Calculated based on Rule 13d-3 of the Exchange Act using 256,879,781 ProLogis common shares outstanding as of July 1, 2007. In calculating these percentages for each holder of notes, we also treated as outstanding that number of ProLogis common shares issuable upon conversion of that holder's notes. However, we did not assume the conversion of any other holder's notes. Based on the foregoing, unless otherwise noted, none of these selling securityholders would beneficially own 1% or more of the outstanding ProLogis common shares following the sale of securities hereunder.
