Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On December 5, 2008, Introgen Therapeutics, Inc. (Introgen) received a letter from the Nasdaq Listing Qualifications Panel (the Panel) stating that it has determined to delist the shares of Introgen from the Nasdaq Stock Market and to suspend trading effective at the open of trading on Tuesday, December 9, 2008. As previously announced, on November 17, 2008, Introgen received a letter from the Panel indicating that shares of Introgen common stock will be transferred from the Nasdaq Global Market to the Nasdaq Capital Market, and that such listing would continue provided that Introgen can demonstrate compliance with all continued listing requirements of the Nasdaq Capital Market by March 3, 2009. On December 4, 2008, Introgen notified the Panel that as a result of Introgen s bankruptcy filing, it expects that it will be unable to establish compliance with the continued listing requirements of the Nasdaq Capital Market on or before March 3, 2009. The December 5, 2008 letter from the Panel indicated that in light of the Company s filing for protection under Chapter 11 of the U.S. Bankruptcy Code, and Introgen s expectation that it will not meet the continued listing standards by March 3, 2009, the Panel has no basis for the continuing list of Introgen s shares.

Introgen does not expect to appeal the Panel s determination and therefore expects that its shares of Common Stock will be delisted effective at the open of trading on Tuesday, December 9, 2008. As a result, Introgen expects that there will be a very limited market, or no market at all, in which its securities are traded, and as a result, its stockholders will likely find it difficult to sell their shares of Introgen s common stock.
