On December 1, 2005, Advanced Environmental Recycling Technologies, Inc. (the Registrant) entered into a manufacturing equipment acquisition line of credit not to exceed \$2,000,000 with Regions Bank. The loan is evidenced by loan agreements and promissory notes, all of which contain customary terms, conditions, restrictions, and other provisions. The loan is secured by (i) a purchase money security interest in manufacturing equipment to be purchased from proceeds of the loan and located at 800 East Huntsville Avenue, Springdale, Arkansas and (ii) any financing statements filed by the bank.

The loan will mature on March 1, 2006, unless Registrant defaults on the loan or the Registrant and the bank mutually agree on a different maturity date (Maturity). It is contemplated that at Maturity the bank will refinance the loan to one that that amortizes principal and interest in equal payments over thirty-six months. If the bank chooses not to provide a refinancing loan, Registrant will be required to make a balloon payment of all outstanding principal and accrued interest upon Maturity.

The loan requires monthly interest-only payments prior to Maturity. The loan bears interest at an annualized rate of 7.32%.
