Item 1.01. Entry into a Material Definitive Agreement.

Effective May 5, 2005, IntraBiotics Pharmaceuticals, Inc. (the Company) made an agreement with Gregory W. Schafer, the Company's Chief Financial Officer, modifying Mr. Schafer's existing consulting agreement with the Company. The agreement provides Mr. Schafer with a minimum retainer fee of \$15,000 per month through September 15, 2005 for services relating to the transition of the operating and compliance activities of the Company.

Effective May 5, 2005, the Company made an agreement with Henry J. Fuchs, the Company's President and Chief Executive Officer, modifying his benefits under the Company's Senior Executive Benefit Plan (the Plan). The agreement provides for a lump sum payment of the salary benefits payable to Dr. Fuchs under the Plan following the termination of his employment. In addition, the payments made to Dr. Fuchs under the Plan will not be subject to offset in the event of his future employment.

Item 2.02. Results of Operations and Financial Condition.

On May 6, 2005, the Company reported its results of operations for its fiscal quarter ended March 31, 2005. A copy of the press release, entitled "IntraBiotics Reports First Quarter 2005 Financial Results and Decision to Suspend Active Evaluation of Strategic Alternatives," is furnished herewith as Exhibit 99.1 and is incorporated herein by reference.

Item 2.05. Costs Associated with Exit or Disposal Activities.

As previously disclosed, since the termination of the Company's iseganan development program in June 2004, the Company has been evaluating its strategic options, including mergers, acquisitions, in-licensing opportunities and liquidation of the Company. On May 5, 2005, the Board of Directors (the Board) of the Company decided to suspend its active evaluation of strategic alternatives, having determined that none of the strategic alternatives were in the best interests of the Company and its stockholders. In connection with this decision, the Board decided to reduce operating expenses to a minimum appropriate level, terminate the Company's remaining employees and transition the operations and compliance activities of the Company to outside consultants working on a part-time basis. Management will assist with this transition and will remain until its completion, currently expected to be in June 2005. The Company expects one-time expenses relating to employee severance and the reduction of operations to be approximately \$0.8 million in the second quarter of 2005.

The Company's press release dated May 6, 2005 announcing this decision is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.
