**Item 1.01. Entry into a Material Definitive Agreement.**

On August 20, 2007, Critical Therapeutics, Inc. (the Company) entered into an agreement with Jagotec AG, a subsidiary of SkyePharma PLC, under which Jagotec agreed to manufacture and supply bulk uncoated tablets of twice-daily ZYFLO CR (zileuton) extended-release tablets (ZYFLO CR) to the Company for commercial sale. The Company previously had contracted with Jagotec for the manufacture of ZYFLO CR for clinical trials and regulatory review. Under the terms of the prior agreement, the Company and Jagotec had agreed to negotiate a commercial manufacturing agreement for ZYFLO CR. SkyePharma has guaranteed the performance by Jagotec of all obligations under the commercial manufacturing agreement.

The Company has agreed to purchase minimum quantities of ZYFLO CR during each 12-month period for the first five years following marketing approval of ZYFLO CR by the U.S. Food and Drug Administration (the FDA). For the term of the contract, the Company has agreed to purchase specified amounts of its requirements for ZYFLO CR from Jagotec. The commercial manufacturing agreement has an initial term of five years beginning on May 22, 2007, and will automatically continue thereafter, unless the Company provides Jagotec with 24-months prior written notice of termination or Jagotec provides the Company with 36-months prior written notice of termination. In addition, the Company has the right to terminate the agreement upon 30-days prior written notice in the event any governmental agency takes any action, or raises any objection, that prevents the Company from importing, exporting or selling ZYFLO CR. The Company also may terminate the agreement upon six-months advance notice in the event that an AB-rated generic pharmaceutical product containing zileuton is introduced in the United States and the Company determines to permanently cease commercialization of ZYFLO CR. Likewise, the Company may terminate the agreement upon 12-months advance notice if it intends to discontinue commercializing ZYFLO CR tablets. Furthermore, each party has the right to terminate the agreement upon the occurrence of a material uncured breach by the other party. In the event either party terminates the agreement, the Company has agreed to purchase quantities of ZYFLO CR tablets that are subject to binding forecasts.

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On August 21, 2007, the Company announced that the Company has appointed Thomas P. Kelly, age 36, to serve as Chief Financial Officer and Senior Vice President of Finance and Corporate Development, effective August 20, 2007. From July 2003 to August 2007, Mr. Kelly served as a principal in life sciences investment banking at Canaccord Adams, Inc., an investment banking firm. Immediately upon a change of control of the Company, as defined in the employment agreement, Mr. Kelly is entitled to accelerated vesting of 50% of all his outstanding unvested stock options and restricted stock. a lump sum payment in an amount equal to a pro rata portion of Mr. Kelly's target cash bonus in effect in the year of termination;

accelerated vesting of 100% of Mr. Kelly's outstanding unvested stock options and restricted stock; and

up to three months of outplacement services.

Upon voluntary resignation, Mr. Kelly is entitled to a lump sum payment in an amount equal to a pro rata portion of his annual bonus from the previous year, provided that Mr. Kelly gives 90 days prior written notice of resignation and executes a release of the Company.
