ITEM 1.01. Entry into a Material Definitive Agreement.

On May 17, 2011, Safeguard Scientifics, Inc. (Safeguard) partner company, Advanced BioHealing, Inc., and certain related parties (ABH) entered into an Agreement and Plan of Merger (the Merger Agreement) with Shire Pharmaceuticals, Inc. and certain related parties (Shire) concerning the acquisition of ABH by Shire (the Merger). In connection with the execution of the Merger Agreement, Safeguard, as well as each of the other principal stockholders of ABH, executed a Consent Agreement concerning their support for the transactions contemplated by the Merger Agreement (the Consent Agreement). Pursuant to the terms of the Consent Agreement, each stockholder party, among other things, has provided its consent to the anticipated transaction. Safeguard owns approximately 19% of ABH on a fully diluted basis.

Pursuant to the Merger Agreement, Shire will acquire ABH for a cash purchase price of \$750 million, subject to adjustments related to ABH s net cash, working capital, transaction expenses and similar items. The consummation of the Merger is subject to the satisfaction of standard conditions to closing, including, but not limited to, the expiration of any applicable waiting period under the Hart-Scott-Rodino Act. It is presently anticipated that the Merger will be consummated late in the second quarter or early in the third quarter of 2011.

Based upon its equity holdings in ABH, it is presently anticipated that Safeguard will receive aggregate cash proceeds of approximately \$140 million in connection with the Merger based upon the terms of its stock preferences. Pursuant to the terms of the Merger Agreement, five (5%) percent of such amount will be held in escrow through March 31, 2012.

The foregoing summary of the Consent Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Consent Agreement attached hereto as Exhibit 10.1, which is incorporated herein by reference.
