INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the board of directors (the board or the board of directors) of Salem Communications Corporation, a Delaware corporation (the Company), of proxies for use at the 2008 Annual Meeting of Stockholders of the Company (the Annual Meeting) scheduled to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

INFORMATION REGARDING VOTING AT THE ANNUAL MEETING

General

At the Annual Meeting, the stockholders of the Company are being asked to consider and to vote upon the following proposal:

Proposal 1 The election of the eight directors nominated by the Company's board of directors to serve until the annual meeting of stockholders to be held in the year 2009 or until their respective successors are duly elected and qualified.

For information regarding this proposal, see the section of this Proxy Statement entitled PROPOSAL 1 ELECTION OF DIRECTORS.

Shares represented by properly executed proxies received by the Company will be voted at the Annual Meeting in the manner specified therein or, if no instructions are marked on the enclosed proxy card, **FOR** each of the director nominees identified on such proxy card for such directors, as the holder of such shares is entitled to vote. Although management does not know of any matter other than the one proposal described above to be acted upon at the Annual Meeting, unless contrary instructions are given, shares represented by valid proxies will be voted by the persons named on the accompanying proxy card in accordance with their respective best judgment in respect of any other matters that may properly be presented for a vote at the Annual Meeting.

Execution of a proxy will not in any way affect a stockholder's right to attend the Annual Meeting and vote in person, and any person giving a proxy has the right to revoke it at any time before it is exercised by: (a) filing with the Secretary of Salem, prior to the commencement of the Annual Meeting, either a duly executed written notice dated subsequent to such proxy revoking the same or a duly executed proxy bearing a later date, or (b) attending the Annual Meeting and voting in person.

The mailing address of the principal executive offices of the Company is 4880 Santa Rosa Road, Camarillo, California 93012, and its telephone number is (805) 987-0400.

Record Date, Quorum and Voting

Only stockholders of record on April 11, 2008 (the Record Date), will be entitled to notice of and to vote at the Annual Meeting. There were outstanding on the Record Date 18,115,092 of Class A common stock, par value \$0.01 per share (Class A common stock), and 5,553,696 shares of Class B common stock, par value \$0.01 per share (Class B common stock) (the Class A common stock and the Class B common stock are collectively referred to as the common stock). Each share of outstanding Class A common stock is entitled to one vote on each matter to be voted on at the Annual Meeting and each share of outstanding Class B common stock is entitled to ten votes on each matter to be voted on at the Annual Meeting, except that, as provided in the Company's Amended and Restated Certificate of Incorporation, the holders of Class A common stock shall be entitled to vote as a class, exclusive of the holders of the

Class B common stock, to elect two Independent Directors. The two Independent Directors shall be elected by a majority of the votes of the shares of Class A common stock present in person or represented by proxy and entitled to vote on the election of the Independent Directors; the remaining six directors will be elected by a majority of the votes of the shares of Class A common stock and Class B common stock present in person or represented by proxy and entitled to vote on the election of such directors. For information regarding the election of the Independent Directors, see the section of this Proxy Statement entitled PROPOSAL 1 ELECTION OF DIRECTORS.

Table of Contents

The presence, in person or by proxy, of the holders of at least a majority of the voting power of the common stock issued and outstanding and entitled to vote is necessary to constitute a quorum at the Annual Meeting. In the event there are not sufficient votes for a quorum at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

Under Delaware law and the Company's Amended and Restated Certificate of Incorporation and Bylaws, abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum for the transaction of business. With regard to the election of directors, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect. Any stockholder proposals that properly come before the Annual Meeting require, in general, the affirmative vote of a majority of the voting power of the shares of Class A common stock and Class B common stock present, in person or represented by proxy, at the Annual Meeting and entitled to vote on the subject matter.

Solicitation

The cost of preparing, assembling and sending the Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card will be paid by the Company. Following the delivery of this Proxy Statement, directors, officers and other employees of the Company may solicit proxies by mail, telephone, facsimile or other electronic means or by personal interview. Such persons will receive no additional compensation for such services. Brokerage houses and other nominees, fiduciaries and custodians nominally holding shares of Class A common stock of record will be requested to forward proxy soliciting material to the beneficial owners of such shares, and will be reimbursed by the Company for their reasonable charges and expenses in connection therewith.

Householding

With regard to the delivery of Annual Reports and Proxy Statements, under certain circumstances the Securities and Exchange Commission (SEC) permits a single set of such documents to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder, however, still receives a separate proxy card. This procedure, known as householding, reduces the amount of duplicate information received at a household and reduces delivery and printing costs as well. A number of banks, brokers and other firms have instituted householding and have previously sent a notice to that effect to certain of the Company's stockholders whose shares are registered in the name of such bank, broker or other firm. As a result, unless the stockholders receiving such notice gave contrary instructions, only one Annual Report and/or Proxy Statement, as applicable, will be delivered to an address at which two or more stockholders reside. If any stockholder residing at such an address wishes to receive a separate Annual Report or Proxy Statement in the future, such stockholder should telephone toll-free 1-800-542-1061. In addition, if any stockholder who previously consented to householding desires to receive a separate copy of a Proxy Statement or Annual Report, as applicable, for each stockholder at his or her same address, such stockholder should contact his or her bank, broker or other firm in whose name the shares are registered or contact the Company at the address or telephone number listed on page 1 of this Proxy Statement. Similarly, a stockholder may use any of these methods if such stockholder is receiving multiple copies of a Proxy Statement or Annual Report and would prefer to receive a single copy in the future.

