Sale of Delta Towing

On May 13, 2011, the Company and its wholly owned subsidiary, Delta Towing LLC (Delta Towing), entered into an asset purchase agreement (the Asset Purchase Agreement) with Crosby Marine Transportation, LLC (Crosby Marine), pursuant to which Delta Towing sold to Crosby Marine, and Crosby Marine acquired from Delta Towing, substantially all of Delta Towing's assets and certain liabilities for aggregate consideration of \$30 million in cash. In addition, the Company retained the working capital of the business, which was valued at approximately \$6.3 million, as of April 30, 2011. As a result of this sale, the Company expects to record a non-cash impairment charge of approximately \$13 million during the second quarter of 2011 related to the write-down of the Delta assets included in the sale to fair value less costs to sell.

Rig 3 Importation

On May 16, 2011, the Company, through its wholly-owned subsidiary, TODCO Mexico, Inc. initiated the permanent importation of Rig 3 and related equipment and spares into Mexico, at a net cost of approximately \$8 million. The net cost consists of a cash payment of approximately \$13 million, including approximately \$5 million of value added tax (VAT), which the Company expects to fully recover as provided by Mexican law. The Company believes the permanent importation of Rig 3 will allow the Company to participate in multi-year contracting opportunities, in addition to offering other strategic benefits. Rig 3 is currently operating under a contract with PEMEX Exploración y Producción.
