FORWARD LOOKING STATEMENTS

Certain statements in this prospectus or the documents incorporated by reference in this prospectus constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the Securities Act) and Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act). These forward-looking statements are based on our current expectations, assumptions, estimates and projections about our business and our industry and include those relating to future events, performance and/or achievements. Actual future results may differ materially from the forward-looking statements included or incorporated by reference in this prospectus.

We have attempted to identify forward-looking statements by the use of words such as may, should, will, could, estimate, project, predict, potential, continue, anticipate, believe, plan, seek, expect, future and of these terms or other comparable expressions which are intended to identify forward-looking statements. These statements are only predictions and are not guarantees of future performance. They are subject to known and unknown risks, uncertainties and other factors, some of which are beyond our control and difficult to predict and could cause our actual results to differ materially from those expressed or forecasted in, or implied by, the forward-looking statements. Some, but not all of the factors that may cause these differences will be discussed in the Risk Factors section of the applicable prospectus supplement and in other information incorporated by reference into this prospectus. Readers are cautioned not to place undue reliance on any of these forward-looking statements as they speak only as of the date that they were made. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by these cautionary statements and the risk factors contained in the applicable prospectus supplement or in documents incorporated by reference into this prospectus. Table of Contents**SELLING SHAREHOLDERS**

Information about selling shareholders, where applicable, will be set forth in a prospectus supplement, in a post-effective amendment, or in filings we make with the SEC which are incorporated by reference into this prospectus.

RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED DIVIDENDS

The following table sets forth our historical ratio of earnings to fixed charges for the periods indicated. As we have no shares of preferred stock outstanding as of the date of this prospectus, no ratio of earnings to combined fixed charges and preferred stock dividends is presented.

	Year Ended December 31,					For the Three Months Ended March 31,
	2006	2007	2008	2009	2010	2011
Ratio of earnings to fixed charges	5.83	1.83	(1)	3.43	4.98	3.27

- (1) The ratio indicates a less than one-to-one coverage for the year ended December 31, 2008 due to a goodwill impairment charge in that year. Earnings available for fixed charges and preferred dividend for the year ended December 31, 2008 was inadequate to cover total fixed charges and preferred dividend. The deficit amount for the ratio was \$302.0 million.

DESCRIPTION OF SECURITIES WE MAY SELL**Capital Stock**

*The following description of our capital stock includes a summary of certain provisions of our articles of incorporation and bylaws. The following description of the terms of the preferred stock we may issue sets forth certain general terms and provisions of any series of preferred stock to which any prospectus supplement may relate. Particular terms of the preferred stock offered by any prospectus supplement and the extent, if any, to which these general terms and provisions shall apply to any series of preferred stock so offered will be described in the prospectus supplement relating to the applicable preferred stock. The applicable prospectus supplement may also state that any of the terms set forth in this description are inapplicable to such series of preferred stock. This description of our capital stock does not purport to be complete and is subject to and qualified in its entirety by reference to applicable Indiana law and the provisions of our articles of incorporation, bylaws and any applicable articles of amendment, which have been or will be filed with the SEC. See *Where You Can Find More Information* for information on how to obtain copies of these documents.*

General

If the prospectus supplement so provides, offered securities may be convertible into, exchangeable for or exercisable for shares of our capital stock. We are authorized to issue 100,000,000 shares of common stock, par value \$.01 per share, and 1,000,000 shares of preferred stock, par value \$.01 per share. As of the date of this prospectus, there are 68,194,235 shares of common stock outstanding, and no shares of preferred stock are outstanding.

Common Stock

Subject to the rights specifically granted to holders of any then outstanding shares of our preferred stock, our common shareholders are entitled to one vote for each share held of record on all matters to be voted on by shareholders. Our common shareholders do not have cumulative voting rights. The holders of common stock are entitled to receive dividends when, as and if declared by our board of directors in its discretion out of funds legally available therefor. In the event of liquidation, dissolution or winding up of the company, the holders of common stock are entitled to share ratably the assets of the company, if any, legally available for distribution to them after payment of debts and liabilities of the company and after provision has been made for each class of stock, if any, having preference over the common stock. The holders of shares of common stock have no conversion, preemptive or other subscription rights, and there are no redemption or sinking fund provisions applicable to the common stock. All outstanding shares of our common stock are fully paid and non-assessable.