Director Independence and Executive Sessions

In November 2007 the Company's board of directors evaluated the independence of each of the Company's directors pursuant to standards set forth in the listing regulations of the National Association of Securities Dealers, Inc., as approved by the SEC (NASDAQ Rules). During this review, and as more specifically described in the section of this Proxy Statement entitled "RELATED PARTY TRANSACTIONS", below, the board of directors considered various transactions and relationships among directors (and their affiliates or family members), members of the Company's senior management, affiliates and subsidiaries of the Company and certain other parties that occurred during the past three fiscal years. This review was conducted to determine whether, under the NASDAQ Rules, any such relationships or transactions would affect the board of directors' determination as to each director's independence from management.

Upon conclusion of this review, the board of directors determined that, of the directors nominated for election at the Annual Meeting, a majority of the board (comprised of Messrs. Davenport, Hinz, Pressler, Riddle and Weinberg) is independent of the Company and its senior management as required by the NASDAQ Rules.

The NASDAQ Rules also require that independent members of the board of directors meet periodically in executive sessions during which only independent directors are present. The Company's independent directors have met separately in such executive sessions and in the future will regularly meet in executive sessions as required by the NASDAQ Rules.

Committees of the Board of Directors

The Company's board of directors has three committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The following table identifies the independent members of the board of directors and lists the members and chairman of each of these committees:

The Audit Committee held four regularly-scheduled meetings and two special meetings in 2007 and operates under a written charter adopted by the board of directors. This charter is available on the Company's Internet website (www.salem.cc) and a copy of the charter may be obtained upon written request from the Secretary of the Company. *Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.*

The Audit Committee Report set forth later in this Proxy Statement provides additional details about the duties and activities of this committee.

The Compensation Committee also administers the Company's Amended and Restated 1999 Stock Incentive Plan (the "Stock Plan"). The Compensation Discussion & Analysis set forth later in this Proxy Statement provides additional details concerning compensation for the Company's senior management.

The Compensation Committee held four meetings in 2007. The Compensation Committee meets at least twice annually and at additional times as are necessary or advisable to fulfill all of its duties and responsibilities.

Role of Committee

The role of the Company's Compensation Committee (the "Committee") is to oversee the Company's compensation and benefit plans and policies, administer its Stock Plan (including reviewing and approving equity grants to elected officers), and review and approve all compensation decisions relating to elected officers, including those for the Company's Named Executive Officers. In 2007, the actions of the Committee included: reviewing objective benchmarks and metrics by which a Named Executive Officer's performance can be measured; and, analyzing peer compensation and performance data for comparison with the Company's Named Executive Officers.

Management's Role in Determining Compensation

The Company's Named Executive Officers do not determine or approve any element or component of their own compensation. The Company's CEO provides a recommendation to the Committee for base salary and annual incentive compensation for the Named Executive Officers reporting to him.

Compensation Committee Interlocks and Insider Participation

No member of the Committee is, or formerly was, an officer or employee of the Company or any of its subsidiaries and none had any relationship with the Company requiring disclosure herein under applicable rules. The board of directors has adopted a written charter for the Nominating and Corporate Governance Committee. This charter is available on the Company's Internet website (*www.salem.cc*) and a copy of the charter may be obtained upon written request from the Secretary of the Company. *Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.*

The Nominating and Corporate Governance Committee is authorized to: (a) develop and recommend a set of corporate governance standards to the board of directors for adoption and implementation, (b) identify individuals qualified to become members of the board of directors, (c) recommend that director nominees be elected at the Company's next annual meeting of stockholders, (d) recommend nominees to serve on each standing committee of the board of directors, (e) lead in the annual review of board performance and evaluation of the board's effectiveness, (f) ensure that succession planning takes place for the position of chief executive officer and other key Company senior management positions, and (g) analyze, review and, where appropriate, approve all related party transactions to which the Company or its subsidiaries or affiliates are a party, all in accordance with applicable rules and regulations.

To qualify as a nominee for service on the board of directors, a candidate must have sufficient time and resources available to successfully carry out the duties required of a Company board member. The committee desires to attract and retain highly qualified directors who will diligently execute their responsibilities and enhance their knowledge of the Company's core businesses.

The Nominating and Corporate Governance Committee implements the Company's policy regarding stockholder nominations by considering nominees for director positions that are made by the Company's stockholders. Any stockholder desiring to make such a nomination must submit in writing the name(s) of the recommended nominee(s) to the Secretary of the Company at least 90 days before the annual meeting of stockholders. The written submission must also contain biographical information about the proposed nominee, a description of the nominee's qualifications to serve as a member of the board of directors, and evidence of the nominee's valid consent to serve as a director of the Company if nominated and duly elected.

The Company's directors provide oversight of the Company's management and play a key role in shaping the strategic direction of the Company. Consistent with the Company's Nominating and Corporate Governance Charter, the Nominating and Corporate Governance Committee considers various criteria in board candidates, including, among others, independence, character, judgment and business experience, as well as their appreciation of the Company's core purpose, core values, and whether they have time available to devote to board activities. The Nominating and Corporate Governance Committee also considers whether a potential nominee would satisfy:

1. The criteria for director independence established by the NASD (NASDAQ); and
2. The SEC s definition of audit committee financial expert .

