCKHOLDERS
ELECTION OF DIRECTORS**

Background

Pursuant to the terms of the Company's Certificate of the Powers, Designations, Preferences and Rights governing the 6% Convertible Exchangeable Preferred Stock (the **Certificate**), holders of the Preferred Stock are entitled to receive, when, as and if declared by the Board of Directors, out of the funds of the Company legally available therefor, cash dividends payable in equal quarterly installments on February 1, May 1, August 1 and November 1. The Certificate further provides that, if the Company is in arrears in an aggregate amount equal to at least six quarterly dividends (whether or not consecutive), the number of members of the Company's Board of Directors will be increased by two, effective as of the time of election of such directors, and the holders of Preferred Stock, voting separately as a class, will have the right to vote and elect such two additional directors. As of August 1, 2010, the Company is in arrears in an aggregate amount equal to six quarterly dividends on the Preferred Stock.

Mr. Miller has nominated Lloyd Sems and Gregory T. Hradsky as the two additional directors. We have not received any other nominations for directors by the holders of the Preferred Stock. Pursuant to the terms of the Certificate, the Board of Directors shall determine which class of directors on the Company's classified board to appoint any individuals elected by the holders of Preferred Stock. The Board of Directors has determined that Mr. Sems, if elected, would be appointed to Class 2, with a term expiring at the Company's 2011 annual meeting of stockholders, and Mr. Hradsky, if elected, would be appointed to Class 1, with a term expiring at the Company's 2013 annual meeting of stockholders. If elected, Messrs. Sems and Hradsky would serve as directors until the earlier of (a) the annual meeting of stockholders of the class of directors to which such individual has been appointed, and (b) such time as all accrued and unpaid dividends on the Preferred Stock have been declared and paid or set apart for payment.

Unless authority to vote for either of the nominees named above is withheld, the shares represented by the enclosed proxy will be voted FOR the election as directors of Lloyd Sems and Gregory T. Hradsky.

Required Vote

A plurality of the votes cast at the special meeting is required to elect each nominee as a director.

Recommendation

THE BOARD OF DIRECTORS DOES NOT MAKE A RECOMMENDATION IN FAVOR OF OR AGAINST THE ELECTION OF LLOYD SEMS AS A CLASS 2 DIRECTOR OR GREGORY T. HRADSKY AS A CLASS 1 DIRECTOR.

OTHER MATTERS

The Board of Directors knows of no other business which will be presented to the special meeting, and the Company's Amended and Restated Bylaws provide that only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Company's notice of meeting. If any other business is properly brought before the special meeting, proxies in the enclosed form will be voted in accordance with the judgment of the persons voting the proxies.

STOCKHOLDER PROPOSALS AND NOMINATIONS FOR DIRECTOR

To be considered for inclusion in the proxy statement relating to our 2011 Annual Meeting of Stockholders, stockholder proposals must be received no later than December 24, 2010.