Table of Contents

The description of our common stock contained in our Registration Statements on Form 8-A, filed with the SEC and all amendments or reports filed by us for the purpose of updating those descriptions are incorporated herein by reference.

Preferred Stock

Our board of directors may from time to time authorize the issuance of one or more series of preferred stock without shareholder approval. Subject to the provisions of our articles of incorporation and limitations prescribed by law, our board of directors is authorized to adopt resolutions to, among other things, issue shares of preferred stock in one or more series, establish the number of shares constituting a series, change the number of shares constituting any series, and provide or change the voting powers, designations, preferences and relative, participating, optional or other rights, and qualifications, limitations or restrictions on shares of our preferred stock, including dividend rights, terms of redemption, conversion rights and liquidation preferences, in each case without any action or vote by our shareholders. The number of authorized shares of preferred stock may be increased or decreased (but not below the number of shares of preferred stock then outstanding) by the affirmative vote of the holders of a majority of the common stock, without a vote of the holders of the preferred stock, or of any series thereof, unless a vote of the preferred stockholders is required pursuant to the terms of any articles of amendment with respect to any series of preferred stock.

One of the effects of undesignated preferred stock may be to enable our board of directors to discourage an attempt to obtain control of our company by means of a tender offer, proxy contest, merger or otherwise. The issuance of such preferred stock may adversely affect the rights of our common stockholders by, among other things:

restricting the payment of dividends on our common stock;

diluting the voting power of our common stock;

reducing the amount of assets remaining for payment to holders of shares in the event of a liquidation of assets;

delaying or preventing a change in control without further action by the stockholders; or

decreasing the market price of our common stock.

Anti-Takeover Provisions

Classified Board of Directors

Our amended and restated articles of incorporation and bylaws provide for a board of directors that is divided into three classes, as nearly equal in number as possible, with directors serving staggered three-year terms. Subject to the right of holders of any series of preferred stock to elect directors, shareholders elect one class constituting approximately one-third of the board of directors for a three-year term at each annual meeting of shareholders. As a result, at least two annual meetings of shareholders may be required for the shareholders to change a majority of the board of directors. The classification of directors makes it more difficult to change the composition of our board of directors and instead promotes a continuity of existing management. Our by-laws provide that the provision providing for the classification of our board of directors can only be amended by the affirmative vote of the holders of 66 2/3% of the voting power of our stock outstanding and entitled to vote thereon.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is American Stock Transfer & Trust Company, New York, New York.

Listing

Our common stock trades on the Nasdaq Global Select Market under the symbol CELL .

PLAN OF DISTRIBUTION

We or the selling security holders may sell the securities offered by this prospectus from time to time, in one or more transactions, by a variety of methods, including the following:

to or through underwriters;

through dealers or agents;

to investors directly in negotiated sales or in competitive bid transactions; or

through a combination of any of these methods of sale.

Any selling security holders will act independently of us in making decisions with respect to the timing, manner, size of each sale of the securities covered by this prospectus. Registration of the securities covered by this prospectus does not mean that those securities necessarily will be offered or sold. Selling security holders may sell any securities covered by this prospectus in private transactions or under Rule 144 of, or pursuant to other exemptions from registration under, the Securities Act rather than pursuant to this prospectus.

We will identify the specific plan of distribution in a prospectus supplement. The prospectus supplement for each offering of securities will describe:

the public offering or purchase price;

any discounts and commissions to be allowed or paid to any agents or underwriters and all other items constituting underwriting compensation;

any discounts and commissions to be allowed or paid to dealers; and

other specific terms of the particular offering or sale.

Underwriters, agents and dealers may be entitled, under agreements with us, to indemnification against certain civil liabilities, including liabilities under the Securities Act.