Whenever a vacancy exists on the board due to expansion of the board s size or the resignation or retirement of an existing director, the Nominating and Corporate Governance Committee identifies and evaluates potential

director nominees. The Nominating and Corporate Governance Committee considers recommendations of management, stockholders and others. The Nominating and Corporate Governance Committee has sole authority to retain and terminate any search firm to be used to identify director candidates, including approving its fees and other retention terms.

Director candidates are evaluated using the criteria described above and in light of the then-existing composition of the board, including its overall size, structure, backgrounds and areas of expertise of existing directors and the relative mix of independent and employee directors. The Nominating and Corporate Governance Committee also considers the specific needs of the various board committees. The Nominating and Corporate Governance Committee recommends potential director nominees to the full board, and final approval of a candidate for nomination is determined by the full board. This evaluation process is the same for director nominees who are recommended by our stockholders.

The Nominating and Corporate Governance Committee did not receive any recommendations from stockholders proposing candidate(s) for election at the 2008 Annual Meeting. None of the directors serving on the Audit Committee, the Compensation Committee, or the Nominating and Corporate Governance Committee are employees of the Company.

Director Attendance at Board Meetings and 2007 Annual Meeting of Stockholders

The full board of directors held four regularly-scheduled meetings and two special meetings in 2007. During 2007, each of the Company's incumbent directors attended all of the four regularly-scheduled meetings of the full board of directors and all meetings of the committees of the board of directors on which they served. Judge Pressler did not participate in one of the two special meetings of the board of directors that occurred in 2007. The Company encourages, but does not require, that each director attend the Company's annual meeting of stockholders. In 2007, each of the Company's directors attended the 2007 annual meeting of stockholders.

Communications Between Stockholders and the Board

The Company has historically handled communications between stockholders and the board of directors on an *ad hoc* basis. No formal policy or process for such communications has been adopted by the Company as of the date of this Proxy Statement. COMPENSATION DISCUSSION & ANALYSIS

General Discussion

The Company's Executive Compensation Philosophy

The board of directors of the Company believes that a key to the Company's current and future success is its ability to attract and retain qualified individuals who are committed to the Company's success and capable of delivering on such commitment. The Company's compensation and benefits programs are designed to enable the attraction, retention and motivation of the best possible employees to operate and manage the Company at all levels. At the same time, the board of directors of the Company is committed to a compensation policy for the Company's executive management that is appropriately transparent to the Company's stockholders and in alignment with stockholders' best interests.

The Company's executive compensation programs are based upon a pay-for-performance philosophy that provides incentives to achieve both short-term and long-term objectives and to reward individual and Company performance. In addition to evaluating performance using financial and operational metrics, the CEO, CFO and the Company's three other most highly compensated executive officers during 2007 (collectively, the Named Executive Officers) are evaluated in many areas that are not measured directly by financial or operational results. These areas include: how well each Named Executive Officer helps the Company to achieve its strategic goals; each executive's ability to develop his or her subordinates; and, each executive's efforts to enhance the Company's relationship with key stakeholders.

Benchmarking

It is the intent of the board of directors that the Company be in a position to compete for highly qualified employees, including its Named Executive Officers. Accordingly, the process for compensation determination involves the Committee's consideration of peer compensation levels. While the Committee does not have a formal policy regarding

benchmarking, when determining recommended salary, target bonus levels and target annual long-term incentive award values for Named Executive Officers, the Committee gives consideration to compensation practices at peer radio broadcast companies, based on available data. The companies that comprised the Company's radio broadcast peer group in 2007 consisted of: Beasley Broadcast Group, Inc., Cumulus Media Inc., Cox Radio

Table of Contents

Inc., Emmis Communications Corp., Entercom Communications Corp., Regent Communications Inc., Radio One Inc., and Saga Communications Inc.

Named Executive Officer Compensation

The Company's Named Executive Officer compensation consists of four elements: base salary; annual cash incentive (bonus) awards; long-term incentive compensation, usually in the form of stock options; and perquisites and benefits. The Committee assesses each of these elements independently from the other elements to ensure that the amount paid to each Named Executive Officer for each compensation element is reasonable and, as a function of overall compensation paid, ensures that compensation for each Named Executive Officer is reasonable in its totality.

Distribution of Compensation

The percentage of the Company's annual total compensation, consisting of base salary, annual cash incentive (bonus) awards, and long-term incentive compensation is shown in the table below for each Named Executive Officer. This distribution of compensation elements reflects the Committee's emphasis on aligning compensation with the interests of the Company's stockholders, and the Committee's desire to balance short-term and long-term incentives. Other factors the Committee considers in determining the appropriate distribution of compensation for the Company's executives include executive preference, age, career status, historic practices and internal equity.

