INDEPENDENT AUDITOR'S REPORT

To the Administrative Trustees of the  
BGEA/Boston Globe Employee Savings Plan

We were engaged to audit the accompanying statements of net assets available for plan benefits of the BGEA/Boston Globe Employee Savings Plan as of December 24, 2002, and the related statements of changes in net assets available for plan benefits for the year ended December 24, 2002, and the supplemental schedule of assets held for investment purposes at end of the year at December 24, 2002. These financial statements and supplemental schedules are the responsibility of the Plan's management. The financial statements of BGEA/Boston Globe Employee Savings Plan at December 24, 2001 and 2000 were audited by other auditors whose report dated June 27, 2002 on the statement disclaims an opinion for the reasons described in the following paragraph.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Putnam Fiduciary Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 24, 2002 that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

#### BGEA/BOSTON GLOBE EMPLOYEE SAVINGS PLAN

#### NOTES TO FINANCIAL STATEMENTS

December 24, 2002

##### 1. Description of the Plan

The following description of the BGEA/Boston Globe Employee Savings Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

##### a. General

The plan is a defined contribution plan covering all employees of the Company, who are members of a collective bargaining group which has agreed to adopt the plan, and who have been credited with 1,000 or more hours of service during a 12-month period and are twenty-one years of age or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**b. Contributions**

Participants enter into a salary reduction agreement with the Employer, subject to statutory limitations, and the Employer contributes to the plan on the employee's behalf. Participants may make qualified rollover contributions to the plan. Participants contributions shall be invested in the plan in accordance with the participants investment elections.

**c. Participant Accounts**

Each participant's account is credited with the participant's contribution and reflects an allocation (based on participant account balances) of (a) fund earnings of each fund in which the participant elects contributions, and (b) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance. Participant accounts will consist of investments, at the direction of the participant.

**d. Investment Options**

Participants may elect to contribute into any of thirteen (13) mutual funds and one (1) equity security: Domini Social Equity, Putnam Health Sciences, Putnam International Growth Fund, The George Putnam Fund of Boston, Putnam New Opportunities Fund, Putnam Voyager Fund Putnam Vista Fund, Putnam S&P 500 Index Fund, Pimco Total Return Fund, Franklin Templeton Balance Sheet Fund, Sentinel Small Company Fund, Dodge & Cox Stock Fund, Putnam Stable Value Fund, and The New York Times (common stock).

BGEA/BOSTON GLOBE EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (continued)  
December 24, 2002

**g. Vesting**

Participants are immediately vested in their voluntary contributions and actual earnings thereon. Participants vest in the employer matching and other contributions at a rate of 25% after one year of service, 75% after two years of service, and 100% after three years of service.

**h. Payments of Benefits**

Upon termination of service or retirement, a participant is entitled to a lump sum distribution equal to the value of his or her account.

2. Summary of Significant Accounting Policies

**a. Basis of Presentation**

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**b. Investments Valuation and Income Recognition**

Investments held by the Plan are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net assets value of shares held by the plan at year-end. Participants' notes receivable are valued at cost which approximates market. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains and losses are calculated on a weighted average basis. The participant determines the percentage of contributions, which are to be invested in each investment fund.

The Plan presents in the statement of changes in net assets available for Plan benefits the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains and losses and the unrealized appreciation (depreciation) on those investments.

3. Information Certified by Putnam Fiduciary Trust Company (unaudited)

The Company has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Putnam Fiduciary Trust Company has certified the following information included in the accompanying financial statements and supplemental schedules as complete and accurate as of December 24, 2002 and 2001 and for the years then ended.