Underwriters, dealers or agents may engage in transactions with, or perform services for, us, our subsidiaries or selling security holders in the ordinary course of business.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. *Other Expenses of Issuance and Distribution.*

The expenses payable by the Registrant in connection with the preparation of the registration statement and the issuance and distribution of the securities being registered (estimated except for the SEC registration fee) are as follows:

SEC registration fee	(1)
Accounting fees and expenses	(2)
Legal fees and expenses	(2)
Printing fees	(2)
Transfer Agent, Registrar, Trustee and Depositary fees	(2)
Miscellaneous expenses	(2)
Total	(1)(2)

- (1) In accordance with Rules 456(b) and 457(r) under the Securities Act of 1933, as amended (the Securities Act), Brightpoint, Inc. has deferred the payment of the applicable SEC registration fees and will pay such fees at the time of any particular offering of securities under this registration statement.
- (2) As the amount of securities to be issued and distributed pursuant to this registration statement is indeterminate, the fees and expenses of such issuances and distributions cannot be determined or estimated at this time.

Item 15. *Indemnification of Directors and Officers.*

The Indiana Business Corporation Law (IBCL) provides that a corporation may indemnify any individual made a party to a proceeding (including a proceeding by or in the right of the corporation) because the individual is or was a director, officer, employee or agent of the corporation against liability incurred in the proceeding if the individual acted in good faith and reasonably believed (i) in the case of conduct in the individual s official capacity with the corporation, that the individual s conduct was in the corporation s best interests and (ii) in all other cases, that the individual s conduct was at least not opposed to the corporation s best interests. In the case of any criminal proceeding, the individual must have also had either reasonable cause to believe the conduct was lawful or no reasonable cause to believe that it was unlawful. In addition, Section 23-1-37-9 and Section 23-1-37-13 provide that a corporation, unless limited by its articles of incorporation, must indemnify a director or officer who was wholly successful in the defense of any proceeding to which the director or officer was a party because the director or officer is or was a director or officer of the corporation against reasonable expenses incurred by the director or officer in connection with the proceeding.

Section 23-1-35-1(e) of the IBCL provides that a director is not liable for any action taken as a director, or any failure to act, unless the director has breached or failed to perform the duties of the director s office in compliance with Section 23-1-35-1 and the breach or failure to perform constitutes willful misconduct or recklessness. Subject to this standard, Section 23-1-35-4 provides that a director who votes or assents to distributions in violation of the IBCL or the articles of incorporation is personally liable to the corporation for the amount of the illegal distribution and is

entitled to contribution from the other directors who voted for or assented to such distribution and the shareholders who received the distribution.

Article VI of the Registrant's Amended and Restated Articles of Incorporation outlines the necessary factors for compliance with Section 23-1-35-1 of the IBCL. In addition, Article VII of the Registrant's Amended and Restated Articles of Incorporation and Article XX of the Amended and Restated By-Laws of the Registrant provide in substance that, to the fullest extent permitted by Indiana law, each director and officer shall be indemnified by the Registrant against reasonable costs and expenses, including attorneys' fees, and any liabilities which may be incurred in connection with any action to which he may be made a party by reason of having been a director or officer of the Registrant.

Table of Contents

The indemnification provided by the Registrant's By-Laws is not deemed exclusive of or in any way to limit any other rights to which any person seeking indemnification may be entitled.

The Registrant has also entered into certain agreements wherein it has agreed, subject to certain limitations, to indemnify its officers and directors for judgments, fines, assessments, interest and other charges they may incur as a party, witness or other participant in any threatened, pending or completed actions, suits or proceeding by reason of their acting as an officer, director, employee or agent of the Registrant or any of its subsidiaries, provided that the indemnified party acted in good faith in a manner such person believed to be in or not opposed to the best interests of the Registrant and, with respect to certain matters, had no reasonable cause to believe that his conduct was unlawful. The agreements also provide that upon a change of control of the Registrant, as defined in the agreements, the Registrant will be required to designate and set aside certain funds for possible future payments of the indemnified parties pursuant to the agreements.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the foregoing provisions or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

The Registrant maintains directors and officers liability insurance, the effect of which is to indemnify directors and officers of the Registrant and its subsidiaries against certain losses.

Item 17. *Undertakings*

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end

of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that clauses (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by such clauses is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities: The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