For 2007, total compensation for the Company's Named Executive Officers was distributed as follows:

Named Executive Officer	Base Salary	Annual Cash Incentive (Bonus) Awards	Long-Term Incentive Compensation	Other Compensation	Total
Mr. Atsinger	50.7%	13.9%	29.1%	6.3%	100%
Mr. Epperson	64.0%	8.2%	20.1%	7.7%	100%
Mr. Evans	38.7%	6.3%	53.1%	1.9%	100%
Mr. Davis	50.5%	9.6%	35.8%	4.1%	100%
Mr. Masyr	49.1%	7.1%	39.4%	4.4%	100%

Employment Agreements

Each of the Company's Named Executive Officers except Messrs. Atsinger and Epperson is employed pursuant to at will employment agreements without a fixed term length. Messrs. Atsinger and Epperson are employed pursuant to employment agreements with a fixed three year term. Each of the Named Executive Officer agreements provides for a contractual rate of base salary to be paid during the first three years of the contract length. Mr. Epperson's current agreement was entered into as of July 1, 2007, and will expire on June 30, 2010. Mr. Atsinger's current agreement was entered into as of July 1, 2007, and will expire on June 30, 2010. Mr. Davis' current agreement was entered into as of July 1, 2007, and will expire on June 30, 2010. Mr. Evan's current agreement was entered into as of September 1, 2005, and will expire on August 31, 2008. During 2007, Mr. Masyr was employed pursuant to an at will agreement that was entered into as of January 1, 2005. Mr. Masyr's current agreement was entered into effective as of January 1, 2008 and, like his prior agreement, is terminable at will.

Base Salary

When determining recommended base salaries for the Company's Named Executive Officers, the Committee generally evaluates salaries of the peer companies described in the section of this Proxy Statement entitled "COMPENSATION DISCUSSION & ANALYSIS - General Discussion - Benchmarking" above.

Where appropriate, adjustments are made to reflect the Company's relative position within the peer group. The Committee also considers other factors including: individual contribution and performance; Company performance; market conditions; retention needs; experience; succession planning; historic practices; and internal equity.

Table of Contents

Increases in the base salaries of the Company's Named Executive Officers for 2007 were made pursuant to the terms of the agreements described in the section of this Proxy Statement entitled "COMPENSATION DISCUSSION & ANALYSIS - Named Executive Officer Compensation - Employment Agreements" above.

Annual Cash Incentive (Bonus) Awards

All of the Company's Named Executive Officers are eligible to receive discretionary bonuses. The amount to be paid as a bonus, if any, to any Named Executive Officer is determined after a review of the Company's performance and the performance of each individual Named Executive Officer. Ordinarily, this determination is made in the first quarter of each year, following completion of the Company's financial statements for the prior year.

Incentive Compensation Pool

Annual cash incentive (bonus) awards are granted to Named Executive Officers from a target cash incentive (bonus) pool which is established at the beginning of the prior year. Over the course of such year the Committee adjusts the size of the pool to reflect the financial performance of the Company. Although the Company may pay an aggregate amount of annual cash incentive (bonus) award that is less than the full amount set forth in the pool, it generally does not pay and has not paid an aggregate amount that is greater than that which is in the pool.

Performance Measures and Award Payments

The Committee considers many factors when assessing the amount of any Named Executive Officer's annual cash incentive (bonus) awards. The Committee has significant flexibility in awarding cash bonuses. The Company believes that this flexibility, and the Company's history of rewarding performance, provide a strong motivating incentive to the Company's Named Executive Officers to perform in a manner that will help the Company continue to achieve its goals and objectives.

Given the changing nature and complexities of the media industry, the Committee's decision to increase or decrease cash bonuses from year to year is generally based upon a variety of factors deemed appropriate by the Committee including the financial performance of the Company and the individual areas of responsibility of each Named Executive Officer. The Committee has broad discretion to make bonus determinations and it is not required to apply formulas or ranges based upon specific performance criteria. Factors generally considered by the Committee include: earnings per share; return on invested capital; EBIDTA growth; same station revenue growth; same station SOI growth; non-broadcast EBITDA; relative stock price growth; and audience growth.

Incentive (Bonus) Awards Earned in 2007

Based on the financial performance of the Company, the Committee's consideration of the factors described in the section of this Proxy Statement entitled "COMPENSATION DISCUSSION & ANALYSIS - Named Executive Officer Compensation - Performance Measures and Award Payments" above, and Company management's recommendations, the actual bonuses paid to each Named Executive Officer in 2007 for performance in 2006 were \$220,000 for Mr. Atsinger, \$80,000 for Mr. Epperson, \$75,000 for Mr. Evans, \$75,000 for Mr. Davis and \$35,000 for Mr. Masyr.

Long-Term Incentive Compensation

The Company believes that equity-based compensation helps ensure that the interests of the Named Executive Officers are aligned with those of the Company's stockholders. The Company also believes that equity-based compensation is a material element of compensation required to recruit and retain key executives and remain competitive with the Company's peers. Lastly, the Company uses equity-based compensation, in particular stock

options with long-term vesting, to incentivize long-term retention of key executives.

Stock Options

The Company's equity-based compensation program is governed by the Stock Plan adopted by the board of directors and last approved by the Company's stockholders on May 18, 2005. The Stock Plan calls for stock options

Table of Contents

to be granted with exercise prices equal to the market price of the Company's class A common stock on the date of grant. All stock options granted by the Company generally have value only if the market price of the class A common stock has increased by the time the options vest and are exercised. The Company's option grants generally vest ratably over four years. Because the stock options do not have value unless the stock price increases above the grant date price, the Committee believes that stock options are a useful motivational tool.

In determining the size of stock option grants to Named Executive Officers, the Committee: (a) compares equity-based compensation awards to individuals holding comparable positions in the Company's peer group; (b) evaluates the Black-Scholes valuation of potential stock option grants; (c) reviews Company performance against annual performance goals; and (d) reviews individual performance against the individual's annual incentive bonus objectives.

In 2007, Mr. Atsinger was awarded 60,000 stock options, Mr. Epperson was awarded 25,000 stock options, Mr. Evans was awarded 25,000 stock options, Mr. Davis was awarded 35,000 stock options and Mr. Masyr was awarded 26,000 stock options.

