### DEREGISTRATION OF SECURITIES

Chicago Bridge & Iron Company N.V., a Netherlands company ("CB&I"), filed a Registration Statement on Form S-3 (Registration No. 333-70760) (the "Registration Statement") with the Securities and Exchange Commission (the "SEC") on October 2, 2001, registering 1,307,356 shares of CB&I's common stock (or 2,614,712 shares taking into account the 2-for-1 stock split effective in February 2003) to be offered from time to time by the selling shareholders named therein (the "Offering"). CB&I subsequently filed a Pre-Effective Amendment No. 1 on November 1, 2001 pertaining to the same Offering and constituting part of the Registration Statement. The SEC declared the Registration Statement effective on November 9, 2001.

The Offering contemplated by the Registration Statement has terminated by virtue of the expiration of CB&I's contractual obligation to the remaining selling shareholders to maintain the effectiveness of the Registration Statement. Pursuant to the undertaking contained in the Registration Statement, CB&I is filing this post-effective amendment to remove from registration all of the shares that were registered in the Offering but remain unsold as of the date hereof. As of the date hereof, there are 675,400 shares of common stock (taking into account the 2-for-1 stock split effective in February 2003) that remain unsold under the Registration Statement.

Accordingly, CB&I files this post-effective amendment to deregister the 675,400 shares of its common stock covered by the Registration Statement that remain unsold as of the date hereof.
