  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**Item 1.01. Entry into a material Definitive Agreement.**

On February 1, 2006, the Compensation Committee of Thoratec Corporation (the Company), approved the Thoratec Corporation Corporate Executive Incentive Plan FY2006 (the 2006 Corporate Plan), the Thoratec Corporation Cardiovascular Business Executive Incentive Plan FY2006 (the 2006 Cardiovascular Plan), and the International Technidyne Corporation Executive Incentive Plan FY2006 (the 2006 ITC Plan, and collectively the Plans), pursuant to which certain members of management, including the named executive officers (other than Keith Grossman), may receive bonuses for 2006. Ms. Lucchese is a participant in the 2006 Corporate Plan, Mr. Cohen is a participant in the 2006 ITC Plan, and Mr. Nelson is a participant in the 2006 Cardiovascular Plan. As Mr. Grossman resigned from the positions of President and Chief Executive Officer as of January 17, 2006, he will not be a participant in any of these bonus plans. Gerhard F. Burbach, the Company's President and Chief Executive Officer, is a participant in the 2006 Corporate Plan. The bonuses under each Plan are based on a specified target bonus percentage of a participant's 2006 base salary and are payable based on the achievement of two Company-oriented financial goals and the achievement of personal performance objectives individually specified for each participant in the Plans. The specified target bonus percentages of the participants' base salary for the 2006 Plans are the same percentages that were used in the 2005 bonus plans, except for Mr. Burbach who was not a participant in the 2005 bonus plans. The Company-oriented financial goals vary depending on the specific Plan and are based on Thoratec's 2006 revenue and pre-bonus non-GAAP income before taxes for the 2006 Corporate Plan, the cardiovascular division 2006 revenue and pre-bonus non-GAAP income before taxes for the 2006 Cardiovascular Plan, and ITC 2006 revenue and pre-bonus non-GAAP income before taxes for the 2006 ITC Plan. The management business objectives are personalized for each participant. In addition to the target bonus, a participant may earn an additional bonus amount if the Company, the Cardiovascular division or ITC exceeds their target non-GAAP income before taxes goal, as applicable. Assuming each of the Company-oriented financial goals is achieved in 2006, the target non-GAAP income goals are not exceeded, and Mr. Burbach and each of the named executive officers (other than Mr. Grossman) achieves all of their personal performance objectives, the maximum dollar amounts of target bonuses that would be paid to the named executive officers are set forth in the table below.

<b>Name</b>	<b>Title</b>	<b>2006 Target Bonus</b>
Gerhard F. Burbach	President, Chief Executive Officer and Director	\$281,250
Lawrence Cohen	President of International Technidyne Corporation	\$174,000
Jeffrey W. Nelson	President Cardiovascular Division	\$213,500
Cynthia Lucchese	Senior Vice President and Chief Financial Officer	\$159,000

**Item 8.01. Other Events.**

On February 6, 2006, the Company issued a press release, which is furnished hereto as Exhibit 99.1 and incorporated by reference as if fully set forth herein, announcing that the Company's board of directors has authorized a stock repurchase program under which Thoratec common stock with a market value of up to \$20 million may be acquired by the Company in the open market or in privately negotiated transactions.