Perquisites and Benefits

The Company provides its Named Executive Officers with perquisites and employee benefits. Except as specifically noted elsewhere in this Proxy Statement, the employee benefits programs in which the Company's Named Executive Officers participate (which provide benefits such as medical coverage, dental coverage, life insurance, disability insurance and annual contributions to a qualified 401(k) retirement plan) are generally the same programs offered to substantially all of the Company's salaried employees.

Perquisites

The Committee does not view perquisites as a significant element of its overall compensation structure, but it does believe that providing perquisites can be a useful tool in attracting, motivating and retaining executive talent. The Company provided certain perquisites to its Named Executive Officers in 2007 as summarized below:

Use of Vehicles

Each of the Company's Named Executive Officers except for Messrs. Evans and Masyr is provided with either a car allowance or vehicle provided by the Company. The Committee made its determination to continue to provide Messrs. Atsinger and Epperson with this perquisite based upon: (a) the fact that this perquisite has been given to these two executives for many years, and (b) a comparison of comparable perquisites for CEOs and Chairmen at peer companies. The Committee made its determination to provide Mr. Davis with this perquisite due to his pre-existing and continuing significant use of his vehicle for Company purposes.

Supplemental Medical, Travel and Expense Reimbursement for Mr. Atsinger

In addition to the basic group medical plan offered all employees, Mr. Atsinger receives reimbursement for all travel and medical expenses incurred by him for any medical treatment elected by him. This perquisite includes all medical expenses that are not covered under the Company's medical benefits or plans. The Company may elect to provide this perquisite by obtaining supplemental medical insurance covering Mr. Atsinger at the Company's cost or reimbursing Mr. Atsinger for any health, dental or vision expenses incurred by him that are not covered by the Company's medical benefits programs. The Company also provides full reimbursement to Mr. Atsinger for any income or employment taxes applicable to this perquisite.

Payment of Filing and Regulatory Fees

The Company pays for the preparation of all regulatory and government filings required to be made by the Named Executive Officers solely as a result of their position as officers or directors of the Company or of the Company's wholly-owned subsidiary Salem Communications Holding Corporation. The Company also pays for the preparation and filing of all regulatory filings (including without limitation Hart-Scott-Rodino Act filing fees) Mr. Epperson or Mr. Atsinger are required to make as a result of the exercise of options granted to them for the

Table of Contents

purchase of the Company's stock. The Committee's determination to provide this perquisite to Messrs. Epperson and Atsinger was based on the possibility that such filings will need to be made if either Mr. Epperson or Mr. Atsinger elects to exercise any of their vested outstanding stock options.

Mr. Davis Health Club Membership

The Company paid dues for a health club membership for Mr. Davis from January through October 2007. The Committee's determination to provide this perquisite was based primarily upon the Committee's recognition of the benefit provided by such a membership in consideration of the extensive travel requirements and other responsibilities of his position.

Supplemental Life Insurance Coverage for Mr. Evans

To match a perquisite provided to him by his previous employer, and in addition to the basic life insurance provided by the Company to all employees, the Company pays the premiums for term life insurance covering Mr. Evans in the amount of Two Million Five Hundred Thousand Dollars (\$2,500,000).

Split-Dollar Life Insurance

Since 2003, the Company has maintained separate split-dollar life insurance policies covering Mr. and Mrs. Epperson and Mr. and Mrs. Atsinger, respectively, in the amount of \$20,000,000 each. Pursuant to the terms of these policies, the Company will receive an amount equal to the sum of all premiums paid by the Company (without interest) through such date and the beneficiaries will receive all remaining insurance benefits under these policies.

Other Benefits

401(k) Plan

The Company maintains a 401(k) Plan. Participation in this 401(k) Plan by Named Executive Officers is on the same basis as the Company's other full-time employees. The terms of the 401(k) Plan indicate that the Company will match employees' contributions (subject to applicable legal limitations upon such contributions) as follows: (a) for 401(k) Plan contributions less than or equal to 3% of compensation, the Company will match employee contributions at a rate of fifty cents on the dollar, and (b) for 401(k) Plan contributions in excess of 3% and less than 6% of compensation, the Company will match employee contributions at a rate of twenty-five cents on the dollar. Company matching contributions vest ratably in equal installments of one-third each over a three-year period beginning on the employee's date of hire, such that after three years an employee is 100% vested in Company matching contributions. All Company matches to 401(k) Plan contributions made by the Named Executive Officers are fully vested.

Medical, Dental, Life Insurance and Disability Coverage

The Company provides full reimbursement of all premiums paid by the Named Executive Officers for medical, dental, life and disability coverage benefits provided to the Named Executive Officers and their dependants.

Deferred Compensation Plans

The Company offers a deferred compensation plan for certain highly compensated employees including the Named Executive Officers. Under this plan, participants are permitted to defer a portion of their income for specific time periods. The Company's obligations under the deferred compensation plan are unsecured.

Severance and Change-in-Control Benefits

Change in Control Agreements

The Company has not entered into change-in-control agreements with any of the Company's elected corporate officers, including each of the Named Executive Officers.

