### ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

#### INCENTIVE COMPENSATION PROGRAM FOR SENIOR MANAGEMENT TEAM

On October 1, 2005, EZCORP, Inc. ("EZCORP") adopted and approved a Fiscal Year 2006 Incentive Compensation Program (the "ICP"). The ICP is an annual plan for EZCORP's officers and certain key employees, including its executive officers (as defined in the Securities and Exchange Commission's rules) (collectively the "Participants"). The ICP provides each of the Participants an opportunity to receive an annual incentive cash bonus based on EZCORP's financial performance as a company and the Participant's personal performance during fiscal 2006. A Compensatory Advisory Group comprised of the President and Chief Executive Officer, the Senior Vice President of Administration and the Senior Vice President and Chief Financial Officer of EZCORP administers the ICP. The Compensatory Advisory Group established the bonus opportunities and the performance goals and will also determine performance and award bonuses, if any, pursuant to the terms of the ICP. The Compensation Committee of the Board of Directors of EZCORP reviewed and approved the ICP including the Participants, the performance goals, and potential incentive compensation to be received by the Participants.

The key terms of the ICP and the criteria for awarding bonuses under the ICP for the fiscal year ending September 30, 2006 are:

- Each Participant's target bonus is determined as a percentage of base pay based on the Financial Performance Component and Personal Component discussed below. The percentages vary by position;
- EZCORP's financial performance during fiscal 2006, measured by its net income which may be adjusted for any special items, charges or credits pursuant to the terms of the ICP (the "Financial Performance Component"). The Financial Performance Component payout ranges from 0% to 150% of the Financial Performance Component target bonus for each Participant; and
- The Participant's performance during fiscal 2006, in accomplishing defined personal (financial or non-financial) objectives, which are intended to enhance and support EZCORP's strategic initiatives (the "Personal Component"). The Personal Component payout ranges from 0% to a maximum of 100% of the Personal Component target bonus for each Participant. No Personal Component payout is allowed unless EZCORP's net income is at least 90% of the target net income (as described above).
