Item 1.01. Entry into a Material Definitive Agreement.

On January 31, 2005, Atlantis Plastics, Inc. (the Company) agreed to cancel certain outstanding stock options of Anthony F. Bova, the Company's President and Chief Executive Officer, for a payment, either in cash or a combination of Company stock and cash, of approximately \$2.3 million.

As described in the press release attached as Exhibit 99.1 to this Report, the Company intends to use the proceeds from a proposed financing, in part, to pay a special dividend to its shareholders of up to an aggregate of \$98 million, or approximately \$12.50 per share. The purpose of the option cancellation arrangement is to provide Mr. Bova with a payment similar to the dividend he would otherwise have received on the shares issuable upon the exercise of the options to be cancelled.

Pursuant to the arrangement, the Company will cancel three fully vested stock options previously granted to Mr. Bova that would have otherwise expired on January 31, 2005, covering the purchase of up to an aggregate of 350,000 shares (the Cancelled Options). In exchange for the option cancellation, Mr. Bova will receive a payment (the Payment) equal to approximately \$2.3 million, the net option equivalent value of the Cancelled Options. The Payment was calculated by multiplying (a) \$12.00 by (b) the net number of shares Mr. Bova would have received had he net exercised the Cancelled Options. (In a net exercise, the option holder pays the exercise price of the option by canceling a portion of the shares that would otherwise have been received upon exercise of the option). The Payment will be made on the earlier of the date the Company pays the proposed dividend to its shareholders or July 29, 2005. If the Company pays the proposed dividend on or before July 29, 2005, the Payment will be made on such date in cash, otherwise the Payment will be made on July 29, 2005 in a combination of 40% cash and 60% Company stock.

Item 7.01. Regulation FD Disclosure.