Table of Contents

Severance and Other Termination Agreements

Upon certain types of terminations of employment (other than a termination following a change in control of the Company), severance benefits may be paid to the Named Executive Officers. The severance benefits payable to each of the Named Executive Officers are addressed in their respective employment agreements and each of them would receive the benefits provided to him under their specific agreement. The severance and termination payments and benefits that would occur in the event of termination of employment of each of the Named Executive Officers are more fully described in the section of this Proxy Statement entitled EXECUTIVE COMPENSATION Potential Payments to the Company's Named Executive Officers Upon Termination or Change in Control below.

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of One Million Dollars (\$1,000,000) on the amount of compensation that the Company may deduct in any one year with respect to the Company's CEO as of the close of the taxable year and the next three most highly compensated executive officer, excluding the Chief Financial Officer.

The Committee believes that tax deductibility is an important factor, but only one factor, to be considered when evaluating its compensation policies and practices. While the Company's compensation practices have generally been designed and implemented in a manner which would maintain tax deductibility, the Committee believes that the interests of the Company may be better served by providing compensation that is not fully tax deductible. Based on the Company's current compensation plans and policies and proposed regulations interpreting the Internal Revenue Code, however, the Committee believes that, for the near future, any loss in tax deductibility for executive compensation will not be material in amount.

Security Ownership Requirements/Guidelines

The Corporate Governance Principles adopted by the Company's board of directors encourage Company executives and board members to purchase shares of the Company's stock. The board of directors recognizes, however, that the number of shares of Company stock owned by any executive or director is a personal decision. Accordingly, the Company has determined not to adopt a policy requiring ownership by its Named Executive Officers or directors of a minimum number of shares of Company stock.

- (2) Preferential earnings for Mr. Davis of \$7,141 under the Company's non-qualified deferred compensation plan are included as compensation in the Summary Compensation Table.
- (3) All amounts in the aggregate balance for Messrs. Davis, Evans and Masyr were included in the Summary Compensation Table for previous years, except for 2007 preferential earnings for Mr. Davis which are included in footnote 2 above.

The primary purpose of the Company's non-qualified deferred compensation plan is to allow plan participants to defer payment of up to 100% of base salary and bonus compensation until retirement or other employment termination. Plan participants may also elect an in-service distribution during a designated calendar year. Payment is made, at the participant's election, in a single sum or equal annual installment payments over a five-year period commencing at: (a) retirement after age 60, (b) or one year thereafter, or (c) the date previously elected by the plan participant; provided, however, that distribution in a single sum is automatically made on termination of employment for reasons other than retirement or disability. Previously established plan payment dates may, under certain circumstances, be deferred by participants but such payment dates may not be voluntarily accelerated after they have been designated by a participant. Plan participants may elect to have their contributions in investments that are offered to all plan participants by the plan administrator. Plan accounts are 100% vested at all times. The plan constitutes a fully funded, non-qualified deferred compensation plan that benefits certain designated employees who are within a select group of key management or highly compensated employees.

AUDIT COMMITTEE REPORT

This Audit Committee Report shall not be deemed soliciting material or to be filed with the Securities and Exchange Commission (SEC), nor shall any information in this report be incorporated by reference by any general statement into any past or future filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that Salem Communications Corporation and its subsidiaries (the Corporation) specifically incorporates this information by reference into such filing, and shall not otherwise be deemed filed under such Acts.

The purpose of the Audit Committee (the Committee) is to oversee, on behalf of the entire board of directors (the Board): (a) the accounting and financial reporting processes of the Corporation, (b) the audits of the Corporation's financial statements, (c) the qualifications of the public accounting firm engaged as the Corporation's independent

registered public accounting firm to prepare or issue an audit report on the financial statements of the Corporation, and (d) the performance of the Corporation's internal auditor and independent registered public accounting firm.

The Committee has adopted, and annually reviews, a charter outlining the practices it follows. The charter complies with all current regulatory requirements, including requirements pertaining to the NASD listing standards definitions, provisions and applicable exceptions concerning the independence of audit committee members.

In 2007, the Committee held six meetings, four of which were regularly scheduled and two of which were special. The Committee's meeting agendas are established by the Committee chairman based upon the Committee's charter and an annual meeting planner approved by the entire Committee. At each of these meetings, the Committee met with the senior members of the Corporation's financial management team and General Counsel. Additionally,

Table of Contents

the Corporation's internal auditor met with the full Committee at three of the six meetings and the independent registered public accounting firm met with the full Committee at four of the six meetings. Prior to each regularly scheduled meeting, the Chairman of the Committee also met privately with the Corporation's independent registered public accounting firm and, separately, with the Corporation's internal auditor, at which times candid discussions of financial management, accounting and internal control issues took place.

The Committee appointed Singer Lewak Greenbaum & Goldstein LLP as the Corporation's independent registered public accounting firm for the year ended December 31, 2007, and reviewed with the Corporation's financial managers, the independent registered public accounting firm, and the Corporation's internal auditor, overall audit scopes and plans, the results of internal and external controls and the quality of the Corporation's financial reporting.

The Corporation's management is primarily responsible for the preparation, presentation, and integrity of the Corporation's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. As the Corporation's independent registered public accounting firm, Singer Lewak Greenbaum & Goldstein LLP is responsible for performing an independent audit of the Corporation's consolidated financial statements in accordance with generally accepted accounting standards and for expressing an opinion on the conformity of the audited financial statements to accounting principles generally accepted in the United States of America.

The Committee has reviewed and discussed with management the Corporation's audited financial statements as of and for the year ended December 31, 2007. The Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by: (a) the Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (regarding Communications with Audit Committees), and as further amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants, and (b) Securities and Exchange Commission (SEC) Regulation S-X, Rule 2-07.

