**Item 2.05. Costs Associated with Exit or Disposal Activities.**

On November 5, 2008, Cadence Design Systems, Inc. ( Cadence ) announced the commencement of a restructuring program designated to focus Cadence s strategy, streamline the business and improve operational execution and financial performance. Upon completion of the restructuring program, Cadence expects to achieve annual operating expense savings of at least \$150 million. The restructuring program is expected to reduce Cadence s employee base by at least 625 positions, plus a substantial number of contractors and consultants.

Cadence expects to record a restructuring charge of approximately \$65 million to \$70 million pre-tax, \$48 million of which would be recorded in the third quarter of 2008. A substantial majority of these restructuring charges are employee-related costs and substantially all of these charges will result in future cash expenditures. Because of varying regulations in the jurisdictions and countries in which Cadence operates, the restructuring program, including the workforce reduction, is expected to be completed in the second half of fiscal 2009.

A copy of the press release is attached hereto as Exhibit 99.01 and is incorporated by reference herein.

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(e) Cadence has determined that no payment shall be made to Cadence s named executive officers or the other participants in the Cadence Senior Executive Bonus Plan for performance in fiscal 2008.