The Committee has received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as amended, by the Independence Standards Board, and the Committee has discussed with the independent registered public accounting firm that firm's independence from the Corporation and its management. The Committee has also considered whether the independent registered public accounting firm's provision of non-audit services to the Corporation is compatible with the auditor's independence.

Based on the Committee's reviews and discussions referred to above, the Committee recommended to the Board that the audited consolidated financial statements referred to above be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2007, to be filed with the SEC.

The Audit Committee is currently comprised of Dennis M. Weinberg, Chairman, Roland S. Hinz and Richard A. Riddle.

RELATED PARTY TRANSACTIONS**Purchase of Transmitter Sites/New Transmitter Site Leases With Principal Stockholders**

The Company's Nominating and Corporate Governance Committee has a longstanding policy and desire to reduce the number of transactions entered into between the Company and its related parties. In March 2008, as part of a review and evaluation of certain upcoming related party lease option exercises or renewals, the committee determined that it was in the best interest of the Company for it to make an integrated offer to: (a) purchase certain transmitter sites from trusts or partnerships created for the benefit of Messrs. Atsinger and Epperson and their families (the Principal Stockholders), and (b) enter into new transmitter site leases for eight (8) existing transmitter sites operated by the Company and leased from the Principal Stockholders.

As a result of this offer, in April 2008, the Company purchased three tower and antenna sites (the Transmitter Site Purchases) from the Principal Stockholders as follows:

Market	Station Call Letters	Facilities Purchased	Purchase Price	Closing Date
Seattle Tacoma, WA	KGNW-AM	Antenna/Tower	\$ 3,100,000	April 8, 2008
Denver Boulder, CO	KRKS-AM	Antenna/Tower	\$ 1,400,000	April 8, 2008
Pittsburgh, PA	WORD-FM	Antenna/Tower	\$ 475,000	April 8, 2008
			\$ 4,975,000	

By purchasing these sites, the Company eliminated approximately \$148,000 in annual rental expenses and permanently secured these AM transmitter site locations. The Company also assumed two income-producing lease agreements as a material part of the Transmitter Site Purchases as follows: (a) a duplex agreement at the Seattle-Tacoma, WA site generating current annual rental income of approximately \$139,000, and (b) a mobile telephone lease at the Pittsburgh, PA site generating current annual rental income of approximately \$26,000.

The purchase price for all three of the Transmitter Site Purchases was paid by the Company in cash at closing. All expenses incurred in connection with securing title insurance, preparation and recording of deeds, and other fees associated with completion of the Transmitter Site Purchases were shared equally by the Company and the Principal Stockholders.

A prerequisite negotiated by the Company as an important condition of the closing of the Transmitter Site Purchases was the entry by the Company into new transmitter site leases for eight (8) existing transmitter sites (the New Transmitter Site Leases) operated by the Company and leased from the Principal Stockholders. Seven (7) of these

New Transmitter Site Leases replace existing transmitter site leases between the Company and the Principal Stockholders which were either scheduled to expire or had option exercise deadlines in 2009 or 2010. As a result, the Company is not required to renegotiate a new lease or exercise an option on any of its related party leases until 2016.

In order to broadcast an AM radio signal, the Company's transmitter facilities must be located in areas where the topography and conductivity of the soils is suitable for transmission. In addition, many AM transmitter sites require several towers arrayed at precise locations, each with a large ground radial system, to operate. Securing a site with the requisite characteristics and obtaining necessary permissions to construct a transmission facility can take significant time and money. By entering into these new leases with the Principal Stockholders, the Company

Table of Contents

was able to secure these difficult-to-relocate AM transmitter sites for at least ten (10) years with an option to extend each of these leases for five (5) years thereafter.

The eighth (8th) lease concerns the transmitter site for Company's expanded band radio station KDOW-AM in the Seattle-Tacoma, WA area. Prior to its entry into this lease, the Company had previously paid no rent for the right to operate KDOW-AM from this site. The following table contains a summary of certain significant terms for the New Transmitter Site Leases:

Market	Station Call Letters	Facilities Leased	Annual Rental(1)	Expiration Date(2)
San Francisco, CA	KFAX-AM	Antenna/Tower	\$ 215,000	2023
Philadelphia, PA	WFIL-AM/WNTP-AM	Antenna/Tower/Studios	\$ 190,000	2023
Phoenix, AZ	KPXQ-AM	Antenna/Tower	\$ 62,500	2023
Houston Galveston, TX	KNTH-AM	Antenna/Tower	\$ 45,000	2023
Seattle Tacoma, WA	KDOW-AM (Ex. Band)	Antenna/Tower	\$ 35,000	2023
Seattle Tacoma, WA	KNTH-AM	Antenna/Tower	\$ 35,000	2023
Portland, OR	KPDQ-AM	Antenna/Tower	\$ 26,500	2023
San Antonio, TX	KSLR-AM (night site)	Antenna/Tower	\$ 18,000	2023
			\$ 627,000	

(1) Annual rent is calculated as of April 8, 2008. The initial lease term for each of the above leases commences on April 8, 2008, and expires on March 31, 2018. The Company has a single option to extend the term of each of the above leases for a period of five (5) years thereafter.

(2) The expiration date reported represents the expiration date assuming exercise of the lease term extension at the Company's option.

At the time of the Transmitter Site Purchases and New Transmitter Site Leases, and pursuant to the procedures for review of related party transactions set forth in the section of this Proxy Statement entitled "RELATED PARTY TRANSACTIONS-Procedures for Review, Approval or Ratification of Related Party Transactions", below, the Company obtained independent appraisals of the radio stations/rentals lease and determined that the terms of the transactions were no less favorable to the Company than those that would be available in a comparable transaction in arm's length dealings with an unrelated third party.

Table of Contents**Leases With Principal Stockholders**

As of April 8, 2008, the Company leases the studios and tower and antenna sites described in the table below from the Principal Stockholders. The leases listed below include all of the New Transmitter Site Leases which have replaced and superseded existing leases with the Principal Stockholders as described in more detail in the section of this Proxy Statement entitled RELATED PARTY TRANSACTIONS- Purchase of Transmitter Sites/New Transmitter Site Leases With Principal Stockholders, above. All such leases have cost of living adjustments. Based upon management's assessment and analysis of local market conditions for comparable properties, the Company believes that such leases do not have terms that vary materially from those that would have been available from unaffiliated parties.

Procedures for Review, Approval or Ratification of Related Party Transactions

The Company has a related party transactions policy. This policy provides that: related party transactions as defined in Item 404(a) of SEC Regulation S-K are subject to the prior approval of the Nominating and Corporate Governance Committee, and that related party transactions be cleared through the Secretary of the Company to ensure compliance

with this policy.

Under this policy, our Nominating and Corporate Governance Committee reviews the material facts relating to all potential related party transactions and either approves or disapproves of the transaction, subject to certain exceptions. In determining whether to approve or ratify a related party transaction, the Nominating and Corporate Governance Committee will take into account, among other factors it deems appropriate, whether the related party transaction is on terms no less favorable to the Company than terms generally available from an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction.

Table of Contents**THE COMPANY'S RELATIONSHIP WITH ITS
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM****Change In Company's Certifying Accountant**

On June 7, 2007, the Company's Audit Committee dismissed Ernst & Young LLP (E&Y) as Salem's independent registered public accounting firm and appointed Singer Lewak Greenbaum & Goldstein LLP (SLGG) as Salem's new independent registered public accounting firm for the fiscal year ending December 31, 2007.

This change in accounting firms did not result from any dissatisfaction of the Committee or Salem with the quality or delivery of professional services rendered by E&Y. The decision to replace E&Y with SLGG as Salem's independent registered public accounting firm was made by the Committee.

The reports of E&Y on Salem's financial statements for the fiscal years ended December 31, 2006, and December 31, 2005, respectively, did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of the Company's financial statements for each of the two fiscal years ended December 31, 2006 and December 31, 2005, and in the subsequent interim period through June 7, 2007, there were no disagreements with E&Y on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference to the matter in their report. Salem requested E&Y to furnish a letter to the Securities and Exchange Commission stating whether it agrees to the above statements. A copy of that letter, dated June 7, 2007, was filed as Exhibit 16.1 to the Form 8-K filed by the Company on June 7, 2007.

During the years ended December 31, 2006 and December 31, 2005, respectively, and through June 7, 2007, neither the Committee, Salem, nor anyone acting on behalf of the Committee or Salem, consulted SLGG regarding any of the matters described in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Principal Accountant Fees and Services

The following table summarizes the fees billed by the Company's current registered public accounting firm, SLGG, and former registered public accounting firm, E&Y, for professional services rendered during fiscal year 2007 and fiscal year 2006:

	Fees Paid During Year Ended	
	December 31, 2007	December 31, 2006
Audit Fees(1)	\$ 377,536	\$ 722,974(1)
Audit-Related Fees(2)	\$	\$ 2,500(2)
Tax Fees	\$	\$
All Other Fees	\$	\$
Total Fees For Services(4)	\$ 377,536	\$ 725,474

- (1) Audit fees include \$309,154 billed by SLGG, and \$68,382 billed by E&Y. All fees are associated with the audit of the Company's annual financial statements; Sarbanes-Oxley Act Section 404 attest services; reviews of quarterly financial statements; and services that generally only the auditors can reasonably provide such as comfort letters, consents, and assistance with and review of documents filed with the SEC.
- (2) Audit-related fees include fees associated with accounting consultations.
- (3) None of the fees listed in the table above were approved by the Audit Committee in reliance on a waiver from pre-approval under paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

Table of Contents

Audit Committee's Pre-Approval Policies and Procedures

In accordance with the Audit Committee's pre-approval policies and procedures and the requirements of applicable law, all services to be provided by SLGG are pre-approved by the Audit Committee. Pre-approval includes audit services, audit-related services and other permissible non-audit services. Pre-approval is generally provided by the full Audit Committee for up to a year and is detailed as to the particular defined tasks or scope of work and is subject to a specific budget. In some cases, the Audit Committee has delegated authority to the Chairman of the Audit Committee to pre-approve additional services, and any such pre-approvals granted by the Chairman must then be communicated to the full Audit Committee at or prior to the next scheduled Audit Committee meeting. When assessing whether it is appropriate to engage the independent registered public accounting firm to perform a service, the Audit Committee considers, among other things, whether such services are consistent with the independent registered public accounting firm's independence and whether such services constitute prohibited non-audit functions under Section 201 of the Sarbanes-Oxley Act of 2002. The Audit Committee considered the provision of the services listed in the table above by SLGG and determined that the provision of such services was compatible with maintaining the independence of SLGG.
